how accounting is much
more than simply data and
black and white rules.
Instead, students see how
accounting provides key
information used to make
critical business decisions. A
new chapter schema
provides context for how
each chapter's content fits
into the big picture. The
book focuses on why
accounting is important and
consistently reinforces
connections to the big
picture by connecting

Journal entries to the accounting equation. Fresh organization progresses from the simplest to the more complex topics with reorganized and fully integrated coverage of the new Revenue Recognition standard, reorganized coverage of adjustments, and reorganized managerial accounting chapters
