While sitting in the hallway outside of his first grade classroom, young Bobby Dorsey overhears his teacher reporting his misbehavior to his mother, Margaret, through a vent in the classroom door. He is shocked when he hears his mother tearfully confess that he is the unexpected result of a high school affair, that she never intended to have a child, and that he would have been aborted if not for the intervention of his grandmother, a devout Southern Baptist, and her pastor. The unexpected and unwanted birth of Bobby causes Margaret to feel she was robbed of the fun of her high school years. Driven to complete her lost adolescence, she exposes Bobby to a string of boyfriends, with whom she often has a sexual relationship. Bobby becomes aware of those relationships at far too early an age for him to understand what is going on. Some of Margaret's boyfriends are cruel and abusive to Bobby. This coupled with his mother's indifference, eventually leads him to feel an outsider in his own home in the small East Texas town of Purvis. His mother's preoccupation with her own life and lack of concern for him causes Bobby to become increasingly curious about his absent father, who he learns is managing a motel in Chattanooga, Tennessee. The more Bobby learns about his father, the more his fantasies about him grow. He wonders if he might find the love and acceptance with him that he had not found living with his mother. Therefore at ten years of age, Bobby concludes that Purvis is not a good place for him to be, and that he needs to go live with his father in Chattanooga. So begins a modern Huckleberry Finn tale filled with adventure and intrigue as Bobby embarks on an almost nine hundred mile journey from Texas to Tennessee. He encounters fascinating people, and has several narrow escapes from busybodies who want to take over his problem and solve it for him. Enough people had judged and condemned him. Enough had screwed up his life in Purvis. He needs nothing further now to do with the likes of them. His life is now in his own hands until he reaches his father whom he is convinced will be the answer to all his problems. Does Bobby reach his father without experiencing more abuse? Would his father be able to provide him the love and support he never found in Purvis? Does Bobby take the damage from his childhood abuse along with him? This novel deals both dramatically and spiritually with the following current hot topics: The abortion issue, childhood physical, emotional and sexual abuse and prejudice including homophobia. It illustrates how one generation's abusers become the next generation's abusers. It drives home the point that a persons RIGHT TO LIFE is far more than a mere right to birth, showing that love, compassion, understanding and forgiveness are also basic human rights that deserve the same impassioned advocacy seen among current anti-abortionists. This book provides you with more than 100 patterns, principles, and best practices, along with advice for many of the common challenges you'll face when starting a social website.--(book cover)

Inspiring stories, practical tips and expert advice." --Ebony "Inspiring stories and practical tips urge parents and caregivers to unlock their children's potential." --Library Journal "A much-needed resource that will enable parents to become partners in their children's academic success. Read it and tell others to read it." --Marian Wright Edelman, Founder - Children's Defense Fund There's a crisis in our classrooms. In school districts across the country, children of color earn sub-par test scores, and are frequently relegated to less challenging classes. Low achievement will doom our children to a future far beneath their capabilities--unless we do something about it. In this updated edition of Achievement Matters, Hugh B. Price, the former President of the National Urban League, shows you how to help your child succeed, and make America's public schools accountable. A vital resource for parents and caregivers, here are practical tips for improving children's literacy and achievement levels while instilling a lifelong enthusiasm for education. Price explains how to make sure your child isn't missing out on essential courses, recommends proven techniques for cutting through bureaucracy to create an environment conducive to learning, and shares insightful personal stories. From using the latest technology to providing after-school and summer programs to give our youth direction and keep them away from drugs and violence, this book offers real tools for making a powerful, positive impact and guiding your child to the brightest possible future. "A noteworthy effort to improve parental involvement, student motivation, and institutional accountability." --Kweisi Mfume, former President and CEO, NAACP 66,870 Words

Jan Demir is a young, highly ambitious partner at LCI, Inc., an investmentplanning firm he helped found, along with two other startups to his name. His stellar reputation extends beyond Portugal, where his family has lived for several generations. He is also a womanizer, and his immature, jet-set lifestyle matches his rapid rise. When his business partner and mentor, Pascoal, dispatches him to Tehran, Iran, he successfully closes the deal with a group of Iranian businesspeople, with whom LCI has been negotiating despite the threat of economic sanctions against the country. While in Tehran, the last thing on his mind is to meet the girl of his dreams. But the president of the company with which LCI has just partnered invites him to a private party at his residence. Jan makes a fool of himself on the dance floor and almost misses his chance to meet Golnaz before she utters a single word to him. They fall in love and proceed to turn their lives upside down, traveling back and forth between Lisbon and London, where Golnaz resides. Jan uses his old charms and tries hard to give her a good time. Only, she is not one of his old girlfriends. Old attitudes are hard to shed; his end up pushing her away. Though a skeptic by nature, he finds solace in the Great Persian poet, Hafez, whose poem appears to predict a bright future for them. She begs to differ. But Jan also has a secret weapon, and prepares a "special gift" for her. The opportunity to offer it fails to transpire. Yet, somehow he knows they will be together. No one can predict the future, not even Hafez!

Betrayal is all he's ever known, but in her, he'll find a love strong enough to be trusted... When Marcella Raines' twin brother dies, she honors his request to be buried at sea, never expecting the violent storm that swamps her boat. Though she's gravely injured—and still emotionally damaged from her recent divorce—Ella fights to survive. Zephyros Martius is the Supreme God of the West Wind and Spring, but being the strongest Anemoi hasn't protected him from betrayal and loss. Worse, he's sure his brother Eurus is behind it. When Zeph's heartbreak whips up a storm that shipwrecks a human, his guilt forces him to save her. Ella is drawn to the vulnerability Zeph hides beneath his otherworldly masculinity and ancient blue eyes. And her honesty, empathy, and unique, calming influence leave Zeph wanting...everything. When Eurus threatens Ella, she and Zeph struggle to let go of the past, defend their future, and embrace what they most want—a love that can be trusted. Each book in the Hearts of the Anemoi series is STANDALONE: ' North of Need ' West of Want ' South of Surrender ' East of Ecstasy

"An inherently absorbing...truly extraordinary memoir." --Midwest Book Review "I cried when I read this book. Eli Weintraub grabs you with a memoir that reads like a novel, and just doesn't let go. This is a powerful true story!" -- Connie Shelton, USA Today bestselling author In 1976 Nancy Weintraub was a rebellious teen, a child of the 60s, a free spirit. She and a friend set out, against her parents' wishes, to spend a year in San Miguel de Allende attending art school and perfecting their Spanish. Nancy was in heaven as she experienced international travel and the art scene, but a horrific accident in a lonely Mexican desert took away her life as she knew it. As her family, friends, many doctors, and complete strangers made heroic efforts to save her life, many of her hopes were dashed forever. Unknowingly suffering from Post Traumatic Stress Disorder, Nancy spent the next 10 years running from one bad situation to the next. Trying to reinvent herself, she changed her name to Eli. Her healing really began after learning about the Mexican artist, Frida Kahlo, whose life mirrored her own in so many ways, and meeting an art therapist. Through art therapy, she came to realize that Nancy had died in the wreckage on that rain-slick road, and she didn't know the person who had emerged. It seemed her free-spirited gypsy self was gone. Gradually, the artist and writer Eli emerged from the shell of Nancy, and through art she found her way back to life and love. Frida and Me takes the reader through this remarkable woman's journey, from the giddy days of her once-in-a-lifetime adventure, through the darkest abyss imaginable, putting her on a new path toward helping others recognize art as a tool to heal. Inherently absorbing, singularly fascinating, completely compelling, and truly extraordinary memoir that is as deftly crafted as it is impressively candid." -- Midwest Book Review "This book brought you through the pain and the healing that someone would go through from experiencing PTSD. It showed how it affected family, her, her emotional and physical well being. It inspires a desire to dig deep and find your own healing." -- 5 stars, Amazon review "Powerful read! This memoir was impressive. You always think that people wouldn't tell what they have gone through in their life and I can relate to a few of Nancy/Eli's situations. Very powerful read and I wanted to just sit and read it until I was done, but I couldn't read for 24 hours straight. Very informative, very intuitive. I wanted to just grab this 18 year old girl and hold onto her for every day and help her through the troubles she endured. I now have a little bit more insight into things I have gone through myself and can relate in a very small part. Thank you for sharing all your life endeavors." -- 5 stars on Amazon "Struggles and successes--Oh my gosh, what an emotional, intense story this is. Nancy's then Eli's life experiences are so intense. I felt the strength even through the struggles Eli went through. I loved reading Eli's descriptions of her paintings. Her social experiences as she went through her facts of healing were interesting. I even loved reading the eplog. This story is so moving and I am so glad I took the opportunity to read it." --5 stars "I just read this book in one sitting. I cried through parts of it...This woman has been through a lot. It is a must read." -- Jaxon, 5 star review "This is a must-read! I thoroughly enjoyed the poignant story of Nancy's Eli journey as a young adult traveling through Mexico and honing her skills in art and language. I was mesmerized by all the fun adventure and it's no secret, but tragedy strikes. Heartbreaking for any family to go through, this story is so captivating that you will feel as devastated for everyone involved as those who were right there. This lady was one strong person to go through half of what she did and I found myself cheering her on every step of the way. And after three thousand miles, a stayaway relative and hitchhiking teen lovebirds bound for an Elvis wedding chapel, the Miller sisters might get some answers. No kissing necessary. Definitely no sex. Erica Larson had dreamed of being a lawyer for as long as she could remember, but the job at Ford & Associates--a family business run by a father and his three sons--is sheer drudgery. Erica is ready to pull up stakes and move home--until devilishly handsome but arrogant Brock Ford, the youngest son, makes her an offer she can't refuse. Play his fiancée for a month...maybe two, because his future with the firm depends on deception. Just attend a function here and there. No kissing and definitely no sleeping together. Well...maybe one kiss. Or two. And, before Erica knows it, she's doubting if she can distinguish between fiction and reality, because her heart can no longer tell the difference. Can she stop herself from becoming a victim of his charm before it's too late? If you love cocky heroes, smart men who can't be tamed, and happily ever afters, this book is for you!

Using the Lectionary as a supplemental catechetical resource that helps you bring the richness of the Lectionary and the liturgical year into your catechetical program. It can be used in Catholic school programs, during the process of preparing children for Christian initiation, or as a supplement to a traditional basal text for Catholic school or parish religious education programs. It has been changed from a school year annual to now follow the pattern of the Lectionary. It includes sessions for every Sunday of the liturgical year (Advent, Christmas Time, Lent, Easter Time, and Ordinary Time), sessions for each day of the Sacred Paschal Triduum, and sessions for holidays, solemnities, and feasts so that you can use it in a variety of catechetical settings. Each session is easily adapted to your specific needs and time constraints, with sessions designed so that you can lead class discussions and activities with minimal preparation and make use of the resources you have on hand. Each session includes: - Background information for the catechists - Ways to connect the children's lives with the liturgical year - Full text of the day's Gospel reading and an age-appropriate guided reflection - Gospel-related activities - A take-home page for the families to do during the week

[Pain will change you more profoundly than success or good fortune.] You can experience pain in the midst of life's pain. All of us suffer. Yet, this suffering! shakes up our expectation, guts our goal, plunders our priority, devastates our dream, and votes no to what we may value the most!shifts our perspective and opens our hearts to the power to choose. How will we respond to suffering? In our response lies our opportunity to be at our most powerful, to allow our pain to change us in remarkably fruitful ways. Your Pain Is Changing You does not attempt to answer the question of why we suffer but rather provides the way to persevere. David Crosby's true-life stories lead readers deep into suffering and deeper into their own theological perspective. In reading about the suffering of others, men and women will soon find their interest in the stories has led them to empowering God-based truths. Truths that enable them to take charge of their response to pain, dramatically change their quality of life, as well as positively impact those around them. We cannot choose whether sorrow will interrupt us. We can choose our response, our character, and share that victory with others.

Quinn Colson returns to Jericho, Mississippi, and gets pulled back into a world of greed and violence in this gritty, darkly comic tale from New York Times bestselling Southern crime master Ace Atkins. After being voted out of office and returning to the war zone he'd left behind, Quinn Colson is back in Jericho, trying to fix things with his still-married high school girlfriend and retired Hollywood stuntman father. Quinn knows he doesn't owe his hometown a damn thing, but he can't resist the pull of becoming a lawman again and accepts a badge from his former colleague, foul-mouthed acting Sheriff Lillie Virgil. But officers have fought corruption in Tibbehah County before, but the case they must confront now is nothing like they've ever seen... When a former high school cheerleader is found walking a back road completely engulfed in flames, everyone in Jericho wants answers for the senseless act of violence. As Quinn and Lillie uncover old secrets and new lies, the entire town turns against them, and they soon learn that the most dangerous enemies may be the ones you trust most.

This Jade World centers on a Thai American who has gone through a series of life changes. In Sukrungruang married young to an older poet. On their twelfth anniversary, he received a letter asking for a divorce, sending him into a despairing spiral. How would he define himself when he was suddenly without the person who shaped and helped mold him into the person he is? After all these years, he asked himself what he wanted and found no answer. He did not even know what wanting meant. And so, in the year between his annual visits to Thailand to see his family, he gave in to urges, both physical and emotional; found comfort in the body, many bodies; fought off the impulse to disappear, to vanish; until he arrived at some modicum of understanding. During this time, he sought to obliterate the stereotype of the sexless Asian man and began to imagine a new life with new possibilities. Through ancient temples and the lush greenery of Thailand, to the confines of a stranger's bed and a devouring couch, This Jade World chronicles a year of mishap, exploration and experimentation, self-discovery, and eventually, healing. It questions the very nature of love and heartbreak, uncovering the vulnerability of being human.

The Monk - The Artist - The Aunt - The Essayist - The Woman - The Jesuit - The Mother - Self-Portrait Berrigan's Portraits is his first completely biographical work, and it is perhaps his most intimate book. Here he speaks candidly of some of the people he has known and admired, the people of fame and people who will probably never be memorialized or even remembered outside these pages. Here are Thomas Merton, Dorothy Day, Peter Maurin--guides to the vision that has inspired Berrigan's own witness to Christian peace. Here is an unknown woman painter, dying of cancer but gifted with uncanny powers of insight. Here are members of Berrigan's own family a tough-minded aunt, who found in the currently outmoded pieties of the past a remedy for the terrible day-in-and-day-out of the religious life; his own mother, providential, foreseeing, compassionate. Lastly there is a self-portrait--not in a convex mirror, not a picture at an exhibition--of what has been the meaning of these various people and of their influence on him and his work.

They're beautiful. They're popular. They're dead. . . . From the moment Hannah Sanders arrived in town, she felt there was something wrong. A lot of houses were for sale, and the town seemed infcted by an unearthly quiet. And then, on Hannah's first day of classes, she ran into a group of cheerleaders -- the most popular girls in school. The odd thing was that they were nearly identical in appearance: blonde, beautiful, and deathly pale. But Hannah wants desperately to fit in -- regardless of what her friend Lukas is telling her: If she doesn't watch her back, she's going to be blonde and popular and dead -- just like all the other zombies in this town. . . . This foray into the world of the living dead is suspenseful and downright terrifying, with an ending right out of a classic film." -- Kirkus Reviews
