The General Aptitude and Abilities Series provides functional, intensive test practice and drill in the basic skills and areas common to many civil service, general aptitude or achievement examinations necessary for entrance into schools or occupations. The Civil Service Vocabulary Passbook(R) prepares you by sharpening your skills and abilities on this part of your upcoming exam. It provides hundreds of questions and answers in multiple-choice and true-false format that include but are not limited to: word meaning and usage; understanding vocabulary in context of a written phrase or passage; synonyms and antonyms; and more.

When high school students prepare an ACT exam, so many tasks are on their list. Review and enhance ACT vocabulary is usually the hardest one. The vocabulary flash cards will help you master ACT words efficiently. As we know, ACT consists of multiple sections; three of them are actually to test English skills. Words are the essential elements of any language. If you want to succeed in ACT, you have to build a strong ACT vocabulary seriously. You may see an ACT vocabulary list somewhere, but official ACT vocabulary doesn't exist. ACT words list is only a concept to refer a vocabulary related to ACT exam, it encloses words that probably occur or once occurred on ACT papers; its contents vary on different scenarios: the test takers' level and pursuit. This ACT words list matches the average 12th-grade students and concentrates on the requirement of its reading section.
