The Moving Picture World

For solo viola, this book is a collection of straightforward wedding arrangements without piano. Inside you will find the most commonly requested music for wedding ceremonies, from traditional favorites to beautiful classical pieces that are sure to provide an elegant musical experience

A book of traditional Celtic tunes arranged for cellos with rockin' groove and chop-based accompaniments. Includes forty-seven tunes from Ireland, Scotland, the Shetland Isles, and

Canada in duet arrangements, all chosen with cellists in mind and in a variety of styles including jigs, slip jigs, reels, strathspeys, planxtys and airs in traditional keys. Performing in the groove is so important for string players that the American String Teachers Association recognizes this skill as a separate category in their Alternative String Style Awards. Playing these idiomatic and often syncopated accompanimental patterns is a great way to learn these styles. Companion CD includes all arrangements performed by the author.

Imagine a campfire! Envision sitting around the bright flames with your friends and family singing songs out in the great

expanse. Imagine that those melodies you sing stir up joy, hope, and belief in the great wonders of the world. Melodies have connected different kinds of people for many, many years. Music brings us closer, and music makes any occasion more festive and memorable. This book was written to promote the love of old folk melodies, provide processional music for special celebrations, and to include players of all levels. Music educators will find that there are many possibilities and combinations for practice and performance. Includes a 16-page section of twelve selected pieces for an optional cello part. It is my great hope that music students, families, and educators will all

enjoy this very special collection of Beautiful Melodies from Around the World.

Handel's English church music spans the complete period of his

active career in London: his first anthem and the Utrecht Te Deum were composed soon after his arrival in London, and his last works nearly 40 years later. The repertory, which includes the Coronation Anthem Zadok the Priest, forms one of the most impressive and engaging areas of Baroque church music. Most of it was stimulated by Handel's creative contact with the English Chapel Royal, a group of professional singers in a different tradition from the opera stars with whom he worked in the theatre. This is the first full-length study of Handel's English Church music. As well as dealing with the many aspects of the compositions themselves, it traces the

background to the diverse items in the repertory, which relates directly to Handel's constant but changing relationship with the Hanoverian British royal family, and was affected by political and dynastic events. It also examines the circumstances of Handel's performances, the building which (unlike his theatres) still survives in London today.

Finally, the challenging task of selecting and organizing music for your wedding has been simplified. Step-by-step, award-winning songwriters and wedding music experts Barbara Rothstein and Gloria Sklerov reveal the secrets of creating the perfect wedding music program, from romantic entrance to

last dance. How to Set Your Wedding to Music details everything you need to know to create a magical day, whether you're planning a formal church wedding or a casual outdoor ceremony. Here you will find inside information on bands, DJs, equipment, and contracts, as well as sample music programs, song lists, planning and budgeting tips, and much more. Pages of workbook space give you plenty of room to take notes, and the companion CD -- perfect for playing at any wedding -- will inspire you with thirteen traditional wedding classics. Charlie Parker's brother, Ron, is ready for the happiest day of his life when he will marry long-time girlfriend Victoria Morgan. Charlie will be matron of honor, her husband Drake the best man. But when Charlie stops by the bride's house to pick her up for the ceremony, the place is in disarray and Victoria is missing. And Ron has no proof of where he was the night before, after he and his fiancée had a terrible argument. Was the fight nothing more than pre-wedding jitters, as Ron claims? Or did the unthinkable happen? Things go from bad to worse when the media jumps on the story and the police treat Ron as a suspect. However, as usual, the answers are

not quite so simple. Charlie has her hands full sorting out clues from the distant past, learning things about Victoria none of them knew. Wedding Music for String Quartet includes 14 favorites for weddings, recitals, parties and receptions. New adaptations of these arrangements allow each musician to share melodic, harmonic and accompanying elements. These quartets are well suited for intermediate to advanced musicians and include bowings, fingerings, articulations and dynamics. Includes four separate pull-out parts for violin 1, violin 2, cello and viola. Position Pieces for Cello is designed to give students a logical and fun way to

learn their way around the fingerboard. Each hand position is introduced with exercises called "Target Practice," "Geography Quiz," and "Names and Numbers." Following these exercises are tuneful cello duets which have been specifically composed to require students to play in that hand position. In this way, students gain a thorough knowledge of how to find the hand positions and, once there, which notes are possible to play. Using these pieces (with names like "I Was a Teenage Monster," "The Irish Tenor," and "I've Got the Blues, Baby"), position study on the cello has never been so much fun!

Expertly arranged Violin Duets by Georg Philipp Telemann from the Kalmus Edition series. This is from the Baroque era.
