God wants His children to walk in the freedom purchased for them by Christ at Calvary. Every person has been given the responsibility to make right choices in life—we must choose truth, reject lies and forgive those who hurt us—but God has not left us as orphans to fend for ourselves! The Holy Spirit gives us the power to walk in the freedom that is already ours in Christ. Following these 21 days of select readings will increase the liberating work that God has begun in you through the Steps to Freedom in Christ. Each daily devotional provides three truths—the truth about God, the truth about you and the truth about freedom—as well as recommended Scripture readings that affirm each of the three. As readers begin to hide these truths in their hearts, they will learn how to stand firm in their freedom and build a strong and holy shield against the enemy's attacks.

One of the more neglected theological topics over the past 500 years of church history is a practical theology of the Holy Spirit; how the Holy Spirit works in your life as a believer every single second of every single minute of every single day in the grace of Christ Jesus. There are some very good systematic theology books that deal in their respective chapters with the Holy Spirit as they cover the doctrine of God, and there are even some very well written single volumes on the Spirit compiled in a systematic fashion by divines looking to give us a “ theological overview of the Spirit. ” But there are relatively no books on the Holy Spirit that take a biblical and

historic-confessional approach and marry that with a theology of victoriously walking in the Spirit, as it relates to the abundant life that Jesus Christ has promised to his church. Jesus did not come merely to give life, but to give believers abundant life in the Spirit! Is this what you experience in your daily walk? Every Christian desires spiritual victory in Christ, and to walk victoriously in the Spirit as outlined by Scripture, but how would you explain that daily reliance, and how would you as a believer experience the fullness of the Spirit in your own course of life? Well, that is what this little volume is about. It is to arm you with the necessary biblical ideas surrounding a victorious and abundant life of walking in the Spirit day by day in order to please King Jesus, and experience true happiness as Christ promises. It covers what abundant life is, who the Spirit is in Scripture as it relates to his work in a believer, what it means to be baptized in the Spirit, indwelt by the Spirit, anointed by the Spirit, illuminated by the Spirit, filled by the Spirit, empowered by the Spirit, and led by the Spirit. It also covers what it means to pray in the Spirit, how to exemplify the fruit of the Spirit, how to exercise your gifts in the Spirit, and how to walk in the Spirit victoriously. It concludes with a chapter on rejoicing in Christ in the Spirit, which ought to be a culmination of this abundant life for you as a born-again believer. Christians should be walking in abundance in Christ right now through the work of the Spirit. Are you?

Ten years ago a breakthrough book launched a ministry that has helped more than one million people overcome this world and win the battle for their hearts and minds. Now Neil Anderson has revised and expanded Victory over the Darkness for a new generation of readers, outlining practical and more productive ways to Christian growth based on Christ's promise, You will know the truth, and the truth will make you free. Victory Over the Darkness emphasizes the importance of believing and internalizing the cardinal truths of Scripture as a base from which to renew the mind and fend off the attempts of Satan to convince us that we are less than Christ empowers us to be. There has to be intimacy before intercession. Jesus calls us to develop an intimate relationship with Him and the Father by becoming frequent visitors before the throne. We must then ask ourselves the

question, Are you known at the throne? The lesson in this book is very clear; we are not magicians before the throne, magically calling things into existence or naming it and claiming it by using the mighty name of Jesus. The spiritual war we should wage starts with believing God; this produces a spiritual connection when you engage the enemy through intercession. I call this coming into agreement with heaven and at this point Jesus Himself reaffirms with His Word.

*Though Satan has no right to rule in a believer's life, he can subtly build a stronghold-brick by brick, layer by layer-until he is a dominating force in your life. Mark Bubeck asserts that spiritual warfare requires careful preparation, biblical obedience, and persistent prayer. The Adversary prowls, but he's already been beaten. This book is an essential follow-up to the bestselling *The Adversary*, in which Bubeck helps Christians grasp prayer practices that enable a victorious walk. Building on the practical instruction of *The Adversary*, this book shares examples of demonic activity and carries you through the perils and challenges of spiritual warfare. The author focuses on four weapons needed to wage the battle against the enemy.*

AN INSIGHT TO THE SUPPER-NATURAL THE SYSTEMATIC CREATION OF THE EARTH as outlined in Genesis Chapter one, seem to suggest to us all that the super-Natural (which is the invisible world rules this Natural (physical world). 1st Corinthians chapter 15 verse 40 says, "There are also celestial bodies, and bodies terrestrial: but the glory of the celestial is one, and the glory of the terrestrial another". By the above scriptures , we understand that there are two worlds! The "...CELESTIAL..." and the "TERRESTIAL.." When you read Apostle Paul's word to the Galatians in Chapter 5 verse 16 he said, if you "...walk in the Spirit...", (which is "THE SUPER-NATURAL") "...you shall not fulfill the lust of the flesh" (which is the NATURAL or PHYSICAL). That means, the Spirit world or celestial controls or rules the physical or terrestrial world. This book, VICTORY THROUGH THE SUPER-NATURAL by the best-selling author Venture O. Omor Snr. PhD., provides you practical principles with which you will continue to experience victory in your life by "walking with God in the realm of the Super Natural".

Are you fighting a Goliath? Do you have uncertainty in the areas of health, finances or relationships? Have you prayed, waited a long time for your miracle and not seen the manifestation? This book outlines biblical verses for a Christian believer to stand on and see the promises of God come true in their life. Karen takes the reader through ten practices for walking in victory in the midst of a spiritual battle. Faith forged in the fires of unbelief, struggle and spiritual warfare will ultimately be stronger than that given by immediate answers. This book is for people who have been broken open and have reached the end of what they can

do in their own strength. Even believers have to struggle through unbelief and that is part of the process. In the bible, God promises: "My grace is sufficient for you, for My strength is made perfect in weakness" (2 Corinthians 12:9 NKJV). God wants believers to be rooted in Jesus Christ alone as their strength and their rock. God has provided through Grace what he wants believers to receive by faith. In the included worksheets, the reader is taken through a coaching process of discovering what it means to "walk by faith." Stand firm and be confident and you will see the salvation of the Lord.

The Spirit of Victory is a sports devotional that brings together the passions of three authors for one purpose: to share the love of Jesus and the Word of God in a deeper, relevant way with athletes and sports fans. Each author dives deep into the Word using sport and the Olympics as the vehicle to point to Jesus and the transforming power of the Gospel. Whether you are a sports lover interested in who Jesus is, or, a Christian exploring how God works in His world. This devotional aims to help in two ways. Deeper knowledge of God, using the Olympics Firstly, the Bible passages unpacked in this devotional help strengthen our relationship with God. Each devotional unpacks a Bible verse that reveals a God with whom we wrestle. A God that encourages us to keep walking forward in our faith and a God of grace. The primary way God reveals Himself is through the Bible. The Bible is 'God breathed' and we want to be faithful to the Biblical text. It is this text that has the power to work hand-in-glove with the Spirit to change lives. As a result, Jeremy Dover has partnered with two other Pastors to produce a devotional that aims to unpack the message of Jesus, using sport as the

vehicle: The Spirit of Victory. Deeper faith using the Olympics God is interested in every aspect of life, including sport. The Bible has many examples of sport that help us develop a richer relationship with God. The Games allow us to do what the Bible does often: to transpose the temporary challenges we see in sport and our lives to a spiritual level. For example. When we watch Olympic boxing we are to see beyond the physical. To a different kind of fight: the spiritual battles won by Jesus. This book brings together three authors who love Jesus, who have studied and written about the Bible over many years, who have served in ministry, including within sport. Church of Christ Pastors, Travis Barnes and Peter Nelson have contributed chapters to the project, along with Jeremy Dover. Jeremy Dover is a former sports scientist, Pastor and is a contributor to Christian Today Australia as a sports writer. Barnes has been a Pastor in Central Victoria and regular sports journalist and writer for Christian Today, Australia. Nelson was Pastor in several Canberra Churches. Nelson was also chaplain at the Australian Institute of Sport and several Olympic Games. Their experience in exploring the Bible and understanding sport within our culture has produced some fascinating chapters. Their desire, as authors, is to point to this Gospel of grace from these Bible passages. Discovering the true God of the Olympics This devotional has a focus of bringing you, the reader, into God's Word using sport and the Olympics as the vehicle to point you to Jesus.

This book is Sally Stanley's incredible journey and amazing testimony of God giving her

"The Power To Go On." Stricken with a staph infection which produced large painful sores all over her body, she was rushed into surgery, where the surgeon accidentally severed the main artery to her heart, causing blood to flood her chest cavity, which resulted with her dying on the operating table. This resulted in her "after death or out-of-body experience" and miraculous encounter with The Lord, as He spoke these marvelous words, "You have been chosen by God and your work is not finished." Upon her immediate restoration, she spent weeks on a ventilator and had several months of physical therapy. Over the next several years, Sally has experienced and recovered from a fractured vertebrae, several strokes, and heart attacks. During this time period she also cared for her husband John, after he experienced seizures and strokes, which finally lead to his death on December 12, 2013. Then in May of 2014, while walking in a pedestrian crosswalk, she was suddenly hit by an automobile, suffering multiple injuries, including a shattered right shoulder and broken neck. Sally tells everyone that over the past 20 years, many miracles have happened in my life, but faith in Christ has given me "The Power To Go On." "I hope that everyone who reads this book will understand that with God, all things are possible. It is so great to know that we have Jesus walking with us each and every day."

This book was written for anyone who has experienced the pain and trauma of this type of abuse or would like to know how to recognize it and stop it in its tracks.

Every child of God is loaded with Power and Authority. However most Christians are not aware of their authority in Christ Jesus. The authority that flows from the Cross of Calvary, the Power that was released at Pentecost and made available to every Christian at Salvation, when they receive Jesus as Lord and Saviour.
