

When Marian Sang The True Recital Of Marian Anderson

In this uplifting memoir, the acclaimed singer reflects “on life, the arts, and spirituality . . . Inspiring” (Booklist). Jessye Norman is one of the world’s most admired and beloved singers—and her life story is as moving and dramatic as the great operatic roles she has performed on stage. Born and raised in Augusta, Georgia, she studied the piano and sang the songs of her childhood, never dreaming that this passion for music might lead to her life’s profession. Here she presents “a rich portrait of a childhood firmly grounded by family, church and community,” and recalls in rich detail the strong women who were her role models, from her ancestors to family friends, relatives, and teachers (The Wall Street Journal). She also discusses her relationship with the pioneering African American singer Marian Anderson—revealing the lifelong support she provided through her example of dignity and grace at all times. Norman also describes coming face-to-face with racism, both as a child living in the segregated South and as an adult out and about in the world. Filled with inspiration and wisdom, Stand Up Straight and Sing! is not just for lovers of music, but for everyone.

A thoroughly entertaining and darkly humorous roundup of history’s notorious but often forgotten female con artists and their bold, outrageous scams—by the acclaimed author of Lady Killers. From Elizabeth Holmes and Anna Delvey to Frank Abagnale and Charles Ponzi, audacious scams and charismatic scammers continue to intrigue us as a culture. As Tori Telfer reveals in Confident Women, the art of the con has a long and venerable tradition, and its female practitioners are some of the best—or worst. In the 1700s in Paris, Jeanne de Saint-Rémy scammed the royal jewelers out of a necklace made from six hundred and forty-seven diamonds by pretending she was best friends with Queen Marie Antoinette. In the mid-1800s, sisters Kate and Maggie Fox began pretending they could speak to spirits and accidentally started a religious movement that was soon crawling with female con artists. A gal calling herself Loreta Janeta Velasquez claimed to be a soldier and convinced people she worked for the Confederacy—or the Union, depending on who she was talking to. Meanwhile, Cassie Chadwick was forging paperwork and getting banks to loan her upwards of \$40,000 by telling people she was Andrew Carnegie’s illegitimate daughter. In the 1900s, a 40something woman named Margaret Lydia Burton embezzled money all over the country and stole upwards of forty prized show dogs, while a few decades later, a teenager named Roxie Ann Rice scammed the entire NFL. And since the death of the Romanovs, women claiming to be Anastasia have been selling their stories to magazines. What about today? Spoiler alert: these “artists” are still conning. Confident Women asks the provocative question: Where does chutzpah intersect with a uniquely female pathology—and how were these notorious women able to so spectacularly dupe and swindle their victims? After traveling around the world to make sure that the view from his screen porch is the best, an old wolf tries drastic measures to get his house back from the rabbit family that bought it. Full color.

Leontyne Price: Voice of a Century

What was made of rags and bones, soot and seeds? What took a mountain to make? For the answer, travel back to the fifteenth century—to a time when books were made by hand and a man named Johannes Gutenberg invented a way to print books with movable type. Written as a series of riddles and illustrated in the style of medieval manuscripts by an award-winning

author and artist, From the Good Mountain will intrigue readers of all ages. On every page there is something surprising to learn about how the very thing you are holding in your hands came to be.

A mysterious customer walks into Mr. Music Man's Marvelous Music Shop and asks the owner for an instrument known as a didgeridoo, which the customer needs in order to play special sounds with all of his friends.

Accompanied by John Holyfield's gorgeous illustrations, debut author Nina Nolan's narrative wonderfully captures the amazing story of how Mahalia Jackson became the Queen of Gospel in this fascinating picture book biography. Even as a young girl, Mahalia Jackson loved gospel music. Life was difficult for Mahalia growing up, but singing gospel always lifted her spirits and made her feel special. She soon realized that her powerful voice stirred everyone around her, and she wanted to share that with the world. Although she was met with hardships along the way, Mahalia never gave up on her dreams. Mahalia's extraordinary journey eventually took her to the historic March on Washington, where she sang to thousands and inspired them to find their own voices. With a timeline and further reading section, this book is perfect for Common Core.

A boy rides a bicycle down a dusty road. But in his mind, he envisions himself traveling at a speed beyond imagining, on a beam of light. This brilliant mind will one day offer up some of the most revolutionary ideas ever conceived. From a boy endlessly fascinated by the wonders around him, Albert Einstein ultimately grows into a man of genius recognized the world over for profoundly illuminating our understanding of the universe. Jennifer Berne and Vladimir Radunsky invite the reader to travel along with Einstein on a journey full of curiosity, laughter, and scientific discovery. Parents and children alike will appreciate this moving story of the powerful difference imagination can make in any life.

Chronicles the landmark 1939 concert, offers insight into the period's racial climate, describes Eleanor Roosevelt's resignation from the DAR for barring Anderson's performances, and pays tribute to the singer's significant contributions.

Drawing on Anderson's own writings and other first-person accounts, this book shows how the singer pursued her art in the context of the social and political climate of the day.

A stunning picture-book biography of iconic African American opera star Leontyne Price. Born in a small town in Mississippi in 1927, the daughter of a midwife and a sawmill worker, Leontyne Price might have grown up singing the blues. But Leontyne had big dreams—and plenty to be thankful for—as she surrounded herself with church hymns and hallelujahs, soaked up opera arias on the radio, and watched the great Marian Anderson grace the stage. While racism made it unlikely that a poor black girl from the South would pursue an opera career, Leontyne's wondrous voice and unconquerable spirit prevailed. Bursting through the door Marian had cracked open, Leontyne was soon recognized and celebrated for her leading roles at the Metropolitan Opera and around the world—most notably as the majestic Ethiopian princess in Aida, the part she felt she was born to sing. From award-winners Carole Boston Weatherford and Raul Colón comes the story of a little girl from Mississippi who became a beloved star—one whose song soared on the breath of her ancestors and paved the way for those who followed.

Do You Do a Didgeridoo?

A Story of Young Harriet Tubman

A lyrical picture book biography of Janet Collins, the first African American principal dancer at the Metropolitan Opera House. Janet Collins wanted to be a ballerina in the 1930s and 40s, a time when racial segregation was widespread in the United States. Janet pursued dance with a passion, despite being rejected from discriminatory dance schools. When she was accepted into the Ballet Russe de Monte Carlo as a teenager on the condition that she paint her skin white for performances, Janet refused. She continued to go after her dreams, never compromising her values along the way. From her early childhood lessons to the height of her success as the first African American prima ballerina in the Metropolitan Opera, *Brave Ballerina* is the story of a remarkable pioneer as told by Michelle Meadows, with fantastic illustrations from Ebony Glenn.

A biography of Sarah Breedlove Walker who, though born in poverty, pioneered in hair and beauty care products for black women, and became a great financial success.

Jewish émigré scientist, meets Delia Daley, a young Philadelphia Negro studying to be a singer. Their mutual love of music draws them together, and--against all odds and better judgment--they marry. They vow to raise their children beyond time, beyond identity, steeped in song. But their three children must survive America's brutal here and now. Jonah, Joseph, and Ruth grow up during the Civil Rights era, come of age in the violent 1960s, and live out adulthood in the racially retrenched late century. Jonah, the eldest, "whose voice could make heads of state repent," follows a life in his parents' beloved classical music. Ruth, the youngest, chooses a militant activism and repudiates the white culture her brother represents. Joseph, the middle child and the narrator of this generational tale, struggles to remain connected to them both. *The Time of Our Singing* is a story of self-invention, allegiance, race, cultural ownership, the compromised power of music, and the tangled loops of time that rewrite all belonging.

There is a massive amount of historical information available about Marian Anderson in over twenty biographies, her extensive personal papers at the University of Pennsylvania Library, the National Marian Anderson Historical Society's Residence Museum, various PBS documentaries, the Smithsonian Institute, the Internet and undocumented verbal stories that have circulated in her home town of Philadelphia for years. Researching her long 96-year life was an exciting privilege, but time-consuming. Those who may remember Marian Anderson as simply a "great singer," are probably missing 90% of what this trailblazing humanitarian's contribution to our society really accomplished. Readers of this condensed chronological compilation can now more quickly realize, and learn to appreciate, the teachable lessons of Marian Anderson's well-lived long life---possibly in just one or two sittings, stimulating further future study of her from the above sources and the list of books included in the Appendix. At one time the press consistently covered Marian Anderson and she was written into history books, but that is no more. If students do not learn about her and people don't talk about her, they forget. Through a series of events, in March of 2019, I discovered the National Marian Anderson Historic Society that is headquartered in the Anderson Family's home, that is now an official historic residence museum, in my hometown of Philadelphia. It took me a few more visits to begin to absorb what is there. After each visit, I left with mixed feelings of awe, newfound respect, and embarrassment.... How could I, having lived in Philadelphia for so long---not far from the very home Marian Anderson purchased in 1924, now a museum---in a neighborhood I went through frequently, have absolutely no idea

that I was passing in the vicinity of such greatness? After reading Marian Anderson's autobiography, my hunger to know more lead me to discover over twenty other biographies from excellent books for school children up to several well-researched works by distinguished scholars. It is with the latter academic group that I have principally drawn on to compile and condense the information presented in this book, along with additional expert creditable eyewitness sources not previously publicly disclosed.
