

Walgreens Paper Tape

Emigrating with her mother from Hong Kong to Brooklyn, Kimberly Chang begins a secret double life as an exceptional schoolgirl during the day and sweatshop worker at night, an existence also marked by a first crush and the pressure to save her family from poverty. A first novel. (General fiction).

NEW YORK TIMES BESTSELLER - Being a Lazy Genius isn't about doing more or doing less. It's about doing what matters to you. "I could not be more excited about this book."—Jenna Fischer, actor and cohost of the *Office Ladies* podcast
The chorus of “shoulds” is loud. You should enjoy the moment, dream big, have it all, get up before the sun, track your water consumption, go on date nights, and be the best. Or maybe you should ignore what people think, live on dry shampoo, be a negligent PTA mom, have a dirty house, and claim your hot mess like a badge of honor. It’s so easy to feel overwhelmed by the mixed messages of what it means to live well. Kendra Adachi, the creator of the *Lazy Genius* movement, invites you to live well by your own definition and equips you to be a genius about what matters and lazy about what doesn’t. **Everything from your morning routine to napping without guilt falls into place with Kendra’s thirteen Lazy Genius principles, including: - Decide once - Start small - Ask the Magic Question - Go in the right order - Schedule rest Discover a better way to approach your relationships, work, and piles of mail. Be who you are without the complication of everyone else’s “shoulds.” Do what matters, skip the rest, and be a person again.**

Get inspired to craft your world with these stylish and imaginative duct tape creations. Celebrity crafter Marisa Pawelko shows how to cut, rip, layer and fold colorful duct tape to concoct fantastic fashions, school supplies and room decor. With step-by-step instructions and how-to pictures, Marisa reveals the 9 skills every taster needs to know, along with 24 of her best DIY duct tape projects.

Like Fela Kuti and Bob Marley, singer, composer, and bandleader Thomas Mapfumo and his music came to represent his native country’s anticolonial struggle and cultural identity. Mapfumo was born in 1945 in what was then the British colony of Rhodesia (now Zimbabwe). The trajectory of his career—from early performances of rock ‘n’ roll tunes to later creating a new genre based on traditional Zimbabwean music, including the sacred mbira, and African and Western pop—is a metaphor for Zimbabwe’s evolution from colony to independent nation. Lion Songs is an authoritative biography of Mapfumo that narrates the life and career of this creative, complex, and iconic figure. Banning Eyre ties the arc of Mapfumo’s career to the history of Zimbabwe. The genre Mapfumo created in the 1970s called chimurenga, or “struggle” music, challenged the Rhodesian government—which banned his music and jailed him—and became important to Zimbabwe achieving independence in 1980. In the 1980s and 1990s Mapfumo’s international profile grew along with his opposition to Robert Mugabe’s dictatorship. Mugabe had been a hero of the revolution, but Mapfumo’s criticism of his regime led authorities and loyalists to turn on the singer with threats and intimidation. Beginning in 2000, Mapfumo and key band and family members left Zimbabwe. Many of them, including Mapfumo, now reside in Eugene, Oregon. A labor of love, Lion Songs is the product of a twenty-five-year friendship and professional relationship between Eyre and Mapfumo that demonstrates Mapfumo’s musical and political importance to his nation, its freedom struggle, and its culture.

The Power of Doing More with Less

Rigged

A revised edition of a best-selling work on America’s consumer culture makes observations about the retail practices of other cultures, describes the latest trends in online retail, and makes recommendations for how major companies can dramatically improve customer service practices. Original.

Once you start poppin’, there’s just no stoppin! Raised buttons pop in on every page of these fun, tactile books so kids can press them as they read along, and learn to count. In this newest addition, kids can pop the buttons as they count down and say goodnight to all the different animals. It’s so much more fun than counting sheep!

What happens when having it all proves too much to handle? In this “fresh, funny take on the age-old struggle to have it all” (People) a wife and mother of three leaps at the chance to fulfill her professional destiny—only to learn every opportunity comes at a price. “A winning, heartfelt debut” (Good Housekeeping), A Window Opens introduces Alice Pearce, a compulsively honest, loving-to-have-it-all, sandwich generation heroine for our social-media-obsessed, lean in (or opt out) age. Like her fictional forebears Kate Reddy and Bridget Jones, Alice plays many roles (which she never refers to as “wearing many hats” and wishes you wouldn’t, either). She is a (mostly) happily married mother of three, an attentive daughter an ambivalent dog-owner, a part-time editor, a loyal neighbor and a Zen commuter. She is not: a cook, a craftswoman, a decorator, an active PTA member, a natural caretaker, or the breadwinner. But when her husband makes a radical career change, Alice is ready to lean in—and she knows exactly how lucky she is to land a job at Scroll, a hip young start-up which promises to be the future of reading. The Holy Grail of working mothers?an intellectually satisfying job and a happy personal life?seems suddenly within reach. Despite the disapproval of her best friend, who owns the local bookstore, Alice is proud of her new “balancing act” (which is more like a three-ring circus) until her dad gets sick, her marriage flounders, her babysitter gets fed up, her kids start to grow up, and her work takes an unexpected turn. In the midst of her second coming of age, Alice realizes the question is not whether it’s possible to have it all but, what does she really want the most? “Smart and entertaining...with refreshing straight-forwardness and humor” (The Washington Post), “fans of I Don’t Know She Does It and Where’d You Go, Bernadette will adore A Window Opens” (Booklist, starred review).

MARKETING STRATEGY, 6e, International Edition edition emphasizes teaching students to think and act like marketers. It presents strategy from a perspective that guides strategic marketing management in the social, economic, and technological arenas in which businesses function today--helping students develop a customer-oriented market strategy and market plan. Its practical approach to analyzing, planning, and implementing marketing strategies is based on the creative process involved in applying marketing concepts to the development and implementation of marketing strategy. An emphasis on critical thinking enables students to understand the essence of how marketing decisions fit together to create a coherent strategy. Well-grounded in developing and executing a marketing plan, the text offers a complete planning framework, thorough marketing plan worksheets, and a comprehensive marketing plan example for students to follow.

The Hidden History of the Billionaires Behind the Rise of the Radical Right

One of the most anticipated books of 2017, Boston Globe, New York Times Book Review, New York’s “Vulture”, The Week, Bustle, BookRiot An NPR Best Book of 2017An AV Club Favorite Book of 2017A Barnes & Noble Best Book of 2017A Goodreads Choice Awards nominee David Sedaris tells all in a book that is, literally, a lifetime in the making. For forty years, David records everything that captures his attention-overheard comments, salacious gossip, soap opera plot twists, secrets confided by total strangers. These observations are the source code for his finest work, and through them he has honed his cunning, surprising sentences. Now, Sedaris shares his private writings with the world. Theft by Finding, the first of two volumes with a weakness for the International House of Pancakes and a chronic inability to hold down a real job became one of the funniest people on the planet. Written with a sharp eye and ear for the bizarre, the beautiful, and the uncomfortable, and with a generosity of spirit that even a misanthropic sense of humor can’t fully disguise, Theft By Finding proves that Sedaris is a potent reminder that when you’re as perceptive and curious as Sedaris, there’s no such thing as a boring day.

NOTE: NO FURTHER DISCOUNT FOR THIS PRINT PRODUCT -- OVERSTOCK SALE -- Significantly reduced list price This Surgeon General’s Report details the causes and the consequences of tobacco use among youth and young adults by focusing on the social, environmental, advertising, and marketing influences that encourage youth and young adults to initiate and sustain tobacco use on young adults as a discrete population have been explored in detail. The report also highlights successful strategies to prevent young people from using tobacco. This three volume set includes the following items: A booklet containing highlights from the 2012 Surgeon General’s report on tobacco use among youth and teens ages 12 through 17 provides an overview of tobacco use within this targeted age group. The second booklet is an Executive Summary with two messages. One message from fro Kathleen Sebelius, Secretary of Health and Human Services and a second message from Howard Koh, Assistant Secretary of Health and contains a brief introduction to the set and summary and conclusions for fine print. The third volume contains 100 pages of documentation, interwoven with text and data addressing the adverse health consequences of tobacco use by children and young adults. It includes research on a variety of topics, including nicotine addiction, trends in cigarette smoking among young adults, trends in smokeless tobacco use and cigar smoking over time, gender and media influence on smoking to this age group to name a few. This third volume is rich with table data research findings to support the Surgeon General’s concerns with America’s use and tobacco. FROM THE AUTHOR OF THE #1 NATIONAL BESTSELLER JUSTICE ON TRIAL Slammed by the turbulence of the 2020 election, millions of Americans are asking the forbidden question: *what really happened?* It was a devastating triple punch. Capping their four-year campaign to destroy the Trump presidency, the media portrayed a Democratic victory as necessary and inevitable. Big Tech, wielding unprecedented powers, vaporized dissent and erased damning reports about the Biden family’s corruption. And Democratic operatives, exploiting a public health crisis, shamelessly manipulated the voting process itself. Silenced and subjected, the American people lost their faith in the system. RIGGED is the definitive account of the 2020 election. Based on Mollie Hemingway’s exclusive interviews with campaign officials, reporters, Supreme Court justices, and President Trump himself, it exposes the fraud and cynicism behind the Democrats’ historic power-grab. Rewriting history is especially for the *razed/161*, now in control of America’s political and cultural heights. But they will have to contend with the determination, insight, and eloquence of Mollie Hemingway. RIGGED is a reminder for weary patriots that truth is still the most powerful weapon. The stakes for our democracy have never been higher.

A collection of short stories told by a father and his daughter. It shares the immense joys and devastating heartache experienced during divorce, single parenting, and running a family business. Their adventures together create a memoir that inspires hope through determination and forgiveness.

NATIONAL BESTSELLER • The gripping story of Elizabeth Holmes and Theranos—one of the biggest corporate frauds in history—a tale of ambition and hubris set amid the bold promises of Silicon Valley, rigorously reported by the prize-winning journalist. With a new Afterword. “Chilling ... Reads like a thriller ... Carreyrou tells [the Theranos story] virtually to perfection.” —The New York Times Book Review In 2014, Theranos founder and CEO Elizabeth Holmes was widely seen as the next Steve Jobs: a brilliant Stanford dropout whose startup “unicorn” promised to revolutionize the medical industry with its breakthrough device, which performed the whole range of laboratory tests from a single drop of blood. Backed by investors such as Larry Ellison and Tim Draper, Theranos sold shares in a fundraising round that valued the company at more than \$9 billion, putting Holmes’s worth at an estimated \$4.5 billion. There was just one problem: The technology didn’t work. Erroneous results put patients in danger, leading to misdiagnoses and unnecessary treatments. All the while, Holmes and her partner, Sunny Balwani, worked to silence anyone who voiced misgivings—from journalists to their own employees.

Entering the crazy world of couponing can literally change your life and your lifestyle! You'll start making ends meet, pay off your debt, create a financial cushion, and feel freer and happier than you've felt in years, maybe decades. That's living rich with coupons! Portraits from the Woods is a pictorial record in multiple takes of a singular journey through Norman Reedus' experience of darkness and light. It will become clear early in this wholly fresh body of work that these photographic images are as likely to propose questions as provide answers. This book is a collection of raw, grainy, offkey photos that Norman has regurgitated for our bemusement and twisted pleasure.Norman Reedus is a master of the unlikely the eccentric, the uncooked. He loves to indulge his eye in all manner of improbable and fractured camera moments. Portraits from the Woods takes the viewer on some very strange trips into a subterranean world where there is no judgment. What you get is raw, unaplicated Norman behind his natural and delightful charm. This book can't help to push your envelope.

This Big Kindergarten Workbook combines popular 32-page School Zone workbooks into one convenient 320-page volume. Child-friendly exercises and full-color illustrations make learning fun. Use Big Workbooks to reinforce or review grade-level skills or prepare for the upcoming school year. Contents include: Numbers 1-12, Alphabet, Hidden Pictures, Thinking Skills, Transition Math, Reading Readiness Book 1, and more.

What is Wealth? What is Enough? The path to success and the full glory of wealth is doing more with less! In this book, Piasecki urgently calls for a new era of restraint, public mindedness, and social purpose in capitalism. This homage to historical financial leaders allows an understanding between self-determination and self-actualization in a time of capital constraints. This book helps you understand which attributes lead to the accumulation of wealth and using that wealth responsibly. Piasecki breaks open the differences between self-determination and self-actualization in a time of capital constraints. Inspired by the wisdom of Ben Franklin—and his competitive insights into frugality, Bruce Piasecki incorporates his knowledge of corporate governance, energy, product, and environmental strategy.

Tear-perfect Maker Tape

106 killer recipes, 16 creative party themes, and 250 gorgeous photos--plus playlists and easy planning tips--make LIFE IS A PARTY the indispensable cookbook and guide for home cooks. Chef, actor, and entertaining authority David Burtko knows that every day can be a party. Over a lifetime of throwing epic gatherings, the Cordon Bleu-trained Burtko has perfected the formula for creating easy and perfect get-togethers at home. Now, in the pages of his debut cookbook, he's sharing all of his secrets and an intimate look into the lives of one of Hollywood's favorite families. Everything you need to throw a memorable party, or to make a delicious weeknight meal, can be found right here. Whether your event and budget are modest or you're going all-out, and whether the guest list is an intimate crew or it's a blowout bash, David's sixteen party themes—from cozy game nights at home to elegant New Year's fêtes—are built around double, show-stopping menus that take the guesswork out of high-impact hosting. Complete with endless and fun ways to mix-and-match dishes, create stunning decor, prep ahead, and get guests involved, David helps you put all the elements in place to make every party a success without ever losing your cool. At the heart of the book are David's amazing recipes, including delicious twists on comfort classics like Corn Cakes with Bacon Jam, Green Chile Chicken Enchiladas, and Neapolitan Ice Cream Sandwich Cake. And you don't need to wait for a party to try recipes like Ham, Egg, and Cheese Calzones; Mint Pesto Pasta; and Thyme and Gruyère Popovers.

Never one to miss the opportunity to toast friends and family, David also shows you how to make delicious cocktails for a crowd: think Mojito Slushies, Charred Peach and Plum Sangria, and Cucumber-Lime Spritzers. So raise a glass and get cooking! Because there's no better time than now to make your life a party.

Dr. Lucy Miller is the Chief Medical Examiner for New York City. She sees many murders go unsolved and her need to find the persons responsible for the crimes leads her to develop a serum. A serum that will allow the dead to tell her their story. This highly unethical practice comes crashing down around her as the FBI and CDC become involved. The ripple effect of the serum continues to stack up leaving the world forever changed.

Preventing Retail Theft

Rev. ed. of: Acute and chronic wounds / [edited by] Ruth A. Bryant, Denise P. Nix. 3rd ed. c2007.

Named one of the best books of the year by NPR, Fortune, Bloomberg, Sunday Times A New York Times Book Review Editor ’s Choice “If you want to understand modern-day Silicon Valley, you need to read this book.” —John Carreyrou, New York Times best-selling author of Bad Blood Hailed as the definitive book on Uber and Silicon Valley, Super Pumped is an epic story of ambition and deception, obscene wealth, and bad behavior that explores how blistering technological and financial innovation culminated in one of the most catastrophic twelve-month periods in American corporate history. Backed by billions in venture capital dollars and led by a brash and ambitious founder, Uber promised to revolutionize the way we move people and goods through the world. What followed would become a corporate cautionary tale about the perils of startup culture and a vivid example of how blind worship of startup founders can go wildly wrong.

Once you start poppin’, there’s just no stoppin! Raised buttons pop in on every page of these fun, tactile books so kids can press them as they read along, and learn to count. In this newest addition, kids can pop the buttons as they sing the alphabet and search for all the different eye-spoo elements of this hunt-and-find animal alphabet adventure! This adaptation of the popular rhyme, “A My Name is Alice,” teaches the alphabet in a whole new way!
