Journeying to the Sothoii Wind Plain as a representative of the War God, Bahzell is selected to become the first hradani windrider in history, an honor that brings as much resentment as respect and a situation that is complicated by the plots of the goddess Shigu, the Queen of Hell, and her supporters and the romantic overtures of Baron Tellian's daughter.

THE ROAD HOME Bahzell Bahnakson of the Horse Stealer hradani never wanted to be a champion of the War God. Unfortunately, Tomandk had insisted. Even more unfortunately, Bahzell's own sense of responsibility hadn't let him say, "No." Which was how he found himself in the Empire of the Axe, where even people who didn't actively hate hradani regarded them with suspicion and fear. Of course, that

was only the start of his problems. Next, there was the Order of Tomanak, many of whom were horrified by the notion that their deity had chosen a hradani as a champion . . . and intended to do something about it. And assuming he survived that, he had to go home-across three hundred leagues of bitter winter snow-to face a Dark God who threatened to destroy all hradani. Throw in the odd demon and brigand ambush, and add a powerful neighboring kingdom with no intention of letting Bahzell (or anyone else) save his people, and you have the makings of a really bad day. But one thing Bahzell has learned: a champion of Tomanak does what needs doing. And the people in his way had better move. At the publisher's request, this title is sold without DRM (Digital Rights

So many of us desire freedom - the freedom that is promised to us when we decide to follow Jesus.

The freedom from the burden of our sin, the need to be "good enough," anger, jealousy, and envy.

Even though we are believers we would be ashamed to say that we don't always experience peace, contentment, and joy in our life. We are looking for the grace that God has so graciously given to us to be real in our life... Breaking Pride is an eBook based on one

simple truth: In order to walk in God's grace we need to tear down the the walls of pride. A lot of believers, even though saved by God's grace, are still walking in pride rather than walking in His grace. Knowing what pride is and learning to identify pride in your life is the first step to overcoming a life filled with pride. Pride is rooted in fear and leads to anger, jealousy, and envy. Sin isn't keeping us from having a relationship with the Lord, it's our pride. So many of us long

But we do not even realize that the pride that lives within our heart is what is blocking the fruit of the spirit from living within us. In *Breaking Pride* you will learn to identify different areas of pride in your life. Filled with encouragement, *Breaking Pride* will take you through a practical reading of what pride may

To understand that, it's necessary to remember that Greek mythology has been filtered and tempered by centuries of editors and

## Get Free War Maids Choice God 4 David Weber

zealots and fickle word of mouth. The stories that arrive in the beloved mythology books of today were not necessarily those read and told by the ancients. This is true not only thanks to later mythographers' overeager shears, wielded in order to strip the ancient Greek myths of much of their "heathenism," but also because over 2,000 years later, modern society is not privy to much of the cultural strata from which these stories emerged. This book was written in the hope of presenting the modern reader with as much of the latter as possible, so as to provide a more accurate representation of Ares than is found in most modern collections of ancient Greek mythology. Being the "living" representation of the act that killed family members every year is more than enough to attract a certain degree of ignominy, but it is very likely that negative feelings towards Ares were not as

## Get Free War Maids Choice God 4 David Weber

pervasive among the ancient Greeks as one might believe today. An important thing to bear in mind when thinking about the stories of Ares is that the thin vein of myth that has come down today most often comes directly from Athenian sources, which were unfavorable towards Ares because they were generally unfavorable towards anything considered un-Athenian. The historian Thucydides, while discussing the Peloponnesian War, which was fought between Athens and Sparta at the end of the 5th century BCE, said that any "future scholar" would no doubt believe that the great city of Sparta was culturally insignificant in comparison with her enemy, Athens. It is well known today that Ares was worshipped by the warlike Spartans, but since they created very few grandiose works of architecture or literature (compared to those that came out of Athens), Sparta's views on Ares, and

## Get Free War Maids Choice God 4 David Weber

most other deities they worshipped, are paltry. Athenian culture, on the other hand, dominated the ancient world's art and culture, and its influence was felt strongly in the beloved myths and histories of the epoch. For better or worse, then, Athens left subsequent generations their marginalized corpus of ideas on ancient Greek religion, and this can be seen in the paltry occurrences of Ares in modern books on Greek mythology today. That said, being a worshipper of Ares didn't necessitate the bellicose nature of the Spartans, either. Although Athens left literary and archaeological evidence of their preferences for civic worship, many other poleis (Greek city-states) were loath to openly despise the god of war, despite his macabre associations. After all, war was a facet of yearly life, and Ares was one of the 12 gods of the highest Greek pantheon of deities who commanded

worship according to a divine mandate. Ares's appearances in myths today (his affair with Aphrodite being a strong favourite) seem to be cursed by repeated banality. There's little of the "War God" in any of his stories other than the odd mention of how horrid he is. However, with a little effort, Ares and his influences can be found, even if only at the fringes of the stories, in the wider literary canon. One such example is the "Judgment of Paris," which refers to the Trojan warrior Paris's decision to award Aphrodite with the Golden Apple of the Hesperides (or the "Apple of Discord," as it came to be known).

Two things can happen through grief: we can become comfortable with it, allowing it to become an unwanted companion, or we can let hope rise.

The latter is anything but easy; it's a journey. In *Nothing to Hold but Hope*, Jennifer Kostick takes us through her real life struggle of pain, telling us the story of her fifteen-year battle through miscarriage, stillbirth, and secondary infertility. She invites us to walk with her through the desert of grief while

searching for hope. Throughout each step, Jennifer paints a candid portrait of what the battle of grief looks like, while providing encouragement for the weary heart along the way.

Color your way into quiet times with God through this collection of Bible verse coloring book pages. As you color, you will dwell on a verse for much longer than you would if you were reading through it. You might just find the passage of scripture makes its way further into your heart and mind once you have spent more time with it. Color, and through coloring, bring these words of truth to life in new ways and let God bring peace to a few moments of your busy day.

Entrepreneurship is a battle! Faith is a battle! Bridging the two together is an even bigger battle! How do you bridge the gap between your plan and God's

will? Listen attentively. Harken diligently. Run to His voice. Be forewarned: You are about to embark in a learning experience that may well oppose man's traditional opinion of running a successful business. But that's the point, to forgo our opinions in lieu of God's infallible ways. The Battle Plan is not hyper-spiritual, nor is it hyper-carnal, but it's the incredible testimony of how God can turn nothing into something if you will just trust His plans concerning you. Learn how to build your business on Biblical principles from those who have been through the trenches of starting, growing, and maintaining their own faith-based company. "Trenches" is an understatement. It's not easy, but it is possible. It's not all about products, procedures, and marketing. It is about the ABC's of faith: Action, Belief, and

Confidence. God's Word is forever settled in heaven. What He promised, He is well able to do through you and through your business despite what the circumstances look like. Whatever your journey, whatever your business, The Battle Plan is sure to have an impact on you naturally, spiritually, and certainly financially. It is broken down into five easy to understand pillars: Building Relationships, Seed Time and Harvest, Product Knowledge, Disciplined Actions, and Flee Idleness. This book is a Devotional. It is intended to help the Christian to breakthrough each challenge that confronts them. The book is in essence a book of declarations and affirmations using Gods word, the Bible. It therefore personalises the scriptures in statements that the reader personalises and adopts to fit

What if he is still speaking to us and longing to work miraculously through us? "Life in the Overflow" invites you to know God intimately as your Daddy in a way that spills out of you naturally. Filled with disarming honesty and fervent expectation, this book mirrors a reflection of who you are, who your God is and what he actually longs to do through "ordinary, messy kids" today!

write a book, I was just looking for answers. Answers to questions I had after my involvement as an infantry paratrooper with the 101st Airborne during the Vietnam War. And my life after death experience after I was stung by Giant Black Wasps went into anaphylactic shock and flat lined. I suffered a cardiac arrest and complete repertory failure. I was later able to relate procedures the medical staff used to resuscitate me while I was dead. I don't have to wonder about life after death, I know. God's will for mankind. The Holy Spirit, whom the Father sent to us after Christ's ascension, details the twelve current ministries of the Holy Spirit in our lives. The Prince of Darkness explains Satan's role in everyday life. Satan is not omnipresent so he cannot possibly involve himself in the daily affairs of eight billion people. God's Providential involvement in everyday life is revealed in the 4th chapter. The Tribulation and the Rapture addresses the final eventual battle between good and evil; Christianity and Islam. The final chapter The Alpha and the Omega specifies the personal relationship a believer has with Christ. time for daily reading of Scripture or finds the Bible hard to understand. A word about PTS (PTSD), there is no D, PTS is not a disorder. PTS is natural reaction of stress experienced after a person is exposed to a traumatic event. Many people suffer from PTS, it can be the result of a rape, an assault, the loss of a spouse, a child, a sibling, witnessing a horrific event or an accident. What makes PTS different for soldiers is that they are subject to frequent traumatic events over a long period of time. People respond differently to traumatic events, some are more resilient than others. Frequency, duration, and the extreme nature of the event all play a role in recovery. A major component of PTS is the moral dissonance we experience.

The event can completely destroy our belief system, the ideas we held that made sense of the world we live in. At any point in time we are a summation of what we know and the experiences we have gone through. Events and information change how we see the world and in effect change who we are. A traumatic event can be so life changing that we are in effect a different person and after a traumatic event, the new you. In order to recover from PTS, it is imperative we reconstruct a new belief system that encompasses our new reality and the new you. In *Just War, I* (Tom Newman) recount the events that destroyed my worldview and fundamentally changed the person I was. The Company I was with in

Vietnam experienced a 97 percent casualties and fatalities. Within my first 30 days in country we had a friendly fire incident that killed eleven and severely wounded nineteen of my fellow troopers. I also witnessed the aftermath of the regular assassination of four year old children. Additionally, when we retook the city of Hue we found the shallow graves of 2,800; judges, doctors, clergy, policeman, and politicians, anyone that could organize a resistance against the communists. It was a very long process for me to make sense of my new realities and the new me.
