

## Why Mummy Drinks Sunday Times Bestseller

As the ever-increasing “quit-lit” audience explores new ways to get sober, many are asking, “What’s next?” A renowned sobriety coach shares a road map for long-term change and a fulfilling, alcohol-free life. Here is a practical and straightforward program to stop drinking, stay stopped, and develop emotional sobriety.

Why Mummy Drinks is the brilliant novel from Gill Sims, the author of the online sensation Peter and Jane. Boy Child Peter, Girl Child Jane and Daddy have exciting adventures with Mummy. Daddy likes gadgets. Peter and Jane like starting fires, trying to kill each other and driving Mummy to drink. Written from the point of view of an exhausted mummy at the end of the day, it's honest, it's funny, and it's a little bit swearsy. It is Mummy's 39th birthday. She is staring down the barrel at a future of people asking if she wants to come to their yoga class, and book clubs, where everyone is wearing statement scarves and they are all 'tiddly' after a glass of Pinot Grigio. But Mummy does not want to go quietly into that good night of women with sensible haircuts who 'live for their children', boasting about Boy Child and Girl Child's achievements. Instead, she clutches a large glass of wine, muttering FML over and over, and then remembers the gem of an idea she's had...

From the No.1 bestselling author of The Christmas Invitation This will be the summer to remember...

Would life be better without alcohol? It’s the nagging question more and more of us are finding harder to ignore, whether we have a “problem” with alcohol or not. After all, we yoga. We green juice. We meditate. We self-care. And yet, come the end of a long work day, the start of a weekend, an awkward social situation, we drink. One glass of wine turns into two turns into a bottle. In the face of how we care for ourselves otherwise, it’s hard to avoid how alcohol really makes us feel... terrible. How different would our lives be if we stopped drinking on autopilot? If we stopped drinking altogether? Really different, it turns out. Really better. Frank, funny, and always judgment free, Sober Curious is a bold guide to choosing to live hangover-free, from Ruby Warrington, one of the leading voices of the new sobriety movement. Drawing on research, expert interviews, and personal narrative, Sober Curious is a radical take down of the myths that keep so many of us drinking. Inspiring, timely, and blame free, Sober Curious is both conversation starter and handbook—essential reading that empowers readers to transform their relationship with alcohol, so we can lead our most fulfilling lives.

Eats, Shoots & Leaves

*The wives of the Robertsons all came into the family the same way: they fell in love with one of the Robertson boys. In the Duck Dynasty TV series, the women often come into their own when the whole family gathers around the table together to eat dinner, and fans of the show get a good glimpse into their lives, but that is hardly the whole story, which is why they decided to write this book... In The Women of Duck Commander, the wives show how they have worked together to help one another and to support the family in all its work and its happiness. They are committed to timeless values, and in the book they share the insights, stories, and experiences that have made them who they are. The appeal of the Duck Dynasty comes, not because they are showing us anything new, but they are reminding us of the values our culture is in danger of losing.*

*The multimillion-copy New York Times bestselling author B.A. Paris returns to her heartland of gripping psychological suspense in The Therapist—a powerful tale of a house that holds a shocking secret. When Alice and Leo move into a newly renovated house in The Circle, a gated community of exclusive houses, it is everything they’ve dreamed of. But appearances can be deceptive... As Alice is getting to know her neighbours, she discovers a devastating secret about her new home, and begins to feel a strong connection with Nina, the therapist who lived there before. Alice becomes obsessed with trying to piece together what happened two years before. But no one wants to talk about it. Her neighbors are keeping secrets and things are not as perfect as they seem...*

*BY THE AUTHOR OF NEW YORK TIMES BESTSELLER THE AUTHENTICITY PROJECT, THE BRAVE AND FUNNY MEMOIR THAT IS CHANGING LIVES. How one mother gave up drinking and started living. This is Bridget Jones Dries Out. Clare Pooley is a Cambridge graduate and was a Managing Partner at one of the world's biggest advertising agencies, and yet by eighteen months ago she'd become an overweight, depressed, middle-aged mother of three who was drinking more than a bottle of wine a day, and spending her evenings Googling 'Am I an alcoholic?' In a desperate bid to turn her life around, she quit drinking and started a blog. She called it Mummy Was a Secret Drinker. This book is the story of a year in Clare's life. A year that started with her quitting booze having been drinking more than a bottle of wine every day. It sees her starting a hugely successful blog, then getting and beating breast cancer. By the end of the year she is booze free and cancer free, two stone lighter and with a life that is so much richer, healthier and more rewarding than ever before. Sober Diaries is an upbeat, funny and positive look at how to live life to the full. Interwoven within Clare's own very personal and frank story is research and advice, and answers to questions like: How do I know if I'm drinking too much? How will I cope at parties? What do I say to friends and family? How do I cope with cravings? Will I lose weight? What if my partner still drinks? And many more.*

*“Gives the reader insight not only into the effects of addiction on the entire family, but solutions for those in the grips of family trauma.” —Barb Rogers, author of If I Die Before I Wake*  
*With three children under five, a set of twins and a newborn, Rachell Brownell wanted to feel like an adult again. So she turned to three bottles of white wine a night. Through wit and honesty, Brownell lets readers into her world of addiction, but also towards hope. Examples of community, wisdom, and support provide a map for anyone trying to get through the early stages of recovery. Learn how a couple of glasses of wine lead to a big problem. Understand how mommy cocktail groups and the desire to feel like “more than a mommy” can lead to*

addiction. In *Mommy Doesn't Drink Here Anymore* you will find: The good, the bad, and the ugly of parenting The truth about the first year of recovery Hope for a light at the end of the tunnel "Whether you are struggling to reconcile your addiction or looking for guidance as a mother, woman, human being, Brownell's journey of self-awareness and self-discovery is sure to motivate and inspire. A triumph of a memoir for all women enduring." —Rebecca Wolf, author of *Rockabye: From Wild to Child* "Comfort, encouragement and support are interwoven with her words. A gift for anyone who is seeking their own Truth regarding addiction and recovery." —Barbara Joy, author of *Easy Does It, Mom* "In this frank memoir, she journals her slide into alcoholism and her first year of recovery . . . Brownell doesn't pull any punches about the ugly side of her addiction." —Library Journal

*A novel*

A hilarious story of the ups and downs of unexpected single motherhood, the perfect laugh-out-loud romance for fans of *Why Mummy Drinks*, *The Unmumsy Mum* and *The Not So Perfect Mum*.

NEW YORK TIMES BESTSELLER "I come from a family forged by tragedies and bound by a remarkable, unbreakable love," Hunter Biden writes in this deeply moving memoir of addiction, loss, and survival. When he was two years old, Hunter Biden was badly injured in a car accident that killed his mother and baby sister. In 2015, he suffered the devastating loss of his beloved big brother, Beau, who died of brain cancer at the age of forty-six. These hardships were compounded by the collapse of his marriage and a years-long battle with drug and alcohol addiction. In *Beautiful Things*, Hunter recounts his descent into substance abuse and his tortuous path to sobriety. The story ends with where Hunter is today—a sober married man with a new baby, finally able to appreciate the beautiful things in life.

The instant #1 New York Times bestseller! "It's the best memoir I've ever read." —Oprah Winfrey "Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma." —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F\*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

#1 NEW YORK TIMES BESTSELLER A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post and Barack Obama as a Best Book of the Year "Wise and wildly entertaining . . . permeated with light, wit, youth." —The New York Times Book Review "A classic that we will read for years to come." —Jenna Bush Hager, Read with Jenna book club "A real joyride . . . elegantly constructed and compulsively readable." —NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary

\*\*\*Unmissable, hilarious and kind, this is the first novel from Kathryn Wallace, who blogs as I Know, I Need to Stop Talking\*\*\* "SAM! AVA! Get downstairs, NOW. Have you done your TEETH? HAIR? SHOES? Come on, come on, come on, we're going to be bastarding late again. No, I haven't seen Lego Optimus Prime, and nor do I give a shit about his whereabouts. Sam, will you stop winding your sister up and take this model of the Shard that I painstakingly sat up and created for you last night so that I wouldn't be in trouble with your teacher. I mean, so that you wouldn't be in trouble with your teacher. No, it doesn't smell of 'dirty wine'. Well, maybe it does a little bit. Look, Sam, I haven't got time to argue. Just hold your nose and get in the car, okay? AVA! TEETH! HAIR! SHOES!" Gemma is only just holding it together - she's a single parent, she's turning 40 and her seven-year-old daughter has drawn a cruelly accurate picture which locates Gemma's boobs somewhere around her knees. So when her new next-door neighbour, Becky, suggests that Gemma should start dating again, it takes a lot of self-control not to laugh in her face. But Becky is very persuasive and before long Gemma finds herself juggling a full-time job, the increasingly insane demands of the school mums' Facebook group and the tricky etiquette of a new dating world. Not only that, but Gemma has to manage her attraction to her daughter's teacher, Tom, who has swapped his life in the City for teaching thirty six to seven year olds spelling, grammar, basic fractions - and why it's not ok to call your classmate a stinky poo-bum... It's going to be a long year - and one in which Gemma and Becky will learn a really crucial lesson: that in the end, being a good parent is just about being good enough. Readers love this hilarious, fast paced slice of family life: \*\*\*\*\* Utterly hysterical - NetGalley Reader \*\*\*\*\* Brilliant... Funny, touching and modern... just amazing - NetGalley Reader \*\*\*\*\* I have been a mum at the school gates and the observations in this book are spot on. I shall be recommending it to all the school mums I know - NetGalley Reader \*\*\*\*\* A perfect read to snort with laughter over whilst lying in a bath with a glass of bubbles (if you can get the kids to stay out of the bathroom for long enough)! - NetGalley Reader \*\*\*\*\* Kathryn Wallace has Absolutely Smashed It with this novel. I loved it and couldn't put it down... had me properly laughing out loud several times - NetGalley Reader \*\*\*\*\* This will make you giggle about life as a parent where we are all spinning plates of different sizes and at different speeds. I would recommend wholeheartedly to fellow friends who are also spinning their own plates! - NetGalley Reader \*\*\*\*\* A hilariously, honest, open, recognisable and highly relatable story - NetGalley Reader \*\*\*\*\* A light hearted but honest look at mummies, yummy mummies and can't quite manage everything mummies - NetGalley Reader

WINNER OF THE MAN BOOKER INTERNATIONAL PRIZE • From the bestselling author of *To the End of the Land* comes a searing story of loss and survival. In a dive bar in a small Israeli city, Dov Greenstein, a comedian a bit past his prime, takes the stage for his final show. Over the course of a single evening, Dov's patter becomes a kind of memoir, taking us back into the terrors of his childhood. And in the dance between comic and audience, a deeper story begins to take shape as Dov confronts the decision that has shaped the course of his life—a story that will alter the lives of several of those in attendance. *A Horse Walks Into a Bar* is a poignant exploration of how people confront life's capricious battering.

New York Times Bestseller Discover the critical link between your brain and the food you eat and change the way your brain ages, in this cutting-edge, practical guide to eliminating brain fog, optimizing brain health, and achieving peak mental performance from media personality and leading voice in health Max Lugavere. After his mother was diagnosed with a mysterious form of dementia, Max Lugavere put his successful media career on hold to learn everything he could about brain health and performance. For the better half of a decade, he consumed the most up-to-date scientific research, talked to dozens of leading scientists and clinicians around the world, and visited the country's best neurology departments—all in the hopes of understanding his mother's condition. Now, in *Genius Foods*, Lugavere presents a comprehensive guide to brain optimization. He uncovers the stunning link between our dietary and lifestyle choices and our brain functions, revealing how the foods you eat directly affect your ability to focus, learn, remember, create, analyze new ideas, and maintain a balanced mood. Weaving together pioneering research on dementia prevention, cognitive optimization, and nutritional psychiatry, Lugavere distills groundbreaking science into actionable lifestyle changes. He shares invaluable insights into how to improve your brain power, including the nutrients that can boost your memory and improve mental clarity (and where to find them); the foods and tactics that can energize and rejuvenate your brain, no matter your age; a brain-boosting fat-loss method so powerful it has been called "biochemical liposuction"; and the foods that can improve your happiness, both now and for the long term. With *Genius Foods*, Lugavere offers a cutting-edge yet practical road map to eliminating brain fog and optimizing the brain's health and performance today—and decades into the future.

We all know the basics of punctuation. Or do we? A look at most neighborhood signage tells a different story. Through sloppy usage and low standards on the internet, in email, and now text messages, we have made proper punctuation an endangered species. In *Eats, Shoots & Leaves*, former editor Lynne Truss dares to say, in her delightfully urbane, witty, and very English way, that it is time to look at our commas and semicolons and see them as the wonderful and necessary things they are. This is a book for people who love punctuation and get upset when it is mishandled. From the invention of the question mark in the time of Charlemagne to George Orwell shunning the semicolon, this lively history makes a powerful case for the preservation of a system of printing conventions that is much too subtle to be mucked about with.

REESE'S BOOK CLUB PICK LONGLISTED FOR THE 2022 WOMEN'S PRIZE FOR FICTION INSTANT #1 NEW YORK TIMES BESTSELLER THE PAPER PALACE IS: "Filled with secrets, love, lies and a summer beach house. What more could you ask?"—Parade "A deeply emotional love story...the unraveling of secrets, lies and a very complex love triangle." —Reese Witherspoon (Reese's Book Club July '21 Pick) "Nail-biting." —Town & Country "A magnificent page-turner." —Cynthia D'Apris Sweeney, New York Times bestselling author "[An] irresistible placement of a complicated family in a bewitching place." —The New York Times A story of summer, secrets, love, and lies: in the course of a singular day on Cape Cod, one woman must make a life-changing decision that has been brewing for decades. "This house, this place, knows all my secrets." It is a perfect August morning, and Elle, a fifty-year-old happily married mother of three, awakens at "The Paper Palace"—the family summer place which she has visited every summer of her life. But this morning is different: last night Elle and her oldest friend Jonas crept out the back door into the darkness and had sex with each other for the first time, all while their spouses chatted away inside. Now, over the next twenty-four hours, Elle will have to decide between the life she has made with her genuinely beloved husband, Peter, and the life she always imagined she would have had with her childhood love, Jonas, if a tragic event hadn't forever changed the course of their lives. As Heller colors in the experiences that have led Elle to this day, we arrive at her ultimate decision with all its complexity. Tender yet devastating, The Paper Palace considers the tensions between desire and dignity, the legacies of abuse, and the crimes and misdemeanors of families.

Why Mommy Drinks HarperCollins

This is not a parenting manual. This is real life. The Unmumsy Mum writes candidly about motherhood like it really is: the messy, maddening, hilarious reality, how there is no 'one size fits all' approach and how it is sometimes absolutely fine to not know what you are doing. The lessons she's learnt while grappling with two small boys - from birth to teething, 3am night feeds to toddler tantrums, soft play to toilet training - will have you roaring with laughter and taking great comfort in the fact that it's definitely not just you...

Why Mommy Drinks is the brilliant novel from Gill Sims, the author of the online sensation Peter and Jane.

Getting Through the First Year of Sobriety

***Named to ten BEST OF THE YEAR lists and selected as a William C. Morris Award Winner, The Serpent King is the critically acclaimed, much-beloved story of three teens who find themselves--and each other--while on the cusp of graduating from high school with hopes of leaving their small-town behind. Perfect for fans of John Green's Turtles All the Way Down. "Move over, John Green; Zentner is coming for you." —The New York Public Library "Will fill the infinite space that was left in your chest after you finished The Perks of Being a Wallflower." —BookRiot.com Dill isn't the most popular kid at his rural Tennessee high school. After his father fell from grace in a public scandal that reverberated throughout their small town, Dill became a target. Fortunately, his two fellow misfits and best friends, Travis and Lydia, have his back. But as they begin their senior year, Dill feels the coils of his future tightening around him. His only escapes are music and his secret feelings for Lydia--neither of which he is brave enough to share. Graduation feels more like an ending to Dill than a beginning. But even before then, he must cope with another ending--one that will rock his life to the core. Debut novelist Jeff Zentner provides an unblinking and at times comic view of the hard realities of growing up in the Bible belt, and an intimate look at the struggles to find one's true self in the wreckage of the past. "A story about friendship, family and forgiveness, it's as funny and witty as it is utterly heartbreaking." —PasteMagazine.com "A brutally honest portrayal of teen life . . . [and] a love letter to the South from a man who really understands it." —Mashable.com "I adored all three of these characters and the way they talked to and loved one another." —New York Times***

***Pull Mommy back from the edge with this irreverent adult coloring book! MOMMY DRINKS BECAUSE YOU CRY is the adult coloring book for the delightfully impolite. For the rare moments you have to yourself, enjoy the calming act of coloring with a little dose of sass. This collection of beautiful designs and fun illustrations are paired with the very best of all our worst thoughts, from "I child-proofed my house, but they still get in," to "Home is where the vodka is." Each hilariously captioned design is printed on sturdy, tear-out pages perfect for amusing decoration or passive-aggressive gift-giving. When you want to unwind with coloring but aren't in the mood to embrace sunshine and daisies, MOMMY DRINKS BECAUSE YOU CRY is the perfect adult coloring book to let you speak your native sarcasm!***

***NEW YORK TIMES EDITORS' CHOICE • A novelist discovers the dark side of Hollywood and reckons with ambition, corruption, and environmental collapse in "a darkly satirical reflection of ecological reality" (Time) LONGLISTED FOR THE JOYCE CAROL OATES PRIZE • ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book Review, Time, Los Angeles Times, The Philadelphia Inquirer, Vulture, Thrillist, Literary Hub "An urgent novel about our very near future, and a deeply addictive pleasure." —Katie Kitamura, author of Intimacies Novelist Patrick Hamlin has come to Los Angeles to oversee the film adaptation of one of his books and try to impress his wife and daughter back***

**home with this last-ditch attempt at professional success. But California is not as he imagined. Drought, wildfire, and corporate corruption are everywhere, and the company behind a mysterious new brand of synthetic water seems to be at the root of it all. Patrick finds an unlikely partner in Cassidy Carter—the cynical starlet of his film—and the two investigate the sun-scorched city, where they discover the darker side of all that glitters in Hollywood. *Something New Under the Sun* is an unmissable novel for our present moment—a bold exploration of environmental catastrophe in the age of alternative facts, and “a ghost story not of the past but of the near future” (The New York Times). “Meticulously crafted and deeply satisfying...a first-class psychological thriller.”? —Charlotte Philby, author of *Part of the Family* A twisty, whip-smart debut thriller, as electrifying as the #1 New York Times bestseller *The Girl on the Train*, about impending motherhood, unreliable friendship, and the high price of keeping secrets. Helen’s idyllic life—handsome architect husband, gorgeous Victorian house, and cherished baby on the way (after years of trying)—begins to change the day she attends her first prenatal class and meets Rachel, an unpredictable single mother-to-be. Rachel doesn’t seem very maternal: she smokes, drinks, and professes little interest in parenthood. Still, Helen is drawn to her. Maybe Rachel just needs a friend. And to be honest, Helen’s a bit lonely herself. At least Rachel is fun to be with. She makes Helen laugh, invites her confidences, and distracts her from her fears. But her increasingly erratic behavior is unsettling. And Helen’s not the only one who’s noticed. Her friends and family begin to suspect that her strange new friend may be linked to their shared history in unexpected ways. When Rachel threatens to expose a past crime that could destroy all of their lives, it becomes clear that there are more than a few secrets laying beneath the broad-leaved trees and warm lamplight of Greenwich Park.

NEW YORK TIMES BESTSELLER • GOOD MORNING AMERICA BOOK CLUB PICK • A must-read debut! Meet Elizabeth Zott: a “formidable, unapologetic and inspiring” (PARADE) scientist in 1960s California whose career takes a detour when she becomes the unlikely star of a beloved TV cooking show in this novel that is “irresistible, satisfying and full of fuel. It reminds you that change takes time and always requires heat” (The New York Times Book Review). "A unique heroine ... you'll find yourself wishing she wasn't fictional." —Seattle Times Chemist Elizabeth Zott is not your average woman. In fact, Elizabeth Zott would be the first to point out that there is no such thing as an average woman. But it's the early 1960s and her all-male team at Hastings Research Institute takes a very unscientific view of equality. Except for one: Calvin Evans; the lonely, brilliant, Nobel-prize nominated grudge-holder who falls in love with—of all things—her mind. True chemistry results. But like science, life is unpredictable. Which is why a few years later Elizabeth Zott finds herself not only a single mother, but the reluctant star of America's most beloved cooking show *Supper at Six*. Elizabeth's unusual approach to cooking (“combine one tablespoon acetic acid with a pinch of sodium chloride”) proves revolutionary. But as her following grows, not everyone is happy. Because as it turns out, Elizabeth Zott isn't just teaching women to cook. She's daring them to change the status quo. Laugh-out-loud funny, shrewdly observant, and studded with a dazzling cast of supporting characters, *Lessons in Chemistry* is as original and vibrant as its protagonist.

A wickedly funny look at the challenges of new parenthood. With cocktail recipes. Being a new mom is “AHHHH! WHAT HAVE I DONE?” hard. Why are all these tiny clothes so expensive? Who wrote these mind-numbing board books? Will Mommy ever carry a purse again that's not a diaper bag? And how is she even functioning off so little sleep? *Reasons Mommy Drinks* is a fresh, insightful, and hilarious collection of the various struggles faced by new parents—from mommy groups and single-people envy to the end of maternity leave—with a well-deserved cocktail recipe to go with each one. This must-have resource will help sleep-deprived new moms survive the baby years with their sense of humor, if not their lives as they once knew them, intact.

THE NEW YORK TIMES BESTSELLER One of The New York Times Book Review's 10 Best Crime Novels of 2016! The blockbuster thriller for those who loved The Girl on the Train and The Widow... "[A] finely crafted novel with a killer twist." --#1 New York Times bestselling author Paula Hawkins On a rainy afternoon, a mother's life is shattered as her son slips from her hands and runs into the street... I Let You Go follows Jenna Gray as she moves to a ramshackle cottage on the remote Welsh coast, trying to escape the memory of the car accident that plagued her again in her mind, desperate to heal from the loss of her child and the rest of her painful past. At the same time, the novel tracks the pair of Bristol police investigators trying to get to the bottom of this hit-and-run. As they chase down one hopeless lead after another, they find themselves as drawn to each other as they are to the frustrating, twist-filled case before them. "One of my favorite authors." —Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of Beach Read and People We Meet on Vacation. Named a Most Anticipated Book of 2022 by Oprah Daily ? Today ? Parade ? Marie Claire ? Bustle ? PopSugar ? Katie Couric Media ? Book Bub ? SheReads ? Medium ? The Washington Post ? and more. One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laid-back girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town trip that would be perfect for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed lumberjack, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been good. Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

A triumphant tale of a young woman and her difficult childhood, The Glass Castle is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant. Jeannette Walls was the second of four children raised by anti-institutional parents in a household of extremes.

"From award-winning actor and food obsessive Stanley Tucci comes an intimate and charming memoir of life in and out of the kitchen"--

A Memoir

Lessons in Chemistry

From the #1 New York Times bestselling author of Book Lovers and Beach Read comes a sparkling novel that will leave you with the warm, hazy afterglow usually reserved for the best of friends. Ten summer trips. One last chance to fall in love. Poppy and Alex. Alex and Poppy. They have nothing in common. She's a wild child; he wears khakis. She has insatiable wanderlust; he stays home with a book. And somehow, ever since a fateful car share home from college many years ago, they are the very best of friends. For most of the year they live far apart—she lives in their small hometown—but every summer, for a decade, they have taken one glorious week of vacation together. Until two years ago, when they ruined everything. They haven't spoken since. She has everything she should want, but she's stuck in a rut. When someone asks when she was last truly happy, she knows, without a doubt, it was on that ill-fated, final trip with Alex. Now her best friend to take one more vacation together—lay everything on the table, make it all right. Miraculously, he agrees. Now she has a week to fix everything. If only she can get Alex to agree. He has always stood quietly in the middle of their seemingly perfect relationship. What could possibly go wrong? Named a Most Anticipated Book of 2021 by Newsweek ? Real Simple ? and more. From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring the most common reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the workplace for a reason: they don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when:  
• you're being micromanaged—or not being managed at all  
• you catch a colleague's boss seems unhappy with your work  
• your cubemate's loud speakerphone is making you homicidal  
• you got drunk at the holiday party  
Praise for Ask a Manager "A must-read for anyone who works in an office. [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness is the best way to get the job done, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in and out of the workplace. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic and powerful way."—Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Soon to be a major Amazon film directed by George Clooney and starring Ben Affleck, Tye Sheridan, Lily Rabe, and Christopher Lloyd, a raucous, poignant, luminously written memoir

become a man, and his romance with a bar, in the tradition of *This Boy's Life* and *The Liar's Club*. J.R. Moehringer grew up captivated by a voice. It was the voice of his father, a Ne who vanished before J.R. spoke his first word. Sitting on the stoop, pressing an ear to the radio, J.R. would strain to hear in that plummy baritone the secrets of masculinity and id was his world, his rock, he craved something more, something faintly and hauntingly audible only in *The Voice*. At eight years old, suddenly unable to find *The Voice* on the radio, J.R. the bar on the corner, where he found a rousing chorus of new voices. The alphas along the bar—including J.R.'s Uncle Charlie, a Humphrey Bogart look-alike; Colt, a Yogi Bear sound softhearted brawler—took J.R. to the beach, to ballgames, and ultimately into their circle. They taught J.R., tended him, and provided a kind of fathering-by-committee. Torn between mother and the lurid romance of the bar, J.R. tried to forge a self somewhere in the center. But when it was time for J.R. to leave home, the bar became an increasingly seductive regroup during his picaresque journeys. Time and again the bar offered shelter from failure, rejection, heartbreak—and eventually from reality. In the grand tradition of landmark me suspenseful, wrenching, and achingly funny. A classic American story of self-invention and escape, of the fierce love between a single mother and an only son, it's also a moving po become a man, and an unforgettable depiction of how men remain, at heart, lost boys. Named a best book of the year by *The New York Times*, *Esquire*, *The Los Angeles Times Book Weekly*, *USA Today*, NPR's "Fresh Air," and *New York Magazine* *A New York Times*, *Los Angeles Times*, *Wall Street Journal*, *San Francisco Chronicle*, *USA Today*, *Booksense*, and *Library Booksense Pick Borders New Voices Finalist Winner of the Books for a Better Life First Book Award*

One of Goodreads' 43 Most Anticipated Reads of 2019 "Beautiful. Intimate. Tearful. Aching and lyrical. So simply and beautifully told." –Louise Penny, #1 *New York Times* bestselling remember—all that I have been and all that I will never be again." If you had to pick five people to sum up your life, who would they be? If you were to raise a glass to each of them what would you learn about yourself, when all is said? At the bar of a grand hotel in a small Irish town sits 84-year-old Maurice Hannigan. He's alone, as usual - though tonight is a and charge your glass, because Maurice is finally ready to tell his story. Over the course of this evening, he will raise five toasts to the five people who have meant the most to his unspoken joy and regret, a secret tragedy kept hidden, a fierce love that never found its voice - the life of one man will be powerful and poignantly laid bare. Beautifully heart-warr voice of Maurice Hannigan will stay with you long after all is said and done.

The Unmumsy Mum

Why Mommy Drinks

The Tender Bar

I Let You Go

The perfect gift, this book is not a how-to guide. It won't tell you how to get your baby to sleep, how to deal with toddler tantrums, how to be a good parent, a cool parent, or even a renegade parent. It's a book about parenting that contains absolutely no useful advice whatsoever. Instead, *Hurrah for Gin* shares beautifully honest anecdotes and illustrations from the parenting front line that demonstrate it is perfectly possible to love your children with the whole of your heart while finding them incredibly irritating at the same time. From pregnancy to starting school, *Hurrah for Gin* takes you through the exciting, frustrating, infuriating, and wonderful whirlwind of parenthood, offering solidarity and a friendly hug after a tough day. Best served with gin.

*Why Mummy Swears* is the much anticipated new novel from Gill Sims, author of the hilarious *Why Mummy Drinks* and online sensation *Peter and Jane*. It's every parents' nightmare - the start of the school holidays - and instead of sitting in the sun, reading a book over a cold, crisp glass of Pinot Grigio, Mummy has two bored moppets to attend to. After frantically booking sports camps, child minder slots, not to mention time off work, Mummy is exhausted. But this is only the beginning... After being dragged to join the school's PTA in the new term by an annoyingly kind-spirited neighbour, Mummy is stuck with organising the Christmas Fayre and pleasing all the overly disapproving parents. In combination with getting to know her father's surprise new glamorous (and much younger) wife, and being forced to spend more time with her narcissistic mother, life isn't cutting her much of a break. What more could possibly happen?

SUNDAY TIMES BESTSELLER 'I just howled. Bloomin' love you' Giovanna Fletcher 'You're hilarious. Thank you for making me laugh every day' Mrs Hinch When does *Mary Effing Poppins* arrive? Laura Belbin survived hitting her thirties (oh, to be wrinkle-free again), anxiety (just), motherhood (two adorable little shits) and the new body that went with it (a left tit that sags slightly more than the right, anyone?). In *Knee Deep in Life* she gives a fearless and filthy account of her transformation from no-responsibilities woman to being in demand 24/7, the heartaches and humiliations, and most importantly, her (definitely-pushed-to-the-limits-but-totally-indestructible) marriage to Steve, the man who helped her to hold it together when post-natal depression kicked in. Full of heart and wit - not to mention swearing that would make a sailor blush - this is the beast of a book Laura intends on riding into the hands of those people who doubt themselves every single day: the ones who have struggled to accept the way they look; the mums-to-be about to find themselves taking their first step towards parenthood; and the women bossing it like badasses every single day but never getting the credit they deserve. You are more than enough.
