**Avi charts the turning points in seven young lives in this extraordinary collection of short stories. In the overlapping years when childhood and adolescence blend and shift like waves and sand, nothing is certain and everything is changing. Now award-winning author Avi creates seven astonishing portraits of life in the middle-school years. In these stories you will meet, among others, William, of "What Do Fish Have to Do with Anything?" who wonders why he shouldn't ask questions that have no answers. Is it because he might discover the truth? A minister's son, the baddest of the bad, is dared to be good in "The Goodness of Matt Kaizer." And in the chilling tale, "Pets," Eve is haunted by the ghosts of her cats. Always with a surprise built in, an angle unseen, these are stories that step just beyond the edge of the everyday.**

**From this "fabulous storyteller" (Carolyn Brown, New York Times bestselling author) comes a sweet western romance between a rodeo cowboy and his best friend's ex-wife. What's the saying, bad luck comes in threes? If so, Lily Green is due for something good. First, her divorce is finalized--on her birthday, no less. Then the first job she lands for her catering company turns out to be for her ex-husband's wedding. To top it off, she's stuck working the event with Luke Everett, the sexy-as-hell best man who's never been able to stand her. When can a girl catch a break? For years, Luke has kept his feelings for Lily safely hidden. Hitting on his best friend's ex-wife would definitely break the cowboy code of honor. But ever since an injury sidelined his rodeo riding, the two of them keep getting thrown together. It's only a matter of time until his true feelings come to light. When that happens, it will either be the biggest mistake of his life, or a sign that his luck is about to change. "Cross my heart, this sexy, sweet romance gives a cowboy-at-heart lawyer a second chance at first love and readers a fantastic ride." --- New York Times bestselling author Jennifer Ryan on *Second Chance Cowboy***

*A New York Times Notable Book for 2011 A Library Journal Top Ten Best Books of 2011 A Boston Globe Best Nonfiction Book of 2011 Bestselling author Tony Horwitz tells the electrifying tale of the daring insurrection that put America on the path to bloody war Plotted in secret, launched in the dark, John Brown's raid on Harpers Ferry was a pivotal moment in U.S. history. But few Americans know the true story of the men and women who launched a desperate strike at the slaveholding South. Now, Midnight Rising portrays Brown's uprising in vivid color, revealing a country on the brink of explosive conflict. Brown, the descendant of New England Puritans, saw slavery as a sin against America's founding principles. Unlike most abolitionists, he was willing to take up arms, and in 1859 he prepared for battle at a hideout in Maryland, joined by his teenage daughter, three of his sons, and a guerrilla band that included former slaves and a dashing spy. On October 17, the raiders seized Harpers Ferry, stunning the nation and prompting a counterattack led by Robert E. Lee. After Brown's capture, his defiant eloquence galvanized the North and appalled the South, which considered Brown a terrorist. The raid also helped elect Abraham Lincoln, who later began to fulfill Brown's dream with the Emancipation Proclamation, a measure he called "a John Brown raid, on a gigantic scale." Tony Horwitz's riveting book travels antebellum America to deliver both a taut historical drama and a telling portrait of a nation divided—a time that still resonates in ours.*

*The vivid and touching sequel to the bestselling memoir Too Close to the Falls. It's 1960 and twelve-year-old Cathy McClure has just been thrown out of Catholic school for-among other transgressions-filling the holy water fount with vodka. In the hopes of giving Cathy a fresh start away from their small town, the McClures leave behind Niagara Falls and the family pharmacy to start over in suburban Buffalo. But life in a subdivision and a school filled with "pubescent cheddar" holds little appeal for a girl who began working at four and smoking at nine. As the quaint world of 1950s America recedes into history, Cathy dives headfirst into the 1960s. Along the way, she adopts many personas with gusto-vandal, HoJo hostess, FBI suspect, civil rights demonstrator- but when tragedy strikes at home, Cathy must take on her most challenging role yet. As candid and compelling as Mary Karr's The Liars' Club and Jeanette Walls's The Glass Castle, After the Falls is an irresistible account of one girl's coming-of-age during a tumultuous era and the moving tale of a rebellious spirit learning what it means to be a daughter.*

*Napalm was invented on Valentine's Day 1942 at a secret Harvard war research laboratory. It created an inferno that killed over 87,500 people in Tokyo—more than died in the atomic explosions at Hiroshima or Nagasaki—and went on to incinerate 64 Japanese cities. The Bomb got the press, but napalm did the work. Robert Neer offers the first history.*

*"I have placed you at the head of the Army of the Potomac. Of course I have done this upon what appear to me to be sufficient reasons. And yet I think it best for you to know that there are some things in regard to which, I am not quite satisfied with you." With this opening sentence in a two-page letter from Abraham Lincoln, Union general Joseph Hooker (1814-79) gained a prominent place in Civil War history. Hooker assumed command of an army demoralized by defeat and diminished by desertion. Acting swiftly, the general reorganized his army, routed corruption among quartermasters, improved food and sanitation, and boosted morale by granting furloughs and amnesties. His hour of fame and the test of his military skill came in the May 1863 battle of Chancellorsville. It was one of the Union Army's worst defeats; shortly thereafter Hooker's resignation was accepted. This definitive biography of a man who could lead so brilliantly and yet fall so ignominiously remains the only full-length treatment of Hooker's life. His renewal as an important commander in the western theater during the Chattanooga and Atlanta campaigns is discussed, as is his life before and after his Civil War military service.—Print Ed.*
