CLICK HERE to download a free hike from Best Hikes with Dogs North Carolina \* North Carolina hikes located in and around Asheville, Winston-Salem, Piedmont, Uwharrie \* National Forest, and the Mountains-to-Sea Trail \* Info on first aid for dogs and the 10 Canine Essentials \* Paw-friendly terrain \* Trails appropriate for dogs of all ages and fitness levels
Best Hikes for Dogs in North Carolina includes a handy trail-finder chart to help you choose just the right hike for you and your dog. And North Carolina is a paradise for canine hikers and their owners. Trails in this guidebook range from rolling meadows and countless streams, lakes, and waterfalls to the cool, lush forests filled with sights and scents. This guidebook has everything you need to know to plan a safe fun-filled outing with your dog. Also included: information detailing proper trail etiquette for dog owners and their pets, tips on hiking with dogs and their special needs, dealing with wildlife encounters, and more.

DuPont Forest protects thousands of acres of trees, five lakes and more than one hundred miles of multiuse trails. It attracts hikers, equestrians and mountain bikers from all over the United States, and its six waterfalls have been featured in movies like The Hunger Games and The Last of the Mohicans. All of this natural beauty is easily accessible, increasing its appeal. It took not only the generosity of a multinational company but also Southern Appalachian grit and self-reliance and local activism to make these benefits available to all. DuPont Forest is young, and its future is still unfolding. Author and hiker Danny Bernstein traces the past of DuPont State Recreational Forest and shows its potential.

Who says you have to travel far from home to go on a great hike? In Best Hikes Near Charlotte author Jennifer Pharr Davis details the best hikes within an hour's drive of the greater Salt Lake City area perfect for the urban and suburbanite hard-pressed to find great outdoor activities close to home. Each featured hike includes detailed hike specs, a brief hike description, trailhead location, directional cues, and a detailed map.

*This is the only trail guide to the Uwharrie National Forest of North Carolina. The guide contains maps and detailed descriptions of over 215 miles of trails including 113 named trails and 95 suggested multi-trail trips. The Uwharrie National Forest is the closest national forest to the majority of the population centers of North Carolina. This guide is a must for hiking, mountain biking, and equestrian enthusiasts.*

*The Mountains-to-Sea Trail shows off the most spectacular, historic and quirky elements of the North Carolina landscape. Stretching one thousand miles from Clingmans Dome in the Smokies to Jockey's Ridge State Park in the Outer Banks, the route takes in Fraser fir trees and pelicans, old grist and textile mills, working cotton and tobacco farms, Revolutionary War sites and two British cemeteries complete with Union Jacks. The trail is half on footpaths and half on back roads, offering experiences not only in nature but also in small towns, at historic monuments, in family cemeteries and in local shops. Author Danny Bernstein has taken it all in and shares her knowledge for those who might follow in her footsteps.*

*Whether you camp in a tent or a recreational vehicle (RV), there are campgrounds in U.S. National Forests to satisfy the needs of most campers. The U.S. National Forest Campground Guide, Southern Region, describes 216 developed campgrounds in 33 National Forests located in 14 southern states. Most of the campgrounds were personally visited and researched by the authors of this Guide. There are more than 50 items of information for each campground, narrative descriptions (including authors' anecdotes), maps displaying the relative location of the campgrounds, and quick look-up tables to help in the selection of a campground. In addition, there are sidebars throughout the Guide containing useful information about camping, the forests, things to do, and the authors' experiences.*

*The region's only comprehensive trail guide to cover mountain biking and hiking opportunities in the Uwharrie Lakes Region of central North Carolina.*

STAR TRAILS Navajo offers you a different way to look at the night sky, through Native American eyes. The Dine, or Navajo people of the American Southwest, have their own set of star figures and legends to describe the sparkling lights we see on Father Sky. Come explore the stars from a new perspective. Included are star maps, revised planet visibility charts, references to other cultures' star lore, and tips for enjoyable viewing.

"This volume relates author's one-of-a-kind back packing trip along 469-mile Blue Ridge Parkway, most visited National Park Service unit. Also covers twelve years spent working as a Blue Ridge Parkway park ranger. Anecdotal history and accounts from someo

Rock & roll has transformed American culture more profoundly than any other art form. During the 1960s, it defined a generation of young people as political and social idealists, helped end the Vietnam War, and ushered in the sexual revolution. In Dixie Lullaby, veteran music journalist Mark Kemp shows that rock also renewed the identity of a generation of white southerners who came of age in the decade after segregation -- the heyday of disco, Jimmy Carter, and Saturday Night Live. Growing up in North Carolina in the 1970s, Kemp experienced pain, confusion, and shame as a result of the South's residual civil rights battles. His elementary school was integrated in 1968, the year Kemp reached third grade; his aunts, uncles, and grandparents held outdated racist views that were typical of the time; his parents, however, believed blacks should be extended the same treatment as whites, but also counseled their children to respect their elder relatives. "I loved the land that surrounded me but hated the history that haunted that land," Kemp writes. When rock music, specifically southern rock, entered his life, he began to see a new way to identify himself, beyond the legacy of racism and stereotypes of southern small-mindedness that had marked his early childhood. Well into adulthood Kemp struggled with the self-loathing familiar to many white southerners. But the seeds of forgiveness were planted in adolescence when he first heard Duane Allman and Ronnie Van Zant pour their feelings into their songs. In the tradition of music historians such as Nick Tosches and Peter Guralnick, Kemp masterfully blends into his narrative the stories of southern rock bands --from heavy hitters such as the Allman Brothers Band, Lynyrd Skynyrd, and R.E.M. to influential but less-known groups such as Drive-By Truckers -- as well as the personal experiences of their fans. In dozens of interviews, he charts the course of southern rock & roll. Before civil rights, the popular music of the South was a small, often racially integrated world, but after Martin Luther King Jr.'s assassination, black musicians struck out on their own. Their white counterparts were left to their own devices, and thus southern rock was born: a mix of popular southern styles that arose when predominantly white rockers combined rural folk, country, and rockably with the blues and jazz of African-American culture. This down-home, flannel-wearing, ass-kicking brand of rock took the nation by storm in the 1970s. The music gave southern kids who emulated these musicians a newfound voice. Kemp and his peers now had something they could be proud of: southern rock united them and gave them a new identity that went beyond outside perceptions of the South as one big racist backwater. Kemp offers a lyrical, thought-provoking, searingly intimate, and utterly original journey through the South of the 1960s, '70s, '80s, and '90s, viewed through the prism of rock & roll. With brilliant insight, he reveals the curative and unifying impact of rock on southerners who came of age under its influence in the chaotic years following desegregation. Dixie Lullaby fairly resonates with redemption.

Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

**Readers discover firsthand what it's like to drive a race car at 165 miles per hour, raft down a whitewater river, or balloon over the coastal plain of eastern North Carolina. Features activities for all energy and adventure levels.**

**Winner of the Fall 2016 Parents' Choice FunStuff Award! Magic is real -- and it runs in the family -- in this charming fantasy adventure about a boy who must balance his magical education with the demands of big-brotherhood, perfect for fans of Jenny Nimmo and Angie Sage. Henry Leach the Eighth doesn't know it yet, but he's descended from a long line of wandmakers. That means he has inherited mysterious powers, a trunk full of strange artifacts... and a whole host of problems. His biggest problem at the moment, however, is his little sister, Brianna. She's always had a special talent for getting in his way. And she takes troublemaking to new heights when she's caught in the crossfire of Henry's first major spell! Heartfelt, funny, and imaginative, Wandmaker is sure to leave young readers spellbound.**

**To celebrate its fiftieth anniversary, the Carolina Geological Society invited forty-three authors to contribute to the creation of The Geology of the Carolinas. The only comprehensive, modern treatment of the subject, the volume has been prepared for a diverse readership ranging from undergraduate students to specialists in the fields of geology and related earth sciences. Following the editors' general introduction are chapters on Precambrian and Paleozoic metamorphic and igneous rocks of the Appalachian Blue Ridge and Piedmont; rocks of early Mesozoic rift basins, formed just before the opening of the Atlantic Ocean; Cretaceous and Tertiary sedimentary deposits of the Atlantic Coastal Plain; Quaternary geology and geomorphology; Cenozoic tectonism, including evidence for the recurrence of large earthquakes near Charleston; and an overview of mineral resources in the Carolinas. The book includes an index of field guides produced by the society and a thorough bibliography. By introducing exciting new concepts and focusing on challenging problems on the frontiers of research, this authoritative book will stimulate research in the years to come. The Editors: J. Wright Horton, Jr., is a research geologist for the United States Geological Survey in Reston, Virginia. Victor A. Zullo is a professor of geology at the University of North Carolina at Wilmington.**

What's your definition of a photo studio? Is it a room with a white seamless backdrop or a cyc wall? Maybe it's simply anywhere you're in control of the lighting. In a perfect world, where every day is a breezy 72 degrees with partial cloud coverage, we would all have a 5,000-square-foot studio--and the entire catalog of B&H] in our equipment lockups. But the reality is that you may have an outdated DSLR with two decent lenses (which took you several years to save up for), and all you have at your disposal is an unfinished basement, your garage, or the empty conference room at your office. That's where Studio Anywhere comes in. With photographer Nick Fancher as your guide, you'll learn how to get portfolio-ready photos while working in some of the most problematic scenarios imaginable. Whether shooting a corporate portrait, a test shoot with a model, or a promo shoot with a band, you'll discover that most of the time, there's no need for an expensive studio--you just have to get creative. Studio Anywhere is a resource for photographers to learn through behind-the-scenes photos and lighting diagrams from a range of photo shoots--but it doesn't stop there. Because directing a photo shoot involves more than simply knowing how to wield a camera or process a raw file, Nick also lets you in on the aesthetic decisions he makes in his signature photos, inspiring you to develop your own vision. And, finally, he describes his Lightroom and Photoshop workflow so you can learn how to deftly navigate post-processing. Shows how to create images with minimal equipment that is within reach of anyone's budget Takes you through the entire shoot, from concept to lighting to exposure to post-processing in Lightroom and Photoshop Teaches how to build a portfolio without a dedicated studio space

Best Easy Day Hikes Greensboro and Winston-Salem includes concise descriptions of the best short hikes in the area, with detailed maps of the routes. The 20 hikes in this guide are generally short, easy to follow, and guaranteed to please. The name Joffre Lanning Coe (1916-2000) is synonymous with North Carolina archaeology, and the original publication of this book in 1964 represented a landmark in American archaeology. In it Coe reported the results of investigations at three North Carolina archaeological sites and revolutionized perspectives about the age and depth of archaeological sites in the Eastern Woodlands. This work is the original source for many projectile point types identified with the Archaic period (8,000 - 1,000 B.C.) and is frequently cited as such by archaeologists, scholars, and collectors.

Best Easy Day Hikes Charlotte includes concise descriptions of the best short hikes in the area, with detailed maps of the routes. The 20 hikes in this guide are generally short, easy to follow, and guaranteed to please.

The Archaeology of North Carolina

The North Carolina Birding Trail

Horseback Riding Trail Guide to North Carolina

Cheese & Wine

Each year, the Himalayas attract millions of visitors who follow myriad paths among splendid forests and icy peaks in search of ancient monuments and breathtaking panoramas. This handy volume presents 15 of the best routes in the Himalayas, from the Biafo and Hispar Glaciers to the Annapurna Sanctuary and the Rongbuk and Kabshung valleys at the base of Everest. Providing concrete advice on the necessary equipment, best times to embark on a trek, how and when to hire a guide, and much more, this addition to the popular White Star Guides series safely steers readers through this challenging and ever-fascinating area. Throughout the book, spectacular photographs demonstrate the awe-inspiring natural beauty that has insider information on each region featured in the book. Indices of useful addresses and key destinations in the Himalayas provide essential information for travelers. With its portable format, detailed information, and inspiring illustrations, this is an invaluable resource for outdoors enthusiasts, nature lovers, and hikers traveling to the Himalayas.

Find Your Way to Pennsylvania's Most Beautiful Waterfalls Waterfalls create a feeling of serenity, a sense of restrained power. Their grandeur takes our breath away. Their gentle sounds complement periods of meditation. Let award-winning photographer and creator of Pennsylvania's most read travel blog Jim Cheney guide you to more than 180 of the top-ranked waterfalls in the state. Your bucket list should include these gorgeous locales that decorate Pennsylvania's landscape. The waterfalls are organized geographically and ranked by beauty. Entries include all the information you need, like directions, distance, and hike difficulty, as well as details about each waterfall, such as height, width, and the best time of year to visit. Not-to-miss sights and nearby activities are also called out, so you can make the most of every outing. Plus, Jim's incomparable photography makes this guidebook worthy of any coffee table. From the towering falls of the Poconos to the scenic gems of the Laurel Highlands and everywhere in between, experience them all with this wonderful guidebook. These natural wonders prove that the Keystone State is home to some of the most picturesque sites in America!

With Explorer's Guides, expert authors and helpful icons make it easy to locate places of extra value, family-friendly activities, and excellent restaurants and lodgings. Regional and city maps help you get around and What's Where provides a quick reference on everything from tourist attractions to off-the-beaten-track sites. From America's most popular national parks to the sands of the Outer Banks to the cool peaks of the tallest mountains in the East, writer/photographer Jim Hargan covers everything worth seeing and doing in his home state. Explore wilderness areas on bicycle or by kayak, visit sleepy hamlets or lively downtowns, enjoy fine dining or country cooking on your quest for the authentic Tarheel experience.

Author and naturalist Marci Spencer reveals the history and splendor of the Nantahala National Forest. The 500,000-acre Nantahala National Forest dominates the rugged southwestern corner of North Carolina. Rivers such as the Cheoah, Cullasaja, and Tuckasegee carve deep gorges, making the region one of the wettest in the nation. The Whitewater River tumbles over the highest waterfall in the eastern United States. Power companies dammed local rivers, creating some of North Carolina's most scenic recreational mountain lakes. The high peaks, secluded coves and forested woodlands of the Joyce Kilmer Memorial Forest, Panthertown Valley and Buck Creek Serpentine Pine Barrens and other areas hold cultural and natural history secrets.

A Traveler's Guide to the Best Outdoor Getaways

Joe Miller brings us the first-ever stand-alone guidebook to backpacking in North Carolina, a state long known as a terrific backpacking destination. Covering 43 of the best trips the state has to offer, Backpacking North Carolina provides all the information necessary for beginning and experienced backpackers alike to enjoy hiking destinations from the mountains to the coast. Each trip description offers key maps and navigation information, including water sources and camping spots, as well as trip highlights and special considerations. Miller offers tips for enriching the experience, such as filling dark nights with stargazing and other activities, and gives advice for backpacking with children. Offering his expertise in a way that emphasizes the accessibility of backpacking, Miller encourages a wide range of nature lovers to give it a try, perhaps for the first time. Several "best-of" lists are included, featuring trips with exceptional nature study opportunities, water recreation, and easy excursions for beginners. Backpacking North Carolina takes the reader deep into a state full of natural wonder and adventure. Backpacking North Carolina has all the essentials for planning your trip, whether a quick weekend getaway or a longer adventure: Trips for beginner and expert backpackers alike Helpful essays to introduce each trail and its features Gear and safety advice for year-round backpacking Major points of interest highlighted on each trip Family-friendly trails and easy bailouts for when hiking with children Detailed trail maps and directions to trailheads Elevation profiles for each hike Estimated hike times and level of difficulty Camping permit requirements GPS coordinates for water sources and good camping spots Bullet lists of best trips for fishing, bird watching, waterfalls, and more Southern Gateways Guide is a registered trademark of the University of North Carolina Press

This updated guide (4th edition - published April 2006) contains ten maps, elevation profiles and complete walking descriptions of this 223-mile trail - the longest hiking trail in the region (it runs from Talimena State Park in Oklahoma to Pinnacle Mountain State Park near Little Rock). It contains all the information that you need to have a safe and enjoyable hike. The Ouachita Trail has been improving over the years, and Tim Ernst details all of it, including the new trail shelters that have been built. It also pinpoints, on the maps and in the text, all of the reliable water sources along the trail, which are of extreme importance. The foreword was written by Ouachita Trail guru and famed outdoorsman Jim Rawlins. This guidebook is a must for anyone hiking the Ouachita Trail--don't hit the trail without it! This guidebook was produced in cooperation with the Friends of The Ouachita Trail (FoOT) and the U.S. Forest Service.

Arizona Bucket List Adventure Guide & Journal takes you on a quest to discover 50 must-see natural wonders in the Grand Canyon State. For each of the 50 places, there's a page that tells you the best time to go, how to get there and how to get permits or passes, if needed. On the opposite page, you check it off your bucket list and journal about your experience. Organized by region: Tourist magnets like Grand Canyon, Antelope Canyon, Horseshoe Bend, and Monument Valley are in the North Region. In North Central, you'll find tips for amazing sites near Sedona like West Fork Oak Creek, Devil's Bridge, and the vortexes. Other regions include the Superstition Mountains, Lower Salt River, Lake Havasu, Ringbolt (Arizona) Hot Springs, Saguaro National Park, Sabino Canyon, and more.

North Carolina Adventure Weekends makes it easy for campers, hikers, cyclists, paddlers, and climbers to plan weekend after weekend of memorable outdoor trips. It's written for both novice and experienced adventurers who enjoy--or aspire to enjoy--a variety of outdoor pursuits but don't have time to spend hours researching the best destinations or can't get away for a long trip. Most outdoor enthusiasts enjoy a variety of activities, and this is the ideal resource for hikers who love to climb, paddlers who also pedal, and everyone who wants to get the most adventure out of a weekend. It's also ideal for couples, families, or groups who love sharing a weekend getaway but want to do different things. Many guidebooks focus on one specific activity, such as hiking, paddling, or camping, and North Carolina Adventure Weekends eliminates the need for weekend warriors to spend hours thumbing through multiple guidebooks and websites, trying to find the best options for their multisport weekend trips. Furthermore, regional guidebooks might offer suggestions on different outdoor activities but not pinpoint the best options for adventurers who only have a weekend to explore. With North Carolina Adventure Weekends, readers have numerous action-packed weekend itineraries at their fingertips. They'll know not only where to stay to be closest to the action, but also which adventures--hike routes, bike rides, paddle trips, climbing areas, etc.--are weekend-worthy. Each chapter highlights a focused geographic area and includes detailed directions, so readers can spend more time playing and less time driving from place to place. Adventurers will also learn where to stock up on supplies, what to do on a rainy day, and where to go to rehash the weekend's adventures over an epic-worthy meal and a beer.

**Written by renowned photographer, author, and broadcaster Tom Ang, this book delivers exactly what the title promises and tells you how to photograph absolutely everything. Avoiding intimidating technical jargon, Tom explains the basic elements of photography - light, color, composition, and focus - then goes on to show how to make them work for you. From still lifes to children's parties, thunderstorms to sunsets, close-ups to panoramas, every photographic subject, technique, and challenge is covered. Using step-by-step photographs and instructions, Tom shows you how to take the best possible picture in any situation. Want to photograph city lights at night, animals in action, a family portrait? Tom makes it easy. Employing a user-friendly "recipe" formula, he shows you the best approach for each subject, gives expert tips on improving an image, and tells you how to set up your camera - so you really can't go wrong. Inspiring galleries at the end of each section describe alternative techniques to try for every subject. There are also tips on basic post-production, showing how to crop, improve color and contrast, and remove unwanted elements of an image. How to Photograph Absolutely Everything guarantees to make a better, more confident photographer of absolutely everyone who reads it.**

**A guidebook to hikes around Chicago accessible by public transportation.**

**My Uwharrie Trails is a companion log book to the Uwharrie Lakes Region Trail Guide - Second Edition. Hiking expert and Ozarks native Jim Warnock introduces 43 of the Ozarks' best hiking trails in Arkansas and Missouri, with information including route details, directions, nearby attractions, GPS-based trail maps, and elevation profiles in this easy-to-carry and easy-to-use guidebook.

North Carolina harbors an incredible diversity of habitats that provide food and shelter for more than 440 bird species throughout the year, making the state a destination for birders and nature lovers. The North Carolina Birding Trail is a driving trail linking birders and tourists with great birding sites across the state and the local communities in which they are found. The second of three regional guides, the Piedmont Trail Guide presents 103 premier birding destinations in the North Carolina piedmont, most within an easy drive of the state's urban centers, between Charlotte on the west and Interstate 95 on the east. The spiral-bound volume features maps, detailed site descriptions, and color photographs throughout. Each site description includes directions as well as information on access, focal species and habitats, and on-site visitor amenities. Special "while you're in the area" listings accompany each of fourteen site groupings, so visitors can travel to a cluster of birding destinations and enjoy other local highlights and attractions along the way.

From the James Beard Award-winning author: a "simple, easy to use and informative" guide to a global array of cheeses and their best wine pairings (San Antonio Express-News). The bestselling author of The Cheese Course presents a new guide to enjoying one of the most basic yet sophisticated culinary delights: cheese and wine. Janet Fletcher leads readers on an international tour of seventy cheeses, exploring the best wine pairings and serving suggestions. From Oregon's autumnal Rogue River Blue to aromatic Brin d'Amour evocative of the Corsican countryside, cheese lovers will savor the range of textures, flavors, and colors. Featuring mouth-watering color photography and detailed, informative text, this collection of cheeses and the wines that go with them will inspire perfect pairings.
