

White Sand Volume 1 Softcover

Award-winning photographer **Craig Varjabedian** has spent decades photographing the many moods of the magnificent and ever-changing landscape of New Mexico's White Sands National Monument. His photographs reveal snow-white dunes of gypsum, striking landforms, storms and stillness, panoramic vistas and breathtaking sunsets, intricate wind-blown patterns in the sand, ancient animal tracks, exquisite desert plants, and also the people who come to experience this place that is at once spectacular yet subtle. Varjabedian's evocative color images provide the reader with an almost palpable sense of this extraordinary place. These photographs are enriched by several essays written by Jeannette Calhoun Mish, noted poet and author; Dennis Diltmanson, retired White Sands National Monument superintendent; Jim Eckles, retired Missile Range public affairs officer; and Craig Varjabedian, the photographer who shares his insights and experiences of photographing this inspiring landscape and offers tips on making better pictures of White Sands.

Named a Library Reads Pick, Apple Books' Best Book, Powells' Pick, Amazon Fiction & Literature's "Best of the Month," The Millions' Top Ten Book of the Month, and one of CrimeReads' and Oprah Daily's Best Historical Novels of 2021 "Funny, eerie, tender, haunting and unsettling, smokily atmospheric, and fantastically enjoyable." ?Helen Macdonald, author of Vesper Flights London, 1893: high up in a house on a dark, snowy night, a lone seamstress stands by a window. So begins the swirling, serpentine world of Paraic O'Donnell's Victorian-inspired mystery, the story of a city cloaked in shadow, but burning with questions: why does the seamstress jump from the window? Why is a cryptic message stitched into her skin? And how is she connected to a rash of missing girls, all of whom seem to have disappeared under similar circumstances? On the case is Inspector Cutter, a detective as sharp and committed to his work as he is wryly hilarious. Gleason Bliss, a Cambridge dropout in love with one of the missing girls, stumbles into a role as Cutter's sidekick. And clever young journalist Octavia Hillingdon sees the case as a chance to tell a story that matters—despite her employer's preference that she stick to a women's society column. As Inspector Cutter peels back the mystery layer by layer, he leads them all, at last, to the secrets that lie hidden at the house on Vesper Sands. By turns smart, surprising, and impossible to put down, *The House on Vesper Sands* offers a glimpse into the strange underow of late nineteenth-century London and the secrets we all hold inside us.

Living with the Gordons in their quite desert town in New Mexico in 1946, Dewey is learning a lot from her science-obsessed adoptive family, but just as she begins to settle in and get comfortable, Dewey's long-lost mother reemerges to take her away from the only stability she has ever really known in her young life. 20,000 first printing.

Fred has had a greater impact than A Sand County Almanac, which many credit with launching a revolution in land management. Written as a series of sketches based principally upon the flora and fauna in a rural part of Wisconsin, the book, originally published by Oxford in 1949, gathers informal pieces written by Leopold over a forty-year period as he traveled through the woodlands of Wisconsin, Iowa, Arizona, Sonora, Oregon, Manitoba, and elsewhere; a final section addresses the philosophical issues involved in wildlife conservation. Beloved for its description and evocation of the natural world, Leopold's book, which has sold well over 2 million copies, remains a foundational text in environmental science and a national treasure.

Five imperiled worlds will be rendered extinct unless five ancient and mysterious beacons can be lit in the wake of erupting wars during which three unlikely heroes make surprising discoveries about their homes and themselves.

Long out of print in America, Alexandre Dumas's most daring narrative is now available in this major new translation by Tina A. Kover. Filled with intrigue, romance, and deadly vengeance, Georges is the story of a wealthy mulatto boy who is driven from his island home by racist landowners. Returning to Mauritius as an accomplished young man, Georges pits his strength against a powerful plantation owner, leading a dramatic slave uprising and claiming the heart of a beautiful white woman. Georges stands apart as the only book by Dumas that explores the potent subject of race. Praise for Georges: "A rousing and vivid adventure. . . . packed with action and atmosphere. " –The Columbus Dispatch "A remarkable discovery We are indebted to Werner Sollors and Jamaica Kincaid for providing us with a critical lens for the journey Dumas has created out of his own generous and expansive imagination." –Rudolph P. Byrd, Emory University "As compelling and relevant today as it was back in the 1840s, when it was first published." –Adrienne Kennedy, author of Funnyhouse of a Negro

It is 1943, and 11-year-old Dewey Kerrigan is traveling west on a train to live with her scientist father—but no one, not her father nor the military guardians who accompany her, will tell her exactly where he is. When she reaches Los Alamos, New Mexico, she learns why: he's working on a top secret government program. Over the next few years, Dewey gets to know eminent scientists, starts tinkering with her own mechanical projects, becomes friends with a budding artist who is as much of a misfit as she is—and, all the while, has no idea how the Manhattan Project is about to change the world. This book's fresh prose and fascinating subject are like nothing you've read before.

The old world is buried. A new one has been forged atop the shifting dunes. Here in this land of howling wind and infernal sand, four siblings find themselves scattered and lost. Their father was a sand diver, one of the elite few who could travel deep beneath the desert floor and bring up the relics and scraps that keep their people alive. But their father is gone. And the world he left behind might be next. Welcome to the world of Sand, a novel by New York Times best-selling author Hugh Howay. Sand is an exploration of lawlessness, the tale of a land ignored. Here is a people left to fend for themselves. Adjust your ker and take a last, deep breath before you enter.

Me and White Supremacy

The Disappearance of Albert and Henry Fountain

On a Canaanite harlot who made her living enticing men be a fitting wife for a leader of Israel? Shockingly, the Bible ' s answer is yes. This 10th anniversary edition of Pearl in the Sand includes new features that will invite you into the untold story of Rahab ' s journey from lowly outcast to redeemed child of God. Rahab ' s home is built into a wall, a wall that fortifies and protects the City of Jericho. However, other walls surround her too, walls of fear, rejection, and unworthiness... Years of pain and betrayal have wounded Rahab ' s heart—she doubts whether her dreams of experiencing true love will ever come true... A woman with a wrecked past—a man of success, of faith...of pride. A marriage only God could conceive! Through the heartache of a stormy relationship, Rahab and Salmone learn the true source of one another ' s worth and find healing in God.

From " one of our most original writers " (Kathryn Schulz, New York magazine) comes an expansive and exacting book—firmly grounded but elegant, often hilarious, and always inquisitive—about travel, unexpected awareness, and the questions we ask when we step outside ourselves. Geoff Dyer ' s restless search—for what? is unclear, even to him—continues in this series of fascinating adventures and pilgrimages: with a tour guide who may not be a tour guide in the Forbidden City in Beijing; with friends in New Mexico, where D. H. Lawrence famously claimed to have had his " greatest experience from the outside world " ; with a hitchhiker picked up on the way from White Sands; with Don Cherry (or a photo of him, at any rate) at the Watts Towers in Los Angeles. Weaving stories about places to which he has recently traveled with images and memories that have persisted since childhood, Dyer tries " to work out what a certain place—a certain way of marking the landscape—means; what it ' s trying to tell us; what we go to it for. " With 4 pages of full-color illustrations.

Never has there been anything quite like it. Dr Daniel Fry, an engineer in charge of the installation of instruments for missile control and guidance at White Sands Proving Ground near Las Cruces, New Mexico, is whisked away on an 8000 mile UFO ride from White Sands to New York City and back. Thus begins his instruction by the extraterrestrial A-Ian who wants everyone in this world to understand the truth about our existence and how we can spiritually profit from the beneficence of extraterrestrial contact. Here is a true story directed to all of us.

An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle in 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. Arc of Justice is the winner of the 2004 National Book Award for Nonfiction.

White Sands

Artesia leads an army out of the Highlands to aid the Middle Kingdoms against the resurgent Empire of Thessid-Gola. As Artesia and her captains seek to join the northern army led by the High King's marshal, the Grand Duke Owen Lis Red, they are confronted with the myriad dangers and distractions of life on campaign. They encounter the Thessid enemy for the first time, meet and hire mercenaries from distant lands, and learn of the Empire's terrifying allies, the Isliklids, who heretically claim descent from Islik the Divine King. And through it all, Artesia is plagued by dreams and haunted by ghosts, as she ponders the choices she has made, and those she hasn't...

Aria and her family traveled to another country for their first family vacation. Aria and her brother were so thrilled to feel the white sand with their little brown hands. A vacation with your family can open your world to many new possibilities!

The New York Times and USA Today bestseller! This eye-opening book challenges you to do the essential work of unpacking your biases, and helps white people take action and dismantle the privilege within themselves so that you can stop (often unconsciously) inflicting damage on people of color, and in turn, help other white people do better, too. "Layla Saad is one of the most important and valuable teachers we have right now on the subject of white supremacy and racial injustice."–New York Times bestselling author Elizabeth Gilbert Based on the viral Instagram challenge that captivated participants worldwide, Me and White Supremacy takes readers on a 28-day journey, complete with journal prompts, to do the necessary and vital work that can ultimately lead to improving race relations. Updated and expanded from the original workbook (downloaded by nearly 100,000 people), this critical text helps you take the work deeper by adding more historical and cultural contexts, sharing moving stories and anecdotes, and including expanded definitions, examples, and further resources, giving you the language to understand racism, and to dismantle your own biases, whether you are using the book on your own, with a book club, or looking to start family activism in your own home. This book will walk you step-by-step through the work of examining: Examining your own white privilege What allyship really means Anti-blackness, racial stereotypes, and cultural appropriation Changing the way that you view and respond to race How to continue the work to create social change Awareness leads to action, and action leads to change. For readers of White Fragility, White Rage, So You Want To Talk About Race, The New Jim Crow, How to Be an Anti-Racist and more who are ready to closely examine their own beliefs and biases and do the work it will take to create social change. "Layla Saad moves her readers from their heads into their hearts, and ultimately, into their practice. We won't end white supremacy through an intellectual understanding alone; we must put that understanding into action."–Robin DiAngelo, author of New York Times bestseller White Fragility

Underpowered and overwhelmed, Kenton tries to hold the Sand Masters together as forces political and personal conspire against them. Now, in one final push, Kenton must tap the most dangerous depths of his own abilities to combat the enemies within his own guild, and discover the truth behind the ambush that killed his father and almost destroyed the Sand Masters for good.

The Daily Show (The Book)

Scottish aristocrat Elma Napier turned her back on London high society in 1932, to move to Dominica, where she became the first woman to sit in a West Indian parliament. This is her memoir of life there.

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

From #1 New York Times Bestselling, Hugo Award-winning author, Brandon Sanderson, comes DARK ONE. Paul Tanasin is haunted by visions of a dark, fantastic world. A world called Mirandus. A world he must shatter. SOME WORLDS ARE MADE TO BE BROKEN. From #1 New York Times Bestselling, Hugo Award-winning author, Brandon Sanderson (THE MISTBORN TRILOGY, THE STORMLIGHT ARCHIVE series), along with Nathan Gooden, Jackson Lanzing, and Collin Kelly, comes DARK ONE, the first book in a series of original graphic novels from Vault Comics. Paul Tanasin is a young man haunted by visions of a dark and fantastic world—visions he initially believes are hallucinations. But when he discovers they are prophecies from Mirandus, a world in which he's destined to become a fearsome destroyer, he'll have to embrace the fear, rise up as the Dark One, and shatter everything. DARK ONE examines the dual roles we often take on in life—the ability to be a savior as well as a destroyer.

The Science of Granular Materials

Fahrenheit 451

Saga: Compendium One

Imagine a place where dunes of white sand rise taller than a house and seemingly forever into the horizon, where a trail's route shifts every day as wind remolds the terrain, where more than 800 animal species call an inhospitable desert home, where you can walk the shores of an ancient lake that mammoths and saber-toothed cats once drink from. The place is real. It's called White Sands National Park.But with the park's incredible size of nearly 228 square miles, how can you ensure that you see its main sights vs White Sands National Park answers. In this volume, we've listed the park's top 7 most popular sights and experiences while detailing the top day hiking trails to best enjoy them.This book contains two BONUS sections - a day hiking primer, and a guide to hiking in national parks. Nearby hiking trails in Lincoln National Forest, Organ Mountains-Desert Peaks National Monument, Carlsbad Caverns/Guadalupe Mountains national parks are included as well. Downloadable 8 x 11 inch maps are available online for all featured trails for more than two decades. He has written more than 25 hiking guidebooks, mostly on national parks and the Upper Midwest, several of which have topped bestseller lists.

Explaining the science contained in a simple assembly of grains—the most abundant form of matter present on Earth. Granular media—composed of vast amounts of grains, consolidated or not—constitute the most abundant form of solid matter on Earth. Granular materials assemble in disordered configurations scientists often liken to a bag of marbles. Made of microscopic particles rather than molecules, they defy the standard scheme of classification in terms of solid, liquid, and gas. Granular materials provide a physics, and biology. William Blake famously wished "To See a World in a Grain of Sand"; in this book, pioneering researchers in granular matter explain the science hidden behind simple grains, shedding light on collective behavior in disordered settings in general. The authors begin by describing the single grain with its different origins, shapes, and sizes, then examine grains in piled or stacked form. They explain the packing fraction of granular media, a crucial issue that bears on the properties displayed in practical applications.

grains, with particular attention to friction; and present theories of various modes of disorder. Along the way, they discuss such concepts as force chains, arching effects, wet grains, sticky contacts, and inertial effects. Drawing on recent numerical simulations as well as classical concepts developed in physics and mechanics, the book offers an accessible introduction to a rapidly developing field.

Originally appearing in the Dangerous Women anthology and now available as a solo ebook, Shadows for Silence in the Forests of Hell is a chilling novella of the Cosmere, the universe shared by Brandon Sanderson's Mistborn series and the #1 New York Times bestselling Stormlight Archive. When the familiar and seemingly safe turns lethal, therein danger lies. Amid a forest where the shades of the dead linger all around, every homesteader knows to follow the Simple Rules: "Don't kindle flame, don't shed the blood of a Montane has broken all three rules on more than one occasion. And to protect her family from a murderous gang with high bounties on their heads, Silence will break every rule again, at the risk of becoming a shade herself.

Alone, on the brink of death, and with nothing but his sword, Conan the Cimmerian stumbles into a camp of Kozaki raiders. With a band of determined Turanian hunters at his heels, the Kozaki chief hesitantly offers the barbarian refuge. As Conan's grievous wounds heal, he gains acceptance into the clan and becomes a mentor to one of the chief's two sons. . . . only to discover that mortal danger is closer than ever. Penned by superstar writer Cullen Bunn (Deadpool, The Sixth Gun, Harrow County) and with art by Sean Chen, this is a new Conan story.

And Sketches Here and There

A St. Barts Love Story

A Novel

Into the Great White Sands

The House on Vesper Sands

"How OOC could a family drama that's set in sandy St. Barts get? Very." –Cosmopolitan on White Sand, Blue Sea Set on St. Barts, the jewel of the Caribbean, Anita Hughes's WHITE SAND, BLUE SEA is a heartwarming story about romance and adventure, and most important, about knowing yourself, and what makes you happy. Olivia Miller is standing on the porch of her mother and stepfather's plantation style villa in St. Barts. They have been coming here every April for years but she is always thrilled to see the horseshoe shaped bay of Gustavia and white sand of Gouverneur's Beach. This trip should be particularly exciting because she is celebrating her twenty-fifth birthday and hoping that Finn, her boyfriend of four years, will propose. The only person who won't be here is her father, Sebastian, whom she hasn't seen in twenty years. He's a well-known artist and crisscrosses the globe, painting and living in exotic locations like Kenya and China. When Sebastian unexpectedly walks through the door and floats back into Olivia's life like a piece of bad driftwood she never knew she wanted, she starts to wonder if her world is too narrow. She questions the dreams and the relationship she's always thought she wanted. But there seems to be more to the story than an innocent fatherly visit, and Olivia must decide if love is more important than truth.

"The evidence pointed at three men, former deputies William McNew, James Gilliland, and Oliver Lee. These three men, however, were very close with powerful ex-judge, lawyer, and politician Albert B. Fall. It was even said by some that Fall was the mastermind behind the plot to kill Fountain. Forced to wait two years for a change in the political landscape, Garrett finally presented his evidence to the court and secured indictments against the three suspects." "The trial took place in the secluded town of Hillsboro. The murders of the Fountains became an afterthought as the accused men, defended by their attorney Fall, pleaded innocence. Missing witnesses plagued the prosecution, and armed supporters of the defendants, who packed the courtroom, intimidated others. The verdict: not guilty."

The second collection of adventures of the officers of Precinct 10, Neopolis's finest, tells the tale of officers keeping the peace in a world where every last citizen has super-powers. A Graphic Novel.

Something terrifying waits in the decaying Victorian house on the coast, something that has haunted two men since they were children, something that may be ready to kill...again.

Brandon Sanderson's White Sand Volume 1 (Softcover)

Shadows for Silence in the Forests of Hell

The White Sands Incident Including an Extraterrestrial Statement

Civil Rights, Public Space, and Miami's Virginia Key

A brand new saga of magic and adventure by #1 New York Times best-selling author Brandon Sanderson. On the planet of Taldain, the legendary Sand Masters harness arcane powers to manipulate sand in spectacular ways. But when they are slaughtered in a sinister conspiracy, the weakest of their number, Kenton, believes himself to be the only survivor. With enemies closing in on all sides, Kenton forges an unlikely partnership with Khriiss -- a mysterious Darksider who hides secrets of her own. White Sand brings to life a crucial, unpublished part of Brandon Sanderson's sprawling Cosmere universe. The story has been adapted by Rik Hoskin (Mercy Thompson), with art by Julius Gopez and colors by Ross Campbell. Employing powerful imagery and Sanderson's celebrated approach to magical systems, White Sand is a spectacular new saga for lovers of fantasy and adventure.

Following the loss of most of his colleagues in a violent ambush, Kenton has become Lord Mastrell of the few remaining Sand Masters, magicians who can manipulate sand to do their bidding. With the ruling council poised against him, the hot-headed Kenton must become a diplomat to have any hope of preventing the eradication of his people forever. However, there's another complication: assassins are coming for him from all directions, and Kenton's only true ally is Khriiss, a visitor from the other side of the planet who has an agenda of her own to pursue. White Sand Volume 2 continues the New York Times bestselling series of graphic novels, bringing a crucial chapter of Brandon Sanderson's Cosmere to life exclusively in a visual format. Praise for White Sand Vol. 1: "This book is amazing. The worldbuilding is dense and deep." - Kirkus Reviews "Essential to Cosmere completists, and it's a beautiful addition to anyone's bookshelf." - Geektrigue "Traditional fantasy comes to life in this intriguing blend of action, suspense, and mystery." - Graphic Policy
