

## Unwind 1 Neal Shusterman

*Nick and Allie don't survive the crash, and now they are in limbo, stuck halfway between life and death, in a netherworld known as Everlost. Everlost is home to those who didn't make it to their final destination: A magical yet dangerous place filled with shadows where lost souls run wild. Shocked and frightened, Nick and Allie aren't ready to rest in peace just yet. They want their lives back. Desperate for a way out, their search takes them deep into the uncharted regions of Everlost. But the longer they stay, the more they forget about their past lives. And with all memory of home fading fast and an unknown evil lurking in the shadows, Nick and Allie may never escape this strange, terrible world. In this imaginative, supernatural thriller, Neal Shusterman explores questions of life, death, and what just might lie in between.*

*Candice Gaines loves Christmas. Not only does she bask in the twinkling lights, sing Christmas carols and go crazy with the decorations, she's also in the giving spirit, donating much of her time and wealth to various charities in the local area. Charlie Sullivan despises Christmas. Though it keeps his family afloat, considering they own Sullivan Family Christmas Tree Farm, the main provider for Christmas trees on the Monterey peninsula. He'd much rather work among the trees versus have to deal with people. But Charlie's parents are taking on more philanthropic projects—and as their oldest child, they want him to be their official public representative. He just has to play nice and convince everyone he's not a total holiday hater. When Charlie's mom asks Candice to accompany him to a variety of holiday parties and events, she reluctantly agrees. She thinks Charlie is a big ol' Grinch, but is determined to change his mindset and help him spread Christmas cheer. Charlie finds Candice too chatty, too sweet, too much. Do people like her really exist? Why yes, yes they do. The more time they spend together—along with a few kisses under the mistletoe—the more they start to like each other. Hopefully Charlie can convince Candice he doesn't have a heart that's two sizes too small before the ball drops on New Year's Eve.*

*Beneath the sewer grates and manholes of the city lies a strange and secret world called the Downside. Every Downsider knows that it's forbidden to go Topside, and most fear a collision of the two worlds. But fourteen-year-old Talon is curious about what goes on above ground, and one day he ventures out in search of medicine for his ailing sister. There he meets Lindsay, who is as curious about Talon's world as he is about hers. When Lindsay visits the Downside for the first time, she marvels at the spirit of the Downsiders, and the way they create works of art from topside "trash," like old subway tokens and forgotten earrings. As awed as she is by the Downside, however, she also questions its origins, and when she finds out that this fantastic world is not all it appears to be, she is determined to tell Talon the truth. Then a construction accident threatens to crush Talon's world, and his loyalty is put to the test. Can the truth save the Downside, or will it destroy an entire civilization? Neal Shusterman takes readers on an amazing journey into a place that's only a few steps away, yet beyond their wildest dreams.*

*For many years, heartache prevented Nahid Rachlin from turning her sharp novelist's eye inward: to tell the story of how her own life diverged from that of her closest confidante and beloved sister, Pari. Growing up in Iran, both refused to accept traditional Muslim mores, and dreamed of careers in literature and on the stage. Their lives changed abruptly when Pari was coerced by their father into marrying a wealthy and cruel suitor. Nahid narrowly avoided a similar fate, and instead negotiated with him to pursue her studies in America. When Nahid received the unsettling and mysterious news that Pari had died after falling down a flight of stairs, she traveled back to Iran—now under the Islamic regime—to find out what happened to her truest friend, confront her past, and evaluate what the future holds for the heartbroken in a tale of crushing sorrow, sisterhood, and ultimately, hope.*

*After the destruction of the Graveyard, Connor and Lev are on the run, seeking a woman who may be the key to bringing down unwinding forever while Cam, the rebound boy, tries to prove his love for Risa by bringing Proactive Citizenry to its knees.*

*In the sequel to the #1 New York Times bestseller Confessions of a Murder Suspect, James Patterson keeps the confessions coming breathlessly as Tandy Angel delves deeper into her own dark history. Wealthy young women are being murdered on Manhattan's exclusive Upper West Side, and the police aren't looking for answers in the right places. Enter Tandy Angel. The first case she cracked was the mystery of her parents' deaths. Now, while she's working to exonerate her brother of his glamorous girlfriend's homicide, she's driven to get involved in the West Side murder spree. One of the recent victims was a student at Tandy's own elite school. She has a hunch it may be the work of a serial killer, but the NYPD isn't listening to her. . . . and Tandy can't ignore the disturbing fact that she perfectly fits the profile of the killer's targets. Can she untangle the mysteries in time? Or will she be the next victim?!--EndFragment--*

*Proactive Citizenry, the company which created Cam from the parts of unwound teens, has a plan: to mass produce Rewound teens like Cam for military purposes. But below the surface is of that horror lies another shocking level of intrigue. Proactive Citizenry has been suppressing technology that could make unwinding completely unnecessary. As Conner, Risa and Lev uncover these shocking secrets, enraged teens begin to march on Washington to demand justice and a better future. But more trouble is brewing. Starkey's group of storked teens are growing more powerful and militant with their's--*
*Thanks to Connor, Lev, and Risa, and their high-profile revolt at Happy Jack Harvest Camp, people can no longer turn a blind eye to unwinding. Ridding society of troublesome teens and, in the same stroke, providing much-needed tissues for transplant might be convenient, but its morality has finally been brought into question. However, unwinding has become big business, and there are powerful political and corporate interests that want to see it not only continue, but expand, allowing the unwinding of prisoners and unwinds. Cam, a 21st century Frankenstein, struggles with a search for identity and meaning, as well as the concept of his own soul, if indeed a rewound being can have one. When a sadistic bounty hunter who takes "trophies" from the unwinds he captures starts to pursue Connor, Risa and Lev, Cam finds his fate inextricably bound with theirs"--*

*Nick the "chocolate ogre" wants to help the children of Everlost to reach the light at the end of the tunnel, and is slowly handing each child a coin which will release them from Everlost. But Mary Hightower wants to trap the children forever, and joins forces with Pugsy Capone, a death boss, who gains allies in a terrible way. . . . *From the team that brought you the New York Times bestselling Dry comes a riveting new thriller that proves when gods play games, even love is a lie. The freeway is coming. It will cut the neighborhood in two. Construction has already started, pushing toward this corridor of condemned houses and cracked concrete with the momentum of the inevitable. Yet there you are, in the fifth house on the left, fighting for your life. Ramey, I. The victim of the bet between two manufactured gods: the seductive and lethal Roxy (Oxycontin), who is at the top of her game, and the smart, high-achieving Addison (Aderfall), who is tired of being the helpful one, and longs for a more dangerous, less wholesome image. The wager—a contest to see who can bring their mark to " the Party " first—is a race to the bottom of a rave that has raged since the beginning of time. And you are only human, dazzled by the lights and music. Drawn by what the drugs offer—tempted to take that step past helpful to harmful...and the troubled places that lie beyond. But there are two I. Rameys—Isaac, a soccer player thrown into Roxy ' s orbit by a bad fall and a bad doctor and Ivy, his older sister, whose increasing frustration with her untreated ADHD leads her to renew her acquaintance with Addy. Which one are you?*

*How did Lev Calder move from an unwillingly escaped Tithe to a clapper? In this revealing short story, Neal Shusterman opens a window on Lev ' s adventures between the time he left CyFi and showed up at the Graveyard. Pulling elements from Neal Shusterman ' s critically acclaimed Unwind and giving hints about what is to come in the riveting sequel, UnWholly, this short story is not to be missed.*

*" Intelligent and entertaining. " —Kirkus Reviews (starred review) " Even better than the first book. " —School Library Journal (starred review) Rowan and Citra take opposite stances on the morality of the Scythedom, putting them at odds, in the chilling sequel to the Printz Honor Book Scythe from New York Times bestseller Neal Shusterman, author of the Unwind dystology. Humans learn from their mistakes. I cannot. I make no mistakes. And as corruption within the Scythedom spreads, Rowan and Citra begin to lose hope. Will the Thunderhead intervene? since Rowan had gone off grid. Since then, he has become an urban legend, a vigilante snuffing out corrupt scythes in a trial by fire. His story is told in whispers across the continent. As Scythe Anastasia, Citra gleans with compassion and openly challenges the ideals of the " new order. " But when her life is threatened and her methods questioned, it becomes clear that not everyone is open to the change. Old foes and new enemies converge, and as corruption within the Scythedom spreads, Rowan and Citra begin to lose hope. Will the Thunderhead intervene?*

*All three thrilling books in Neal Shusterman's New York Times bestselling Unwind trilogy, together in one boxed set. After the Second Civil War, the Bill of Life states that human life may not be touched from the moment of conception until a child reaches the age of thirteen. However, a loophole allows parents to retroactively get rid of a teenager through a process called "unwinding." Three teens defy the system and run away from their unwinding: Connor, a rebel whose parents have ordered his unwinding; Risa, a ward of the state who is to be unwound due to cost-cutting; and Lev, whose unwinding has been planned since birth as a religious tithing. As their paths intersect and lives hang in the balance, Connor, Risa, and Lev have to work together to survive. The complete riveting trilogy, which VOYA calls "smart, intense, and thought provoking," is packaged together in this boxed set that includes Unwind, UnWholly, and UnSouled.*

*Warden of Time continues the story of time travel, romance, and adventure begun with Daughter of Time ... As both modern man and medieval king, David is committed to transforming medieval England into his own version of Avalon. Not everyone supports his ideals, however, and having offended the pope by welcoming Jews and heretics into England, David is summoned to Canterbury to explain himself. But when information comes to light that reveals the accusations against him have less to do with religion than with power and wealth, David finds himself on familiar ground—and at the center of a conspiracy that stretches from Ireland to Italy. Facing excommunication, a fickle populace, and a rebellion even by his fellow time travelers, he must decide what his throne is worth, and what he's willing to sacrifice to keep it. Complete series reading order: Daughter of Time, Footsteps in Time, Winds of Time, Prince of Time, Crossroads in Time, Children of Time, Exiles in Time, Castaways in Time, Ashes of Time, Warden of Time, Guardians of Time, Masters of Time, Outpost in Time, Shades of Time.*

*After their home burns down, fourteen-year-old Nick, his younger brother, and their father move into a ramshackle Victorian house they've inherited. When Nick opens the door to his attic room, he's hit in the head by a toaster. That's just the beginning of his weird experiences with the old junk stored up there. After getting rid of the odd antiques in a garage sale, Nick befriends some local kids-Mitch, Caitlin, and Vincent-and they discover that all of the objects have extraordinary properties. What's more, Nick figures out that the attic is a strange magnetic vortex, which attracts all sorts of trouble. It's as if the attic itself has an intelligence. . . . and a purpose. Ultimately Nick learns that the genius Nikola Tesla placed the items-his last inventions-in the attic as part of a larger plan that he mathematically predicted. Nick and his new friends must retrieve everything that was sold at the garage sale and keep it safe. But the task is fraught with peril-in addition to the dangers inherent in Tesla's mysterious and powerful creations, a secret society of physicists, the Accelerati, is determined to stop Nick and alter destiny to achieve its own devious ends. It's a lot for a guy to handle, especially when he'd much rather fly under the radar as the new kid in town. Fans of intrigue, action, humor, and nonstop surprises are guaranteed a read unlike any other in Tesla's Attic, Book One of the Accelerati Trilogy.*

*In a busy coffee shop, a robbery goes wrong. Two gunmen hold seven hostages, including teenager Zach Wahstetd. What nobody realizes at first is that Zach is anything but ordinary and his troubled mind is more dangerous than any weapon.
