

## Unlikely Mates The Chosen Series Book 3

Pick up where the best-selling book one left off. The Chosen Book Two features forty brand-new devotions that contain a Scripture, a unique look into a Gospel story, suggestions for prayer, and questions that lead you further in your relationship with Christ. Foreword by Alex Kendrick.

Profiles the life and career of the professional ballerina, covering from when she began dance classes at age thirteen in an after-school community center through becoming the only African American soloist dancing with the American Ballet Theatre.

The US Constitution never established a presidential cabinet—the delegates to the Constitutional Convention explicitly rejected the idea. So how did George Washington create one of the most powerful bodies in the federal government? On November 26, 1791, George Washington convened his department secretaries—Alexander Hamilton, Thomas Jefferson, Henry Knox, and Edmund Randolph—for the first cabinet meeting. Why did he wait two and a half years into his presidency to call his cabinet? Because the US Constitution did not create or provide for such a body. Washington was on his own. Faced with diplomatic crises, domestic insurrections, and constitutional challenges—and finding congressional help lacking—Washington decided he needed a group of advisors he could turn to. He modeled his new cabinet on the councils of war he had led as commander of the Continental Army. In the early days, the cabinet served at the president’s pleasure. Washington tinkered with its structure throughout his administration, at times calling regular meetings, at other times preferring written advice and individual discussions. Lindsay M. Chervinsky reveals the far-reaching consequences of Washington’s choice. The tensions in the cabinet between Hamilton and Jefferson heightened partisanship and contributed to the development of the first party system. And as Washington faced an increasingly recalcitrant Congress, he came to treat the cabinet as a private advisory body to summon as needed, greatly expanding the role of the president and the executive branch.

Vampire Novel Human women required. Must be enthusiastic about interactions with vampires. Must be willing to undergo a stringent medical exam. Must be prepared to sign a contractual agreement which would include a non-disclosure clause. Limited positions available... Whilst on duty in Sweetwater, Kai disappears for a couple of days. All his superiors know is that he was with a human female. Based on the limited information he's disclosed, they suspect that she might have been in heat. This could spell trouble for the vampire species. The male isn't talking. He won't disclose her identity. Won't say a damned thing. Hopefully there won't be any comebacks. Hopefully it's the last they'll hear of it.. This book can be read as a standalone but would be best enjoyed as a part of the series. No cliffhanger! The story contains strong sexual themes/language and is not intended for readers under the age of 18.

The Dragon's Pleasure Slave [Unlikely Mates 2]

A Mate for Kai

Head First Statistics

From the bestselling Chosen SeriesKeto is soon to be crowned. He doesn't feel quite ready even though it's a day he's been working towards his whole life. There are many changes he wants to bring about, all for the betterment of his people. He has a kingdom to run and a council to win over. Elven kings can be voted out of power by their councils. His position is not yet cemented. His first order of business is to choose an elven female. One he can take as a mate. Keto desperately needs heirs. It is expected of him and must happen soon.Why can't he get a certain vampire female out of his head though? It's worse when he sees her again after all these years. She doesn't recognize him and he can't blame her. He's changed so much. So has she and all for the better. Still tall and athletic, but curved in all the right places, and just as feisty as ever. So damned uncivilized and he loves every minute.Find an elven female... do it now ... he must keep his focus on a future mate.Keto wants the vampire female one last time though...just once. Then he'll see about a mate...an elven mate. It's not like he has a choice!This Story Contains strong sexual themes/language and is not intended for readers under the age of 18.

After my mate rejected me, I wanted to kill him. Instead, I ran away--which nearly killed me... A year ago, everything was different. I had just left my home, joining the infamous Mountainside Pack. The daughter of an omega wolf, I’ve always been prized--but not as prized as I would be if my new packmates found out my secret. But when my fated mate--Mountainside's Alpha--rejected me in front of his whole pack council and my secret got out, I realized I had one choice. Going lone wolf was the only option I had, and I took it. Now I live in Muncie, hiding in plain sight. If the wolves ever left the mountains surrounding the city, I'd be in big trouble. Good thing that the truce between the vampires and my people is shaky at best and Muncie? It's total vamp territory. Thanks to my new vamp roomie, I get a pass, and I try to forget all about the call of the wolf. It's tough, though. I... I just can't forget my embarrassment--and my anger--from that night. And then he shows up and my chance at forgetting flies out the damn window. Ryker Wolfson. He was supposed to be my fated mate, but he chose his pack over our bond. At least, he did--but now that he knows what I've been hiding, he wants me back. But doesn't he remember? I told him I'll never be his mate, and there isn't a single thing he can do to change my mind. To Ryker, that sounds like a challenge. And if there's one thing I know about wolf shifters, it's that they can never resist a challenge. Just like I'm finding it more difficult than I should to resist him. \*\* Never His Mate is a new release (65,000+ words) featuring Gemma Swann, a wolf shifter who is hiding a damning secret. When her fated mate rejects her for another female, her anger and her embarrassment lead to that secret getting out. Since staying behind on the mountains is just not an option and going back to her home pack is impossible, Gem decides she has one choice: risk death by fang in Muncie, the vamp town surrounding the mountains. Luckily for her, she not only manages to survive the local vamps, but she makes friends with one. Things are looking up for her: she has a place with her roommate, a new job she loves, and the certainty that she'll never have to look at Ryker Wolfson's handsome face ever again. Until he stalks into Muncie and, suddenly, Gem is confronted by his rejection all over again. So what if he says he had a good reason? If he thinks she's going to take him back now, he has another think coming. Because Gem? She'll never be his mate... TEMPTING FATE Darius is back. Edinburg thought it had seen the last of this seductive Dragon King, but that was before Darius found something worthwhile. He just can't stay away from the impossibly beautiful Dr. Sophie Martin-even though he knows that a passion this strong could prove detrimental...for them both. CRAVING DESIRE Sophie tried to forget her encounter with smoking-hot Darius to no avail. He's in her dreams, tempting her. But her association with Darius catches the attention of another, putting her in mortal danger. . .and Darius, who has vowed to protect her, is her only hope. But can she trust the notorious dragon shapeshifter? The only thing she knows for sure is that she cannot resist him, in Smoldering Hunger, the next novel in the Dark Kings series by New York Times bestselling author Donna Grant!

The heart of Believer is devoted to David Axelrod's 20-year friendship with Obama, a warm partnership that inspired both men. As senior adviser to the president, Axelrod served during one of the most challenging periods in national history and worked at Obama's side as he battled an economic disaster, navigated America through two wars, and fought to reform health care, the financial sector and the grid-locked political institutions. This is a powerful and inspiring memoir filled with charm and candour from one of the best political strategists in recent history.

Dragon Shifter NovelTorrent took part in the much anticipated hunt. Luckily, he managed to secure himself a female. Although the human was not his first choice, she'll do.A fertile female is a fertile female after all. An heir is what he needs and an heir is what she'll give him. In return, she'll get to be queen of the water kingdom.What more could a female wish for?Candy is hunted like an animal and won by an arrogant shifter who doesn't even want her. She doesn't care that he's a king. So what if he's really good looking and that underneath all that bristling, alpha male is a sweet guy. Although sweet is probably not the right description for the savage, water king.The only thing he's interested in, is mating her, so that she can pop out lots of dragon shifter babies. Well, no thanks! She's not interested. As soon as she's able to get that through his thick skull, she's out of there. Torrent promised her she could leave if things didn't work out between them and she plans on holding him to his word.This book can be read as a standalone but would be best enjoyed as a part of the series (Start with Chosen by the Vampire Kings). No cliffhanger! The story contains strong sexual & violent themes/language and is not intended for readers under the age of 18.

40 Days with Jesus

Life in Motion

Unholy

Wanted by the Elven King

A Mate for York

How White Christian Nationalists Powered the Trump Presidency, and the Devastating Legacy They Left Behind

In the second volume of the romantic trilogy featuring the Duncan sisters and their matchmaking service in Edwardian London, Prudence enlists the aid of Sir Gideon Malvern when a powerful earl threatens to ruin them.

A comprehensive introduction to statistics that teaches the fundamentals with real-life scenarios, and covers histograms, quartiles, probability, Bayes' theorem, predictions, approximations, random samples, and related topics.

Eighteen-year-old Trinity is unlike any other werewolf in her pack. For one, there were unusual circumstances surrounding her birth, for another, she is the only pack member to never shift into a wolf form. So now she doesn't quite belong anywhere. Not quite human and not quite wolf. She thought she would be able to live her life how she wanted when she had turned eighteen. Go to college, make some friends, have some fun. But what is she to do when the dangerously sexy Alpha literally falls right into her lap? "I am not human, and I am not a wolf. I don't belong anywhere..." "...we both know that no one is going to mate with me, and even if they did, they would just reject me anyway." What is the sexy, brooding Alpha going to do? The elders are making him hold these ridiculous parties to search for a mate. He doesn't want a mate, but he knows he needs a mate to finish the Alpha Circle. Without a mate, a Luna for the pack, his people would suffer. And what is he going to do when he stumbles across the girl that fate has chosen for him and he finds out she has no wolf? "This cannot be!" I roared. "There is no way that I can mate with a girl that does not even have a wolf. She will be too weak. She will be inferior. She will not be strong enough to be a Luna." I simply could not accept her as my mate. Not fully. It wasn't safe for her. She would get herself killed. And she would bring my pack down with her." When these two meet, sparks will surely fly. But will it be from passion, or their constant fighting? Neither of them wanted a mate. Neither of them wants the mate that fate chose for them. And neither of them can make that mate bond go away. What are they going to do now that they're literally stuck with each other?

Developed from celebrated Harvard statistics lectures, Introduction to Probability provides essential language and tools for understanding statistics, randomness, and uncertainty. The book explores a wide variety of applications and examples, ranging from coincidences and paradoxes to Google PageRank and Markov chain Monte Carlo (MCMC). Additional

Every hundred years, tradition dictates that all eligible females in Sweetwater assemble for the choosing ceremony. Two vampire kings have separate territories within the surrounding countryside. Both are eager to pick their future brides. What a waste of her freaking time. Tanya is among the many women at the choosing ceremony. As far as she’s concerned it’s an outdated, sexist event and if it wasn’t mandatory she so wouldn’t be here. It’s not important that the two males are ridiculously rich and handsome. Deep down she knows a plain Jane like her will never be picked by one of the kings anyway. Many of the women in the town square are stunningly beautiful and model thin. Most seem enthusiastic about being a queen even if it means being mated to a blood sucker, which suits her just fine. Imagine her surprise though when King Brant sets his sights firmly on her. Once a vampire king has decided, there’s no going back. But her home is in Sweetwater. Being forced to live amongst the vampire species...big gulp...forced to mate with a vampire...is not what she had in mind for herself. Maybe she can convince him to let her go, to pick again. If not, she'll have to find a way to escape his - very muscled and rather delicious - clutches.

What Really Determines Success

McGraw-Hill's 10 ACT Practice Tests, Second Edition

The Fermata

The Chosen Book Two

Believer

The Giver

*Finding my fated mate could bring death... or worse. After years of constant criticism, I finally escape the alpha of the strongest pack--my father. It's a chance to have a new beginning... and to live on my own terms, in my own way. The first day at college, I find more than what I bargained for. My fated mate. Something that any wolf rejoices in finding. Except he's forbidden--a human. The weakest race on Earth and someone my father would kill without any hesitation. Choices must be made, and loyalties will be tested. With everything on the brink of destruction, only one thing is certain - my life will never be the same again.*

*From Martin Cruz Smith, “a master of the international thriller” (The New York Times), a suspenseful World War II love story set against the beauty, mystery, and danger of occupied Venice. Venice, 1945. The war may be waning, but the city known as La Serenissima is still occupied and the people of Italy fear the power of the Third Reich. One night, under a canopy of stars, a fisherman named Cenzo comes across a young woman's body floating in the lagoon and soon discovers that she is still alive and in trouble. Born to a wealthy Jewish family, Giulia is on the run from the Wehrmacht. Cenzo chooses to protect Giulia rather than hand her over to the Nazis. This act of kindness leads them into the world of Partisans, random executions, the arts of forgery and high explosives, Mussolini's broken promises, the black market and gold, and, everywhere, the enigmatic maze of the Venice Lagoon. With Martin Cruz Smith's trademark suspense, action, and breathtaking romance during World War II Italy, The Girl from Venice is “a gripping evocation of a beautiful nation and of two people, trapped in the lunacy of war and the bravery it can inspire” (The Seattle Times).*

*At once a pioneering study of evolution and an accessible and lively reading experience, The Mating Mind marks the arrival of a prescient and provocative new science writer. Psychologist Geoffrey Miller offers the most convincing-and radical-explanation for how and why the human mind evolved. Consciousness, morality, creativity, language, and art: these are the traits that make us human. Scientists have traditionally explained these qualities as merely a side effect of surplus brain size, but Miller argues that they were sexual attractors, not side effects. He bases his argument on Darwin' s theory of sexual selection, which until now has played second fiddle to Darwin' s theory of natural selection, and draws on ideas and research from a wide range of fields, including psychology, economics, history, and pop culture. Witty, powerfully argued, and continually thought-provoking, The Mating Mind is a landmark in our understanding of our own species.*

*Standalone Vampire NovelHave you ever wanted to date a vampire? Human women required. Must be enthusiastic about interactions with vampires. Must be willing to undergo a stringent medical exam. Must be prepared to sign a contractual agreement which would include a non-disclosure clause. Limited positions available...Jenna has a few skeletons in her closet. One of which is tall, dark and gorgeous. He also happens to be a vampire with a grudge against her. She's made mistakes and has done things she's not proud of. The time has come to take charge of her life. The opportunity to do just that comes along in the form of an acceptance into the infamous vampire program.Would she like to date a vampire?Hell yes! But not just any vampire, her vampire. That is, if he'll ever forgive her. With such a dark past, she worries whether she'll ever be able to confront him and in so doing, bare her soul to him. It would kill her to see the disgust and contempt in his eyes when he finds out...her heart clenches and her eyes mist at the thought. Gideon is almost brought to his knees, when he realizes, that Jenna is one of the females that's taking part in the dating program.His Jenna.No! Not his. Not anymore.What the hell is she doing here? With all he knows about her, there's no way that she was able to meet all the minimum criteria required for acceptance. Not a damned chance! He's not interested in her...or any human female for that matter. That said, he also refuses to just stand by and watch her get seduced by one of the victorious ten, elite males. His only option is to find a way to expose her as the deceptive female that she is. The story contains strong sexual themes/language and is not intended for readers under the age of 18. Although this is a standalone novel, it would be best enjoyed as a part of the series. No cliffhanger!*

*[Siren Everlasting Classic ManLove: Alternative Contemporary Fantasy Paranormal Romance, MM, vampires, HEA] Blair Callaghan hates vampires, he hates werewolves, and he definitely doesn't trust the dragons. But there is one dragon Blair doesn't mind too much. When his father returns after days missing, a vampire, Blair knows he has no choice. He must trust one of the dragons he despises. One of the dragons who has been looking at him with an interested eye lately. When Vanko is called over by his mate after hours, he can't be more excited. Finally. It's about to happen. His mate is realizing the truth and wants him. Not quite. Blair needs something, a huge favor. For Vanko to not kill his father and get him the help he needs. Vanko is duty bound to kill any dangerous vampire he comes across, and newly turned vampires are not always the most stable, and who turned him? And what will they do to Vanko's mate if he doesn't take care of this quickly? Marcy Jacks is a Siren-exclusive author.*

Triumvirate

Book Three in the Touched Series

A Promised Land

An Unlikely Ballerina

English as a Global Language

In the Light of Evolution

*New York Times bestselling psychologist Dr. Meg Jay uses real stories from real lives to provide smart, compassionate, and constructive advice about the crucial (and difficult) years we cannot afford to miss. Our "thirty-is-the-new-twenty" culture tells us the twentysomething years don't matter. Some say they are a second adolescence. Others call them an emerging adulthood. Dr. Meg Jay, a clinical psychologist, argues that twentysomethings have been caught in a swirl of hype and misinformation, much of which has trivialized what is actually the most defining decade of adulthood. Drawing from almost two decades of work with hundreds of clients and students, The Defining Decade weaves the latest science of the twentysomething years with the behind-closed-doors stories from twentysomethings, themselves. The result is a provocative read that provides the tools necessary to make the most of your twenties, and shows us how work, relationships, personality, social networks, identity, and even the brain can change more during this decade than at any other time in adulthood—if we use the time wisely. The Defining Decade is a smart, compassionate and constructive book about the years we cannot afford to miss.*

*'Resonance' is supposed to be a dream - that's when your soulmate is chosen for you. And everyone on the ice planet has hooked up with a big, hunky soulmate of their own...except me. So do I want a mate? Heck yeah. More than anything, all I've ever wanted is to be loved by someone. Except that the soulmate chosen for me? My least favorite person on the darn ice planet. Haeden's the most cranky, disapproving, unpleasant, overbearing male alien...so why is it that my body sings when he gets close? Why is he working so hard to prove to me that he's not as awful as I think he is? I hate him...don't I?*

*New York Times bestselling author Nalini Singh returns to her breathtaking Psy-Changeling Trinity series with a mating that shouldn't exist... Alpha wolf Selenka Durev's devotion to her pack is equaled only by her anger at anyone who would harm those under her care. That currently includes the empath who've flowed into her city for a symposium that is a security nightmare, a powder keg just waiting for a match. Ethan Night is an Arrow who isn't an Arrow. Numb and disengaged from the world, he's loyal only to himself. Assigned as part of the security force at a world-first symposium, he carries a dark agenda tied to the power-hungry and murderous Consortium. Then violence erupts and Ethan finds himself crashing into the heart and soul of an alpha wolf. Mating at first sight is a myth, a fairytale. Yet Selenka's wolf is resolute: Ethan Night, broken Arrow and a man capable of obsessive devotion, is the mate it has chosen. Even if the mating bond is full of static and not quite as it should be. Because Selenka's new mate has a terrible secret, his mind surging with a power that is a creature of madness and death...*

*A coming-of-age classic about two Jewish boys growing up in Brooklyn in the 1940s, this “profound and universal” (The Wall Street Journal) story of faith, family, tradition, and assimilation remains deeply pertinent today. “Works of this caliber should be occasion for singing in the streets and shouting from the rooftops.” —Chicago Tribune It’s the spring of 1944 and fifteen-year-olds Reuven Malter and Danny Saunders have lived five blocks apart all their lives. But they’ve never met, not until the day an accident at a softball game sparks an unlikely friendship. Soon these two boys—one expected to become a Hasidic rebbe, the other at ease with secular America—are drawn into one another’s worlds despite a father’s strong opposition. Set against the backdrop of World War II and the creation of the state of Israel, The Chosen is a poignant novel about transformation and tradition, growing up and growing wise, and finding yourself—even if it might mean disappointing those you love.*

***Why do Jews win so many Nobel Prizes and Pulitzer Prizes? Why are Mormons running the business and finance sectors? Why do the children of even impoverished and poorly educated Chinese immigrants excel so remarkably at school? It may be taboo to say it, but some cultural groups starkly outperform others. The bestselling husband and wife team Amy Chua, author of Battle Hymn of the Tiger Mother, and Jed Rubenfeld, author of The Interpretation of Murder, reveal the three essential components of success - its hidden spurs, inner dynamics and its potentially damaging costs - showing how, ultimately, when properly understood and harnessed, the Triple Package can put anyone on their chosen path to success.***

***David Crystal's classic English as a Global Language considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an expert both for specialists in the subject and for general readers interested in the English language.***

***In this 7-session study, discover the redemptive facet of Job's suffering. Learn to view pain as a way to strengthen your faith, point others to the gospel, and trust in the Lord. Because His providence will never take you to a place where His grace will not sustain you.***

***Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.***

***Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.***

***Biodiversity-the genetic variety of life-is an exuberant product of the evolutionary past, a vast human-supportive resource (aesthetic, intellectual, and material) of the present, and a rich legacy to cherish and preserve for the future. Two urgent challenges, and opportunities, for 21st-century science are to gain deeper insights into the evolutionary processes that foster biotic diversity, and to translate that understanding into workable solutions for the regional and global crises that biodiversity currently faces. A grasp of evolutionary principles and processes is important in other societal arenas as well, such as education, medicine, sociology, and other applied fields including agriculture, pharmacology, and biotechnology. The ramifications of evolutionary thought also extend into learned realms traditionally reserved for philosophy and religion. The central goal of the In the Light of Evolution (ILE) series is to promote the evolutionary sciences through state-of-the-art colloquia-in the series of Arthur M. Sackler colloquia sponsored by the National Academy of Sciences-and their published proceedings. Each installment explores evolutionary perspectives on a particular biological topic that is scientifically intriguing but also has special relevance to contemporary societal issues or challenges. This tenth and final edition of the In the Light of Evolution series focuses on recent developments in phylogeographic research and their relevance to past accomplishments and future research directions.***

***Chosen by the Vampire Kings***

“In terrifying detail, Unholy illustrates how a vast network of white Christian nationalists plotted the authoritarian takeover of the American democratic system. There is no more timely book than this one.”—Janet Reitman, author of Inside Scientology
Why did so many evangelicals turn out to vote for Donald Trump, a serial philanderer with questionable conservative credentials who seems to defy Christian values with his every utterance? To a reporter like Sarah Posner, who has been covering the religious right for decades, the answer turns out to be far more intuitive than one might think. In this taut inquiry, Posner digs deep into the radical history of the religious right to reveal how issues of race and xenophobia have always been at the movement’s core, and how religion often cloaked anxieties about perceived threats to a white, Christian America. Fueled by an antidemocratic impulse, and united by this narrative of reverse victimization, the religious right and the alt-right support a common agenda—and are actively using the erosion of democratic norms to roll back civil rights advances, stock the judiciary with hard-right judges, defang and deregulate federal agencies, and undermine the credibility of the free press. Increasingly, this formidable bloc is also forging ties with European far right groups, giving momentum to a truly global movement. Revelatory and engrossing, Unholy offers a deeper understanding of the ideological underpinnings and forces influencing the course of Republican politics. This is a book that must be read by anyone who cares about the future of American democracy.

Three young children, Mal, Ari and Martha, have been “touched” and are in possession of enormous talents, bestowed on them by a chance encounter with the Young Master. Now Ari, Mal and Martha find themselves in the wrong place and time because Ari has done the unthinkable, resulting in a perpetual red dawn. But that is the least of their worries! Ari is on the run, while Mal and Martha attempt to keep their enemy at bay. The Strange Man is back and he’s got even more sinister tricks up his sleeve ...

They'll challenge what it means to be human and test the limits of love. Amanda is a scientist for the military's cyborg program. Programming and repairing once-human soldiers is a lot easier than trying to date, so she buries herself in her work. She'll never admit that the cyborgs often seem like more than machines to her - especially the handsome AD-214. Even though Cyborg Sector has erased his memories and turned him into a killing machine, AD-214 is aware of Amanda and her kind, gentle nature. When he starts to remember his former life, his system malfunctions, and only Amanda can save him. Then things go horribly wrong, and his squad of cyborgs - along with Amanda - become fugitives hunted by the military. As the rogue cyborgs' memories come flooding back, their human personalities begin to re-emerge. Amanda's bond with AD-214 intensifies and she discovers that none of the cyborgs is merely a robot. After she's captured by the military, AD-214 and his squad risk everything to rescue her. He and Amanda must fight not only for their survival, but the chance to prove that love is possible, even for a machine. Cyborg Heat is Book 1 in the Burning Metal series and a STAND-ALONE, full-length science fiction romance. There are no cliffhangers, and a happy ending is guaranteed!

Having turned phone sex into the subject of an astonishing national bestseller in Vox, Baker now outdoes himself with an outrageously arousing, acrobatically stylish "X-rated sci-fi fantasy that leaves Vox seeming more like mere fiber-optic foreplay" (Seattle Times). "Sparkling."--San Francisco Chronicle.

Kael, Warrior King of the Vampires, loathes the Night of the Proffering. He needs the blood of either his mate or a human virgin to maintain his strength, but hasn't enjoyed the ritual since he lost his mate centuries ago. Kael doesn't want a new companion, yet his resolve is tested when he lays eyes on his new offering, Shayla McKinnon.

My Forty Years in Politics

*Jaxon Imagine witnessing your mother's brutal murder. Imagine not being able to remember a single thing about what happened, even though you were there. It doesn't matter how hard I try. I. Can't. Remember! I was just a small boy when it happened. I must have tried to defend her because I have the scars that prove it. My wounds should have healed completely. I'm a shifter. Son of the alpha. They didn't! My scars are my constant reminder of what the Moones did. What they took away from us. My mother died in agony. A piece of my father died along with her. I'm given the opportunity to right a wrong. To finish the last remaining Moone before they become a fully-fledged wolf. It won't be easy but I've got this. The offspring of that despicable family cannot be allowed to ever reach full power. I'll die before I allow it to happen. I leave my pack and head for the city. Evie I'm just a regular girl, living a regular life. I work hard, living from day to day, trying to make ends meet. Minding my own business. You know, normal stuff. When, from out of nowhere, he crashes into me while I'm on a jog. Quite literally crashes into my clumsy ass. Then again, maybe I crashed into him. I'm not sure how it went down, only that he's a colossal jerk. I wish he wasn't quite so sexy because...back to the part about him being a jerk. I'm being polite since "jerk" is too nice a word. I'm happy to see the back of him. Partly because he has such a nice back but also because he sucks...big time! Only, the sexy jerkface keeps turning up. I can't seem to get rid of him. Do I even want to? Yes. No. Argh! It's annoying. Then I find out that I'm not such a regular girl after all. Not even close. Just like that, everything changes. And I mean everything. Authors note: Scarred Wolf is a standalone shifter romance. It features a sassy heroine who has no idea who she really is and a sexy alpha who'll help her figure things out. No, that's not true, she'll help him figure things out. Okay, maybe a little bit of both. Beware, this book contains super-hot, growly scenes and naughty language that will make you blush!*

*In this comprehensive open access book, written for readers from any or no religious background, Leena El-Ali does something remarkable. Never before has anyone taken on every last claim relating to Islam and women and countered it not just with Qur'anic evidence to the contrary, but with easy-to-use tools available to all. How can a woman's testimony be worth half of a man's? How can men divorce their wives unilaterally by uttering three words? And what's with the obsession with virgins in Paradise? Find the chapter on any of the seventeen topics in this book, and you will quickly learn a) where the myth came from and b) how to bust it. The methodology pursued is simple. First, the Qur'an is given priority over all other literary or "scriptural" sources. Second, the meaning of its verses in the original Arabic is highlighted, in contrast to English translations and/or widespread misunderstanding or misinterpretation.*

*Standalone Vampire Romance Novel**Have you ever wanted to date a vampire? Human women required. Must be enthusiastic about interactions with vampires. Must be willing to undergo a stringent medical exam. Must be prepared to sign a contractual agreement which would include a non-disclosure clause. Limited positions available...York has always wanted a female of his very own. One to love and care for. One who will love him in return. More than anything he wants a family...he longs to hear the sound of children's laughter filling his home. It is his deepest desire.Since most vampire females are not able to birth young, a program is started to ensure the continuation of the vampire species. The vampire elite must fight, fist and fang, for a much sought after place in the program and a chance to date human women. There are a multitude of beautiful human females in attendance. They have been handpicked to ensure that they are irresistible to vampire males. Why is it then that York wants the one female he can't have? When Cassidy is selected for the trial phase of the program, she is ecstatic. This is the break she's been waiting for. Her job is to root out any vampires with bloodlust. She's quaking in her boots because she could end up dead. This position certainly isn't for sissies. Thing is, it's only three days of her life. All she needs to do is to allow a few of them to drink from her and survive long enough to get paid. Then she's home free. Besides, she quit her job in order to be here so she so doesn't have any other options available to her. Three days...pity one times big, badass vampire is determined to get in the way of her plans.The story contains strong sexual themes/language and is not intended for readers under the age of 18. This is a standalone novel. No cliffhanger!*

*Welcome to Shadow Falls, nestled deep in the woods of a town called Fallen... Kylie Galen has never felt normal. One night she finds herself at the wrong party, with the wrong people, and it changes her life forever. Her mother ships her off to Shadow Falls—a camp for troubled teens—but within hours of arriving, it becomes clear that her fellow campers aren't "troubled." Here at Shadow Falls, vampires, werewolves, shapeshifters, witches and fairies train side by side—learning to harness their powers, control their magic, and live in the normal world. They insist Kylie is one of them, and that she was brought to Shadow Falls for a reason. As if life wasn't complicated enough, enter Derek and Lucas. Derek's a half Fae who's determined to be her boyfriend, and Lucas is a brooding werewolf with whom Kylie shares a secret past. Both Derek and Lucas couldn't be more different, but they both have a powerful hold on her heart. Even though Kylie is uncertain about everything, she starts to realize that Shadow Falls is exactly where she belongs... Don't miss this spectacular, New York Times bestselling, young adult paranormal romance series from C. C. Hunter! Born at Midnight will steal your heart and haunt your dreams.*

**A riveting, deeply personal account of history in the making—from the president who inspired us to believe in the power of democracy #1 NEW YORK TIMES BESTSELLER • NAACP IMAGE AWARD NOMINEE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Jennifer Szalai, The New York Times • NPR • The Guardian • Marie Claire**
In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation’s highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune’s Spear, which leads to the death of Osama bin Laden. **A Promised Land** is extraordinarily intimate and introspective—the story of one man’s bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of “hope and change,” and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama’s conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day.
