

Unlocking The Mysteries Of Genesis Harvest House

A new esoteric interpretation of the Book of Genesis that reveals the history of the world - from the formation of the kingdoms, through to the rootraces and civilisations such as Lemuria, Atlantis and ancient India, the source of all Western races. Discover the secret to living a powerful and abundant life through the upside-down kingdom of God. In our constant search for a life filled with blessing and abundance, we often follow our human instinct, and then wonder why we come up short. God always has a better idea. And it most often requires us to move in the opposite direction. In *The Opposite Life*, pastor and author Alex Seeley explains the secret to living a powerful and abundant life through the upside-down kingdom of God. Each chapter unpacks the opposite-life principles that begin with our way of thinking and yield miraculous results. They include death vs. life fear vs. faith last vs. first love vs. hate worry vs. worship give vs. receive impossible vs. possible We all want the blessed life but sometimes go about it in the wrong way. God ' s promises are conditional. He says follow Me, and I will change your weakness into strength, your foolishness into wisdom, and your nothing into everything. Explore the truth of science and faith... and what it means to you! Uncover evidences of Creation in living systems Unravel the questions of Creation and the laws of science Understand the vanishing case for evolution science Many Christians are not aware that many legitimate scientists embrace the Genesis explanation of origins. In *What is Creation Science?*, two of the most respected members of that group have given us the benefit of their knowledge. The book itself, though technical in places, is remarkably clear, and its focus is on a fair dialogue of the issues. So much so that many thousands of readers have taken to heart Dr. Parker's challenge, to "Think About It!" The creation/evolution question is not an issue that concerns only biologists on the one hand and religious people on the other. In one way or another, the issue permeates every field of academic study and every aspect of national life. It deals with two opposing basic worldviews - two philosophies of origins and destinies, of life and meaning. Consequently, it is (or should be) of special concern to everyone.

Do the writings of the church fathers support a literalist interpretation of Genesis 1? Young earth creationists have maintained that they do. But are we correctly representing the Fathers and their concerns? This study from Craig Allert resets our understanding of early Christian interpretation and considers whether contemporary evangelicals may be more bound to modernity in our reading of Genesis 1 than we realize.

Scientific Creationism (Henry Morris Signature Collection)

This classic book explains how dinosaurs fit into the biblical story of creation. Newly revised to reflect recent scientific findings.

Presents proof that an advanced black African civilization inhabited the Sahara long before Pharaonic Egypt • Reveals black Africa to be at the genesis of ancient civilization and the human story • Examines extensive studies into the lost civilization of the “Star People” by renowned anthropologists, archaeologists, genetic scientists, and cultural historians as well as the authors’ archaeoastronomy and hieroglyphics research • Deciphers the history behind the mysterious Nabta Playa ceremonial area and its stone calendar circle and megaliths Relegated to the realm of archaeological heresy, despite a wealth of hard scientific evidence, the theory that an advanced civilization of black Africans settled in the Sahara long before Pharaonic Egypt existed has been dismissed and even condemned by conventional Egyptologists, archaeologists, and the Egyptian government. Uncovering compelling new evidence, Egyptologist Robert Bauval and astrophysicist Thomas Brophy present the anthropological, climatological, archaeological, geological, and genetic research supporting this hugely debated theory of the black African origin of Egyptian civilization. Building upon extensive studies from the past four decades and their own archaeoastronomical and hieroglyphic research, the authors show how the early black culture known as the Cattle People not only domesticated cattle but also had a sophisticated grasp of astronomy; created plentiful rock art at Gilf Kebir and Gebel Uwainat; had trade routes to the Mediterranean coast, central Africa, and the Sinai; held spiritual and occult ceremonies; and constructed a stone calendar circle and megaliths at the ceremonial site of Nabta Playa reminiscent of Stonehenge, yet much older. Revealing these “Star People” as the true founders of ancient Egyptian civilization, this book completely rewrites the history of world civilization, placing black Africa back in its rightful place at the center of mankind’s origins.

In this fascinating look at the apostle John’s prophecy, the authors explain why believers’ daily lives should be affected by the book of Revelation, and demonstrate why the end of the world is something to look forward to.

Explores the history of dinosaurs and the discoveries that have been made about them, including how dinosaurs lived, why they went extinct, and what fossil evidence explains about them.

The Young Earth

The Explorer’s Guide to the Awesome Works of God

Is the earth billions of years old, or just thousands? Does it Matter? Did God create our world in six literal days, or did it evolve on its own over countless eons of time? The age of the earth - a key question in the creation/evolution debate - has been portrayed as an issue of science versus religion, but is it really that simple? The answers to these questions are vital to understanding not just earth science, but also the biblical record. Dr. John Morris - The Young Earth scientifically examines the evidence to see what the earth actually reveals about itself. This classic and definitive work, newly revised and expanded, demonstrates that the Bible can be trusted in questions of science and history. The Young Earth offers both compelling scientific analysis and effective biblical exposition. A powerful resource, it also includes a CD with PowerPoint presentations that illustrate such key concepts as salt levels in the oceans, the age of the atmosphere, the accumulation of ocean sediments, and much more. Great for presentations and personal study Organized for teaching to groups of all sizes Illustrated slides illuminate important points Scientifically, irrefutably, the truth of God’s world proclaims the truth of God’s Word.

Jesus the Bridegroom

Have you wondered how the creation story in Genesis fits with the evolutionary theories of popular science? Unlocking the Mysteries of Genesis resolves the conflict between faith and science by answering key questions about the origin of human life, the evidence left by the fossil record, and how the findings of science line up with the Bible.

In Exploring the Evidence for Creation, Henry Morris III merges years of meticulous research alongside the latest findings of science to present powerful evidence that upholds the biblical account of the earth’s beginnings. In response to the growing number of Christians who attempt to wed evolutionary theories with the biblical account of creation, Morris ably demonstrates the two worldviews are entirely incompatible. In this survey of the evidence for creation he answers these crucial questions: What does the natural world teach us about creation? Can we observe evolution happening today? Can we believe in a Creator and still be true to science? Morris lays out evidence that is rational, scientific, and biblical. Readers will marvel as they discover the many ways that scientific research points, with stunning clarity, to a Creator and Designer whose glory is very much on display in the cosmos.

The Cygnus Constellation holds the key to proving that life originated in the heavens—and will ultimately return there. Best-selling author Andrew Collins has uncovered an astronomy that is about 17,000 years old, with standing stones, temples, and monuments across the globe oriented towards Cygnus’s stars. He also found that the use of deep caves by Palaeolithic man led to the rise of religious thought and the belief in life’s stellar origins. Now modern-day technology has confirmed that high-energy particles come from a binary star known as Cygnus X3. Ancient people knew what science is finally verifying: that the DNA of life came originally from deep space.

The bestselling follow-up to Jesus and the Jewish Roots of the Eucharist. Includes a reader’s guide and an excerpt from Pitre’s The Case for Jesus. In Jesus the Bridegroom, Brant Pitre once again taps into the wells of Jewish Scripture and tradition, and unlocks the secrets of what is arguably the most well-known symbol of the Christian faith: the cross of Christ. In this thrilling exploration, Pitre shows how the suffering and death of Jesus was far more than a tragic Roman execution. Instead, the Passion of Christ was the fulfillment of ancient Jewish prophecies of a wedding, when the God of the universe would wed himself to humankind in an everlasting nuptial covenant. To be sure, most Christians are familiar with the apostle Paul’s teaching that Christ is the 'Bridegroom' and the Church is the 'Bride'. But what does this really mean? And what would ever possess Paul to compare the death of Christ to the love of a husband for his wife? If you would have been at the Crucifixion, with Jesus hanging there dying, is that how you would have described it? How could a first-century Jew like Paul, who knew how brutal Roman crucifixions were, have ever compared the execution of Jesus to a wedding? And why does he refer to this as the "great mystery" (Ephesians 5:32)? As Pitre shows, the key to unlocking this mystery can be found by going back to Jewish Scripture and tradition and seeing the entire history of salvation, from Mount Sinai to Mount Calvary, as a divine love story between Creator and creature, between God and Israel, between Christ and his bride--a story that comes to its climax on the wood of a Roman cross. In the pages of Jesus the Bridegroom, dozens of familiar passages in the Bible--the Exodus, the Song of Songs, the Wedding at Cana, the Woman at the Well, the Last Supper, the Crucifixion, and even the Second Coming at the End of Time--are suddenly transformed before our eyes. Indeed, when seen in the light of Jewish Scripture and tradition, the life of Christ is nothing less than the greatest love story ever told.

The answer is surprising, and what we’re about to learn will wake us up to a reality most of us never knew existed. The reason we’re so oblivious is because we’ve all been operating at human speed, relying on our own physical power and our five senses. But there is something extremely important we’ve all been missing. It holds the key to everything good—the key to life, success, happiness, peace of mind, and understanding beyond our wildest imagination. It’s perhaps the best-kept secret in the history of mankind and it packs a staggering, invigorating message that can change your life for the better—improving understanding, eliminating anxiety, and helping to extend your living years indefinitely. All we have to do is open our eyes and ears. We’re all inundated with this secret at all times. It’s present in our favorite songs and movies, the stories we tell our children, and even in every commercial campaign! The secret is broadcast in famous news stories including the coronavirus pandemic, the sinking of the Titanic, or the collapse of the World Trade Center on 9/11. It’s in ordinary life activities such as breathing, sleeping, waking up, traveling, sex, and getting married and changing one’s name. Now, bestselling author and award-winning journalist Joe Kovacs reveals the solution—cracking the divine code that shifts our minds from operating at slow, human speed and making the jump to the incredibly quick “God speed.” Hundreds of ancient mysteries and prophecies are instantly unsealed as the master key that unlocks the mystery of everything is now in your hands.

Praise and worship has been a key stone for relationship with God. To study and teach knowledge and interactions of praise and worship is to understand a deeper intimacy between God and His creations. Before his fall, Lucifer was the chief worshiper of God and His glory. The Holy Spirit has a deeper intimacy with God's children when manifested in an atmosphere of praise and worship that brings love, healing, and restoration. Angels were created as worshipers of God and the most elite of God's angels are the worshipers that encompass His throne. These are just some of the discoveries that are found in The Sound Of The Spirit. From careful study of linguistics, theology, history, and science comes the revelation of praise and worship that has never been put into a single volume book until now. Dr. Harry Salem III takes you into a world of experience from the natural to the supernatural. You will learn about angels and their purpose in praise and worship, their free will, and the consequences of going against their specific purpose; how Lucifer was a chief prince in the very presence of God, and the reasons why he rebelled and became Satan. Dr. Salem will reveal mysteries showing the nature of the Holy Spirit. The nature and purpose of the Holy Spirit are always being studied. In his book, you will study the primal nature of what the Holy Spirit is from research done in the Old and New Testament. See how the Holy Spirit is in essence the manifesting of the Word of God. Learn how while forgiveness is available if you sin against God, but to sin against the Holy Spirit is an unforgivable act. The very presence of the Holy Spirit in a pure movement of praise and worship to God can bring about healing and revelation from God when He is manifested. This revelation will shed light on the nature of the movement of the spirit of God that people might never have thought about. Dr. Salem gives insight into the interactions of positive and negative influences on people. He gives insight into the supernatural workings of how music such as rap and hip-hop can influence a vast multitude of people from just a single individual singing. He will show how the forces of God and the enemy can manifest based on the negative and positive influences that come from such places as people, cities, nations, and the heavenly realm. This insight will also show how to wage war in the spirit against all the enemy forces that seek to kill, to steal, and to destroy. Praise and worship are apart of the very nature of God. Throughout the Bible, we see praise and worship in interactions with God and His creations, the world, and the miracles that show us Gods signs and wonders. The use of praise and worship by mankind is what makes completeness in God from His greatest creation. By discovering the fullness of Gods presence in praise and worship brings about human beings becoming like Jesus as He was as the Last Adam. By discovering the intimate knowledge behind praise and worship, Dr. Salem hopes to bring Gods children into a closer relationship with Him. This book provides a deep study spanning eleven chapters that reveal new knowledge and excitement in learning about praise and worship. In the pages will flow insight that is from a new Godly generations scholar. Dr. Salem wishes to fulfill the long and desired dream of teaching people, getting excited about learning, and seeing the excellence of all Gods great creation. Dr. Salem's motto of Excellence is excellent is what he hopes to impart to all the readers of The Sound Of The Spirit. It is a detailed study of the theological, scientific, healing, and application of God's praise and worship with all of His creations.

We are witnessing things today that the prophets of Israel longed to see. God is fulfilling His Word in our generation! If you want to understand what God is doing in these last days, you must understand what He is doing with Israel. It is here that the Bible's prophecies regarding the end of the age will all unfold. Jonathan Bernis, host of the internationally popular television program Jewish Voice With Jonathan Bernis, with this fascinating book unlocks a greater knowledge about the last days. The book explores questions such as: What crucial role does Israel play in the last days? Why is anti-Semitism on the rise worldwide, and what is at its root? What is the seed promise, and why is Satan so angry about it? What profound promise did God make to Abraham that applies to you today?

I believe it was the message of the day one Sunday, when he preached about hell. I left church scared for the first time, in fear because of how he described hell. This then started my lifelong quest to understand why.

Why is there a hell, and how could this be fair? I did not ask for this. I thought, Who would want to take such a chance to live life and not get these rules right and suffer eternity in hell? This book begins by describing the events of the war in heaven as described in Revelation 12:7-11, as a foundation establishing that life did exist before the earth was created, the proof also being found in Genesis itself. That is where we find Satan as a serpent. This is what could be considered as Exhibit ASatan in the Garden of Eden, proof of his existence on earth after he was cast down from heaven into the earth. This book presents many more important questions that serve as a key to unlocking the mysteries of creation. One example is, how, why, and when our spirits were created. My research and years of study of the Bible reveal to me that our spirits were created before we were born and will still exist after we die.

Are you settling for half the story? Highlighting connections that have been hidden from non-Jewish eyes, Rabbi Jason Sobel will connect the dots between the Old and New Testament, helping you see the Bible with clarity as God intended. Most people—even people of faith—do not understand how the Bible fits together. Too many Christians accept half an inheritance, content to embrace merely the New Testament, while Jewish people may often experience the same by embracing only the Old Testament. But God has an intricate plan and purpose for both the Old and the New. In Mysteries of the Messiah, Rabbi Jason Sobel reveals the many connections in Scripture hidden in plain sight. Known for his emphatic declaration “but there’s more!” he guides us in seeing the passion and purpose of the Messiah. Mysteries of the Messiah: Uncovers connections between the Old and New Testaments Connects the dots for readers with details about Jesus, the Torah, and biblical characters Written with the unique perspective of a rabbi with an evangelical theological degree No matter how many times you have read the Bible, Mysteries of the Messiah will bring fresh perspective and insight. God’s Word, written by many people over thousands of years, is not a random selection of people and stories. Rabbi Jason Sobel connects the dots and helps us see with clarity what God intended.

In The Unseen Realm, Dr. Michael Heiser examines the ancient context of Scripture, explaining how its supernatural worldview can help us grow in our understanding of God. He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight. You'll find yourself engaged in an enthusiastic pursuit of the truth, resulting in a new appreciation for God's Word. Why wasn't Eve surprised when the serpent spoke to her? How did descendants of the Nephilim survive the flood? Why did Jacob fuse Yahweh and his Angel together in his prayer? Who are the assembly of divine beings that God presides over? In what way do those beings participate in God's decisions? Why do Peter and Jude promote belief in imprisoned spirits? Why does Paul describe evil spirits in terms of geographical rulership? Who are the "glorious ones" that even angels dare not rebuke? After reading this book, you may never read your Bible the same way again. Endorsements "There is a world referred to in the Scripture that is quite unseen, but also quite present and active. Michael Heiser's The Unseen Realm seeks to unmask this world. Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture. The book is clear and well done, treating many ideas and themes that often go unseen themselves. With this book, such themes will no longer be neglected, so read it and discover a new realm for reflection about what Scripture teaches." --Darrell L.

Dr. Heiser's survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped. No one is going to agree with everything in his book, but the subject deserves careful study, and so does this book." --John Goldingay, David Allan Hubbard Professor of Old Testament, School of Theology, Fuller Theological Seminary "This is a 'big' book in the best sense of the term. It is big in its scope and in its depth of analysis. Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context. All--scholars, clergy, and laypeople--who read this profound and accessible book will grow in their understanding of both the Old and New Testaments, particularly as their eyes are opened to the Bible's 'unseen world.'" --Tremper Longman III, Robert H. Far from being an engaging fable, the account of Job in the bible is one of the most historically and scientifically accurate records of the ancient world. Perhaps the oldest book in the Bible, the book of Job touches on many subjects of science and history. This commentary on the controversial Book of Job is very different from most of the seminary and church teachings so prevalent today, for it attests to the historicity of a man named Job who understood at the end of his life that God cannot be "figured out,? but He can most certainly be trusted.

Who are the 144,000 in Revelation 7:1-8? Are the trumpet judgments literal or symbolic (Revelation 8; 11)? What is the mark of the beast (Revelation 13:18)? Readers who have questions about the book of Revelation usually don't want to wade through pages of commentary to find their answers. Prophecy expert Mark Hitchcock offers a helpful solution in this concise Q&A format. Questions are grouped in broad categories that focus on interpretation, background information, Jesus Christ, and the letters to the churches. A final category, "The Consummation," is further divided into subparts that address the tribulation, the second coming, the millennium, and more. These easy-to find and easy-to-understand responses to the most commonly asked questions about the book of Revelation will empower readers to mine its riches and stand strong in their faith.

THE BOOK OF GENESIS is the key to the Bible. In the New Testament it is quoted twenty-seven times literally and thirty-eight times substantially. It tells in a very few words how God first imaged man and the universe and then turned the development over to Jehovah, who has been in a process of manifestation for ages and aeons. The "Five Books of Moses," of which Genesis is the first, have always been credited to Moses, but that he was the author seems doubtful in the face of the many stories of creation found in the legends and hieroglyphs of ancient Egypt, Chaldea, and other nations that are almost identical with those of Genesis. It would thus seem that Moses edited the legends of the ages and compiled them into an allegorical history of creation. The truths in this book will be revealed to the reader through his own spiritual unfoldment. Spiritual things are spiritually discerned. The spiritual revelations that you seem to get from books and teachers already existed as submerged experiences in your own soul. The essential truths have been worked out in this or previous incarnations, and when you were reminded of the buried idea it blazed forth as a light from without. So all that you are or ever will be must come from your own spiritual achievements.
