It would be the tale of Gesine Cresspahl, a thirty-four-year-old single mother who is a German émigré to Manhattan 's Upper West Side, and of her ten-year-old daughter, Marie—a story of work and school, of friends and lovers and the countless small

that make up big-city life.  
An everyday tale, but also  
a tale of the events of the  
day, as gleaned by Gesine  
from The New York  
Times: Johnson could  
hardly foresee the  
convulsions of 1968, but  
some of the news—the  
racial unrest roiling  
America, the escalating  
war in Vietnam—was

Finally, it would be a tale told by Gesine to Marie about Gesine ' s childhood in a small north German town, of her independent and enterprising father, of her troubled mother, of Nazi Germany (Gesine was born the year Hitler came to power) and World War II and Soviet retribution

for the first time. As a  
novel, Uwe Johnson's  
masterpiece,

Anniversaries, is at once  
daringly simple in  
conception and  
wonderfully complex  
and engaging in effect.  
Late in 1967, Johnson,  
already one of the most  
celebrated German  
novelists of his  
generation, set out to  
write a book that would

Online Library  
When She Talked  
Back By Alesana

take the form of an  
entry for every day of  
the year that lay ahead.

The first section was  
dated August 20, and  
Johnson had of course  
no idea what the year  
would bring--that was  
part of the  
challenge--but he did  
have his main  
character--Gesine  
Cresspahl, a German  
emigre living on the

Upper West Side of  
New York City and  
working as a translator  
for a bank who is the  
single mother of a ten-  
year-old daughter,  
Marie. The book would  
tell the story of a year in  
the life of this little  
family in relation to the  
unfolding story of the  
year, as winnowed from  
the pages of the New  
York Times, of which

Online Library  
When She Talked

Gesine is a devoted if  
wary reader. These  
stories would in turn be  
overlayed by

another--Gesine is 34,  
born just as Hitler was  
coming to power, and  
she has decided to tell  
Marie the story of her  
grandparents' lives and  
of her own rural  
childhood in Nazi  
Germany. It is important  
that Marie know where

and what she comes from. The days of the year are also anniversaries of years past. The world that was and the world of the 1960s--with the struggle for civil rights leading to riots in American cities and, abroad, the escalating destruction of the Vietnam War--are, in the end, one world.

Anniversaries was

Online Library  
When She Talked

published in four  
volumes over the more  
than ten years that it  
took Johnson to write it,  
and as the volumes came  
out it became clear that  
this was one the great  
twentieth-century  
novels. The book courts  
comparison to Joyce's  
Ulysses, the book of a  
day, and to Proust's In  
Search of Lost Time, the  
book of a lifetime, but it

Online Library  
When She Talked

stands apart in its dense polyphonic interplay of voices and stories.

Anniversaries is many books--the book of a mother and daughter, of a family and its generations, of the country and the city, and of two times and two countries that seem farther apart perhaps than they are. It is a novel of private life, a

“A book of great value for every daughter and every mother; useful for sons, too.” –Benjamin Spock, M.D. From the Introduction:  
The goal of this book is to help

that separation so  
that they can  
either find a way to

their mothers did  
the best they  
could—even if it  
wasn't “good

enough” –and to  
stop blaming them.

Among the issues  
to be covered: • To  
understand how a  
daughter's  
attachment to her  
mother—more so  
than her  
relationship with  
her father—colors  
all her other

to analyze why it is  
more difficult for  
daughters than  
sons to separate  
from their mothers,  
as well as why  
daughters are  
more subject than  
sons to a mother's  
manipulation • To  
recognize the

• To describe the evolution of the "unpleasable" mother—in all likelihood, she was bereft of maternal love as a child—and to recognize the huge, and often poignant, stake

Kevin is seemingly the embodiment of hip-hop gangsterism—a heavily muscled, feared thug who has beaten a murder rap. And yet, as

Zebratown

offers the

such

transpires  
between a  
couple is  
intensely  
individual.
