Natural History of Animals

In the first biography of Joan Crawford to give the full, uncensored story, bestselling author David Bret tells Crawford's rags to riches climb, from working in a Kansas City laundry to collecting an Oscar for

Download Free Weedeater Featherlite Manual

her defining role in Mildred Pierce, and on to her devotion to Christian Science and reliance on vodka. He discusses the star's legendary relationship with Clark Gable, her countless love affairs, her marriages -- three of them to gay men -- and her obsession

Download Free Weedeater Featherlite Manual

with rough sex. Bret divulges what really happened that led her to disinherit two of her four children, earning her the nickname "Mommie Dearest," as well as how her loathed mother forced Crawford to work as a prostitute, appear in

pornographic films, and sleep her way to the top. Bret analyzes Crawford's films, many of which were constructed purely as vehicles where actress and character were often indistinguishable. Overtly generous towards her coterie of

gay friends, she was heartless towards her enemies, particularly Bette Davis, her co-star in Whatever Happened to Baby Jane, with whom she shared a lifelong feud. Drawing on a wealth of unpublished material and interviews, David Bret

presents a unique, fascinating portrait of a single-minded, uncompromising woman. Here is a portrait of Emily Carr, a fine literary work that is impressionistic rather than exact, betraying the artist intact in spirit, fortitude, and legacy.
