

Way Of The Wolf Vampire Earth 1 Ee Knight

My father is the alpha, a mantle my unborn brother will take one day. But as daughter of the alpha, my role isn't yet certain. My heart is set on becoming the beta, I want to show our kind that a female can be just as strong as any other wolf, without needing a mate to protect her.But when my father is called to help a neighboring pack, suddenly everything changes. I'm thrown into a world of intrigue, deadly plots, and a fight for power. As a female who never wanted or needed a mate, I now find myself torn between two males. One, the leader. The other, an untamed wolf.Either way, taking a mate requires submission, and it's not in my nature to submit. But no matter how hard I try to fight it, it seems my fate has already been decided.

In this spellbinding novel, Lestat, rebel outlaw, addresses the tribe of vampires, telling us the mesmerizing story of how he became prince of the vampire world, and of the formation of the Blood Communion, and how his vision for the Children of the Universe to thrive as one, came to be. Lestat takes us from his ancestral castle in the snow-covered mountains of France to the verdant wilds of lush Louisiana, with its lingering fragrances of magnolias and night jasmine; from the far reaches of the Pacific's untouched islands to the 18th-century city of St. Petersburg and the court of the Empress Catherine. He speaks of his fierce battle of wits and words with the mysterious Rhosamandes, proud Child of the Millennia, reviled outcast for his senseless slaughter of the legendary ancient vampire Maharet, avowed enemy of Queen Akasha, who refuses to live in harmony at court and who threatens all Lestat has dreamt of . . .

Returning to the Ozark Territories, freedom fighter David Valentine is shocked to find it overrun by vampiric Kurians under the command of the merciless Consul Solon. In a desperate gambit, Valentine leads a courageous group of soldiers on a mission to drive a spike into the gears of the Kurian Order. Valentine stakes life, honor, and the future of his home in a rebellion that sparks the greatest battle of his life.

Louisiana, 2065. A lot has changed in the 43rd year of the Kurian Order. Possessed of an unnatural and legendary hunger, the bloodthirsty Reapers have come to Earth to establish a New Order built on the harvesting of enslaved human souls. They rule the planet. They thrive on the scent of fear. And if it is night, as sure as darkness, they will come. On this pitiless world, the indomitable spirit of mankind still breathes in Lieutenant David Valentine. Brought into the special forces of The Wolves—an elite guerilla force sworn to win back Earth—this is Valentine's first command in the Kurian Zone. Driven by the losses of his past and the hope of a future, Valentine is in it to win. No matter how long it takes. No matter what doom of fate awaits him beyond his wildest nightmares. Fight. Kill.

Survive. This is the way of The Wolves. “If The Red Badge of Courage had been written by H.P. Lovecraft.”—Paul Witcover, author of Waking Beauty

Book Three of The Vampire Earth

A Werewolf, a Vampire, and a Fae Walk Into a Bar

What are we? The Damned childer of caine? The grotesque lords of humanity? The pitiful wretches of eternal hell? We are vampires, and that is enough. I am a vampire, and that is far more than enough. I am that which must be feared, worshipped and adored. The world is mine -- now and forever. No one holds command over me. No man. No god. No prince. What is a claim of age for ones who are immortal? What is a claim of power for ones who defy death? Call your damnable hunt. We shall see whom I drag screaming to hell with me. The role of the Storyteller is daunting, and this book is an invaluable aid for those who orchestrate Vampire chronicles. It includes myriad information, including enigmas best left out of players' hands, from creating stories to creating the casts of epic tales.

Way of the WolfRoc

The Vampire Queen of Black Tear, is she friend, foe, or something else entirely? Rothan pleads with King Albrecht to free him from captivity. Hordes of vicious creatures march on the cold land of Skald, and only he can find the way to stop them. But after a twist of fate, Rothan is taken aboard an imperial ship, taken to the island of Black Tear, a place so cursed that the sun never touches it, a place where minds are flayed, where bodies are torn apart and rearranged like playthings. This is to be Rothan's fate. But perhaps he can find some way to bargain for his life. For all beings, even vampires, are bound by chains, chains of one kind or another... Warning: This book contains detailed harem elements.

An Enemies to Lovers Shifter, Vampire True Mates story. Justice Volkov is the youngest Alpha Zenith to ever lead the wolf shifters. Following in his father's large paw prints was a responsibility he met head on. Now at age thirty-three, he is alpha of the alphas. As a direct descendant of the original Siberian pack, his wolf is bigger and stronger than Justice, himself is sometimes able to control. His wolf howled long and hard but Justice kept it inside. It felt like a bass drum beating against his rib cage. The harsh breaths, angry snarls and the determined pacing inside him was overtaking him. Justice takes his role of leadership and his legacy very seriously. He has little time for romance, not to mention a true mate. His packs are his priority. With a human government trying to regulate them, an uprising of rogue shifters, and a violent team of scientists trying to experiment on them, Justice has his hands way too full. Chadwick 'Wick' Bentley is not enthusiastic when the captain of his escort tells him he has to leave his comfortable London home and go back to the States. As the Vampire King, he has no choice but to get his species back in line before they cause anymore chaos. At over one-hundred years old, Wick is no one to trifle with, but his smooth, charismatic manner makes him quite unique, despite the negative reputation vampires have. Wick has had nothing but time up to this point. He doesn't feel the need to make issues pressing. Nothing is urgent in his life. Until he meets Justice. His beloved. "Natural enemies can't be mates." Or so Justice thought. He knows his skepticism and rejection is hurting his mate, so while he fights their connection, Wick gets help from a source very close to Justice to help him win his beloved's heart. Wick is a force all on his own, but when he's blessed with a special gift from the Mother herself, not even Justice's powerful wolf can prevent the prophesy from being fulfilled. This story DOES NOT contain/mention MPREG. No multiple pairings. No cliffhangers. It ends with a very HFN. Warning: This book is MM paranormal: If you DO NOT like hot, alpha men shifting into large wolves, or vampires feeding from their mates, this may not be your read.

Blood Communion

As the Resistance attempts to overthrow their vampiric alien masters, elite Cat force member David Valentine embarks on a terrifying journey in search of a long-lost weapon that will guarantee their victory-and the end of the Kurian Order's domination of Earth.

From #1 New York Times bestselling author Anne Rice, this sensuously written spellbinding classic remains 'the most successful vampire story since Bram Stoker's Dracula' (The Times) In a darkened room a young man sits telling the macabre and eerie story of his life - the story of a vampire, gifted with eternal life, cursed with an exquisite craving for human blood. Anne Rice's compulsively readable novel is arguably the most celebrated work of vampire fiction since Bram Stoker's Dracula was published in 1897. When Interview with the Vampire was originally published the Washington Post said it was: called Interview with the Vampire a 'thrilling, strikingly original work of the imagination . . . sometimes horrible, sometimes beautiful, always unforgettable'. Now, more than forty years since its release, Anne Rice's masterpiece is more beloved than ever.

Warriors of the Rift Once a generation, the rift between the paranormal world and the human world opens, allowing supernatural entities to cross. Vampire, demon, or shapeshifter, they can save the world-or send it spiraling into chaos. As a werewolf liaison to the Council of Preternaturals, Tori Joseph is used to straddling the world between humans and immortals. She plays by the rules and always delivers justice, no matter the cost. But after a string of increasingly brutal attacks results in humans turning into werewolves, Tori doesn't reveal her horrifying suspicion: Someone very close to her might be responsible. Investigating the paranormal violence, no-nonsense detective Dante MacMillan believes Tori is hiding something. His search for the truth draws him into greater danger as he gets closer to the dark realm of the immortals-and to the sexy werewolf who stirs his primal lust. Now with evil closing in around them, Dante must convince Tori to trust him . . . before her deadly secret destroys them both.

Forced to work as a slave in the Appalachian coal mines, Ahn-Kha rebels against the brutality and working conditions and becomes the leader of the people of Coal Country in an uprising against the Maynes family and their Kurian masters.

From the USA TODAY Bestselling author of Vampire Girl comes a new paranormal romance that will make you laugh and fall in love. For anyone who wants to see three hot alphas thrown into domestic life.***I lived a pretty ordinary life--a kid raised in my family's bar who went off to college to escape the small-town life. But when my grandfather died and I returned to take over the family business, I discovered a much more extraordinary life waiting for me.Vampires, werewolves and fae are real.And they want my baby.My daughter is meant to fulfill some crazy prophecy related to the end of all magical creatures, but I'm having none of that.Now, since I can't get rid of them, the three Sexies who walked into my bar that fateful, stormy night, work for me.They can change diapers and serve drinks while I get a handle on not only being a new single mom, but also the center of a race war between creatures I previously believed were myths.I didn't expect any of this. Not the Sexies. Not the single motherhood. And certainly not the chemistry I feel with each of them.But we don't have time for raging postpartum hormones. Because they aren't the only ones after my child, and keeping her safe is proving a more dangerous job than the What to Expect Books ever prepared me for.

FOREVER BOUND includes the following best-selling titles by Cynthia Eden: BOUND BY BLOOD BOUND IN DARKNESS BOUND IN SIN BOUND BY THE NIGHT Word Count: 90,000 The BOUND stories are dark and sexy tales of paranormal romance.

Vampires and werewolves must trust each other in these stories--their lives are on the line, and so are their hearts. BOUND BY BLOOD Vampires and werewolves have been blood enemies for centuries, but now a new threat is rising...demons are escaping from hell and those demons are intent on wiping out both the vamps and the werewolves. In order to stop the demons, pureblood vampire princess Morgan LaBeaux agrees to the treaty offered by werewolf alpha Jace Vaughn. She'll mate with him, share her blood with him...and in return, the wolves will aid the vampires in this battle. But Morgan doesn't realize just how dangerous the wolves can truly be. Jace has been waiting years to claim her. He's set a trap for his princess, and now that he has her, Jace doesn't plan to let her go. He'll send the demons back to hell, and he'll keep his vampiress--forever. BOUND IN DARKNESS When it comes to killing vampires, werewolf Cade Thain is the best slayer in the Northwest. So when a witch hires him to take out a pureblood vamp, the assassin thinks it will be just business as usual. One less vicious vamp on the streets...one more undead parasite gone from the earth. Then he meets her. Allison Gray isn't the prey that Cade expects. Beautiful, innocent, she stirs a dark desire within him. Allison hasn't transformed fully into a vampire, not yet, and it's Cade's job to make sure that she never does. Allison thinks that he's at her side to keep her safe, but Cade is supposed to pick the right moment--and kill her. Killing Allison is soon the last thing that Cade plans. As she begins the transformation that will turn her into a vampire, her bloodlust and their desire merge in an explosion of need that neither can control. But Allison's enemies are closing in, and the coming battle will take Cade and Allison beyond life, beyond love...and into a deadly darkness that waits to claim them both. BOUND IN SIN Human Paige Sloan once loved werewolf Drake Wyler more than life, but then that life was taken away from her. Attacked by vampires, Paige was bitten, and, on a cold, dark night, the life she'd known ended. She was reborn as a vampire-a werewolf's deadliest enemy. When Paige learns that Drake is being targeted for death, she knows that she can't hide in the shadows any longer. She has to return to him, and she will do anything-anything-in order to make sure that he keeps living. The vampires might have destroyed her chance to live and love Drake, but they won't take him. Not over her undead body. BOUND BY THE NIGHT For the last fifteen years, vampire queen Iona has been dead to the world. Trapped under the power of a brutal curse, she has been helpless. A prisoner, locked within her own still body. Then alpha werewolf Jamie O'Connell fights his way to her side. After defeating the guards that surround her, Jamie gives Iona his blood...and she rises. The world has changed a great deal in the last fifteen years, and Iona has changed, too. Once known as the Blood Queen because of her dark reputation, she now finds herself longing for the blood of only one man...only he isn't just a man. She wants the blood of her werewolf--Jamie's blood. But Iona doesn't realize that Jamie has been keeping secrets from her. Very dark, dangerous secrets. And Iona may have traded one curse for another. Author's Note: The stories in this collection are adult paranormal romances. They contain sex, violence, and adult language (the stories also contain hot vampires and werewolves).

Secret of the Wolf

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests

Interview With The Vampire

Breaking Dawn

The Witch, the Wolf and the Vampire

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Doctor David Lephmann had a great life. A new post at the prestigious Saint Bartholomew's Hospital, a beautiful fiance whose father happened to be famous in medical circles, money wasn't an issue, and advancement in his chosen field seemed assured... until he meets his new boss. The bigoted Doctor Hoberman has strong views where werewolves and shifters are concerned, and he isn't shy about spreading his dangerous and irresponsible ideas to anyone willing to listen. David is disgusted to learn that his boss is a closet member of the fanatical and outlawed Anti Monster League, and finds himself ostracized by Hoberman's clique. Before he knows what's happening, he is forced to take a stand to get away from Hoberman and his lackeys, and accepts a position at Mercy Hospital, where LA's non-human welfare cases find succor. His new mentor is desperate for the help, and welcomes him to the paranormal world of non-human customs, elf healing rituals, and strange magics. One night after a long day at the hospital, David is confronted by the realities of his new life, when he intervenes in a fight he knows nothing about. Two women are fighting for their lives in the street, and before he can really think about it, he foolishly chooses sides and wades into the battle. One moment he's restraining a remarkably strong and lithe woman, the next he's struggling to escape a huge wolf! The shapeshifter savages him, and shatters his new life. Sorely wounded and infected with lycanthropy, he's thrust into a world of violence and mistrust where the only thing that matters is strength. Hoping to find the shifter who destroyed his life, he tracks down her enemy and allies himself with her and Steven Edmonton, a powerful master vampire in need of help himself. A shadow war is brewing in the city, and forces are maneuvering for advantage. Steven is building an army of shifters to protect his interests, and welcomes David into the fold, but challenge and counter is the way of the wolf, and the others won't accept his dominance until he proves his strength. He certainly hadn't been looking for werewolf romance while fighting for his life, but there's something very intriguing about a certain shifter woman, and fighting isn't on his mind whenever he sees her beguiling eyes and snarling lips. With no way back to his old life, he must fight for a place in this new one, but he's never had to fight for anything in his life. Can he survive the challenge?

The Curse of Caine is a Biblical punishment, handed down by God Himself. Could it be true that a conspiracy of Kindred and mages has found a way to reverse its effects? As the world comes closer and closer to Gehenna, might the Kindred escape their divine fate? Or is it all part of some larger plan? As a title that combines the themes of Mage and Vampire, The Red Sign is a Lovecraftian revelation of ages-old horror. As the Kindred discover a method to escape damnation, a faction of mages aids them in their blasphemous quest. Players can either join the conspiracy or oppose it--or find themselves knowing entirely too much about it.

Glen Duncan delivers a powerful, sexy new version of the werewolf legend, a riveting and monstrous thriller--with a profoundly human heart. Jake Marlowe is the last werewolf. Now just over 200 years old, Jake has an insatiable appreciation for good scotch, books, and the pleasures of the flesh, with a voracious libido and a hunger for meat that drives him crazy each full moon. Although he is physically healthy, Jake has slipped into a deep existential crisis, considering taking his own life and ending a legend that has lived for thousands of years. But there are two dangerous groups--one new, one ancient--with reasons of their own for wanting Jake very much alive.

Some secrets are dangerous. This Secret is deadly. For Secret McQueen, her life feels like the punch line for a terrible joke. Abandoned at birth by her werewolf mother, hired as a teen by the vampire council of New York City to kill rogues, Secret is a part of both worlds, but belongs to neither. At twenty-two, she has carved out as close to a normal life as a bounty hunter can. When an enemy from her past returns with her death on his mind, she is forced to call on every ounce of her mixed heritage to save herself-and everyone else in the city she calls home. As if the fate of the world wasn't enough to deal with, there's Lucas Rain, King of the East Coast werewolves, who seems to believe he and Secret are fated to be together. Too bad Secret also feels a connection with Desmond, Lucas's second-in-command... Warning: This book contains a sarcastic, kick-ass bounty hunter; a metaphysical love triangle with two sexy werewolves; a demanding vampire council; and a spicy seasoning of sex and violence.

An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began-a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. Arc of Justice is the winner of the 2004 National Book Award for Nonfiction.
