**Winner of the Man Booker Prize: “Okri shares with García Márquez a vision of the world as one of infinite possibility. . . . A masterpiece” (The Boston Sunday Globe). Azaro is a spirit child, an abiku, existing, according to the African tradition, between life and death. Born into the human world, he must experience its joys and tragedies. His spirit companions come to him often, hounding him to leave his mortal world and join them in their idyllic one. Azaro foresees a trying life ahead, but he is born smiling. This is his story. When President Bill Clinton first went to Africa he quoted from The Famished Road, which has inspired literature, art, politics, and pop songs—and even been referenced in an episode of The Simpsons. A transformative story for all ages and all times, it means many things to many people. Few contemporary novels have aroused as much passion as this one. Indeed, twenty-five years after its breakout publication, the iconic story of Azaro’s travels continues to mesmerize new generations. For readers of Things Fall Apart or One Hundred Years of Solitude, this Man Booker Prize–winning blend of fabulism and gritty realism by the Nigerian author of Astonishing the Gods and Dangerous Love is a “dazzling, hypnotic” journey through Africa that “weaves the humblest detail with the most extravagant flight of fancy to create an astonishing fictional tapestry” (San Francisco Chronicle). Already considered a classic of world literature, it is “a masterpiece if ever one existed” (The Boston Sunday Globe).**

Effie Gray, a beautiful and intelligent young socialite, rattled the foundations of England’s Victorian age. Married at nineteen to John Ruskin, the leading art critic of the time, she found herself trapped in a loveless, unconsummated union after Ruskin rejected her on their wedding night. On a trip to Scotland she met John Everett Millais, Ruskin’s protégé, and fell passionately in love with him. In a daring act, Effie left Ruskin, had their marriage annulled and entered into a long, happy marriage with Millais. Suzanne Fagence Cooper has gained exclusive access to Effie’s previously unseen letters and diaries to tell the complete story of this scandalous love triangle. In Cooper’s hands, this passionate love story also becomes an important new look at the work of both Ruskin and Millais with Effie emerging as a key figure in their artistic development. Effie is a heartbreakingly beautiful book about three lives passionately entwined with some of the greatest paintings of the pre-Raphaelite period.

Hermann Hesse, the author, has narrated a lot about Siddhartha and his spiritual journey. A lot has been discussed about Siddhartha. He is loved by everyone. He is a source of joy for everybody, but he, Siddhartha, is not a source of joy for himself, he finds no delight in himself. Siddhartha has started to nurse discontent in himself, he has started to feel that the love of his father and his mother, and love of his friend, will not bring him joy forever and ever, will not nurse him, freed him, satisfy him. Siddhartha has many queries in his mind like as, ❑Do the sacrifices give a happy fortune?❑, ❑What about the Gods?❑, ❑Was it really Prajapati who had created the world?❑❑Was it not the ❑Atman❑, the singular one?❑ Siddharatha meets his father and says, ❑With your permission, my father, I have come to tell you that it is my longing to leave your house tomorrow and go to ascetics.

My desire is to become a Samara.❑ His father says-❑You will go into the go forest and be a Samara , when you will find blissfulness in the forest, come back and teach me to be blissful.❑ This is just an excerpt, the whole book consists of spiritualistic way of narration, thus becomes interesting one. Once you start reading can❑t resist to leave the book in the mid.

***In this brilliant late-career collection, John Updike revisits many of the locales of his early fiction: the small-town Pennsylvania of Olinger Stories, the sandstone farmhouse of Of the Farm, the exurban New England of Couples and Marry Me, and Henry Bech’s Manhattan of artistic ambition and taunting glamour. To a dozen short stories spanning the American Century, the author has added a novella-length coda to his quartet of novels about Harry “Rabbit” Angstrom. Several strands of the Rabbit saga come together here as, during the fall and winter holidays of 1999, Harry’s survivors fitfully entertain his memory while pursuing their own happiness up to the edge of a new millennium. Love makes Updike’s fictional world go round-married love, filial love, feathery licks of erotic love, and love for the domestic particulars of Middle American life.***

Michael Morpurgo has created a sweeping and dramatic story in the time of Bonnie Prince Charlie. This spellbinding tale is complemented perfectly by Michael Foreman’s illustrations. Robbie McLeod and a wolf cub, both orphaned, venture far from their birthplace, a land of rebellious fighters and vicious redcoats. There is little constancy in Robbie’s adventurous life, save for the companionship of his wolf. But when at last Robbie finds a place where he can peacefully make his home, he knows in his heart that the wolf must find his own natural home too . . .

Desmond brings together the work of critics who have ventured into the boundaries between dance and cultural studies, and thus maps a little-known and rarely explored critical site.

Mr. Magee and his trusty dog, Dee, are enjoying a peaceful camping trip when all of a sudden they find themselves plunging down a mountain and teetering on the edge of a huge waterfall! How will they find their way out of this slippery situation? Chris Van Dusen, the creator of Down to the Sea with Mr. Magee, has filled this new adventure with charming illustrations and a playful, rhyming text. A fun read-aloud for children (and adults!) on campouts or snuggling at home!

***The hilarious New York Times bestseller “sharply observes the lives of globe-trotting, overindulging investment bankers” (Entertainment Weekly). “Some chick asked me what I would do with 10 million bucks. I told her I’d wonder where the rest of my money went.” –@GSElevator For three years, the notorious @GSElevator Twitter feed offered a hilarious, shamelessly voyeuristic look into the real world of international finance. Hundreds of thousands followed the account, Goldman Sachs launched an internal investigation, and when the true identity of the man behind it all was revealed, it created a national media sensation—but that’s only part of the story. Where @GSElevator captured the essence of the banking elite with curated jokes and submissions overheard by readers, Straight to Hell adds John LeFevre’s own story—an unapologetic and darkly funny account of a career as a globe-conquering investment banker spanning New York, London, and Hong Kong. Straight to Hell pulls back the curtain on a world that is both hated and envied, taking readers from the trading floors and roadshows to private planes and after-hours overindulgence. Full of shocking lawlessness, boyish antics, and win-at-all-costs schemes, this is the definitive take on the deviant, dysfunctional, and absolutely excessive world of finance. “Shocking and sordid—and so much fun.” –Daily News (New York) “LeFevre’s workplace anecdotes include tales of nastiness, sabotage, favoritism, sexism, racism, expense-account padding, and legally questionable collusion.” –The New Yorker***

***From Jonathan Raban, the award--winning author of Bad Land and Passage to Juneau, comes this quirky and insightful story of what can happen when one can and does go home again. For the past thirty years, George Grey has been a ship bunker in the fictional west African nation of Montedor, but now he's returning home to England--to a daughter who's a famous author he barely knows, to a peculiar new friend who back in the sixties was one of England's more famous singers, and to the long and empty days of retirement during which he's easy prey to the melancholy of memories, all the more acute since the woman he loves is still back in Africa. But their fun quickly vanishes when Jonathan, his sister, Abby, and their dog, Moose, find themselves in the middle of a natural disaster. Alone in the woods, can Jonathan manage to keep calm and save Abby and Moose—and stay alive himself?

Physician Arthur Conan Doyle takes a break from his practice to assist London police in tracking down Jack the Ripper in this debut novel and series starter. September 1888. A twenty-nine-year-old Arthur Conan Doyle practices medicine by day and writes at night. His first Sherlock Holmes story, A Study in Scarlet, although gaining critical and popular success, has only netted him twenty-five pounds. Embittered by the experience, he vows never to write another "crime story." Then a messenger arrives with a mysterious summons from former Prime Minister William Gladstone, asking him to come to London immediately. Once there, he is offered one month’s employment to assist the Metropolitan Police as a "consultant" in their hunt for the serial killer soon to be known as Jack the Ripper. Doyle agrees on the stipulation his old professor of surgery, Professor Joseph Bell--Doyle’s inspiration for Sherlock Holmes--agrees to work with him. Bell agrees, and soon the two are joined by Miss Margaret Harkness, an author residing in the East End who knows how to use a Derringer and serves as their guide and companion. Pursuing leads through the dank alleys and courtyards of Whitechapel, they come upon the body of a savagely murdered fifth victim. Soon it becomes clear that the hunters have become the hunted when a knife-wielding figure approaches.

*What does it take to turn a bully into a hero? Empathy and the power of forgiveness take center stage in this poignant novel by the award-winning author of The Boy at the Back of the Class. Getting in trouble is what Hector does best. He knows that not much is expected of him. In fact, he gets some of his most brilliant prank ideas while sitting in detention. But how far is too far? When Hector plays a prank on a homeless man and is seen and shamed by a schoolmate, he reaches a turning point. He wants to be viewed differently and decides to do something that will change his fate for the better. But will anyone take him seriously? This moving story told with humor and heart presents readers with some recognizable characters, like a bully and a teacher's pet, and introduces them to some they may not be so familiar with— like those who are homeless, who live on the street, and whose stories are equally meaningful and important. Readers will feel motivated to see the best in others and hopeful that bad things can be overcome with effort.*

*Ever since its publication in 1847 Jane Eyre – one of the most popular English novels of all time – has fascinated scholars and a wide reading public alike and has proved a source of inspiration to successive generations of creative writers and artists. There is hardly any other hypotext that has been re-worked in so many adaptations for stage and screen, has inspired so many painters and musicians, and has been so often imitated, re-written, parodied or extended by prequels and sequels. New versions in turn refer to and revise older rewritings or take up suggestions from Brontë scholarship, creating a dense intertextual web.The essays collected in this volume do justice to the variety of media involved in theJane Eyre reworkings, by covering narrative, visual and stage adaptations, including an adaptor's perspective. Contributions review a diverse range of works, from postcolonial revision to postmodern fantasy, from imaginary after-lives to science fiction, from plays and Hollywood movies to opera, from lithographs and illustrated editions to comics and graphic novels.The volume thus offers a comprehensive collection of reworkings that also takes into account recent novels, plays and works of art that were published after Patsy Stoneman's seminal 1996 study on Brontë Transformations.*

*“Watchmakers and Clockmakers of the World” is a comprehensive reference book of the most notable makers of clocks and watches in the world at the time when this book was first published. It is presented as a series of lists, each containing different information pertaining to the industry and the main companies involved in the manufacture of timepieces. Contents Include: “Conventions Abbreviations”, “List of Names with Alternative Spellings”, “List of Watch and Clockmakers”, “List of Initials and Monograms”, “List of Place Names”, “Maps”, etc. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new introduction on clockmaking.*

*A NATIONAL BESTSELLER A KIRKUS REVIEWS BEST BOOK OF THE YEAR "A fiery tour de force... I could not put this book down. It truly was terrifying and unutterably beautiful." -Alison Borden, The Denver Post From the best-selling author of The Dog Stars, the story of two college students on a wilderness canoe trip--a gripping tale of a friendship tested by fire, white water, and violence Wynn and Jack have been best friends since freshman orientation, bonded by their shared love of mountains, books, and fishing. Wynn is a gentle giant, a Vermont kid never happier than when his feet are in the water. Jack is more rugged, raised on a ranch in Colorado where sleeping under the stars and cooking on a fire came as naturally to him as breathing. When they decide to canoe the Maskwa River in northern Canada, they anticipate long days of leisurely paddling and picking blueberries, and nights of stargazing and reading paperback Westerns. But a wildfire making its way across the forest adds unexpected urgency to the journey. When they hear a man and woman arguing on the fog-shrouded riverbank and decide to warn them about the fire, their search for the pair turns up nothing and no one. But: The next day a man appears on the river, paddling alone. Is this the man they heard? And, if he is, where is the woman? From this charged beginning, master storyteller Peter Heller unspools a headlong, heart-pounding story of desperate wilderness survival.*

*In Susan Gal's delightful young-concept book, a family travels up a mountain, over a bridge, and under a canopy of trees to reach their campsite in the great outdoors. A forest hike offers more opportunities to showcase words that describe spacial relationships and show young readers where they are in the world. Beside a lake! Next to a waterfall! On top of a mountain! Then after the sun slips behind the hills, they'll snuggle alongside each other and dream sweet dreams inside their tent among the trees. Gal's pictures capture all the beauty of the natural world. And she's included a humorous cast of animal characters on a parallel journey of their own, so the art is full of funny things to spot. This is a gem of a story for parents and teachers to share with their happy campers.*

*"Anything but elementary, this clever thriller is sure to please Sherlock fans." — People Magazine, Book of the Week Review “Anthony Horowitz throws down the gauntlet in his infernally clever Sherlock Holmes pastiche.” — Marilyn Stasio, New York Times Book Review Internationally bestselling author Anthony Horowitz’s nail-biting new novel plunges us back into the dark and complex world of detective Sherlock Holmes and Moriarty—dubbed the Napoleon of crime” by Holmes—in the aftermath of their fateful struggle at the Reichenbach Falls. Days after the encounter at the Swiss waterfall, Pinkerton detective agent Frederick Chase arrives in Europe from New York. Moriarty’s death has left an immediate, poisonous vacuum in the criminal underworld, and there is no shortage of candidates to take his place—including one particularly fiendish criminal mastermind. Chase and Scotland Yard Inspector Athelney Jones, a devoted student of Holmes’s methods of investigation and deduction originally introduced by Conan Doyle in “The Sign of Four”, must forge a path through the darkest corners of England’s capital—from the elegant squares of Mayfair to the shadowy wharfs and alleyways of the London Docks—in pursuit of this sinister figure, a man much feared but seldom seen, who is determined to stake his claim as Moriarty’s successor. A riveting, deeply atmospheric tale of murder and menace from one of the only writers to earn the seal of approval from Conan Doyle’s estate, Moriarty breathes life into Holmes’s dark and fascinating world.*
