Scholars and readers alike need little help identifying the infamous Bridget Jones or Carrie Bradshaw. While it is no stretch to say that these fictional characters are the most recognizable within the chic lit genre, there are certainly many others that have helped define this body of work. While previous research has focused primarily on white American chick lit, Theorizing Ethnicity and Nationality in the Chick Lit Genre, takes a wider look at the genre, by exploring chick lit novels featuring protagonists from a variety of ethnic backgrounds set both within and outside of the US.

From the winner of the Costa Children's Book Award 2018. With her awful secondhand uniform and stuck-up classmates, Binny's new school is horrible. And life gets even worse when a storm damages the roof of her house, forcing Binny and her family to move to the countryside whilst it's being fixed. Binny, her sensible older sister Clem and her rambunctious brother James (and his chickens) begin adjusting to life in the country. Then one of James's beloved chickens vanishes and Binny finds strange footprints in the mud. What kind of creature is lurking in the undergrowth?

Maynard and Zeke: A Liar's Playground is a twisted tale involving an intervening narrator who manipulates his imaginary twin brother, Maynard, and his foul-mouthed pet zebra, Zeke, through a host of strange adventures. The narrator and his protagonist-twin rarely see eye-to-eye. This unusual tale is chock full of bizarre characters. It features pterodactyls dropping time windows over the story whenever the narrator doesn't like the direction the book is heading. There is also a microdot that could forever damage U.S.-Russian ties. Highly entertaining, Maynard and Zeke is an improbable, yet unforgettable satirical romp through a fantasy world.

L'Eclairissement, the official document, is awaited from "the Central Government", way beyond this little world and this Darkened Universe, but NOT so far away. This passing output on my part would probably be an unauthorised erection. "Statues of Donald Trump in Central Park, New York, are known as unauthorized erections" (Men's Men's Dictionary). So, the caveat is on you. But, I'm telling you, Trump is trumping the issue, Buttjig, and we're out of here., ! Where indeed are you going?, what do you suppose?, -- that's the issue. You again?
