Return to the planet Detritus with FM, Alanik, and Jorgen in this must-have three-novella collection featuring exclusive character art and deleted scenes from Skyward with commentary from Brandon Sanderson. Journey with Skyward Flight to Detritus—humanity’s final refuge from the hostile Galactic Superiority government. In Skyward, Spensa Nightshade became a starfighter pilot in the Defiant Defense Force’s Skyward Flight to battle Superiority forces. In Starsight she impersonated the alien Alanik to infiltrate a Superiority space station and steal their hyperdrives. And in Cytonic she traveled the strange dimension of the Nowhere to discover the secrets of the planet-destroying Delvers and unlock her own Cytonic powers. As she is stuck in the Nowhere, Spensa’s companions FM and Jorgen in Skyward Flight are left on Detritus with a new mandate: figure out how to use the hyperdrives so that humanity can escape the planet and find allies among other species oppressed by the Superiority. First comes a distress call from Minister Cina and other diones on the abandoned outpost of Sunreach. Alanik’s people on the planet ReDown and the Kitsen from the planet Evershore also need Skyward Flight’s aid in their desperate battles. The tales of FM, Alanik, and Jorgen combine to expand the universe of the New York Times bestselling Skyward series to new action-packed heights. Once you’ve claimed the stars, can you keep them free? Introduces the world of Roshar through the experiences of a war-weary rider compelled by visions, a highborn youth condemned to military slavery, and a woman who is desperate to save her impoverished house.

Originally appearing in the Dangerous Women anthology and now available as a solo ebook, Shadows for Silence in the Forests of Hell is a chilling novella of the Cosmere, the universe shared by Brandon Sanderson’s Mistborn series and the #1 New York Times bestselling Stormlight Archive. When the familiar and seemingly safe turns lethal, therein danger lies. Amid a forest where the shades of the dead linger all around, every homesteader knows to follow the Simple Rules: “Don’t kindle flame, don’t shed the blood of another, don’t run at night. These things draw shades.” Silence Montane has broken all three rules on more than one occasion. And to protect her family from a murderous gang with high bounties on their heads, Silence will break every rule again, at the risk of becoming a shade herself.

Of the son of a High Duke of the interstellar Empire, much glory is expected. And expected. And still expected, despite endless proof that young Dennison Crestmar has no talent whatsoever for war. But the life Dennison is forced to live will have its surprising lessons to impart... Brandon Sanderson’s novels include Elantris, the Mistborn series (Mistborn, The Well of Ascension, and The Hero of Ages), Warbreaker, and the several volumes of the Stormlight Archive beginning with 2010’s The Way of Kings. Following the death of Robert Jordan in 2007, Jordan’s wife and editor Harriet McDougal recruited Sanderson to finish Jordan’s multi-volume fantasy series The Wheel of Time from Jordan’s extensive drafts and notes. Published in 2009, The Gathering Storm, by Jordan and Sanderson, is the first of the three volumes that will conclude Jordan’s epic. NEW YORK TIMES BESTSELLER • The third book in an epic series about a girl who will travel beyond the stars to save the world she loves from destruction from the author of the Reckoners series, the Mistborn trilogy, and the Stormlight Archive. Spensa’s life as a Defiant Defense Force pilot has been far from ordinary. She proved herself one of the best starfighters in the human enclave of Detritus and she saved her people from extermination at the hands of the Krell—the enigmatic alien species that has been holding them captive for decades. What’s more, she traveled light-years from home as an undercover spy to infiltrate the Superiority, where she learned of the galaxy beyond her small, desolate planet home. Now, the Superiority—the governing galactic alliance bent on dominating all human life—has started a galaxy-wide war. And Spensa’s seen the weapons they plan to use to end it: the Delvers. Ancient, mysterious alien forces that can wipe out entire planetary systems in an instant. Spensa knows that no matter how many pilots the DDF has, there is no defeating this predator.

From #1 New York Times bestselling author Brandon Sanderson, Stephen Leeds is back in a new, double-length novella that Library Journal says has “the pulse of a thriller and the hook of a fascinating hero balancing on the edge of psychosis.” It’s not his own genius that Stephen Leeds gets hired for. Clients want to tap into the imaginary experts that populate his mind—and it’s getting a bit crowded in there. Now Stephen and his internal team of “aspects” have been hired to track down a stolen corpse—but it’s not the corpse that’s important, it’s what the corpse knows. The biotechnology company he worked for believes he encoded top-secret information in his DNA before he died, and if it falls into the wrong hands, that will mean disaster. Meanwhile, Stephen’s uneasy peace with his own hallucinations is beginning to fray at the edges, as he strives to understand how one of them could possibly have used Stephen’s hand to shoot a real gun during the previous case. And some of those hallucinations think they know better than Stephen just how many aspects his mind should make room for. How long will he be able to hold himself together?

After 20 years in the Roughs, Waxillium Ladrian—a rare Twinborn who can Push on metals with his Allomancy—is forced by family tragedy to return to Enderel, where he learns the hard way that the mansions and elegant tree-lined streets of the city can be more dangerous than the dusty plains of the Roughs. In the distant future, the human body is adaptable and interchangeable commodity - if you can pay. For the interstellar elite, bodies are swapped-out and reused without a second thought. You never grow old; you neverdie. However, some bodies are more temporary thanothers... Takeshi Kovacs was once a member of the EnvoyCorps, stormtroopers for the Interstellar Earth Protectorate, ultra-lethalademics in switching bodies across the stars. While he served, he was known by avariety of names–Mamba LV, One Hand Rending, the Icopic–all testament to hiscapacity for rapid response and extreme violence in whatever flesh he wore. Nowhe’s out of the service and trying to live a different life. But theProtectorate hasn’t changed its spots, no matter what Kovacs drifts to,and with that old combat rage still burning deep inside him, he will ever reallybe able to walk away? Created by Richard K. Morgan, Altered Carbonwas previously adapted as a Netflix television series. This original graphicnovel, written by Rik Hoskin (Brandon Sanderson’s White Sand/Pierce Brown’s RedRising, expands upon the Altered Carbon universe.

Trained from birth in swordplay and combat, a young knight named Siris has journeyed to the Dark Citadel with a single purpose: fight through the army of Titans to face the tyrannical God King in one-on-one combat. This was his father’s sacred mission, and his father’s before him, going back countless generations in an effort to free their people from enslavement. But when Siris somehow succeeds where all those that name Siris on his bloodline previously have failed, he finds himself cast into a much larger world, filled with warriors and thieves, ancient feuds and shifting alliances, Deathless immortals and would-be kings. His quest for freedom will take him on an epic journey in search of the mythical figure known as the Worker of Secrets - the one being in the world who can unravel the secrets of the Infinity Blade.

Underpowered and overwhelmed, Kenton tries to hold the Sand Masters together as forces political and personal conspire against them. Now, in one final push, Kenton must tap the most dangerous depths of his own abilities to combat the enemies within his own guild and freedom the truth behind the ambush that killed his father and almost destroyed the Sand Masters for good.

After his pregnant wife is senselessly killed in a clash between the mysterious super-powered ‘costumes’, ex-Navy SEAL Jon Hayes fights to discover the truth about their identity and origins. For Jon Hayes, the super-powered ‘costumes’ are just part of ordinary life in New York City, until the day his pregnant wife Melanie is senselessly killed in a clash between Captain Light and The Jade Shade. But as Hayes struggles to come to terms with his loss, and questions for the first time who the costumes are and where they come from, the once sharp lines of his reality begin to blur... If Hayes wants to uncover the shocking truth about the figures behind the costumes, and get justice for his fallen family, he’ll have to step out of the background, and stop being a bystander.

A brand new saga of magic and adventure by #1 New York Times best-selling author Brandon Sanderson. On the planet of Taldain, the legendary Sand Masters harness arcane powers to manipulate sand in spectacular ways. But when they are slaughtered in a sinister conspiracy, the weakest of their number, Kenton, believes himself to be the only survivor. With enemies closing in on all sides, Kenton forges an unlikely partnership with Khriis – a mysterious Darksider who hides secrets of her own. White Sand brings to life a crucial, unpublished part of Brandon Sanderson’s sprawling Cosmere universe. The story has been adapted by Rik Hoskin (Mercy Thompson), with art by Julius Gopez and colors by Ross Campbell. Employing powerful imagery and Sanderson’s celebrated approach to magical systems, White Sand is a spectacular new saga for lovers of fantasy and adventure.

In Brandon Sanderson debuts with Elantris, an epic fantasy unlike any other then on the market. To celebrate its tenth anniversary, Tor is reissuing Elantris in a special edition, a fresh chance to introduce it to the myriad readers who have since become Sanderson fans. This new edition begins with a preface by author Dan Wells, the first person to read the completed novel, and a new afterword by Sanderson explaining how he came to write the book and its place in the Cosmere, the unified universe of all his Tor novels. Also included is an expanded version of the “Ars Arcanum” appendix, with more of the technical details of the book’s magic that fans can never get enough of. Elantris was truly a milestone both for Sanderson and for the genre of epic fantasy. It deserves this special treatment, something Tor has done only once before, with Orson Scott Card’s Ender’s Game. Sanderson fans old and new will be excited to discover it.

Legion: The Many Lives of Stephen Leeds, is #1 New York Times bestselling author Brandon Sanderson’s novella collection of science fiction thrillers that will make you question reality—including a never-before-published story. Stephen Leeds is perfectly sane. It’s his hallucinations who are mad. A genius of unrivaled aptitude, Stephen can learn any new skill, vocation, or art in a matter of hours. However, to contain all of this, his mind creates hallucinatory people—Stephen calls them aspects—to hold and manage the information. Wherever he goes, he is joined by a team of imaginary experts to give advice, interpretation, and explanation. He uses them to solve problems. . . . for a price. His brain is getting a little crowded and the aspects have a tendency of taking on lives of their own. When a company hires him to recover stolen property—a camera that can allegedly take pictures of the past—Stephen finds himself in an adventure crossing oceans and fighting terrorists. What he discovers may upend the foundation of three major world religions—and, perhaps, give him a vital clue into the true nature of his aspects. Legion: The Many Lives of Stephen Leeds includes Legion.

Legion: Skin Deep and the brand new, shocking finale to Leeds’ story, Lies of the Beholder.

The Wheel of Time turns, and Ages come and pass. What was, what will be, and what is, may yet fall under the Shadow. In the Prologue to The Gathering Storm, the first volume of the last trilogy of Robert Jordan’s Wheel of Time epic, Rand al’Thor, the Dragon Reborn, struggles to unite a fractured network of kingdoms and alliances in preparation for the Last Battle. As he attempts to halt the Seanchan encroachment northward—wishing he could form at least a temporary truce with the invaders—his allies watch in terror the shadow that seems to be growing within the heart of the Dragon Reborn himself. As with the previous three titles in the Wheel of Time series, this prologue from Robert Jordan’s The Gathering Storm, completed by Brandon Sanderson, is available for sale before the book’s official release date (October 27, 2009). At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

A sci-fi drama of a high school aged girl who belongs in a different time, a boy possessed by emptiness as deep as space, an alien artifact, mysterious murder, and a love that crosses light years. In the wake of the excitement leading to the school dance everyone’s flavors seem subdued, but once Amy discovers a startling secret about Oliver, a burst of flavor is brought back into her life! Amy’s suspicions over Oliver are put on hold when she goes to the homecoming dance with Cassie, but once there she takes an unexpected detour alone, and discovers the secret she has been looking for may have been in plain view all along. However, this new secret brings new dangers, confusion, and excitement along with it!

From #1 New York Times bestselling author Brandon Sanderson: his debut novel for the young adult audience. More than anything, Joel wants to be a Rithmatist. Chosen by the Master in a mysterious inception ceremony, Rithmatists have the power to infuse life into two-dimensional figures known as Chalkings. Rithmatists are humanity’s only defense against the Wild Chalkings—merciless creatures that leave mangled corpses in their wake. Having nearly overrun the territory of Nebraska, the Wild Chalkings now threaten all of the American Isles. As the son of a lowly chalkmaker at Armedius Academy, Joel can only watch as Rithmatist students study the magical art that he would do anything to practice. Then students start disappearing—kidnapped from their rooms at night, leaving trails of blood. Assigned to help the professor who is investigating the crimes, Joel and his friend Melody find themselves on the trail of an unexpected discovery—one that will change Rithmatics—and their world—forever. Bestselling author Brandon Sanderson brings his unique brand of epic storytelling to the teen audience with an engrossing tale of danger and suspense—the first of a series. With his trademark skills in world-building, Sanderson has created a magic system that is so inventive and detailed that that readers who appreciate games of strategy and tactics just may want to bring Rithmatics to life in their world. The #1 New York Times bestselling author Brandon Sanderson, the Mistborn series is a heist story of political intrigue and magical, martial-arts action. For a thousand years the ash fell and no flowers bloomed. For a thousand years the Skaas slaved in misery and lived in fear. For a thousand years the Lord Ruler, the “Silver of Infinity,” reigned with absolute power and ultimate terror, divinely invincible. Then, when hope was so long lost that not even its memory remained, a terribly scarred, heart-broken half-Skaa rediscovered it in the depths of the Lord Ruler’s most hellish prison. Kelsier “snapped” and found in himself the powers of a Mistborn. A brilliant thief and natural leader, he turned his talents to the ultimate caper, with the Lord Ruler himself as the mark. Kelsier recruited the underworld’s elite, the smartest and most trustworthy allomancers, each of whom shares one of his many powers, and all of whom relish a high-stakes challenge. Only then does he reveal his ultimate dream, not just the greatest heist in history, but the downfall of the divine despot. But even with the best criminal crew ever assembled, Kel’s plan looks more like the ultimate long shot, until luck brings a ragged girl named Vin into his life. Like him, she’s a half-Skaa orphan, but she’s lived a much harsher life. Vin has learned to expect betrayal from everyone she meets, and gotten it. She will have to learn to trust, if Kel is to help her master powers of which she never dreamed. This saga dares to ask a simple question: What if the hero of prophecy fails? Return to #1 New York Times bestseller Brandon Sanderson’s Mistborn world of Scardrial as its second era, which began with The Alloy of Law, comes to its earth-shattering conclusion in The Lost Metal. For years, frontier lawman turned big-city senator Waxillium Ladrian has hunted the shadowy organization the Set—with his late uncle and his sister among their leaders—since they started kidnapping people with the power of Allomancy in their bloodlines. When Detective Marasi Colms and her partner Wayne find stockpiled weapons bound for the Outer City of Bliming, this opens a new lead. Conflict between Enderel and the Outer Cities only favors the Set, and their tendrils now reach to the Enderel Senate—whose corruption Wax and Steris have sought to expose—and Bliming is even more entangled. After Wax discovers a new type of explosive that can unleash unprecedented destruction and realizes that the Set must already have it, an immortal kandra serves Scardrial’s god, Harmony, reveals that Bliming has fallen under the influence of another god: Trel, worshipped by the Set. And Trel isn’t the only player at play from the larger Cosmere—Marasi is recruited by offworlders with strange abilities who claim their goal is to protect Scardrial...at any cost. Wax must choose whether to set aside his rocky relationship with God and once again become the Sword that Harmony has groomed him to be. If no one steps forward to be the hero Scardrial needs, the planet and its millions of people will come to a sudden and calamitous ruin. The #1 New York Times bestselling author returns to the world of Mistborn with his first novel in the series since The Alloy of Law. With The Alloy of Law, Brandon Sanderson surprised readers with a New York Times bestselling spinoff of his Mistborn books, set after the action of the trilogy, in a period corresponding to late 19th-century America. The trilogy’s heroes are now figures of myth and legend, even objects of religious veneration. They are succeeded by wonderful new characters, chief among them Waxillium Ladrian, known as Wax, hereditary Lord of House Ladrian but also, until recently, a lawman in the ungoverned frontier region known as the Roughs. There he worked with his eccentric but effective buddy, Wayne. They are “twinborn,” meaning they are able to use both Allomantic and Feruchemical magic. Shadows of Self shows Mistborn’s society evolving as technology and magic mix, the economy grows, democracy contends with corruption, and religion becomes a growing cultural force, with faiths competing for converts. This bustling, optimistic, but still shaky society now faces its first instance of terrorism, crimes intended to stir up labor strife and religious conflict. Wax and Wayne, assisted by the lovely, brilliant Marasi, must unravel the conspiracy before civil strife stops Scardrial’s progress in its tracks.

Shadows of Self will give fans of The Alloy of Law everything they’ve been hoping for and, this being a Brandon Sanderson book, more, much more. The #1 New York Times bestselling author of Oathbringer, coauthor of Robert Jordan’s The Wheel of Time series, and creator of the internationally bestselling Mistborn trilogy, presents the second book in the Reckoners series: Firefight. And don’t miss Calamity, the exciting conclusion to the Reckoners series! Newcago is free. They told David it was impossible, that even the Reckoners had never killed a High Epic. Yet Steelheart—invincible, immortal, unconquerable—is dead. And he died by David’s hand. Eliminating Steelheart was supposed to make life simpler. Instead, it only made David realize he has questions. Big ones. And no one in Newcago can give him answers. Babylon Restored, the city formerly known as the borough of Manhattan, has possibilities, though. Ruled by the mysterious High Epic Regalla, Babylon Restored is flooded and miserable, but David is sure it’s the path that will lead him to what he needs to find. Entering a city oppressed by a High Epic despot is risky, but David’s willing to take the gamble. Because killing Steelheart left a hole in David’s heart. A hole where his thirst for vengeance once lived. Somehow, he filled that hole with another Epic—Firefight. And now he will go on a quest darker and even more dangerous than the fight against Steelheart to find her, and to get his answers. As Brandon Sanderson ’ s #1 bestselling Skyward series celebrates its third volume, Cytonic, travel back in time to the origin of Cytotics in the novella Defending Elysium. Centuries before Spensa looked skyward from the planet Detritus—back on Old Earth before it was lost—Jason Write faced a crucial question: was humanity ready to join galactic society? When faster-than-light communications were discovered by a small telephone company in 2071, alien species such as the Tenasi and Varvax overheard them and came to visit Earth. Because the Phone Company controls all communications with the aliens, their operatives like Jason operate above the law. Now, on the space platform Evenson, one of the Phone Company ’ s scientists has gone missing before surfacing in a hospital with amnesia, and Jason is sent to investigate. Right as he arrives, the body of a murdered Varvax ambassador is discovered, sure to cause a galactic incident. Coin Abrams of the United Intelligence Bureau seizes the opportunity to investigate Jason as he deals with the crisis. This could be the UIB ’ s chance to discover the Phone Company ’ s secrets—how does FTL communication work, and what is Jason hiding? Winner of Spain ’ s UPC Award for Science Fiction in 2007.

An idealistic young prince convinces an aging warrior and a struggling witch to help him kill the dragon that is terrorizing his kingdom As a vicious dragon stalks the Southlands, Crown Prince Gareth ventures to the forbidding North in search of the only man who can kill it. He is Lord Aversin, the Dragonsbane, whose dragon-slaying days have won him renown across the land. But when Gareth finds Lord Aversin, he discovers the mighty hero is squat and bespectacled, the ruler of a mud-village who admits that he killed the dragon not with a lance, but with ignoble poison. Still, he’ll have to do. Gareth and Aversin set off in company with Jenny Waynest, a witch with great ambitions but disappointingly puny powers—a ragtag crew destined to become legendary, or die in the attempt. This ebook features an illustrated biography of Barbara Hambly, including rare photos and never-before-seen documents from the author’s personal collection.

Forces have conspired to require him to meet with his equal—a woman from another world who has achieved just as much as he has. What happens when the most important man in the world is forced to have dinner with the most important woman in the world?

From #1 New York Times bestselling author Brandon Sanderson, Warbreaker is the story of two sisters, who happen to be princesses, the God King, one of them has to marry, the lesser god who doesn’t like his job, and the immortal who’s still trying to undo the mistakes he made hundreds of years ago. Their world is one in which those who die in glory return as gods to live confined to a pantheon in Hallandren’s capital city and where a power known as BioChromatic magic is based on an essence known as breath that can only be collected one unit at a time from individual people. By using breath and drawing upon the color in everyday objects, all manner of miracles and mischief can be accomplished. It will take considerable quantities of each to resolve all the challenges facing Vienna and Sir, princesses of Iridis; Susebron the God King; Lightsong, reluctant god of bravery, and mysterious Vasher, the Warbreaker. Arcanum Unbound: The Cosmere Collection

A novella from #1 New York Times bestselling author Brandon Sanderson, Legion is a fast-paced, witty, and supremely fun thriller with a psychological bent. Stephen Leeds is perfectly sane. It’s his hallucinations who are mad. A genius of unrivaled aptitude, Stephen can learn any new skill, vocation, or art in a matter of hours. However, to contain all of this, his mind creates hallucinatory people—Stephen calls them aspects—to hold and manifest the information. Wherever he goes, he is joined by a team of imaginary experts to give advice, interpretation, and explanation. He uses them to solve problems for a price. His brain is getting a little crowded, however, and the aspects have a tendency of taking on lives of their own. When a company hires him to recover stolen property—a camera that can allegedly take pictures of the past—Stephen finds himself in an adventure crossing oceans and fighting terrorists. What he discovers may upend the foundation of three major world religions—and, perhaps, give him a vital clue into the true nature of his aspects. ----- A note from the publisher: Brandon will send a free copy of this ebook to anyone who purchased the Subterranean Sten hardcover. See the title page in the ebook preview for details.

The Sol Majestic is a big-hearted and delightful intergalactic hopventure adventure full of bands of Becky Chambers and The Good Place “A feast of a book.”—Hugo Award-winning author Seanan McGuire Kenna, an aspirational teen guru, wanders destitute across the stars as he tries to achieve his parents’ ambition to advance the celestial elite. Everything changes when Kenna wins a free dinner at The Sol Majestic, the galaxy’s most renowned restaurant, giving him access to the cosmos’s one-percent. His dream is jeopardized, however, when he learns his highly-publicized “free meal” risks putting The Sol Majestic into financial ruin. Kenna and a motley gang of newfound friends—including a teleporting celebrity chef, a trust-fund adrenaline junkie, an inept apprentice, and a brilliant mistress of disguise—must concoct an extravagant scheme to save everything they cherish. In doing so, Kenna may sacrifice his ideals or learn even greater lessons about wisdom, friendship, and love. Utterly charming and out of this world, Farrett Steinmetz’s The Sol Majestic will satisfy the appetites of sci-fi aficionados and newcomers alike. The shocking conclusion to Brandon Sanderson’s Legion novella series, on its own for the first time. Stephen Leeds is perfectly sane. It’s his hallucinations who are mad. A genius of unrivaled aptitude, Stephen can learn any new skill, vocation, or art in a matter of hours. However, to contain all of this, his mind creates hallucinatory people—Stephen calls them aspects—to hold and manifest the information. Wherever he goes, he is joined by a team of imaginary experts to give advice, interpretation, and explanation. He uses them to solve problems. . . . for a price. When Stephen gets an unexpected cry for help from the woman who taught him how to control his aspects—right when one of his aspects suddenly and violently disappears—it will send him on a case the likes of which he could never have imagined. At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

From #1 New York Times Bestselling, Hugo Award-winning author, Brandon Sanderson, comes DARK ONE. Paul Tanasin is haunted by visions of a dark, fantastic world. A world called Mirandus. A world he must shatter. SOME WORLD’S ARE MADE TO BE BROKEN. From #1 New York Times Bestselling, Hugo Award-winning author, Brandon Sanderson (THE MISTBORN TRILOGY, THE STORMLIGHT ARCHIVE series), along with Nathan Godden, Jackson Lanzing, and Collin Kelly, comes DARK ONE, the first book in a series of original graphic novels from Vault Comics. Paul Tanasin is a young man haunted by visions of a dark and fantastic world—visions he initially believes are hallucinations. But when he discovers they are prophecies from Mirandus, a world in which he’s destined to become a fearsome destroyer, he’ll have to embrace the fear, rise up as the Dark One, and shatter everything. DARK ONE examines the dual roles we often take on in life—the ability to be a savior as well as a destroyer.
