"black girl love" is a collection of well-crafted contemporary stories told from a black girls perspective on life and loving other "grown" black girls. Full of highs, lows and sex thrown in the middle of, "black girl love" contains over twenty-five stories and poems covering life, love and sex, featuring characters you will love, hate and want to fuck all at the same time.

"A good girl is someone who hasn't encountered the perfect temptation." Ladylike heiress Audrey Weathersby is careful to never rock her family's boats. They don't even know about her ex-girlfriends or her fake IDs. But it's that fake ID that leads her to the hottest club in the city. While her friends tear up the dancefloor, however, Audrey meets the foil to her suppressed desires and curiosity. Dylan. The resident bad girl with an affinity for good girls like Audrey. What begins as a torrid fling soon transforms into

something that opens Audrey's eyes to the life she's always wanted. The longer she's with Dylan, the more she realizes the sources of her suffocation. A toxic family. Airheaded friends. Caring for nothing but the trappings of wealth. "A bad girl is someone who refuses to accept the status quo." Dylan has dated her fair share of heiresses, but Audrey is the first one to make her believe in a chance at love. Yet it's not easy to give over to someone like Audrey. She represents everything Dylan has spent her whole life rejecting, for she knows all too well what it's like to be forced into the good girl role. And her past is constantly threatening to ruin everything she's built for herself since her darkest days. "Good girls don't go bad. They save themselves." The fatalistic love that haunts both Dylan and Audrey will last the summer. After that? Someone will have to give up the only life they've ever known. Easier said than

done. Please note that this book contains examples of transphobia and growing up in an abusive cult.

These poems capture the romance, irony, and pathos of love; they movingly chronicle days in post-9/11 New York and bring a fresh perspective to an array of subjects -- from the Brooklyn Bridge to Gertrude Stein to Buddhism. When a Woman Loves a Man is playful, inventive, and as amusing as it is clever; it is the work of a poet at the height of his lyrical and reflective powers.

- Quit being the family ATM***

with her conspiracy-believing, weed-smoking, AGNOSTIC grandfather after her mother is thrown in jail. She fights to maintain her righteousness alongside a new onslaught of friends, drugs, and with no help from the Circleville youth group.

When a woman loves a man it's like all the cliches you have ever heard. She "stands by her man." He has "sunshine on a cloudy day." She makes him feel like "a natural man." When a woman loves a man you are looking at how Christ loves. She puts his needs before her own. She focuses on what he needs and how he needs it. When a woman loves a man she is his

biggest cheerleader and encourager. She will go to great lengths to protect him and promote him. Although Jezebel was definitely an ungodly woman she showed her love for Ahab, even though that love contributed to her death. When a woman loves a man she stands by him against all odds, in front of him against all foes, and behind him to protect his back. The Bible states that God took part of the man's rib and made the woman. This is significant for many reasons, one of which teaches us that the woman's love would be expressed in her protection of her husband emotionally. The ribcage protects the vital organs like the heart

and the lungs. Yes, God has made man the physical protector of the woman but He's equaled the playing field by making the woman the emotional protector of the man. It has been said that man is the head, but it is the woman that turns the head. In Titus chapter 2 the older women are to teach the younger women how to love their husbands. When a Woman Loves a Man will explore and explain the characteristics that a woman demonstrates that expresses her love to her man in the way that God intended. On 25 February 1956, twenty-three-year-old Sylvia Plath walked into a party and immediately spotted Ted Hughes. This

encounter - now one of the most famous in all literary history - was recorded by Plath in her journal, where she described Hughes as a 'big, dark, hunky boy'. Sylvia viewed Ted as something of a colossus, and to this day his enormous shadow has obscured Plath's life and work. The sensational aspects of the Plath-Hughes relationship have dominated the cultural landscape to such an extent that their story has taken on the resonance of a modern myth. After Plath's suicide in February 1963, Hughes became Plath's literary executor, the guardian of her writings, and, in effect responsible for how she was perceived. But

Hughes did not think much of Plath's prose writing, viewing it as a 'waste product' of her 'false self', and his determination to market her later poetry - poetry written after she had begun her relationship with him - as the crowning glory of her career, has meant that her other earlier work has been marginalised. Before she met Ted, Plath had lived a complex, creative and disturbing life. Her father had died when she was only eight, she had gone out with literally hundreds of men, had been unofficially engaged, had tried to commit suicide and had written over 200 poems. Mad Girl's Love Song will trace through these early years the

sources of her mental instabilities and will examine how a range of personal, economic and societal factors - the real disquieting muses - conspired against her. Drawing on exclusive interviews with friends and lovers who have never spoken openly about Plath before and using previously unavailable archives and papers, this is the first book to focus on the early life of the twentieth century's most popular and enduring female poet. Mad Girl's Love Songreclaims Sylvia Plath from the tangle of emotions associated with her relationship with Ted Hughes and reveals the origins of her unsettled and unsettling voice, a voice that,

fifty years after her death, still has the power to haunt and disturb.

Sappho, the legendary archaic Greek lyric poet from the island of Lesbos. As with all his audaciously frontline poetry and fiction, Reed places history as now in the present, mediated over by update, rather than consigned to the irretrievable past. As a pioneering reaction to academic attempts to literally recreate a poetry that exists only in fragmentary form, he remakes and expands on the possibilities of meaning in predominantly same-sex motivated poetry in a way that will bring one of the greatest poets of ancient Greece alive to 21st-century readers. Only Jeremy Reed would dare override scholars from the viewpoint of presenting Sappho in a legacy that extends to new generations of her admirers,
