An Adoption Tale

Where Is Baby's Dreidel?

A Lift-the-Flap Book

Where Is Baby's Belly Button?

The legends of Christmas are many and vary from culture to culture. This bookcontains modern interpretations of some of the more well-known of the holidaytraditions in comic strip form.

This sturdy lift-the-flap book reveals baby's belly button, feet, hands, and more to young readers. Ideal for parents to share with their children. Full color. (Baby/Preschool)

The reader can look through die-cut pages for a visual clue to complete a game of peek-a-boo. Full color illustrations plus a mylar mirror. 11 spreads.

Maisy's plan to have a quiet read is put to the challenge by her giggling friends in this ode to the pleasures of the local library (ages 2-5). Maisy likes going to the library. She loves to read a book in a nice, quiet place. Today, Maisy wants to read a book about fish, but she can only find books about birds or tigers. So she explores some of the other things to do in the library, like using the computer, making copies, listening to music, or looking at fish in the aquarium. Aha! Finally Maisy finds a sparkly book all about fish. But just as she settles into a corner to read, along come Cyrii, Tallulah, Eddie, and Ostrich -- and they all have noisier activities on their minds!

What if your weakness is really your strength? Sloth endures a tough day at school. His slowness incites teasing, pressure, and frustrations from his classmates. The next day, though, shows good things come from going your own speed. Filled with quirky characters and relatable experiences, Ready, Set, Sloth! demonstrates the power of perseverance, accepting your true self, and finding strengths in your weaknesses. Also filled with a cast of atypical animals—from South America, not the neighborhood—this story will attract millennial parents who crave diversity, education, and emotion in children's picture books. Sloth will introduce children to the Amazon rainforest, push their vocabulary, and inspire empathy.

This guide has been developed jointly by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists, and is designed for use by all personnel involved in the care of pregnant women, their fetuses, and their neonates.

Little ones will love this new lift-the-flap board book from Karen Katz that's perfect for Thanksgiving! Gobble, gobble! It's time for Thanksgiving! In this interactive book from bestselling author Karen Katz, little ones can lift the sturdy, easy-to-lift flaps on each page to look for Baby's turkey stuffed animal. Filled with bright, striking art, this book is sure to get little ones excited for the festive family holiday!

Introduces the myriad ways babies hide, from human toddlers who peek out from beneath blankets, to fawns that blend in with dappled sunlight, to leopard cubs who scramble high in African trees.

Discover what makes a boo-boo better in this charming new lift-the-flap board book from Karen Katz. In this caring board book from Karen Katz, little ones can lift the flaps on each spread to see the best way to cure a boo-boo: with love and a kiss from their family. Filled with easy-to-lift-flaps and sturdy pages, Kiss Baby's Boo-Boo proves that boo-boos may hurt, but love makes everything better.

Readers can help Baby as she searches for Easter eggs and finds some other nice surprises along the way. On board pages.

Babies play peekaboo, looking for their belly buttons, feet, and other body parts in this interactive book. On board pages.

A cranky baby says... "Waah-waah!" A cuddly baby says... "Ma-ma!" Karen Katz's distinctive illustrations bring baby's words to life! Lift the flaps in this sturdy board book to see what a hungry baby, a happy baby, and more say!

Where Is Baby's Belly Button? (enhanced eBook edition)

A Month-by-Month Guide to Surviving (and Loving) Your Pregnancy

Ready, Set, Sloth!

Now I'm Big!

A Lift-the-Flap and Mirror Book

A loving couple dream of a baby born far away and know that this is the baby they have been waiting to adopt.

Count from one to ten as Mommy and baby count their hugs throughout the day. From one nuzzle-wuzzle wake-up hug, to four "I'll always catch you!" sliding hugs, all the way to ten "I love you!" good-night hugs, this book captures some of the special moments mother and child share. In the style of Karen Katz's COUNTING KISSES, this is a simple, fun, bright book that mommies will love to read with their little ones.

Karen Katz's bestselling "must have" book for babies is now available as an enhanced eBook! Little ones will be entertained and amused throughout this interactive experience. A touch of the screen makes flaps move, eyes wink, babies giggle, and more! A delightful audio narration is also included-making this a unique experience for every little one.

This gentle and incredibly poignant picture book tells the true story of how one baby found his home. "Some babies are born into their families. Some are adopted. This is the story of how one baby found his family in the New York City subway." So begins the true story of Kevin and how he found his Daddy Danny and Papa Pete. Written in a direct address to his son, Pete's moving and emotional text tells how his partner, Danny, found a baby tucked away in the corner of a subway station on his way home from work one day. Pete and Danny ended up adopting the baby together. Although neither of them had prepared for the prospect of parenthood, they are reminded, "Where there is love, anything is possible."

Where Is Baby's Birthday Cake?

What Does Baby Say?

A 4-Book Lift-the-Flap Gift Set: Where Is Baby's Mommy?; Daddy and Me; Grandpa and Me, Grandma and Me

Some things about babies, happily, will never change. They still arrive warm, cuddly, soft, and smelling impossibly sweet. But how moms and dads care for their brand-new bundles of baby joy has changed—and now, so has the new-baby bible. Announcing the completely revised third edition of What to Expect the First Year. With over 10.5 million copies in print, First Year is the world's best-selling, best-loved guide to the instructions that babies don't come with, but should. And now, it's better than ever. Every parent's must-have/go-to is completely updated. Keeping the trademark month-by-month format that allows parents to take the potentially overwhelming first year one step at a time, First Year is easier-to-read, faster-to-flip-through, and new-family-friendlier than ever—packed with even more practical tips, realistic advice, and relatable, accessible information than before. Illustrations are new, too. Among the changes: Baby care fundamentals—crib and sleep safety, feeding, vitamin supplements—are revised to reflect the most recent guidelines. Breastfeeding gets more coverage, too, from getting started to keeping it going. Hot-button topics and trends are tackled: attachment parenting, sleep training, early potty learning (elimination communication), baby-led weaning, and green parenting (from cloth diapers to non-toxic furniture). An all-new chapter on buying for baby helps parents navigate through today's dizzying gamut of baby products, nursery items, and gear. Also new: tips on preparing homemade baby food, the latest recommendations on starting solids, research on the impact of screen time (TVs, tablets, apps, computers), and “For Parents” boxes that focus on mom’s and dad’s needs. Throughout, topics are organized more intuitively than ever, for the best user experience possible.

Featuring a beauchful of bare-bellied hippos—including one tiny baby who can only say “Bee Bo”—the Belly Button Book is a quirky addition to the phenomenally successful Boynton on Board series. Every page captivates with Sandra Boynton’s inimitable illustrations and joyful rhyming text: Soon after dark, upon the beach, we sing a hippo song, and if you’re feeling in the mood, we hope you’ll sing along: “Belly Belly Button, you’re oh so fine. Ooo, Belly Button, I’m so happy you’re mine.” Shiny and sturdy, and featuring a great (navel-shaped, naturally) die-cut cover, the Belly Button Book provides enduring, giggly, read-aloud fun. Oversized lap edition also available—perfect for more reading aloud!

A little baby looks for his dreidel, which has gone missing on Hanukkah, in a book with objects hidden beneath the flaps.
