From the James Beard-recognized creator of the Bon Appétit-lauded food blog comes 100 recipes that show us how to bring more joy, mindfulness, and connection to the kitchen through family-friendly meals

The recipes in this critically acclaimed cookbook are organized around the day: start off with Spicy Carrot, Grapefruit, and Sunflower Juice Soft-cooked Eggs with Dukkah and Bitter Greens; and move on to Tomato, Corn, and Bread Salad at midday. There is a chapter of everyday dinners you can prepare on a weeknight, such as a simple spaghetti and meatballs supper or Braised Chicken with Apples and Cider.

You'll also find a chapter of menus to inspire you when you want to gather together a larger group of friends and family which Aran heartily encourages! She is especially known for her tender, gluten-free baking, and the book includes recipes for her sourdough bread, caramelized onion and fennel biscuits, and apple tarte tatin (with flour substitutions are included for those who aren't gluten-free).

Filled with Aran's gorgeous photographs, you will also find suggestions sprinkled throughout the book for creating a welcoming space with lighting, linens, flowers, and flatware, along with gentle encouragement

to spend time in the kitchen nourishing yourself as well as those you love. "A beautiful expression of how Aran feeds her family and friends simple foods like buttermilk-brined chicken and roasted carrot and cashew soup. This is a book for all cooks." —Amanda Hesser and Merrill Stubbs, founders of Food52

Rekindle the Romance at Home! Sweethearts, spouses, and parents Ashley and Gabe Rodriguez found themselves deep into marriage and child-rearing when they realized they were spending most of their evenings staring at their computers. Determined not to let their relationship deteriorate into that of "roommates with children," they institute a weekly date night: they sauté, roast, mix and dice and spend time reconnecting over simple but thoughtful dishes like Crostini with Ricotta, Prosciutto, and Peas, Tomato and Fennel Gazpacho with Dungeness Crab, Fennel-Crusted Lamb Chops, and Dulce de Leche and Nectarine Creamsicles (sometimes even with an expertly chilled cocktail). Just carving out time to talk, cook, and eat together became the marriage-booster they needed, and now with Date Night In she invites you to make date night an integral part of your week and shows you how to woo your partner all over again with food, drink, and conversation. Packed with tantalizing and delicious recipes, Date Night In is a must-have cookbook for any couple who wants to spice things up with special seasonal meals at home with a table for two.
