When Something Terrible Happens Children Can Learn To Cope With Grief Drawing Out Feelings

Grade level: 1, 2, 3, 4, 5, 6, 7, k, e, p, i, t.

On a day when everything goes wrong for him, Alexander is consoled by the thought that other people have bad days too.

The #1 bestselling inspirational classic from the internationally known spiritual leader; a source of solace and hope for over 4 million readers. Since its original publication in 1981, When Bad Things Happen to Good People has brought solace and hope to millions. In the preface to this edition, Rabbi Kushner relates the heartwarming responses he has received over the years from people who have found inspiration and comfort within these pages. When Harold Kushner's three-year-old son was diagnosed with a degenerative disease that meant the boy would only live until his early teens, he was faced with one of life's most difficult questions: Why, God? Years later, Rabbi Kushner wrote this straightforward, elegant contemplation of the doubts and fears that arise when tragedy strikes. In these pages, Kushner shares his wisdom as a rabbi, a parent, a reader, and a human being. Often imitated but never superseded, When Bad Things Happen to Good People is a classic that offers clear thinking and consolation in times of sorrow.

Even if she has lived ten terrible years, terrible, horrible Edie really isn't terrible and horrible at all, but rather one of the most charming and engaging and gutsy children in American children's fiction. It's true of course that Edie does get into—and not always without it being at least a little bit her fault—some pretty terrible and horrible scrapes, and that sometimes she will sulk, but these are the kinds of things that happen to the kid sister of two snooty boys and one fancy-pants girl, not to mention having to deal with the distraction of two half sisters who are no better than babies. Edie's father and stepmother have headed to Europe for the summer, and though the rest of the family can look forward to good times at a beloved summer house on the sea, Edie still has to fight to hold her own. Adventures on a sailboat and on an island, and the advent of a major hurricane and what Edie takes to be a military coup, all come to a climax when Edie solves the mystery of who stole the neighbor's jewels and saves, at least for one day, the day. This story of Edie and the other members of the Cares family may remind readers of Arthur Ransome's Swallows and Amazons, except that Edie has an experimental, even anarchic streak that is all her terrible, horrible own.

A Terrible Thing Happened

Janet Lansbury is unique among parenting experts. As a RIE teacher and student of pioneering child specialist Magda Gerber, her advice is not based solely on formal studies and the research of others, but also on her twenty years of hands-on experience guiding hundreds of parents and their toddlers. "No Bad Kids" is a collection of Janet's most popular and widely read articles pertaining to common toddler behaviors and how respectful parenting practices can be applied to benefit both parents and children. It covers such common topics as punishment, cooperation, boundaries, testing, tantrums, hitting, and more. "No Bad Kids" provides a practical, indispensable tool for parents who are anticipating or experiencing those critical years when toddlers are developmentally obliged to test the limits of our patience and love. Armed with knowledge and a clearer sense of the world through our children's eyes, this period of uncertainty can afford a myriad of opportunities to forge unbreakable bonds of trust and respect.

The arrival of a strict substitute convinces Miss Nelson's students that they must get their teacher back.

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

A Book that Helps Kids Learn the Difference Between Tattling and Telling No one likes "Josh the Tattler" because he tattles way too much. He tattles on his classmates, his brother, and even his dog! But one night Josh wakes up to find that his tongue is very long, yellow, covered in bright purple spots, and itchy, itchy, Scratchy, Scratchy... Will a bad case of Tattle Tongue teach him a lesson? A Bad Case of Tattle Tongue gives teachers and counselors a humorous, cleverly creative way to address the time-consuming tattling-related issues that often sap classroom energy and thwart teaching opportunities. Parents who "battle the tattle" at home, on the playground, in the grocery store, or anywhere else can use this book to both entertain and enlighten their children about "The Tattle Rules." Every adult who desires to help children understand the differences between tattling and the need to warn others about important matters needs this book!

Alexander and the Terrible, Horrible, No Good, Very Bad Day

Something Bad Happened

Why Do Sad, Bad Things Happen

A Tale Told in Ten Blocks

Look Both Ways

After discussing the police shooting of a local Black man with their families, Emma and Josh know how to treat a new student who looks and speaks differently than his classmates.

This masterfully crafted horror classic, featuring a brand-new introduction by Dan Simmons, will bring you to the edge of your seat, hair standing on end and blood freezing in your veins It's the summer of 1960 and in the small town of Elm Haven, Illinois, five twelve-year-old boys are forging the powerful bonds that a lifetime of change will not break. From sunset bike rides to shaded hiding places in the woods, the boys' days are marked by all of the secrets and silences of an idyllic middle-childhood. But amid the sundrenched cornfields their loyalty will be pitilessly tested. When a long-silent bell peals in the middle of the night, the townsfolk know it marks the end of their carefree days. From the depths of the Old Central School, a hulking fortress tinged with the mahogany scent of coffins, an invisible evil is rising. Strange and horrifying events begin to overtake everyday life, spreading terror through the once idyllic town. Determined to exorcize this ancient plague, Mike, Duane, Dale, Harlen, and Kevin must wage a war of blood—against an arcane abomination who owns the night...

Katie, a six-year-old girl, loved her life. She had everything she needed: a house in the country with pets, a devoted family, and a fun-loving mom who would do anything for her. Katie had no worries. But, unexpectedly near the end of her kindergarten school year, her mother suffered a life-altering stroke. Katie's mom transitioned from a happy-go-lucky mom to one who lost her ability to walk and talk. For the first time in her life, Katie was really scared and worried what was going to happen to her mother. Although Katie lost her old mom, she gained a new mom who turned out to be very different. Life was altered from what it once was, but it wasn't so bad because through it all, Katie was lucky to have her mom. A book for children, Mom Had a Stroke explores how one little girl felt as she learned to accept and adjust to a new mom with physical challenges, and how, over time, they began to experience happiness as a family again.

New York Times Bestseller USA Today Bestseller The Globe and Mail Bestseller Publishers Weekly Bestseller Whose truth is the lie? Stay up all night reading the sensational psychological thriller that has readers obsessed, from the #1 New York Times bestselling author of It Ends With Us. Lowen Ashleigh is a struggling writer on the brink of financial ruin when she accepts the job offer of a lifetime. Jeremy Crawford, husband of bestselling author Verity Crawford, has hired Lowen to complete the remaining books in a successful series his injured wife is unable to finish. Lowen arrives at the Crawford home, ready to sort through years of Verity's notes and outlines, hoping to find enough material to get her started. What Lowen doesn't expect to uncover in the chaotic office is an unfinished autobiography Verity never intended for anyone to read. Page after page of bone-chilling admissions, including Verity's recollection of the night her family was forever altered. Lowen decides to keep the manuscript hidden from Jeremy, knowing its contents could devastate the already grieving father. But as Lowen's feelings for Jeremy begin to intensify, she recognizes all the ways she could benefit if he were to read his wife's words. After all, no matter how devoted Jeremy is to his injured wife, a truth this horrifying would make it impossible for him to continue loving her.

A Story for Children

Not My Idea

With almost 5 million copies sold 60 years after its original publication, generations of readers have now journeyed with Milo to the Lands Beyond in this beloved classic. Enriched by Jules Feiffer's splendid illustrations, the wit, wisdom, and wordplay of Norton Juster's offbeat fantasy are as beguiling as ever. "Comes up bright and new every time I read it . . . it will continue to charm and delight for a very long time yet. And teach us some wisdom, too." --Phillip Pullman For Milo, everything's a bore. When a tollbooth mysteriously appears in his room, he drives through only because he's got nothing better to do. But on the other side, things seem different. Milo visits the Island of Conclusions (you get there by jumping), learns about time from a ticking watchdog named Tock, and even embarks on a quest to rescue Rhyme and Reason. Somewhere along the way, Milo realizes something astonishing. Life is far from dull. In fact, it's exciting beyond his wildest dreams!

An honest explanation about how power and privilege factor into the lives of white children, at the expense of other groups, and how they can help seek justice. --THE NEW YORK TIMES **A WHITE RAVEN 2019 SELECTION** NAMED ONE OF SCHOOL LIBRARY JOURNAL'S BEST BOOKS OF 2018 Not My Idea: A Book About Whiteness is a picture book about racism and racial justice, inviting white children and parents to become curious about racism, accept that it's real, and cultivate justice. This book does a phenomenal job of explaining how power and privilege affect us from birth, and how we can educate ourselves...Not My Idea is an incredibly important book, one that we should all be using as a catalyst for our anti-racist education. --THE TINY ACTIVIST Quite frankly, the first book I've seen that provides an honest explanation for kids about the state of race in America today. --ELIZABETH BIRD, librarian "It's that exact mix of true-to-life humor and unflinching honesty that makes Higginbotham's book work so well..."--PUBLISHERS WEEKLY (*Starred Review) A much-needed title that provides a strong foundation for critical discussions of white people and racism, particularly for young audiences. Recommended for all collections. --SCHOOL LIBRARY JOURNAL (*Starred Review) A necessary children's book about whiteness, white supremacy, and resistance... Important, accessible, needed. --KIRKUS REVIEWS A timely story that addresses racism, civic responsibility, and the concept of whiteness. --FOREWORD REVIEWS For white folks who aren't sure how to talk to their kids about race, this book is the perfect beginning. --O MAGAZINE

OVER 2 MILLION COPIES SOLD MOSCOW, 1953. Under Stalin's terrifying regime, families live in fear. When the all-powerful State claims there is no such thing as crime, who dares disagree? AN INTERNATIONAL BESTSELLER IN OVER 30 LANGUAGES An ambitious secret police officer, Leo Demidov believes he's helping to build the perfect society. But when he uncovers evidence of a killer at large – a threat the state won't admit exists – Demidov must risk everything, including the lives of those he loves, in order to expose the truth. A THRILLER UNLIKE ANY YOU HAVE EVER READ But what if the danger isn't from the killer he is trying to catch, but from the country he is fighting to protect? Nominated for seventeen international awards and inspired by a real-life investigation, CHILD 44 is a relentless story of love, hope and bravery in a totalitarian world. From the screenwriter of the acclaimed television series, THE ASSASSINATION OF GIANNI VERSACE: AMERICAN CRIME STORY.

#1 NEW YORK TIMES BESTSELLER • Diana Gabaldon returns with the "vast and sweeping" (The Washington Post) new novel in the epic Outlander series. War leaves nobody alone. Neither the past, the present, nor the future offers true safety, and the only refuge is what you can protect: your family, your friends, your home. Jamie Fraser and Claire Randall were torn apart by the Jacobite Rising in 1746, and it took them twenty years of loss and heartbreak to find each other again. Now it's 1779, and Claire and Jamie are finally reunited with their daughter, Brianna, her husband, Roger, and their children, and are rebuilding their home on Fraser's Ridge—a fortress that may shelter them against the winds of war as well as weather. But tensions in the Colonies are great: Battles rage from New York to Georgia and, even in the mountains of the backcountry, feelings run hot enough to boil Hell's teakettle. Jamie knows that loyalties among his tenants are split and it won't be long before the war is on his doorstep. Brianna and Roger have their own worry: that the dangers that provoked their escape from the twentieth century might catch up to them. Sometimes they question whether risking the perils of the 1700s—among them disease, starvation, and an impending war—was indeed the safer choice for their family. Not so far away, young William Ransom is coming to terms with the mysteries of his identity, his future, and the family he's never known. His erstwhile father, Lord John Grey, has reconciliations to make and dangers to meet on his son's behalf and on his own, and far to the north, Young Ian Murray fights his own battle between past and future, and the two women he's loved. Meanwhile, the Revolutionary War creeps ever closer to Fraser's Ridge. Jamie sharpens his sword, while Claire whets her surgeon's blade: It is a time for steel.

Bad Children Can Happen to Good Parents

Red, White & Royal Blue

The Homework Myth

Children Can Learn To Cope With Grief

Go Tell the Bees That I Am Gone

No Bad Kids: Toddler Discipline Without Shame

On April 19, 1995, a man parked a truck in front of the Alfred P. Murrah Federal Building in Oklahoma City. Inside that truck was a bomb. The bomb exploded; people were killed and hurt. But that is not the end of the story. Those who survived began to share their experiences and heal. Near the site of the bomb blast, an American elm tree began to heal as well. It grew new leaves and produced seeds. Renamed the Survivor Tree, it was moved to the grounds of the memorial as a symbol of strength and resilience. The Survivor Tree continues to offer solace to people in Oklahoma City--and to people around the world grappling with tragedy and loss. Released to coincide with the 25th anniversary of the Oklahoma City bombing, this nonfiction picture book from award-winning author Chris Barton and debut illustrator Nicole Xu commemorates what was lost and offers hope for the future.

Death and taxes come later; what seems inevitable for children is the idea that, after spending the day at school, they must then complete more academic assignments at home. The predictable results: stress and conflict, frustration and exhaustion. Parents respond by reassuring themselves that at least the benefits outweigh the costs. But what if they don't? In The Homework Myth, nationally known educator and parenting expert Alfie Kohn systematically examines the usual defenses of homework--that it promotes higher achievement, "reinforces" learning, and teaches study skills and responsibility. None of these assumptions, he shows, actually passes the test of research, logic, or experience. So why do we continue to administer this modern cod liver oil -- or even demand a larger dose? Kohn's incisive analysis reveals how a mistrust of children, a set of misconceptions about learning, and a misguided focus on competitiveness have all left our kids with less free time and our families with more conflict. Pointing to parents who have fought back -- and schools that have proved educational excellence is possible without homework -- Kohn shows how we can rethink what happens during and after school in order to rescue our families and our children's love of learning.

A New York Times bestseller! Amazon Prime's Most Read Title of 2019! An Amazon Best Children's Book of the Month from the New York Times bestselling author of the Goodnight Already! series This is a book about a bad seed. A baaaaaaaaad seed. How bad? Do you really want to know? He has a bad temper, bad manners, and a bad attitude. He's been bad since he can remember! This seed cuts in line every time, stares at everybody and never listens. But what happens when one mischievous little seed changes his mind about himself, and decides that he wants to be—happy? With Jory John's charming and endearing text and bold expressive illustrations by Pete Oswald, here is The Bad Seed: a funny yet touching tale that reminds us of the remarkably transformative power of will, acceptance, and just being you. Perfect for readers young and old, The Bad Seed proves that positive change is possible for each and every one of us.

* Instant NEW YORK TIMES and USA TODAY bestseller * * GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 * * BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instragramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White & Royal Blue proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience Red, White & Royal Blue for the first time!" - Christina Lauren, New York Times bestselling author of The Unhoneymooners "Red, White & Royal Blue is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six

What to Do When You Worry Too Much

"Teaches school-age children cognitive-behavioral techniques to reduce and overcome anxiety, fears, and worry, through writing and drawing activities and self-help exercises and strategies. Includes introduction for parents"--Provided by publisher.

There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . In The Bad Beginning the three youngsters encounter a greedy and repulsive villain, itchy clothing, a disastrous fire, a plot to steal their fortune and cold porridge for breakfast. Then again, why trouble yourself with the unfortunate resolutions? With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

When children learn about something big and bad - even when they hear only bits and pieces - their brains get busy trying to make sense of it. Where did it happen? Why did it happen? And especially, will it happen again? Something Bad Happened guides children ages 6 to 12 and the adults who care about them through tough conversations about national and international tragedies. The non-specific term "bad thing" is used throughout, keeping this a flexible tool, and so children are never inadvertently exposed to events their parents have chosen not to share. Fear, sadness and uncertainty about the "bad thing" all are normalized, and immediately usable coping tools provided. For children and parents to read together, this one-of-a-kind resource by child psychologist and best-selling author Dawn Huebner provides comfort, support and next steps for children learning about troubling world events.

The Little Engine That Could

Help and Healing After the Oklahoma City Bombing

Tumford the Terrible

The special anniversary edition of The Little Engine That Could™ contains the entire text and original artwork. Young readers, as well as parents and grandparents, will treasure the story of the blue locomotive who exemplifies the power of positive thinking.

NATIONAL BESTSELLER • A stunning "portrait of the enduring grace of friendship" (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. A NATIONAL BOOK AWARD FINALIST • A MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambitio they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we are born we make for ourselves. Look for Hanya Yanagihara's new novel, To Paradise, coming in January 2022.

As The Giving Tree turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomp bestselling children's book author and illustrator began with Lafcadio, the Lion Who Shot Back. He is also the creator of picture books including A Giraffe and a Half, Who Wants a Cheap Rhinoceros?, The Missing Piece, The Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every Thing On It, Don't Bump the Glump! Babbit. And don't miss the other Shel Silverstein ebooks, Where the Sidewalk Ends and A Light in the Attic!

"What we have here is a bad case of stripes. One of the worst I've ever seen!" Camilla Cream loves lima beans, but she never eats them. Why? Because the other kids in her school don't like them. And Camilla Cream is very, very worried about what other people think of her. In fact, she's so worried that she's about to break out in...a bad case of stripes!

Check out this bestselling, rollicking, and humorous twist on the classic "first pet" story about a young bear and her favorite pet boy! When Lucy, a young bear, discovers a boy in the woods, she's absolutely delighted. She brings him home and begs her mom to let her keep him, even though her mom warns, "Children make terrible pets." But mom relents, and Lucy gets to name her new pet Squeaker. Through a series of hilarious and surprising scenes, readers can join Lucy and Squeaker on their day of fun and decide for themselves whether or not children really do make terrible pets.

Bad Children Can Happen to Good Parents Hoffman's book challenges and puts an end to the popular myth, "There are no bad children, only bad parents." Dr. Hoffman, author of Bad Children Can Happen to Good Parents, should be considered one of the leading minds in the field of working with "difficult" children. He is a pioneer in the development and understanding of why "uncaring children" do what they do, and why it is so extremely difficult to make successful changes in their behavior. However, most importantly, he has written a book that critically explains how to change these antisocial and maladaptive behaviors. Dr. Hoffman is in full-time private practice in Ormond Beach, Florida, both as a licensed Marriage & Family Therapist and Mental Health Counselor. Dr. Hoffman is certified by the National Board for Clinical Counselors. He is the Clinical Director of Counseling & Psychotherapy Center in Ormond Beach, and the President of the National Board of Forensic Evaluators.Dr. Hoffman began his work with the Devereux Foundation in 1963, specializing as a music therapist for children. In 1969, he then completed a one-year clinical internship at the Menninger Memorial Hospital in Kansas. That experience led to his first book, Hear the Music! A New Approach to Mental Health. His work in the field of organic brain damage led to The Hoffman Organicity Test.From the time of his work at the Hazleton/Nanticoke MH/MR Center in Pennsylvania, in 1976, Dr. Hoffman assisted in the development, training and of child custody evaluations between the mental health center and the Luzerne/Wyoming County Circuit Court. He is an expert witness in the field of forensic mental health evaluations, child custody disputes, and competency assessments throughout the United States. If parents had been aware of what Hoffman describes as "Uncaring Children" there may have been a greater alert to the "red flags" that accompany the tragedies of Columbine and other violent outbursts we have witnessed by children in recent years. Finally, help is available. Dr. Norman E. Hoffman – a highly regarded psychotherapist, specializing in the needs of problem children – gives us relief in knowing that bad children can happen to good parents. Now, there is help and hope for those parents who are seeking to correct the maladaptive behavior of their children.
