This book seeks to throw light on the reasons which have given rise to the superficial image of Spurgeon as a general Victorian pulpiteer, a kind of grandfather of modern evangelicalism. Even before his death in 1892 newspapers and church leaders disputed over the features of his life which entitled him to fame. Not his 'narrow creed' but his 'genuine loving character' was most worthy of remembrance said one periodical, echoing the general view. When Joseph Parker contrasted the hard Calvinism preached at Spurgeon's Tabernacle with the praiseworthy Christianity exemplified in his orphanage, The Baptist protested that the man about whom Parker wrote 'is not the Spurgeon of history'. But the distortion continued and Spurgeon forecast how the position he help might fare in years to come: 'I am quite willing to be eaten by dogs for the next fifty years but the more distant future shall vindicate me'. This book traces the main lines of Spurgeon's spiritual thought in connection with the three great controversies in his ministry.

How can we become good ministers of Christ Jesus? In 1 Timothy, Paul writes his protege Timothy, who is overseeing the church in Ephesus, to encourage him to complete the work God called him to (1 Tim 1:18-19). False teachers had infiltrated the congregation, church members were looking down on Timothy because of his youth, and Timothy was frequently sick with stomach ailments. There were many obstacles to discourage and make him want to quit.

Throughout the letter, Paul encourages Timothy to be faithful (1 Tim 4:14-16, 6:11-12), instructs him on how the church of the living God should be run (1 Tim 3:1-9), and on how to be a good minister of Christ Jesus (1 Tim 4:6). Although 1 Timothy is often called a pastoral epistle, it doesn't just speak to pastors. It speaks to all of us, because we're all called to ministry. It instructs us on issues like combatting false teaching (Ch. 1), prayer and fasting for a deeper insight into Gods Word. Loaded with charts, graphs, images, and fascinating facts, these Bible studies are easy enough that the new believer understands, but in-depth enough that the longtime churchgoer still comes away learning something new.

When do Christians pray? Do we only pray at our daily devotional times or when the Lord's prayer is recited at a public event or in a worship litany? Many of us are acquainted with emergency prayer when an accident or heart attack involves one of our close relatives. At such times we often do not trust our own relationship with God enough, so we anxiously await the arrival of a minister at the hospital bedside for real prayer to happen. Is Christian prayer only an activity we practice in such ways, or is it more than that? Richard Bowman, in this Bible study and devotional guide, shows clearly that Jesus and New Testament church leaders taught living prayer as a way of life. Each of the twenty-five chapters includes a biblical text, some reflections on the text, and an easily carried-out assignment that leads readers into deeper conversations with the Spirit of God abiding in each of Christ's disciples.

This volume—the work of a lifetime—brings together all the Joseph Smith Translation manuscript in a remarkable and useful way. Now, for the first time, readers can take a careful look at the complete text, along with photos of several actual manuscript pages. The book contains a typographic transcription of all the original manuscripts, unedited and preserved exactly as dictated by the Prophet Joseph and recorded by his scribes. In addition, this volume features essays on the background, doctrinal contributions, and editorial procedures involved in the Joseph Smith Translation, as well as the history of the manuscripts since Joseph Smith's day.

Most of us feel intimidated about our prayer life—we look at other Christians, and prayer seems to come naturally to them. But somehow we feel that we just don't “get it.” Author Mary Lou Redding reminds us that the disciples were with Jesus continually, and still they had to ask him for help in learning how to pray. That should reassure us, she says. Because the Lord's Prayer is so familiar, we run the risk of praying it by rote without really thinking about the meaning of the words. Redding explores this ancient prayer phrase by phrase and helps us see how it can be a model for all of our praying. This insightful, practical study of the Lord's Prayer features six brief chapters that can be read in 10 to 15 minutes brief daily scripture passages reflection questions for each chapter suggestions for weekly group meetings Rather than approaching scripture from a scholarly standpoint, Redding invites us to consider passages with our hearts. She encourages us to make connections between the scriptures and our daily lives. As an added benefit, Redding leads us through several classic Christian spiritual practices, such as examen, journaling, and reflective reading of scripture. This book is a great resource for a congregational study on the Lord's Prayer. It will help anyone enrich their faith and deepen their relationship with God. 6 weeks • Includes Leader's Guide.

Eight categories with 88 prayers enable readers to quickly reference the prayers of the prophets, the wisdom prayers, the prayers of Jesus, the apostolic prayers and more. The introductions to each section expand on each specific type of prayers and also include detailed instruction of how to pray that specific section. This is a prayer tool for both the novice prayer and the seasoned intercessor that provides discipline & focus.

A SPIRITUAL POWER BAR FOR WOMEN Does this sound like your not-so-daily, not-so-quiet devotional time: I wish I could spend time with God, but who has time? Between getting the kids out the door, working, and everything else that crowds my days, I'm hungry for God, but starving for time. I want practical, biblical answers to my problems but don't have hours to pore over Scripture. I need answers to the questions I'm afraid to ask out loud. Questions like: - God, this is hopeless. Why even bother to pray? - I can't believe she said that to me! Why shouldn't I respond the same way? - God, life is scary. How can I know you've got my back? - Deep down, I know I'm selfish, but if I don't look after myself, who will? - No one appreciates what I do. Why shouldn't I just quit?

Hungry for God . . . Starving for Time is a spiritual power bar packed with enough scriptural nutrition to get you through the day. Each devotional begins with a FaceTime question and ends with a biblical answer wrapped in a modern day parable. Whenever you can snatch five minutes of quiet reflection, Hungry for God . . . Starving for Time is the perfect devotional resource for the busy you.

A profound exploration of how to hold on to hope when our unchanging faith collides with a changing culture, from two respected Christian storytellers and thought leaders. “Offers neither spin control nor image maintenance for the evangelical tribe, but genuine hope.”—Russell Moore, president of ERLC As the pressures of health warnings, economic turmoil, and partisan politics continue to rise, the influence of gospel-focused Christians seems to be waning. In the public square and popular opinion, we are losing our voice right when it’s needed most for Christ’s glory and the common good. But there’s another story unfolding too—if you know where to look. In Gospelbound, Collin Hansen and Sarah Eekhoff Zylstra counter these growing fears with a robust message of resolute hope for anyone hungry for good news. Join them in exploring profound stories of Christians who are quietly changing the world in the name of Jesus—from the wild world of digital media to the stories of ancient saints and unsung contemporary activists on the frontiers of justice and mercy. Discover how, in these dark times, the light of Jesus shines even brighter. You haven’t heard the whole story. And that’s good news.

Joseph Smith's New Translation of the Bible

A collection of startlingly fresh and meaningful prayers, from Walter Bruggemann, a leading Christian thinker and scholar.

" This is the first book I will recommend to those who want to study what the Scriptures teach about the roles of men and women both in marriage and the church. . . . I was amazed at how much wisdom is packed into this short book. Everything in the book is helpful, but the practical application section alone is worth the price of the book. " —Thomas R. Schreiner, James Buchanan Harrison Professor of New Testament Interpretation, The Southern Baptist Theological Seminary A Biblical Primer on Men and Women in the Church There is much at stake in God making humanity male and female. Created for one another yet distinct from each other, a man and a woman are not interchangeable—they are designed to function according to a divine fittedness. But when this design is misunderstood, ignored, or abused, there are dire consequences. Men and women—in marriage especially, but in the rest of life as well—complement one another. And this biblical truth has enduring, cosmic significance. From start to finish, the biblical storyline—and the design of creation itself—depends upon the distinction between male and female. Men and Women in the Church is about the divinely designed complementarity of men and women as it applies to life in general and especially ministry in the church.
