

Unvarnished New Testament Oe

Presents articles that offer illustrations of the ways in which religion informs and collides with social and political practices around the world.

10-Session DVD Video Bible Study Curriculum and 104-page Workbook Even though Jesus lived two thousand years ago, He remains without question the most influential person in all of history. Whether you love Him or hate Him, his influence cannot be denied: His death divided time into two. Jesus has been variously celebrated, despised, worshipped, and vilified, all for one very simple reason: He claimed to be God. Understanding Jesus is a ten-part character study exploring the nature, teachings, and importance of the most famous man in human history, and what He means to His followers today. Through cinematic storytelling and practical teaching, this DVD video and workbook curriculum breaks down the importance of His birth, His relationships on earth, the meaning of His words, and the significance of the cross and the resurrection. The Understanding Jesus study curriculum is great for individual and small group bible studies, Sunday schools, and any new or seasoned Christian seeking to deepen their understanding of the most pivotal figure in their faith. No matter how much you think you know about our Savior, this unique curriculum will reveal Jesus as you've never seen him - and give you a deeper love for and relationship with Him than ever before. There are 100s of versions of the Bible. This study compares only 50 versions of Matthew, Mark, Luke and John. Why are there so many versions? 1) There are 1,000s of copies of Bible manuscripts, some of which have unauthorized changes made by the copyists. The translators can not agree on which copies to use. 2) The translators use different kinds of English, such as: Amplified. Contemporary. Expanded. Inspirational. Literal. Majestic, Plowboy & Unvarnished English. And none of these versions agree with other similar versions: some are Conservative, others Liberal or Radical.

A Call for Believers to Get Out of Their Comfort Zone

Lucianity, the Perverse Religion of Christians is a book about the hidden history of the New Testament -- where it not only reveals the scripture's mysterious origin ... but also its very unique and clandestine creation. In this book, the reader will learn that Christianity, the religion that people sincerely believe and practice today, is not the religion of Christ. Instead, it is the religion of an overzealous disciple who was able to gain possession of every gospel and

almost every epistle, in addition to most of the other manuscripts related to early church affairs, and then after the death of the apostolic authors, edit and rewrite them to reflect his peculiar religious beliefs and philosophy. For instance, he conflated Jesus with God, and called him Lord. That disciple is identified as Lucius, the Bishop of Cyrene, who unfortunately, never understood the spiritual nature of man, the spiritual resurrection of Christ, or the purpose for why God sent Christ on a mission to Earth. As a consequence of ignorance, and the lack of understanding by Lucius, man has unknowingly accepted the false and unorthodox beliefs of Lucianity which have been incorporated into the creeds, gospels, epistles, and a host of other bible-related documents. This newly discovered information was deciphered by a seasoned detective when he deconstructed the 2000 year old biblical scripture line by line, and verse by verse. All Christians, who number in the billions today, will be stunned and perplexed by his findings, especially all the ministers who promote the Bible as the true word of God. Some of it is, and some of it isn't; nevertheless, this book identifies God's true word in Isaiah and Daniel, and it even illustrates the exactness and preciseness of His word (plus other prophetic scripture), by the use of numerous exhibits - since the detective believes a picture is worth a 1000 words. Christ flipped over the tables of the money changers signifying the coming end to the desolation that existed in the Jewish Temple. In like manner, the detective has upset an applecart full of false beliefs which will hopefully awaken people to the realization of Lucianity (or modern day desolation), and usher in the resurrection of true Christianity. "Christians" will learn the unvarnished truth about their ascribed beliefs for probably the first time in 2000 years, and more particularly, how they have been bamboozled and conned by a very clever disciple. The Bible is the most sold, and most read, book in the entire world, and yet, not a single person in the world has recognized the fact that at least 75% of the scripture in the New Testament is really the prodigious work of a secretive, behind the scenes, apostolic era Bishop. In his writings, Lucius used ancient manuscripts and even a book by Flavius Josephus to write various gospel chapters -- not the spoken words of Jesus. While looking over the Detective's shoulder, the reader will see and learn exactly how he identified all the fraud implanted into the pages of the Bible via easy-to-understand scriptural analysis and a variety of exhibits. As such, reading the New Testament is generally a waste of time, unless one has the persistence, capability, and patience to do a thorough, time-consuming, focused, multi-year, forensic exam like the one contained inside the pages of the book "Lucianity." No similar criminal investigation of the Bible has ever been completed, and no similar book exists. If a person is searching for "just the facts" regarding their Christian faith, then the Detective assures all seekers of truth that they will know more about the Bible, God, Moses, Isaiah, Daniel, and Christ (i.e. the Anointed One of God) after reading Lucianity than they ever will by reading Biblical scripture. And more importantly, if they truly understand the message of Jesus Christ as revealed within the pages of

With all the books available about the Bible, why another one? Well, it must be necessary, or it would not exist. Why you found this book and whether you read it or not can only be explained as the will of God. That is the conclusion offered in this review and commentary which combines bible history and content without interpretation that, although possibly not unique or even original, are easily read to help disclose the danger in proof texting scriptures. It presents the story of the Bible through scriptures and commentary not likely to be discussed in churches or Sunday School classes. What this book does is give you a concise, but fairly complete, summary of the evidence presented in the scriptures themselves, unvarnished, with no proof texting or cherry picking, without any specific church dogma that may be distorting or hiding the truth. The appendices include commandments by Jesus and instructions of Apostle Paul, scriptures very few churches feel comfortable discussing. However, you're not left dangling in space with no firm ground underneath your feet. Scripture says the truth will make you free. Since the Bible obviously contains contradictions and needs a better editor, there must be

inferred some omnipotent power in the universe sustaining its interest and church expansion through two millennia. If you are skeptical or critical about church teachings, you may have found the solution to your concerns here in the discussion of Theofatalism, i.e., the GOD above gods, the prime force in the universe. With this belief, you can feel good inside no matter what happens outside if you work it. The conclusion may be quite a shock, but it definitely is a soft landing.

This book is for people who are new to a form of Christian worship that is centered on the weekly celebration of the Holy Communion. It will be a help to people moving from a non-liturgical church to a more liturgical church and to those contemporary Christians who are seeking an ancient-future form of Christian worship. Those who are familiar with Eucharistic worship will encounter new treasures that have been hiding in plain sight. The book follows carefully the service of Holy Communion as it is celebrated in a local congregation, describing what is done and why. The service chosen is from the 1979 Book of Common Prayer. Christians of other traditions will find close parallels to the way this central act of worship is celebrated in their own tradition.

Historical Commentaries on the State of Christianity During the First Three Hundred and Twenty-five Years from the Christian Era

The New Testament –

By tapping into the vast reservoir of undertreated early English documents and texts, the collected studies explore how individuals living in the late tenth through fifteenth centuries engaged with the authorizing culture of the Anglo-Saxons.

Lavish illustrations. The title says it all. An anti-word. Both inspirational and funny. The ABC's of the Bible on Page 1 can be shown to be false—then what of the xyz's thereafter. The Earth is not just as old as the first human mammals. Human mammals were not made as is, but were mutable, as shown by evolutions's triple confirmation (fossils, DNA, and embryonic stages, which match one another). The sky is not a fixed dome, with Earth at the center. All the species were not created separately. There is but one tree of life. This information is available. The new Cosmos TV series goes through all this, and more. Human nature tells us that preachers/believers will try to neglect and/or deny what is a threat to their dogma, and, on top of that will still say that they have all the answers, their answers being true for sure. Well, we can always turn the channel if we don't want a philosophy with all the questions left out.

What really happened during Israel's journey from slavery to the promised land? Bible scholar Nicholas Perrin explains the true story of the Exodus while adding helpful background information from biblical history, archaeology, and more. You will . . . Explore the unvarnished Bible story of the Exodus Learn about ancient Egypt and Pharaoh Come to know the man and the mission of Moses Find out why the Ten Commandments were given Discover God's promise

and plan for his people, then and now Appreciate why every New Testament writer builds on the Exodus See how the Exodus story relates to you, today You will gain a much richer understanding of what God has done for you and why the Exodus is the pivotal event in the Old Testament.

Lucianity: The Perverse Religion of Christians

The Christmas Tales

The Trouble With Christians, The Trouble With Jews

Beginning with Luke's inspired account numerous books have been written that attempt to describe the life of Jesus of Nazareth in an orderly fashion. However, one of the great challenges for the modern commentator is the fact that the Gospel writers were not historians by contemporary standards. Matthew, Mark, Luke, and John were first and foremost, missionaries; and the stories they told had one primary purpose: to convince their readers that what they testified about Jesus Christ was faithful and true. Frederick Osborn has spent the last twelve years on the mission fields of South Asia preaching and teaching the Gospel in cross-cultural settings. Relying upon the texts of Matthew, Mark, Luke and John, his goal is to make convincing arguments to communicate the idea that through His life, death, and resurrection Jesus of Nazareth is indeed Lord and Christ for all who believe. This study on the life of Christ is topical not chronological. It does not completely ignore the Gospels' sequence of events, but the topics overlap at times and at times the chronology is not precise. The topics will at least touch on every major event, and will only go into details when those details are necessary to give greater depth and understanding to the particular topic of that lesson. This volume is a wide-ranging study of the words and ministry of Jesus of Nazareth. In the end it will be thorough and complete.

Both the Old and New Testaments describe the glory, majesty and sovereignty of God and His kingdom. What emerges out of all of these Scriptures is a picture of the kingdom that is eternal and universal. The Gospel writers made it clear that Jesus began His public ministry with the pronouncement that God's kingdom was "at hand." As a matter of fact, a careful reading of each of the gospels will reveal that much of Jesus' teaching was focused upon this idea of the present reality of the kingdom of God. The Gospels mention the kingdom of heaven or the kingdom of God some eighty-five times, and almost every time the terms are used, they are direct or indirect quotes from Jesus. Without question, the kingdom had a significant role in Jesus' teachings. Therefore, it is essential for all believers to know and understand these teachings to fully comprehend the reality and mysteries of the kingdom of heaven. The book of Revelation states that in the end, God will crush every kingdom that stands in opposition to His kingdom. Jesus confirmed this understanding of the kingdom of God; and at the same time added new depth and dimension to our understanding of the kingdom as being present in the midst of His people. "This Gospel of the Kingdom" book and Study Guide have been used by hundreds of pastors, ministry leaders, and Bible students to help them grasp the foundational teachings of Jesus Christ on the kingdom of heaven presented in His sermons and parables.

This anthology is one volume from C.J.S. Hayward's collected works. It includes a

not-quite-right historical parody, a story of the worlds to be seen in Orthodox icons, a lighter look at the kinds of jobs that are available to theologians, a present-day revisiting that looks at the most famous allegory in Plato's writing, a look at two momentous moments, two documents about Eastern Orthodox Christianity in aspects that can be harder for Western Christians to pick, one of which takes a look at a Calvinist lens, a look at how much more there is in life than money, and a collection of vignettes each of which is meant to provide a little taste of Eastern Orthodox Christianity.

This new, innovative translation of the New Testament opens the closed doors of preconception and allows the reader to view these important Greek writings in an entirely different light. Based on a radical and startling premise, The Unvarnished New Testament asks "Why not present the New Testament simply as it appears in the original Greek?"

"The official style guide used by the writers and editors of the world's most authoritative news organization."

The trouble with Christians and the trouble with Jews is exactly the same: both subscribe to the God of Israel, the Creator God the God of Scripture but both have been remiss in actually reading Scripture. The different denominations of Christianity and of Judaism utilize Scripture differently, but it is patently obvious that the vast majority in either camp doesn't have a significant grasp of the Bible. The polyglot divisions of Christianity and the arguing factions of Judaism can all be traced back to a lack of knowledge of Scripture. Finally, the crucial difference on the Messiah comes down to that same lack of knowledge.

Religion and Drama in Early Modern England

A Book About Heaven, Hell, and the Fate of Every Person Who Ever Lived

Notes, explanatory and practical, on the New Testament. ed. by R. Frew

A Journal of Literature, Science, the Fine Arts, Music, and the Drama

Is Your God Too Nice?

The Universalist Miscellany

Offering fuller understandings of both dramatic representations and the complexities of religious culture, this collection reveals the ways in which religion and performance were inextricably linked in early modern England. Its readings extend beyond the interpretation of straightforward religious allusions and suggest new avenues for theorizing the dynamic relationship between religious representations and dramatic ones. By addressing the particular ways in which commercial drama adapted the sensory aspects of religious experience to its own symbolic systems, the volume enacts a methodological shift towards a more nuanced semiotics of theatrical performance. Covering plays by a wide range of dramatists, including Shakespeare, individual essays

explore the material conditions of performance, the intricate resonances between dramatic performance and religious ceremonies, and the multiple valences of religious references in early modern plays. Additionally, *Religion and Drama in Early Modern England* reveals the theater's broad interpretation of post-Reformation Christian practice, as well as its engagement with the religions of Islam, Judaism and paganism.

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

What is a person? What company do people keep with animals, plants, and things? Such questions—bearing fundamentally on the shared meaning of politics and life—animate Shakespearean drama, yet their urgency has often been obscured. Julia Reinhard Lupton gently dislodges Shakespeare's plays from their historical confines to pursue their universal implications. From Petruccio's animals and Kate's laundry to Hamlet's friends and Caliban's childhood, Lupton restages thinking in Shakespeare as an embodied act of consent, cure, and care. Thinking with Shakespeare encourages readers to ponder matters of shared concern with the playwright by their side. Taking her cue from Hannah Arendt, Lupton reads Shakespeare for fresh insights into everything from housekeeping and animal husbandry to biopower and political theology.

Lucianity, the Perverse Religion of Christians is a book about the hidden history of the New Testament -- where it not only reveals the scripture's mysterious origin ... but also its very unique and clandestine creation. In this book, the reader will learn that Christianity, the religion that people sincerely believe and practice today, is not the religion of Christ. Instead, it is the religion of an overzealous disciple who was able to gain possession of every gospel and almost every epistle, in addition to most of the other manuscripts related to early church affairs, and then after the death of the apostolic authors, edit and rewrite them to reflect his peculiar religious beliefs and philosophy. For instance, he conflated Jesus with God, and called him Lord. That disciple is identified as Lucius, the Bishop of Cyrene, who unfortunately, never understood the spiritual nature of man, the spiritual resurrection of Christ, or the purpose for why God sent Christ on a mission to Earth. As a consequence of ignorance, and the lack of understanding by Lucius, man has unknowingly accepted the false and unorthodox beliefs of Lucianity which have been incorporated into the creeds, gospels, epistles, and a host of other bible-related documents. This newly discovered information was deciphered by a seasoned detective when he deconstructed the 2000 year old biblical scripture line by line, and verse by verse.

All Christians, who number in the billions today, will be stunned and perplexed by his findings, especially all the ministers who promote the Bible as the true word of God. Some of it is, and some of it isn't; nevertheless, this book identifies God's true word in Isaiah and Daniel, and it even illustrates the exactness and preciseness of His word (plus other prophetic scripture), by the use of numerous exhibits — since the detective believes a picture is worth a 1000 words. Christ flipped over the tables of the money changers signifying the coming end to the desolation that existed in the Jewish Temple. In like manner, the detective has upset an applecart full of false beliefs which will hopefully awaken people to the realization of Lucianity (or modern day desolation), and usher in the resurrection of true Christianity. "Christians" will learn the unvarnished truth about their ascribed beliefs for probably the first time in 2000 years, and more particularly, how they have been bamboozled and conned by a very clever disciple. The Bible is the most sold, and most read, book in the entire world, and yet, not a single person in the world has recognized the fact that at least 75% of the scripture in the New Testament is really the prodigious work of a secretive, behind the scenes, apostolic era Bishop. In his writings, Lucius used ancient manuscripts and even a book by Flavius Josephus to write various gospel chapters -- not the spoken words of Jesus. While looking over the Detective's shoulder, the reader will see and learn exactly how he identified all the fraud implanted into the pages of the Bible via easy-to-understand scriptural analysis and a variety of exhibits. As such, reading the New Testament is generally a waste of time, unless one has the persistence, capability, and patience to do a thorough, time-consuming, focused, multi-year, forensic exam like the one contained inside the pages of the book "Lucianity." No similar criminal investigation of the Bible has ever been completed, and no similar book exists. If a person is searching for "just the facts" regarding their Christian faith, then the Detective assures all seekers of truth that they will know more about the Bible, God, Moses, Isaiah, Daniel, and Christ (i.e. the Anointed One of God) after reading Lucianity than they ever will by reading Biblical scripture. And more importantly, if they truly understand the message of Jesus Christ as revealed within the pages of this book, they should also learn something about themselves ... no matter their status, rank, position, race, or sex, their incarnation is not an accident of nature, but a self-chosen, deliberate, purposeful spiritual event. Just like Christ, every man, woman, and child has come to Earth in order to fulfill a spiritual mission, not to fulfill a short-sighted worldly aspiration for material goods and wealth.

Do you worship the God of the Bible, or a fictional character? This book will bring us back to the God of the Bible. Not the God we like or the way we wish He were, but the very God of the Bible—unembellished, unvarnished—as He really is. This does not mean we will like Him. Many times we are embarrassed by the God of the Bible, especially the God of the Old Testament. We are even embarrassed by the teachings of Jesus when it comes to His being the only way to be saved, as well as God's right to judge and reward or condemn. We attempt to manage

God's PR and fix His image in the modern world. We are tempted to modify and mold God into what we want Him to be—what we think He should be. Instead we should be finding out where God is and meet Him there, even if that takes us out of our comfort zones. This book will challenge you to give up your conception of what you would like God to be and come to know Him as He really is. Other Books by R.T. In this thoughtful and systematic exploration, Friesen and Stoner understand the Bible to be an extended argument about life, love and power. In the various biblical texts, this argument presents two versions of the Hebrew god, one who aligns with kings and the religious establishment, the other who makes a fool of kings and aligns with everyday people. Through discussion of each biblical text, the authors highlight how this argument plays out in the history of the Israelites, the prophetic attempts to articulate an alternative to the nation-state, the life and teachings of Jesus, and the multi-ethnic community that emerged after Jesus' death. Written in a popular style, the book serves as a concise and sometimes irreverent introduction to the entire Bible while demonstrating its immediate relevance to the problems of violence, insecurity and injustice.

12-Session DVD Video Bible Study Curriculum and 124-page Workbook The Bible has a lot to teach us about end times - one of the most avoided and least understood subjects the Bible discusses, even though this is information God clearly wants us to know and understand. This 12-session, 3-DVD video curriculum and accompanying workbook explores end time events and their effects on the world. The teachings reveal the earth before Adam, continuing through the return of Jesus. No matter how you view the subject of end times, Don't Get This Wrong! will provide a new perspective on the role of the church before and during tribulation. Don't Get This Wrong! will inspire, challenge and bring peace to it viewers by providing a new way to see the greatest event in the history of the

world: The return of Jesus Christ. Don't Get This Wrong! is a great tool for personal growth, as well as church or home groups, midweek services, or Sunday school. A comprehensive 124-page workbook / study guide helps you to gain a deeper understanding of the Bible's true teachings on end times, and how to be prepared, alert, and ready in the last days.

The Unvarnished New Testament Red Wheel/Weiser George N. H. Peters (1825 - 1909) was an American Lutheran minister whose life work, this three-volume defense of non-dispensational premillennial theology, was published in 1884. Wilbur E. Smith calls it "the most exhaustive, thoroughly annotated and logically arranged study of Biblical prophecy that appeared in our country during the nineteenth century."

The Pathway to a New Revelation

What You Really Need Know about End Times

The Teachings and Ministry of Jesus the Messiah

This Gospel of the Kingdom

Millions of Christians have struggled with how to reconcile God's love and God's judgment: Has God created billions of people over thousands of years only to select a few to go to heaven and everyone else to suffer forever in hell? Is this acceptable to God? How is this "good news"? Troubling questions—so troubling that many have lost their faith because of them. Others only whisper the questions to themselves, fearing or being taught that they might lose their faith and their church if they ask them out loud. But what if these questions trouble us for good reason? What if the story of heaven and hell we have been taught is not, in fact, what the Bible teaches? What if what Jesus meant by heaven, hell, and salvation are very different from how we have come to understand them? What if it is God who wants us to face these questions? Author, pastor, and innovative teacher Rob Bell presents a deeply biblical vision for rediscovering a richer, grander, truer, and more spiritually satisfying way of understanding heaven, hell, God, Jesus, salvation, and repentance. The result is the discovery that the "good news" is much, much better than we ever imagined. Love wins.
