*DESTINED is Book #4 of the Bestselling series THE VAMPIRE JOURNALS, which begins with book #1, TURNED—a FREE download! In DESTINED (Book #4 in the Vampire Journals), Caitlin Paine wakes to discover herself back in time. She finds herself in a cemetery, on the run from a mob of villagers, and seeks refuge in the ancient cloisters of Assisi, in the countryside of Umbria, Italy. There, she learns of her destiny and her mission: to find her father and the ancient vampire Shield needed to save mankind. But Caitlin's heart still pines for her lost love: Caleb. She desperately needs to know if he has survived their trip back in time. She learns that her mission requires her to go to Florence, but if she wants to pursue matters of the heart, she must go to Venice. She chooses Venice. Caitlin is overwhelmed at what she finds. Venice of the eighteenth century is a surreal place, men and women dressed in elaborate costumes and masks, celebrating an endless, lavish party. She is thrilled to discover and reunite with some of her close friends, and to be welcomed back into their coven. And she is excited to join them in Venice's Grand Ball, the most important costume dance of the year, where she hopes, once again, to find Caleb. But Caitlin is not the only one who can travel back in time: Kyle soon arrives, too, and is determined to hunt her down and kill her once and for all. Sam, too, arrives, determined to save his sister before it is too late. At the Ball, Caitlin searches everywhere, and finds no sign of Caleb. That is, until the very last dance. She dances with a masked man who takes her heart away, and she feels certain that it is him. But as the partners change, she loses him again. Or does she? Caitlin soon finds herself torn between the two loves of her life, and discovers that she has to be careful what she wishes for. Her joy at finding what she wants might just come mixed with tragedy and heartbreak. In a climactic, action-packed ending, Caitlin finds herself up against true evil, Rome's ancient vampire coven, and the most powerful*

From Morgan Rice, #1 Bestselling author of THE VAMPIRE JOURNALS, comes the first book in a new series: THE VAMPIRE LEGACY. In RESURRECTED (Book #1 of the Vampire Legacy), 16 year old Scarlet Paine finds herself changing in mysterious ways. She is becoming sensitive to light, able to read peoples’ thoughts, and is faster and stronger than she’s ever been. She doesn’t understand what’s happening to her, and tries to ignore it. But she can only dismiss it for so long. Caitlin Paine, her mom, knows too well what’s happening to her daughter. She underwent the same transformation to vampire once, centuries ago. But now, in the present day, as a mere human, she has no memory of it. All she has is the journal she found in the attic—her mysterious vampire journal—telling of her exploits in another time and place, and of the vampire race being eradicated. But was there one exception to the rule? Could it be that Scarlet, her daughter, is the last remaining vampire on earth? As Scarlet tries to fight who she’s becoming, she also tries to fight her intense feelings for Blake, a boy in her grade who she has a crush on. She can’t tell, though, if he’s into her, and with the big Halloween dance just days away, the pressure is on. She would do anything for Blake to ask her. But Vivian, the meanest of the popular girls, is also on Blake’s radar, and she’ll do anything to make Blake hers—and to make Scarlet’s life a living hell. Luckily Scarlet has her own clique of friends to back her up, including her best friends Maria and Jasmin. They, too, have guy troubles—but it isn’t until Sage appears, the mysterious new boy, that her friends become obsessed. Scarlet finds herself attracted to him, too—and is surprised when it is her, of all the girls in the school, that he pays attention to. But her mind is set on Blake, at least for now, and she continues to hope he’ll ask her to the dance. Just when it seems that Scarlet has what she wants, her body changes. Soon it may be impossible for her to be near her fellow humans. Soon, she may have to choose between her desire to live and her desire for love. Book #2 in the series, CRAVED (Book #2 of the Vampire Legacy), is now also available.

and Caleb embark together on their quest to find the one object that can stop the imminent vampire and human war: the lost sword. An object of vampire lore, there is grave doubt over whether it even exists. Caitlin and Caleb's journey takes them on a whirlwind of historic locations—from the Hudson Valley, to Salem, to the heart of historic Boston—the very spot where witches were once hung on the hill of Boston Common.
