PRACTICAL, EASY TO USE. Flame Tree Notebooks come with practical features too: a pocket at the back for scraps and receipts; two ribbon markers to help keep track of more than just a to-do list and robust ivory text paper, printed with lines. THE ARTIST. Vincent van Gogh is considered one of the world's greatest painters, his work having had a huge and far-reaching influence on 20th-century art as well as remaining visually and emotionally powerful to this day. In a letter to his sister Wilhemina, van Gogh wrote: 'Often it seems to me night is even more richly coloured than day.' In this night painting, the sky is Prussian blue, ultramarine and cobalt, with sparkling yellow gaslights and stars. The spot depicted is in Arles, close to the Yellow House he famously rented. THE FINAL WORD. As William Morris said, Have nothing in your houses that you do not know to be useful, or believe to be beautiful.

A child's introduction to art history through the centuries and across the globe

From the earliest cave paintings through to the internet and street art, this inspiring book chronicles the 100 most influential ideas that have shaped the world of art.

Arranged in broadly chronological order, it provides a source of inspiration and a fascinating resource for the general reader to dip into. The book shows how developments in materials and technology have radically changed the way that art is produced. Each entry explores when an idea first evolved and how it has resurfaced in the work of different

artists up to the present day. Illustrated with historical masterpieces and packed with fascinating contemporary examples, this is an inspirational and wholly original guide to understanding the forces that have shaped world art. Vincent van Gogh was a restless soul. He spent his twenties searching for a vocation and once he had determined to become an artist, he remained a traveller, always seeking fresh places for the inspiration and opportunities he needed to create his work. Living with Vincent van Gogh tells the story of the great artist's life through the lens of the places where he lived and worked, including Amsterdam, London, Paris and Provence, and examines the impact of these cityscapes and landscapes on his creative output. Featuring artworks, unpublished archival documents and contemporary landscape photography, this book provides unique insight into one of the most important artists in history.

O Starry Starry Night

A Mischievous Adventure Through the Paintings of Vincent Van Gogh

A Biography of Place and Time

A puzzle, a work of art, and a collection of classic American songs, all in an innovative book by one of the world's foremost contemporary artists. Every page of this book is filled with secret code. It seems like Chinese calligraphy, but it's not. It seems like you can't read it, but you can. Once the pieces of the puzzle start falling into place, you will understand it all. And some of it may even strike you as strangely familiar . . . Twelve traditional American songs, such as "Take Me Out to the Ball Game" and "Yankee Doodle," as well as five classic songs from Chinese culture, are written here in artist Xu Bing's unique "square word calligraphy," which uses one-block words made of English letters. From a distance, these pieces are beautiful but unintelligible art. Up close, they are a mystery just waiting to be solved—like the fine art version of "Magic Eye." For readers ages 7 and up, Look! What Do You See? is perfect for long car rides or coded notes to friends. Incredibly intricate and visually engaging, this is a book that children and adults will return to again and again. The compelling story of how Vincent van Gogh developed his audacious, iconic style by immersing himself in the work of others, featuring hundreds of paintings by Van Gogh as well as the artists who inspired him—from the New York Times bestselling co-author of Van Gogh: The Life "Important . . . inspires us to look at Van Gogh and his art afresh."—Dr. Chris Stolwijk,

*general director, RKD–Netherlands Institute for Art History Vincent van Gogh's paintings look utterly unique—his vivid palette and boldly interpretive portraits are unmistakably his. Yet however revolutionary his style may have been, it was actually built on a strong foundation of paintings by other artists, both his contemporaries and those who came before him. Now, drawing on Van Gogh's own thoughtful and often profound comments about the painters he venerated, Steven Naifeh gives a gripping account of the artist's deep engagement with their work. We see Van Gogh's gradual discovery of the subjects he would make famous, from wheat fields to sunflowers. We watch him experimenting with the loose brushwork and bright colors used by Édouard Manet, studying the Pointillist dots used by Georges Seurat, and emulating the powerful depictions of the peasant farmers painted by Jean-François Millet, all vividly illustrated in nearly three hundred full-color images of works by Van Gogh and a variety of other major artists, including Claude Monet, Paul Gauguin, and Henri de Toulouse-Lautrec, positioned side by side. Thanks to the vast correspondence from Van Gogh to his beloved brother, Theo, Naifeh, a Pulitzer Prize winner, is able to reconstruct Van Gogh's artistic world from within. Observed in eloquent prose that is as compelling as it is authoritative, *Van Gogh and the Artists He Loved* enables us to share the artist's journey as he created his own daring, influential, and widely beloved body of work.*

*Co-published by Museum of Modern Art and the Van Gogh Museum in conjunction with the first exhibition to focus on Vincent van Gogh's depictions of nocturnal and twilight scenes, *Van Gogh and the Colors of the Night* examines the artist's night landscapes, interior scenes, and representations of the effects of both gaslight and natural light on their surroundings. It features over one hundred illustrations, including details of Van Gogh's iconic paintings and works by other artist important to the development of his style.*

*"This volume presents an in-depth look at Vincent van Gogh's painting *The Starry Night*, one of the most beloved works in the collection of The Museum of Modern Art. An essay by Richard Thomson, Watson Gordon Professor of Fine Art at the University of Edinburgh, and full-color reproductions - including sumptuous details that offer close observation of the artist's singular technique - allow for a deeper understanding of this iconic work."--BOOK JACKET.*

Starry Night is a fully illustrated account of Van Gogh's time at the asylum in Saint-Remy. Despite the challenges of ill health and asylum life, Van Gogh continued to produce a series of masterpieces □ cypresses, wheatfields, olive groves and sunsets. He wrote very little about the asylum in letters to his brother Theo, so this book sets out to give an impression of daily life behind the walls of the asylum of Saint-Paul-de-Mausole and looks at Van Gogh through fresh eyes, with newly discovered material.

St Ives is unique in British art history. Between the Second World War and the 1970s, many progressive artists chose to work and often settle around this small port in the far west of Cornwall. Drawing on fresh research, Michael Bird has created a fascinating and highly readable account of St Ives and its artists.

Presents information about the life and art of the painter Vincent van Gogh in the form of a boy's school report.

Vincent van Gogh once said, 'The sight of the stars makes me dream.' In 'Starry Night Dreamer,' let the sight of van Gogh's painted stars make you dream too. In every book from Wild Goose Books and Prints, we combine art and

storytelling with wonder and beauty. Walk with Vincent as he pushed through thoughts of failure to become one of the most beloved artists of all time. ... You paint below the moon and sky, And look as if you're about to cry ... Deep inside your heart is aching, For no one wants to see your paintings ... If you keep painting they will see Your bright lit stars and painted dreams ... For just before the sun would rise, You'll paint for me the starry nights ... And show me how it's magical With with blazing lights and vibrant glow Written in rhyme, you will find the inspiration of Vincent van Gogh to 'let the sight of painted stars make you dream too. Recent Customer Reviews:

"This beautifully illustrated book teaches the value of never giving up on your passions. The original paintings of Van Gogh are used to tell his journey. This is a great storybook for all!" ~ Laurel, India "Wonderful book to your kids! My little ones especially loved looking at the colorful paintings & the poetry styled writing. The message is very uplifting, especially for me as an artist. Great buy!" ~ Hannah, USA

Two masterful artists—Gauguin and van Gogh—come alive in a vibrant drama about friendship, art, and madness Two painters—Paul Gauguin and Vincent van Gogh—are living together in the sleepy town of Arles in 1888. Soon, Gauguin, frustrated by van Gogh's refusal to acknowledge his increasingly troubled mind, will depart for Paris. In two years, van Gogh will be dead by his own hand. In the meantime, the friends discuss their craft; they frequent a local café that van Gogh will soon immortalize; they become acquainted with a young prostitute, Lotte, who becomes

Gauguin's lover; they argue; they paint. In Derek Walcott's new historical play, *O Starry Starry Night*, two world-renowned artists come to life as they wrestle both with grand themes—friendship, loyalty, fame—and with more mundane concerns, money primary among them. The scenes Walcott sketches summon several of van Gogh's most famous paintings: *Sunflowers*, *The Night Café*, *The Bedroom at Arles*. His manipulation of language—van Gogh's eloquent monologues giving way to more abstract speeches—evokes the painter's descent into madness. Over the action hangs the threat of violence, of death, which lends the play a potent urgency; for at least one of the characters, time is quickly running out. *O Starry Starry Night* is powerfully wrought, and demonstrates once again the sharpness of Walcott's eye: as a painter, as a poet, as a writer, and, above all, as an observer of human follies, foibles, failings, and aspirations.

Van Gogh's bold and powerful style is as visually stunning now as it was when this intriguing artist first created his popular masterpieces. Now you can recreate the majesty of Post-Impressionism, using your own pens and ink. When you've finished, you can frame them and send them as gifts, or retain them as a gentle reminder of your own expertise." This biography of Vincent van Gogh's sisters tells the fascinating story of the lives of these women whose history has largely been neglected. Many people are familiar with the life and art of Vincent van Gogh, and his extensive correspondence with his brother Theo. But their sisters—Ana, Lies, and Wil van Gogh—have gone overlooked until now. In this compelling group biography based on extensive primary resources, art historian Willem-Jan Verlinden brings Vincent's three sisters into the spotlight. At a time when the feminist movement was beginning to take root and idealists were clamoring for revolution, the Van Gogh sisters recorded their aspirations and dreams, their disappointments and grief. Based on little-known correspondence between the sisters, this fascinating account of these remarkable women captures a moment of profound social, economic, and artistic change. With great clarity and empathy, *The Van Gogh Sisters* relates the sisters' intimate discussions of art, poetry, books, personal ambitions, and employment. Their story will resonate with readers and broaden understandings of Vincent

van Gogh's childhood. Set against the backdrop of a turbulent period in nineteenth-century history this story sheds new light on these impressive women, deepening our understanding of this unique and often troubled family.

As William Morris said, Have nothing in your houses that you do not know to be useful, or believe to be beautiful.

Vincent is ready to paint his house—but what color should it be? He starts painting it white, but the spider says it's his house, and he likes red. The caterpillar says it's his house and he likes yellow. The beetle likes purple, and the bird likes blue. Each color introduces a new variety of vibrant shades, filling Vincent's palette with too many options. But, creative genius that he is, Vincent finds a way to make everyone happy! Blending his signature cartoonish style with the textures and color choices of a certain post-impressionist Vincent, Tedd Arnold has created a simple story about friendship and compromise which is also a quiet, charming introduction to one of the most famous painters of history. (Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part, as well as in the vocal line.
