

Viajes Fantásticos 2nd Edition

Books in Print Supplement Hispanic Journal Edexcel International GCSE Spanish Student Book Second Edition Hodder Education

Tu mundo immerses the Introductory Spanish classroom in a culturally rich world full of opportunities to discover and explore the powerful connections between language and culture. Instructors are provided user-friendly resources to guide students as they dive into intensive communicative practice, building confidence in their ability to interact in meaningful ways in Spanish. Importantly, instructors are also provided with the tools to build a sense of community in face to face, hybrid, and online classes, resulting in a unique personal experience that evolves organically and sparks a natural curiosity about their world. In the Tu mundo classroom, we: Embrace the language, not the rules: Tu mundo is designed to work well with a variety of communicative approaches. The goal is to provide an ideal environment where acquisition can take place, without fear of making mistakes. By jumping directly into communicative practice, students immerse themselves in the experience of active learning. This involves preparing at home using a variety of learning resources, prepping the necessary vocabulary and grammar in advance, and then coming to class ready to engage in conversation. Achieve consistent performance: Tu mundo offers a dynamic adaptive learning tool called LearnSmart that focuses students on the grammar and vocabulary they haven't yet mastered, filling the gaps to prepare them for in-class communication. As the system tracks their progress, instructors are provided a unique window into their progress through extensive built-in reporting. Instructors can leverage additional tools in Connect like Voicethread to ensure that students are getting ample practice time whether they are working in a face to face, hybrid, or online format. Create community and connections: Creating a sense of community in the face-to-face or virtual classroom is a huge part of language learning and something that Tu mundo does implicitly. Whether in a physical classroom or in Connect Spanish, students are provided with opportunities to engage in meaningful conversations and collaborative task-based activities. The Amigos sin fronteras, a cast of young Hispanic students who share common interests are featured throughout the entire program and showcased in the Amigos sin fronteras video segments. Through the amigos, students are exposed to a friendly model of how to apply what they're learning in order to interact with another friendly group of students: their own classmates. Furthermore, Tu mundo presents an interactive online environment that applies engaging content and task-based scenarios to enable students to practice their language skills in a fun, immersive, and motivating way. Find meaning through high-interest culture and comparisons: Culture is often left behind- so Tu mundo offers it throughout. Each chapter features a country of focus, which doubles as the home country of one of the fifteen amigos. In addition to the in-chapter cultural sections, every chapter of Tu mundo features a second video segment called Mi país, narrated by the amigos themselves as they share information about their native countries. This window into the lives of the amigos provides a point of comparison in which students

can interact with language and culture in a meaningful way.

Vintage Visions is a seminal collection of scholarly essays on early works of science fiction and its antecedents. From Cyrano de Bergerac in 1657 to Olaf Stapledon in 1937, this anthology focuses on an unusually broad range of authors and works in the genre as it emerged across the globe, including the United States, Russia, Europe, and Latin America. The book includes material that will be of interest to both scholars and fans, including an extensive bibliography of criticism on early science fiction—the first of its kind—and a chronological listing of 150 key early works. Before Dr. Strangelove, future-war fiction was hugely popular in nineteenth-century Great Britain. Before Terminator, a French author depicted Thomas Edison as the creator of the perfect female android. These works and others are featured in this critical anthology. Contributors include Paul K. Alkon, Andrea Bell, Josh Bernatchez, I. F. Clarke, William J. Fanning Jr., William B. Fischer, Allison de Fren, Susan Gubar, Rachel Haywood Ferreira, Kamila Kinyon, Stanislaw Lem, Patrick A. McCarthy, Sylvie Romanowski, Nicholas Ruddick, and Gary Westfahl.

Science-fiction Studies

Viajes de Gulliver (Spanish Edition)

Tu mundo immerses the Intro Spanish student in a culturally rich world full of opportunities to discover and explore the powerful connections between themselves and the people and cultures of

the Spanish-speaking world. Students dive in to intensive communicative practice, building confidence in their ability to interact in a meaningful way in Spanish with access to a wealth of tools to support and guide their progress, including video chat, interactive online scenarios, and an adaptive diagnostic program. In addition, students are able to create their own sense of community, resulting in a unique individual experience that will evolve organically with each student, sparking their natural curiosity about their world. Tu mundo employs a communicative methodology that focuses on developing all four skills, supported by the best digital learning platform available today: Connect Spanish. Because Tu mundo was designed with today's students in mind, students are more readily engaged with the content, thanks to their avid use of web-based tools, their innate interest the cultures of other countries, and their preference for visual presentations and quick access to information. Tu mundo reflects the world in which our students live; where online learning, social networking, texting, instant messaging, mobile devices, tablets, online gaming, and virtual scenarios are an integral part of daily life. What are the pillars of Tu mundo? Our extensive and ongoing research in the Intro Spanish course has led to the creation of Tu mundo, with a strong emphasis on the 5 C's: Communication, Culture, Connections, Comparisons, and Communities. Tu mundo delivers content in a variety of ways in order to ensure consistent course outcomes across all course formats.

- 1.Improved communication performance & skills: By jumping directly into communicative practice at the beginning of every chapter, students are encouraged to immerse themselves in the experience of active learning, whether in a face-to-face or online classroom. Grammar is presented at the end of each chapter, allowing students to study at home and work through the exercises in Connect Spanish for automatic feedback, coming to class ready to engage in discussion. This emphasis on communication in the classroom makes Tu mundo the most effective communicative program on the market. No other program commits to this methodology like Tu mundo.
- 2.Creating consistent learning outcomes: Tu mundo offers a powerful adaptive learning system called LearnSmart that allows students to identify grammatical structures and vocabulary words not yet mastered and to receive an individualized study program for mastering them. Students of all experience levels will benefit from using LearnSmart, which includes built-in reporting and a competitive scoreboard. Connect Spanish Voice Board and Blackboard Instant Messenger (BbIM), both powered by Wimba, ensure that students are getting ample practice time no matter where their classes take place.
- 3.

*Building community and connections between students: Creating a sense of community in the face-to-face or virtual classroom is a huge part of language learning and something that Tu mundo does implicitly. Whether students collaborate in a physical classroom or in Connect Spanish, they are provided with opportunities to engage in meaningful conversations and collaborative task-based activities. The Amigos sin fronteras, a cast of young Hispanic students that share common interests, are featured throughout the entire program and showcased in the Así somos video segments. Through the Amigos sin fronteras, students are exposed to a friendly model on how to apply what they are learning to another friendly group of students, i.e. their own class. In addition, Tu mundo presents an interactive online environment that applies engaging content and task-based scenarios that enable you to practicing your language skills in a fun, immersive way. Thus, students can practice Spanish in a context that is not only fun but extremely motivating. 4. More Culture and Comparisons coverage: Culture is so often left behind—so Tu mundo offers it throughout the program. Each chapter features a country of focus which doubles as the home country of one of the fifteen amigos. Along with in-chapter cultural sections, every chapter of Tu mundo features a second video segment called Mi país (within Connect), narrated by the amigos themselves, as they share information about their native countries. This window into the lives of the amigos provides a point of comparison for you to describe your own life. The Mundo interactivo scenarios represent a variety of cultural contexts in which you can interact with language and culture in a way that is meaningful to you. *Connect Spanish, including but not limited to the workbook/lab manual, LearnSmart, the video program, and chat tools, is sold separately and does not come automatically with the purchase of the textbook.*

How did it happen that whole regions of Latin America—Amazonia, Patagonia, the Caribbean—are named for monstrous races of women warriors, big-footed giants and cannibals? Through history, monsters inhabit human imaginings of discovery and creation, and also degeneration, chaos, and death. Latin America's most dynamic monsters can be traced to archetypes that are found in virtually all of the world's sacred traditions, but only in Latin America did Amazons, cannibals, zombies, and other monsters become enduring symbols of regional history, character, and identity. From Amazons to Zombies presents a comprehensive account of the qualities of monstrosity, the ways in which monsters function within and among cultures, and theories and genres of the monstrous. It describes the genesis and evolution of monsters in the construction and representation of Latin

America from the Ancient world and early modern Iberia to the present.

Based on the Natural Approach, *Dos mundos* stresses the use of engaging activities and interesting readings in a natural and spontaneous classroom atmosphere. In this comprehension-based approach to learning language, the development of communicative language skills is the central goal, with formal grammar presentation and grammar practice at the service of communication. The text is designed so that class time can be devoted to exposing students to Spanish through creative activities and readings, allowing grammar explanations and exercises to be studied outside the classroom.

Forthcoming Books

Though primarily known for his haunting, enigmatic novel *Pedro Páramo* and the unrelenting depictions of the failures of post-revolutionary Mexico in his short story collection, *El Llano en llamas*, Juan Rulfo also worked as scriptwriter on various collaborative film projects and his powerful interventions in the area of documentary photography ensure that he continues to inspire interest worldwide. Bringing together some of the most significant names in Rulfian scholarship, this anthology engages with the complexity and diversity of Rulfo's cultural production. The essays in the collection bring the Rulfian texts into dialogues with other cultural traditions and techniques including the Japanese Noh or "mask" plays and modernist experimentation in the Irish language. They also deploy diverse theoretical frameworks that range from Roland Barthes' work on *studium* and *punctum* in photography to Henri Lefebvre's ideas on space and spatiality and the postmodern insights of Jean Baudrillard on the nature of the simulacrum and the hyperreal. In this way, innovative approaches are brought to bear on the Rulfian texts as a way of illuminating the rich tensions and anxieties they evoke about Mexico, about history, about art and about the human condition.

The second title in the Storyteller's Series, Ládron de la mente is a surreal and supernatural story for high-beginning and low-intermediate students, written in simple Spanish for learners of Spanish. Written by respected author Elías Miguel Muñoz, this inviting and inexpensive paperback can be used as early as second semester, first-year Spanish. As the story unfolds, students soon learn what happens to a thief who steals something other than property. The essence of the story has not changed since the first edition, yet Ladrón de la mente now features material that is even more readable and thought provoking. Numerous subtle changes were made as well as some major ones. The Cuaderno de actividades (Workbook/Laboratory Manual) to accompany Tu mundo links culture to the main text and to students' lives. Both the Escribelo tú and the Conexión cultural sections are introduced in the Tu mundo main text and fully explored in the Cuaderno, thus offering exciting cultural content linked to the Spanish-speaking world. The Cuaderno addresses writing, listening comprehension, speaking, and reading practice: writing activities integrate and reinforce the content presented in the corresponding chapter of the main text; an interactive blog where the characters from Amigos sin Fronteras post comments on current events serves as a springboard for student and teacher written participation; and Enlace auditivo which includes two listening segments that include dialogues, ads, and announcements.

¡Buen viaje! Level 1 Student Edition

Books in Print

Prose, Photography, Film

PK LOOSELEAF TU MUNDO & WBLM

This book explores how modernity, the urban, and the sacred overlap in fundamental ways in contemporary Spain. Urban spaces have traditionally been seen as the original sites of modernity, history, progress, and a Weberian systematic disenchantment of the world, while the sacred has been linked to the natural, the rural, mythical past origins, and exemption from historical change. This collection problematizes such clear-cut distinctions as overlaps between the modern urban and the sacred in Spanish culture are explored throughout the volume. Placed in the periphery of Europe, Spain has had a complex relationship with the concept of modernity and commonly understood processes of modernization and secularization, thus offering a unique case-study of the interaction between the modern and the sacred in the city.

El capitan Lemuel Gulliver que es llevado por el mar a mundos fantasticos en donde: es un gigante entre enanos, un enano entre gigantes y un ser humano avergonzado de su condicion en una tierra poblada por caballos

sabios que son mas humanos que los propios hombres y desconfian, con razon, de estos. La obra se considera un clasico de la literatura universal y ha inspirado numerosas adaptaciones y versiones. El libro se volvio famoso tan pronto como fue publicado"

EVERYTHING YOU'VE EVER WANTED IN A SPANISH PROGRAM This

comprehensive program encourages meaningful, practical communication by immersing your students in the language and culture of the Spanish-speaking world. The text and its complementary resources help you meet the needs of every student in your diverse classroom and provide the color and captivating details you've always wanted to include in your presentation.

This Student Book provides a grammar-led approach with extensive exam preparation to develop independent, culturally aware students of German, ready for the exam. This book is endorsed by Cambridge International Examinations for the latest IGCSE® (0525) and International Level 1/Level 2 Certificate (0677) syllabuses. Extensive use of German reflects the style of the exams and, with specific advice and practice, it helps students use the acquired skills to their best ability. Topics on German-speaking cultures are integrated throughout to ensure students gain the cultural awareness that is at the heart of this qualification. -

Develop students' ability to use German effectively - Stretch and challenge students to achieve their best grades - Ensure the progression required for further study at A-level or equivalent - Provide insight and encourage a positive attitude towards other cultures The book provides up-to-date content following a clear sequencing of topics designed specifically for teaching German at this level. It is designed to develop spontaneous, confident linguists who are able to progress to further study of German. - Teacher Resource + Audio-CDs (ISBN 9781471833076) includes all recordings and transcripts together with detailed guidance, editable vocabulary lists, cultural PowerPoints and interactive quizzes - Grammar Workbook (ISBN 9781471833182) Vocabulary is also available online at Vocab Express, an interactive learning application Visit www.vocabexpress.co.uk/hodder for more information.
