Ork action at it's finest, join us for the next epic Waaagh! Ufthak Blackhawk and the green tide descend upon Hephaesto – an Adeptus Mechanicus forge world bristling with loot – only to find it already under siege by the notorious Freebooter Kaptin Badrukk. When his warboss, Da Biggest Big Mek, orders temporary co-operation, Ufthak seeks to make a name for himself by crushing some of the Imperium's most advanced defenders and claiming the greatest prize. But with a sinister new war machine on the horizon, Badrukk's plotting, and a thoroughly annoying grot in his way, Ufthak is going to need the brutal kunnin' of Mork himself just to survive.

Book 3 in the Dark Imperium series. The paths of Roboute Guilliman and his fallen brother Mortarion bring them inexorably together on Iax. Once a jewel of the Imperium, the garden world is dying, as the plans of the Lord of Death to use it as a fulcrum to drag the stellar realm of Ultramar into the warp come to deadly fruition. While Guilliman attempts to prevent the destruction of his kingdom, Mortarion schemes to bring his brother low with the Godblight, a disease created in the Caudron of Nurgle itself, made with the power to destroy a son of the Emperor. Primarchs clash on the ravaged landscapes of Iax. The gods go to war, and the wider galaxy balances on a knife-edge of destruction. As something powerful stirs in the sea of souls, only one thing is certain – no matter who wins the last great clash of the Plague War, the repercussions of victory will echo through eternity...

The Biggest, Baddest Ork is BACK! Of the billions of greenskins who swarm the galaxy, only the name of one strikes fear into the hearts of human and xenos alike: Ghazghkull Mag Uruk Thraka. The Warlord of Warlords. The Beast of Armageddon. The Prophet of the Waaagh! With his tusks, fists, and power claw, he does the holy work of Gork and Mork – and soon all worlds will burn in his bootprints. Mystery shrouds how such a beast came to exist, and rumours abound that the mighty warlord was once just like any other ork. But if that is the case, how did his ascendance come to be? Many have lost their minds trying to unravel the mystery. Lord Inquisitor Tytonida Falx has headed into the murky depths of heresy to find the answer, only this time, something is different. She possesses something the others did not. Custody of the one creature in the universe who claims to know the truth of it all. Ghazghkull's banner bearer: Makari the Grot.

Upon steeds of adamantium and steel, the Ravenwing of the Dark Angels bring death to the foes of the Imperium in the first book in a new trilogy from acclaimed author Gav Thorpe. The Ravenwing stand apart from the rest of the Dark Angels Chapter – these dynamic Space Marines take to the battlefield upon steeds of adamantium and steel, and swoop from the skies in lightning-fast speeders to bring death to the foes of the Imperium. Led by the heroic Master Sammael, they prosecute war where their battle-brothers cannot, and are ever at the forefront of the Dark Angels' campaigns.

Fast-paced, hard-hitting military fiction featuring the Baneblade battle tank Mars Triumphant. By the blessing of the Ommissiah was the Mars Triumphant born – from the forges of the Adeptus Mechanicus, the mighty Baneblade super-heavy battle tank comes to bring death and destruction to the foes of the Imperium. During a bitter war against the orks in the Kalidar system, Lieutenant Lo Bannick joins the crew of the venerable tank, and as part of the 7th Paragonian Tank Company he witnesses combat from within one of the Astra Militarum's mightiest war machines. But even as Bannick's own dark past threatens to undo him, the Mars Triumphant may have met its match in the form of a terrifying new foe.

*As the greatest Ork Waaagh! ever seen threatens to engulf the galaxy, the Imperial Fists make their last stand It is the thirty-second millennium and the Imperium is at peace. The Traitor Legions of Chaos are but a distant memory and the many alien races that have long plagued mankind are held in check by the Space Marines. When a mission to exterminate one such xenos breed on the world of Ardamantus draws in more of their forces, the Imperial Fists abandon the walls of Terra for the first time in more than a thousand years. And when another, greater, foe strikes, even the heroic sons of Rogal Dorn may be powerless against it. The Beast Arises... and it is mighty.*

*In the blasted, radiation-scorched, wastelands of the Earth's surface, towering mecha do battle, defending the interests of one of the few remaining arcology governments, providing security for wilderness outposts, or seeking out loot and supplies as a mercenary company. With detailed rules for designing and customizing your mecha, from size and propulsion type to payload and pilot skills, and a campaign system that allows pilots to gain experience and skills as they patrol the shattered Earth, Gamma Wolves is a fast-playing game of post-apocalyptic mecha warfare.*

*Deathwatch is a roleplaying game set in the Warhammer 40,000 universe, where you take on the role of a member of the Adeptus Astartes – the devout, bio-engineered super-soldiers also known as Space Marines. Only the most exceptional candidates from the fighting forces of the Adeptus Astartes are invited to join the Deathwatch, and take on a new oath to safeguard the Imperium from the darkest of threats. United in this newly forged brotherhood, all Deathwatch Marines must learn to put aside their differences and work together to succeed in the most extraordinary operations – whether facing the threat of total annihilation when confronted by implacable alien foes, or fighting against the foul daemon menace that crawls forth hungrily from beyond the Warp. Deathwatch offers a brand-new roleplaying experience by focusing on elite, special-missions style action at the furthest fringes of Imperial space, involving some of the greatest heroes and deadliest opponents the Warhammer 40,000 universe has to offer!*

Chaos Space Marines

In the Grim Darkness of the Far Future There is Only War

*At the very birth of the Imperium of Man, fully half of the Emperor's most trusted Space Marine Legions turned against him in a bitter civil war. Brother fought brother, and Mankind stood upon the very brink of extinction. Ten thousand years after their defeat, those same traitors still launch their black crusades out of the Eye of Terror, intent upon nothing less than the utter destruction of the Imperium and the death of its weakling Emperor. This book provides an army list and sections on background, hobby section and special characters to accompany the game.*

*Warsmith Honsou, embittered nemesis of the Ultramarines and champion of Chaos. This omnibus edition collects all of Graham McNeill's Iron Warriors series together in one volume. The Iron Warriors are Chaos Space Marines with unrivalled expertise in the art of siege warfare. With great batteries of artillery and all the favours of the Ruinous Powers at their command, there is no fortress in the galaxy that can stand against them for long. This omnibus follows the schemes of the embittered Warsmith Honsou in his struggles against the hated Space Marines of the Imperium. Drawing upon characters and events from author Graham McNeill's popular Ultramarines series and for the first time in a single publication, Storm of Iron and the novella Iron Warrior are gathered along with short stories The Enemy of My Enemy, The Heraclitus Effect and The Skull Harvest.*

*One of the most famous events in Warhammer 40,000 history is explored in depth. See the fall and rise of the Crimson Fists as they battle orks on their home world. When the ork hordes of Warlord Snagrod lay waste to the planet of Badlanding and wipe out the Crimson Fists sent to stop them, Chapter Master Kantor prepare a hasty line of defence on the Fists home planet of Rynn's World. Tragedy strikes when an errant missile destroys the Space Marine's Chapter monastery, killing most of their warriors. With a handful of Crimson Fists left, Kantor must fight the campaign of his life, to defeat Snagrod's orks and prevent his Chapter's annihilation.*

An extraordinary and surreal art book, this edition has been redesigned by the author and includes new illustrations. Ever since the Codex Seraphinianus was first published in 1981, the book has been recognized as one of the strangest and most beautiful art books ever made. This visual encyclopedia of an unknown world written in an unknown language has fueled much debate over its meaning. Written for the information age and addressing the import of coding and decoding in genetics, literary criticism, and computer science, the Codex confused, fascinated, and enchanted a generation. While its message may be unclear, its appeal is obvious: it is a most exquisite artifact. Blurring the distinction between art book and art object, this anniversary edition-redesigned by the author and featuring new illustrations-presents this unique work in a new, unparalleled light. With the advent of new media and forms of communication and continuous streams of information, the Codex is now more relevant and timely than ever. A special limited and numbered deluxe edition that includes a signed print is also available.

Book seven in the New York Times bestselling series A Great War is coming, and it will engulf the Imperium of Man. The Space Marines of the Alpha Legion, the last and most secretive of all the Astartes brotherhoods, arrive on a heathen world to support the Imperial Army in a pacification campaign against strange and uncanny forces. But what drives the Alpha Legion? Can they be trusted, and what side will they choose when the Heresy begins? Loyalties are put to the test, the cunning schemes of an alien intelligence are revealed, and the fate of mankind hangs in the balance.
