When your nemesis also happens to be your fiancé, happily ever after becomes a lot more complicated in this wickedly funny, lovers-to-enemies-to-lovers romantic comedy debut. Naomi Westfield has the perfect fiancé: Nicholas Rose holds doors open for her, remembers her restaurant orders, and comes from the kind of upstanding society family any bride would love to be a part of. They never fight. They're preparing for their lavish wedding that's three months away. And she is miserably and utterly sick of him. Naomi wants out, but there's a catch: whoever ends the engagement will have to foot the nonrefundable wedding bill. When Naomi discovers that Nicholas, too, has been feigning contentment, the two of them go head-to-head in a battle of pranks, sabotage, and all-out emotional warfare. But with the countdown looming to the wedding that may or may not come to pass, Naomi finds her resolve slipping. Because now that they have nothing to lose, they're finally being themselves—and having fun with the last person they expect: each other. When Ella Longfield overhears two attractive young men flirting with teenage girls on a train, she thinks nothing of it. The next day, she wakes up to the news that one of the girls - beautiful, green-eyed Anna Ballard - has disappeared. A year later, Anna is still missing. Ella is wracked with guilt over what she failed to do, and she's

It doesn't matter that Sierra hasn't set foot in Maple Run in fifteen years—the Westmoores are not allowed. But small towns don't leave a lot of room to hide, and Sierra and her brother, Drake, have set their sights on improving the town's opinion of them now that their father is gone. Lucy doesn't believe any Westmoore could have good intentions, and although she may have to play nice with Sierra, it doesn't mean she's going to like it.

and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother’s dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called “calorie restriction,” eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, “Your eyelashes are invisible, okay? You think Dakota Fanning doesn’t tint hers?” She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I’m Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi (“Hi Gale!”), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *iCarly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I’m Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair. A gripping story of survival and the razor’s-edge difference between perfect cruelty and perfect love. “This isn’t meant to be a confession. Not in any spiritual sense of the word. Ben Gibson is many things, but he's not sorry and he's not a liar. He will tell you exactly about what happened on what started as a simple school camping trip in the mountains. Because after what happened on that mountain, time is the one thing he has plenty of. Smart, dark, and twisty, *When I Am Through With You* will leave readers wondering what it really means to do the right thing.

THE STORY: TUESDAYS WITH MORRIE is the autobiographical story of Mitch Albom, an accomplished journalist driven solely by his career, and Morrie Schwartz, his former college professor. Sixteen years after graduation, Mitch happens to catch Morrie's Transactional Analysis delineates three observable ego-states (Parent, Adult, and Child) as the basis for the content and quality of interpersonal communication. "Happy childhood" notwithstanding, says Harris, most of us are living out the Not ok feelings of a defenseless child, dependent on ok others (parents) for stroking and caring. At some stage early in our lives we adopt a "position" about ourselves and others that determines how we feel about everything we do. And for a huge portion of the population, that position is "I'm Not OK -- You're OK." This negative "life position," shared by successful and unsuccessful people alike, contaminates our rational Adult capabilities, leaving us vulnerable to inappropriate emotional reactions of our Child and uncritically learned behavior programmed into our Parent. By exploring the structure of our personalities and understanding old decisions, Harris believes we can find the freedom to change our lives.

Cardinal Timothy M. Dolan offers a powerful, universal message on God's grace and the healing power of Jesus to get us through tough and turbulent times. Drawn from sermons and writings offered during the early days of the 2020 COVID-19 pandemic, I Am with You provides solace, hope, and healing for anyone suffering through illness, grief, job loss, isolation, or anxiety. A Message from Cardinal Dolan: Dear Readers, I offer the words in this book to you for many reasons, but here are three. One, to capture a moment in time—in history—when all of us, including our holy Church, were challenged in ways we never expected. Two, to help us look back on this time and sense where God was present during the pandemic. And three, to help us to look forward by reminding all of us that whatever we are facing in life, Jesus is always with us. Always. - CARDINAL TIMOTHY M. DOLAN

*New York Times and Los Angeles Times bestseller! From the bestselling author of *The Beauty of What Remains*, a guide to writing a meaningful letter about your life. Writing an ethical will, a document that includes stories and reflections about your past, is an ancient tradition. Beloved Rabbi Steve Leder has helped thousands of people to write their own ethical wills, and in this intimate book helps us write our own. Because our culture privileges the material over the spiritual, we sometimes forget that our words carry greater value than any physical thing we can bequeath to our loved ones. Rabbi Leder provides all the right questions and prompts, including: What was your most painful regret and how can your loved ones avoid repeating it?
