Married . . . with Children premiered on Fox TV in 1987 and updated the Don Ameche and Frances Langford radio comedy series, *The Bickersons*, and Jackie Gleason's TV classic, *The Honeymooners*, with a raunchy, cutting-edge slant that focused on a lovable yet laughable family headed by endearingly flawed Al (Ed O'Neill), his housework-hating wife, sexy daughter, and randy son. For 11 seasons, the brilliant team of talent put the funk in dysfunctional. Rediscover the exhilarating humor and intellectual excitement in Denise Noe's first book. She delves behind-the-scenes with Michael Moyer, Ron Leavitt, Ed O'Neill, Katey Sagal, Christina Applegate, David Faustino, David Garrison, Amanda Bearse, E. E. Bell, and Ritch Shydrer. You'll be fascinated by the story of how two rogue writers created a deliberately off-the-wall program; how it almost got derailed before production began; how a controversy could have plucked the series off the air but ended up injecting a much needed shot in the arm; how a reality-based show occasionally—and

courageously—ventured into comedy with a fantasy, horror, and/or science fiction spin. Order your copy of the collectible First Edition today. Illustrated. Bibliography. Appendix featuring episode synopses.

The Newbery Award-winning author of *Up a Road Slowly* presents the unforgettable story of Jethro Creighton—a brave boy who comes of age during the turbulent years of the Civil War. In 1861, America is on the cusp of war, and young Jethro Creighton is just nine-years-old. His brother, Tom, and his cousin, Eb, are both of fighting age. As Jethro's family is pulled into the conflict between the North and the South, loyalties are divided, dreams are threatened, and their bonds are put to the test in this heart-wrenching, coming of age story. “Drawing from family records and from stories told by her grandfather, the author has, in an uncommonly fine narrative, created living characters and vividly reconstructed a crucial period of history.” –Booklist

Named One of Paste’s Best Novels of the Decade • Named One of the Ten Best Books of the Year by The Washington Post, USA Today, and Maureen Corrigan, NPR • One of Time’s Ten Best Novels of the Year • A New York Times Notable Book • One of O: The Oprah Magazine’s Best Books of the Year February 1862. The Civil War is less than one year old. The fighting has begun in earnest, and the nation has begun to realize it is in for a long, bloody struggle. Meanwhile, President Lincoln’s beloved eleven-year-old son, Willie, lies upstairs in the White House, gravely ill. In a matter of days, despite predictions of a recovery, Willie dies and is laid to rest in a Georgetown cemetery. “My poor boy, he was too good for this earth,” the president says at the time. “God has called him home.” Newspapers report that a grief-stricken Lincoln returns, alone, to the crypt several times to hold his boy’s body. From that seed of historical truth, George Saunders spins an unforgettable story of familial love and loss that breaks free of its realistic, historical

framework into a supernatural realm both hilarious and terrifying. Willie Lincoln finds himself in a strange purgatory where ghosts mingle, gripe, commiserate, quarrel, and enact bizarre acts of penance. Within this transitional state—called, in the Tibetan tradition, the bardo—a monumental struggle erupts over young Willie ' s soul. Lincoln in the Bardo is an astonishing feat of imagination and a bold step forward from one of the most important and influential writers of his generation. Formally daring, generous in spirit, deeply concerned with matters of the heart, it is a testament to fiction ' s ability to speak honestly and powerfully to the things that really matter to us. Saunders has invented a thrilling new form that deploys a kaleidoscopic, theatrical panorama of voices to ask a timeless, profound question: How do we live and love when we know that everything we love must end? “ A luminous feat of generosity and humanism. ” —Colson Whitehead, *The New York Times* Book Review “ A masterpiece. ” —Zadie Smith

Lincoln is the cornerstone of Gore Vidal's fictional American chronicle, which includes *Burr*, *1876*, *Washington, D.C.*, *Empire*, and *Hollywood*. It opens early on a frozen winter morning in 1861, when President-elect Abraham Lincoln slips into Washington, flanked by two bodyguards. The future president is in disguise, for there is talk of a plot to murder him. During the next four years there will be numerous plots to murder this man who has sworn to unite a disintegrating nation. Isolated in a ramshackle White House in the center of a proslavery city, Lincoln presides over a fragmenting government as Lee's armies beat at the

gates. In this profoundly moving novel, a work of epic proportions and intense human sympathy, Lincoln is observed by his loved ones and his rivals. The cast of characters is almost Dickensian: politicians, generals, White House aides, newspapermen, Northern and Southern conspirators, amiably evil bankers, and a wife slowly going mad. Vidal's portrait of the president is at once intimate and monumental, stark and complex, drawn with the wit, grace, and authority of one of the great historical novelists. With a new Introduction by the author.

As a little girl, Teresa Carre ñ o loved to let her hands dance across the beautiful keys of the piano. If she felt sad, music cheered her up, and when she was happy, the piano helped her share that joy. Soon she was writing her own songs and performing in grand cathedrals. Then a revolution in Venezuela forced her family to flee to the United States. Teresa felt lonely in this unfamiliar place, where few of the people she met spoke Spanish. Worst of all, there was fighting in her new home, too—the Civil War. Still, Teresa kept playing, and soon she grew famous as the talented Piano Girl who could play anything from a folk song to a sonata. So famous, in fact, that President Abraham Lincoln wanted her to play at the White House! Yet with the country torn apart by war, could Teresa ' s music bring comfort to those who needed it most?

In this daring reexamination of the connections between national politics and Hollywood movies, Lary May offers a fresh interpretation of American culture from the New Deal through the Cold War—one in which a populist, egalitarian ethos found itself eventually supplanted by a far different view of the nation. "One of the best books ever written about the movies." —Tom Ryan, *The Age* "The most exhilarating work of revisionist film history since Pauline Kael's *Citizen Kane*. . . . May's take on what movies once were (energizing, as opposed to enervating), and hence can become again, is enough to get you believing in them again as one of the regenerative forces America so sorely needs." —Jay Carr, *Boston Globe* "A startling, revisionist history of Hollywood's impact on politics and American culture. . . . A convincing and important addition to American cultural criticism." —*Publishers Weekly* "A controversial overview of 30 years of American film history; must reading for any serious student of the subject." —*Choice* "A provocative social history of Hollywood's influence in American life from the 1930s to the 1950s. May argues persuasively that movies in the period offered a good deal of tough criticism of economic and social conditions in U.S. society. . . . May challenges us to engage in some serious rethinking about Hollywood's impact on American society in the middle of the twentieth century." —Robert Brent Toplin, *American Historical Review*

Abraham Lincoln: Vampire Hunter

The power of words has rarely been given a more compelling demonstration than in the Gettysburg Address. Lincoln was asked to memorialize the gruesome battle. Instead, he gave the whole nation "a new birth of freedom" in the space of a mere 272 words. His entire life and previous training, and his deep political experience went into this, his revolutionary masterpiece. By examining both the address and Lincoln in their historical moment and cultural frame, Wills breathes new life into words we thought we knew, and reveals much about a president so mythologized but often misunderstood. Wills shows how Lincoln came to change the world and to effect an intellectual revolution, how his words had to and did complete the work of the guns, and how Lincoln wove a spell that has not yet been broken.

Monitor) Leadership, Doris Kearns Goodwin draws upon the four presidents she has studied most closely—Abraham Lincoln, Theodore Roosevelt, Franklin D. Roosevelt, and Lyndon B. Johnson (in civil rights)—to show how they recognized leadership qualities within themselves and were recognized as leaders by others. By looking back to their first entries into public life, we encounter them at a time when their paths were filled with confusion, fear, and hope. Leadership tells the story of how they all collided with dramatic reversals that disrupted their lives and threatened to shatter forever their ambitions. Nonetheless, they all emerged fitted to confront the contours and dilemmas of their times. At their best, all four were guided by a sense of moral purpose. At moments of great challenge, they were able to summon their talents to enlarge the opportunities and lives of others. Does the leader make the times or do the times make the leader? “ If ever our nation needed a short course on presidential leadership, it is now ” (The Seattle Times). This seminal work provides an accessible and essential road map for aspiring and established leaders in every field. In today ’ s polarized world, these stories of authentic leadership in times of apprehension and fracture take on a singular urgency. “ Goodwin ’ s volume deserves much praise—it is insightful, readable, compelling: Her book arrives just in time ” (The Boston Globe).

the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began-a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. Indiana, 1818. Moonlight falls through the dense woods that surround

a one-room cabin, where a nine-year-old Abraham Lincoln kneels at his suffering mother's bedside. She's been stricken with something the old-timers call "Milk Sickness." "My baby boy..." she whispers before dying. Only later will the grieving Abe learn that his mother's fatal affliction was actually the work of a vampire. When the truth becomes known to young Lincoln, he writes in his journal, "henceforth my life shall be one of rigorous study and devotion. I shall become a master of mind and body. And this mastery shall have but one purpose..." Gifted with his legendary height, strength, and skill with an ax, Abe sets out on a path of vengeance that will lead him all the way to the White House. While Abraham Lincoln is widely lauded for saving a Union and freeing millions of slaves, his valiant fight against the forces of the undead has remained in the shadows for hundreds of years. That is, until Seth Grahame-Smith stumbled upon The Secret Journal of Abraham Lincoln, and became the first living person to lay eyes on it in more than 140 years. Using the journal as his guide and writing in the grand biographical style of Doris Kearns Goodwin and David McCullough, Seth has reconstructed the true life story of our greatest president for the first time-all while revealing the hidden history

behind the Civil War and uncovering the role vampires played in the birth, growth, and near-death of our nation.

This book examines emancipation after the Emancipation Proclamation of 1863. Focusing on the making and meaning of the Thirteenth Amendment, *Final Freedom* looks at the struggle among legal thinkers, politicians, and ordinary Americans in the North and the border states to find a way to abolish slavery that would overcome the inadequacies of the Emancipation Proclamation. The book tells the dramatic story of the creation of a constitutional amendment and reveals an unprecedented transformation in American race relations, politics, and constitutional thought. Using a wide array of archival and published sources, Professor Vorenberg argues that the crucial consideration of emancipation occurred after, not before, the Emancipation Proclamation; that the debate over final freedom was shaped by a level of volatility in party politics underestimated by prior historians; and that the abolition of slavery by constitutional amendment represented a novel method of reform that transformed attitudes toward the Constitution.

Winner of the Lincoln Prize Acclaimed historian Doris Kearns Goodwin illuminates Abraham Lincoln's political genius in this highly original work, as the one-term congressman and prairie lawyer rises from obscurity to prevail over three gifted rivals of national reputation to become president. On May 18, 1860, William H. Seward, Salmon P. Chase, Edward Bates, and Abraham Lincoln waited in their hometowns for the results from the Republican National Convention in Chicago. When Lincoln emerged as the victor, his rivals were dismayed and angry. Throughout the turbulent 1850s, each had energetically sought the presidency as the conflict over slavery was leading inexorably to secession and civil war. That Lincoln succeeded, Goodwin demonstrates, was the result of a character that had been forged by experiences that raised him above his more privileged and accomplished rivals. He won because he possessed an extraordinary ability to put himself in the place of other men, to experience what they were feeling, to understand their motives and desires. It was this capacity that enabled Lincoln as president to bring his disgruntled opponents together, create the most unusual cabinet in history, and marshal their talents to the task of preserving the Union and winning the war. We view the long, horrifying struggle from the vantage of the White House as Lincoln copes with incompetent generals, hostile congressmen, and his raucous cabinet. He overcomes these obstacles by winning the respect of his former competitors, and in the case of Seward, finds a loyal and crucial friend to see him through. This brilliant multiple biography is centered on Lincoln's

mastery of men and how it shaped the most significant presidency in the nation's history.

On April 14, 1865, President Abraham Lincoln was assassinated while attending a play at Ford's Theatre. Historical accounts tell us the murder was committed by a crazed actor named John Wilkes Booth, and no one else. Now, after more than a century, startling new answers are uncovered.

From the author of the New York Times bestselling *Abraham Lincoln: Vampire Hunter*, comes *UNHOLY NIGHT*, the next evolution in dark historical revisionism. They're an iconic part of history's most celebrated birth. But what do we really know about the Three Kings of the Nativity, besides the fact that they followed a star to Bethlehem bearing strange gifts? The Bible has little to say about this enigmatic trio. But leave it to Seth Grahame-Smith, the brilliant and twisted mind behind *Abraham Lincoln: Vampire Hunter* and *Pride and Prejudice and Zombies* to take a little mystery, bend a little history, and weave an epic tale. In Grahame-Smith's telling, the so-called "Three Wise Men" are infamous thieves, led by the dark, murderous Balthazar. After a daring escape from Herod's prison, they stumble upon the famous manger and its newborn king. The last thing Balthazar needs is to be slowed down by young Joseph, Mary and their infant. But when Herod's men begin to slaughter the first born in Judea, he has no choice but to help them escape to Egypt. It's the beginning of an adventure that will see them fight the last magical creatures of the Old Testament; cross paths with biblical figures like Pontius Pilate and John the Baptist; and finally deliver them to Egypt.
