A Library of the World's Best Literature, Ancient and Modern: A–Z

*This is book 2 of the Evelina series. Things get even hot. Raised stakes and a matter of life or death. Mankind's existence rest on the shoulders of one woman. The Omega. The first woman has become the last woman. The only true seal. What if it was all planned before this world was created? To save all humanity, mankind must find the only true key; the Omega. On the other hand, to restore the lost kingdom of darkness, the devil must find the most wanted catalyst; The Omega. When everyone's fate is in your hands what are the risks to yourself? It is a dash against time as total obliteration of the losing team is imminent and inevitable. It is a story of courage, steadfast and honor in the face of death. When loyalty is tested to breaking points. When the person you are to protect is the same person you must kill to save humanity from extinction? Some choices are meant for gods as humans are too weak and unequipped to handle such traumatic experiences. One man's quest to solve God's Dilemma, but at what cost? One lady's quest to clear her name and enjoy life like every woman out there, but with what is at stake will the evil regime turn a blind eye?And at what expense?On the edge of the seat from the word go. A MUST READ.*

*"Haunting and hopeful...a magic so vivid it feels more like a memory than a work of fiction."—Alex E. Harrow, New York Times bestselling author of The Once and Future Witches NAMED A MOST-ANTICIPATED BOOK BY Good Housekeeping, Gizmodo, Den of Geek, Tor.com, and more! Walk through the door and leave all your problems behind...but you don't know what's on the other side. And once you leave, you'll never come back. Will you go through? Maren Walker told herself she wouldn't need to sell pills for long, that it was only means to an end. But that end seems to be stretching as far away as the other side of Blackdamp County, Kentucky. There's always another bill for Granny's doctor, another problem with the car, another reason she's getting nowhere. She dreams of walking through her little door to leave it all behind. The doors have appeared to the people in her mountain town for as long as anyone can remember, though no one knows where they lead. All anyone knows is that if you go, you'll never come back. Maren's mother left through her door when Maren was nine, and her shadow has followed Maren ever since. When she faces the possibility of escaping her struggles for good, Maren must choose just what kind of future she wants to build. From critically acclaimed author Ashley Blooms, Where I Can't Follow explores the forces that hold people in place, and how they adapt, survive, and struggle to love a place that doesn't always love them back.*

Androgen Deprivation Therapy

A Drama in Four Acts from Sir Walter Scott's Celebrated Romance

In Ted Bell's scorching follow-up to his New York Times bestseller Assassin, intrepid intelligence operative Alex Hawke must thwart a secret, deadly alliance between China and France before they annihilate everything and everyone in their headlong rush toward world domination. Aboard the Star of Shanghai in the south of France, an American spy is held captive. He possesses vital, explosive intelligence linking two nations and one horrifying plot. If he is not rescued, he faces certain torture and inevitable death. Nearby, in a seaside hotel, a man still haunted by the loss of his wife two years earlier finds comfort in the arms of a beautiful Chinese actress—but is she to be trusted? So begins Pirate, an electrifying thriller marking the return of international counterterrorist Alex Hawke. In Paris, a ruthless descendant of Napoleon has risen to power, hell-bent on restoring France's former glory. His fiery ambitions are cynically stoked by a coterie of cold-blooded Mandarins, plotting behind the gates of Beijing's Forbidden City. Cloaked in secrecy, this unholy alliance devises a twisted global plan, backed by China's growing nuclear arsenal, that will send America and the world to the brink of a gutwrenching showdown. With the aid of his old friend and former Navy SEAL, Stokely Jones, Hawke sets out to investigate the deadly connections that bind the French-Chinese axis. Together, they discover that a powerful German industrialist may hold the key, somewhere inside the walls of his Bavarian mountain lair. Meanwhile, clues to an old and gruesome murder in Paris lead to New York City, where horrifying evidence could finally bring a madman to his knees. In the end, as American and British forces prepare to defend a sovereign and oil-rich Gulf nation against unwilling occupation, the terror is all too real. The world is once more balanced on the knife-edge of a full-blown nuclear confrontation. Hawke must once more prepare to hurl himself deep into the nightmare visions of madmen. He must garner every ounce of strength, courage, and useful pain from his past. He must defeat this enemy or else forfeit the lives of untold thousands, including his own, to an axis of evil no historian could have ever predicted. Packed with unrelenting action, glamour, and high style, and featuring the spectacular Alex Hawke, who time and again transports readers to the edge of danger, Pirate is a spellbinding thriller. Be prepared for Alex Hawke's most daunting and heart-pounding mission yet. Here is an author who gets you in the palm of his hand...and then clenches his fist!

We've all heard that happiness comes from within, but we don't quite know how to access it. So, we keep looking for it outside of ourselves in material possessions or validation from others. Sure, we get those temporary quick fixes, but not the everlasting happiness we are all yearning for. In this book, Bonnie Moehle shares with you her personal discovery of the source of everlasting happiness, and how to go inside and get it. "Bravo to Bonnie Moehle for her second runaway success! This important book helps us all get to the root of happiness and how to have more of it in our life. The best part is, you know from the very beginning that you are not alone on this journey. Bonnie lovingly holds your hand through every page. So get ready to put a big smile on your face and open the floodgates to the many magical moments awaiting you. I highly recommend this book." - Bronwyn Marmo, Award-winning and bestselling author of The Food Is A Lie: The Truth Is Within.

Rick and Brenda’s lives were changed forever when Rick went to the doctor to get a prescription refill. The doctor unexpectedly decided to perform a prostate exam. When he did, he felt a suspicious lump. Weeks later, a biopsy confirmed that Rick had prostate cancer. As a couple, they found their lives changed in unexpected ways following robotic surgery. They decided to share an intimate glimpse into their lives after surgery so other couples would be more prepared than they were. If you are thinking about surgery, or if you just had surgery, you will want to read about their experiences and the life lessons they learned along the way.

**NOW A MAJOR MOTION PICTURE** The #1 New York Times bestselling worldwide sensation with more than 12 million copies sold, “a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature” (The New York Times Book Review). For years, rumors of the “Marsh Girl” have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. Where the Crawdads Sing is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

From medieval conqueror to Renaissance autocrat to Victorian Empress to modern melodrama, Royal Panoply is the story of some of the most fascinating people in world history. With her trademark blend of probing scholarship, lively prose, and psychological insight, Carolly Erickson focuses on each monarch's entire life—from the puny, socially awkward Charles I, to the choleric, violent William the Conqueror, to the well-meaning, deeply affectionate Queen Anne, who was so heavy she had to be carried to her coronation. Royal Panoply recaptures the event-filled, often dangerous, always engaging lives of England's kings and queens, set against the backdrop of a thousand years of Britain's past.

As Marshall, with his wife and family, rolls through life, accompany him. Enjoy the witty and often whimsical episodes that occur. In work, play, travel, community, and worship, ponder the dialogues of opinions, perceptions, events, and realities of being physically challenged. The journey, which includes more than fifty years in a wheelchair, is presented in a topical display in chapters on different arenas of life: The Paradox - Diversities of perceptions and realities. The Good Old Days - Early life on a one-horse farm. Fate Knocked at My Door - The accident. Angels of Mercy - Hospitalization. Letters of Cheer - Student nurses' letters. Give Me Elbow Grease - Rehabilitation You Can Go Home Again - Summer at home. The Halls of Ivy - Education. Keeping the Faith – Job searching. The Birds and the Bees – Love and passion. Dreams Come True - Marriage and family. Toiling in the Vineyards - Work experiences. No Man is an Island - Community life. On the Road - Travel. God Bless You – God, others, and I. Keeping the Juices Flowing - Adapting Can't See the Forest for the Trees – Perceptions. Don't Cry Over Spilled Milk – Realities. The Golden Years - The senior years. The Journey has been one of challenges, physical, mental, and spiritual. It included two years of hospitalization and rehabilitation to prepare him to enter a world not yet ready for the physically challenged. He found himself looking inside with no way in. He boarded airplanes by hand-walking the support rails. He dealt with perceptions: "What can you do? You are handicapped!" His faith and hope were tested: Why me, God? Should I marry? Will any company hire me? Successes came: A lovely wife, two beautiful adopted babies, enjoyable work, friendships, health, and joy.

A collection of United Nations documents associated with the drafting of the Universal Declaration of Human Rights, these volumes facilitate research into the scope of, meaning of and intent behind the instrument's provisions. It permits an examination of the various drafts of what became the thirty articles of the Declaration, including one of the earliest documents – a compilation of human rights thematically. The documents are organised chronologically and thorough thematic indexing facilitates research into the origins of specific rights and norms. It is also annotated in order to provide information relating to names, places, events and concepts that might have been familiar in the late 1940s but are today more obscure.

Where and how to Get a Farm

***In this New York Times bestseller, host of one of the nation's top morning shows Elvis Duran shares his wildest stories and hardest-learned lessons with his trademark honesty and "bighearted, deliciously warm" (Barbara Corcoran, star of ABC's Shark Tank) humor. Elvis Duran's nationally syndicated radio program, Elvis Duran and the Morning Show, is America's most-listened-to Top 40 morning show and one of the 10 most-listened-to programs in all of radio, heard live by nearly ten million people every morning. But his success didn't happen overnight. Elvis spent years navigating the wild world of radio as a DJ for hire, working (and partying) in markets around the country before taking over the morning shift at the legendary Z100 in 1996. Over the last twenty years, he has become one of New York City's signature voices (Variety calls him "a permanent fixture of the area's daily commutes") thanks to his show's exciting mix of music, new artist discovery, interviews, gossip, and live listener interaction. Along the way, Elvis has become known not just for his incisive interviews (and occasional feuds) with pop music's biggest stars, but for the show's commitment to kindness and positivity and Elvis's own candor and openness with his audience. Bold, funny, and totally candid, Where Do I Begin? is sure to be loved by anyone who listens to Elvis live every morning—or anyone who wants to know what really goes on behind the scenes of the pop music machine from the "man who has been as big a part of the industry's success as anyone" (Ryan Seacrest).***

***The typical wounded soldier must complete and file twenty-two forms after an active-duty injury. To soldiers and their families coping with the shock and reality of the injuries, figuring out what to do next—even completing tasks that seem easy like submitting paperwork—can be overwhelming and confusing. The second edition of this popular resource guide has been thoroughly revised to reflect new policies, additional benefits, updated procedures, and changes to insurance, including traumatic injury insurance and social security disability insurance. New chapters cover veterans' benefits in depth—which have seen significant changes in the last two years—and returning to active duty after an injury. As in the previous edition, this guide directs you to answers and resources for the most pressing and difficult questions that wounded veterans face, such as: Where can I find information on symptoms and treatments of injuries? How do I get through all this paperwork? Where can I get legal assistance? What can I do for employment? How do I get back into everyday life? How can I return to active duty? How do I deal with insurance? What benefits are available to me, and how do I claim them? What about my family? How can they help me? This trusted resource is both comprehensive and easy to use, and now the most up-to-date guide for wounded veterans and their families dealing with active-duty injuries.***
