"Jonathan Cummings has for years been an inspirational mentor to the golf rating community. With The Rating Game, he has now established himself as the authority as well. An excellent, and much-needed, book."—Josh Lesnik, President, KemperSports, and magazine panelist “Cummings provides a sound and insightful look inside the arcane world of golf course rating. Golfers love to argue over which is the best and why and The Rating Game will be a welcome addition to many over-heated debates.”—Gary Lisbon, President, GolfSelect; golf course photographer and magazine panelist “Jonathan Cummings is the Nate Silver of golf course ratings. The Rating Game will open up a lot of eyes about hidden mathematical distortion in the golf course ratings system.”—Bradley S. Klein, Golf Channel/GolfAdvisor.com “I’ve known and read Jonathan Cummings for over forty years. He always provides fair and distinctive insight into a course’s design and character (including some of my own). I applaud him for advancing the discussion in The Rating Game.”—Tom Clark, Golf course architect and Past President of the American Society of Golf Course Architects “If there ever was a golfer/writer cut out to analyze the course rating process, it’s Jonathan Cummings. I met him twenty-five years ago, after he sent me a fifty-page missive detailing every technical aspect of every course he had played in the last year. I immediately read The Rating Game, and his thorough, analytical style lays out everything you need to know about the subject.”—Jeff Thoreson, Editor, GolfStyets Media Group

After the "digital turn," expansion of sexual representations has taken shape quantitatively(thanks to the multiplication of production and distribution channels) and qualitatively (giving rise to a plurality of new representational forms). In this context, several social groups - including women and non-normative sexual subcultures - have obtained full citizenship rights within the "pornosphere," moving beyond their traditional marginalization or, indeed, exclusion. These "nonconventional" pornographies exist in a dialectical relationship with mainstream production in so far as they are at the same time a development and a repudiation of the latter (on an aesthetic, economic and political level).This volume investigates the emergences of alternative pornographies, highlighting theirdiscursive heterogeneity, their cultural status and connections to identities and non-normativepractices, and their role in redefining the very idea of pornography.The publication maps the main areas relating to alternative pornographies, such as alt porn,queer pornography, indie porn, post porn, feminist pornography, and amateur porn.With a foreword by Feona Atwood

Sweet and Savory Recipes with Rose Petals, Lilacs, Lavender, and Other Edible Flowers

Selected by NPR's Maureen Corrigan and The Wall Street Journal's Tom Nolan as one of the best mysteries of the year, Gazan's The Dinosaur Feather--which the Financial Times called "outrageously entertaining"--is a classic of modern Scandinavian noir. With keenly observed and deeply flawed characters, this scintillating thriller revolves around the controversial and fascinating connections between dinosaur and avian evolution. Biology postgraduate, PhD hopeful, and single mom Anna Bella Nor is just two weeks away from defending her thesis on the saurian origin of birds when her academic supervisor, the highly respected yet widely despised Dr. Lars Helland, is found dead in his office chair at the University of Copenhagen. The police discover a copy of Anna's thesis in the dead man's bloody lap. When the autopsy suggests that Helland was murdered in a fiendishly ingenious way, brilliant but tormented young Police Superintendent Soren Marhauge is called to investigate. As he begins the daunting task of unraveling the knotted skeins of interpersonal and intellectual intrigue among the scientists at the university, his own troubled past begins to complicate the case. Everyone involved with the investigation--from Anna Bella Nor to Helland's numerous academic rivals to Marhauge's own ex-wife, who is pregnant with her current husband's child--has something to hide, muddying the investigation and presenting the detective with the greatest professional and personal challenge of his life.

Here are more than 100 recipes that will bring beautiful flower-filled dishes to your kitchen table! This easy-to-use cookbook is brimming with scrumptious botanical treats, from sweet violet cupcakes, pansy petal pancakes, daylily cheesecake, and rosemary flower margaritas to savory sunflower chickpea salad, chive blossom vinaigrette, herb flower pesto, and mango orchid sticky rice. Alongside every recipe are tips and tricks for finding, cleaning, and preparing edible blossoms. You'll also learn how to infuse vinegars, vodkas, sugars, frostings, jellies and jams, ice creams, and more with the color and flavor of your favorite

flowers. Fresh from the farmers' market or plucked from your very own garden, a world of delectable flowers awaits! Maverick investigator Soren Marhauge returns in a high-stakes case that reveals a profit-motivated conspiracy with roots that extend all the way from the upper reaches of Big Pharma to the national government. When controversial Professor Kristian Storm is found hanged in his office, his assistant Marie Skov refuses to believe that he has committed suicide. The late scientist had uncovered a shocking truth involving immunology programs in the developing world during a recent research trip to West Africa. Marie believes he was silenced before he could share what he had learned. With help from the unlikely source of a Nobel Prize-winning rival of Storm's, former police detective Soren Marhauge takes the case, determined to prove what really happened to the professor. Interwoven with the fast-moving investigation are moving portraits of Skov's troubled family and Marhauge's complicated relationship with his girlfriend, another biologist.

Marhauge once again battles his own demons as he pursues a cabal determined to protect its secrets at any cost.

Over 100 Mind-blowing Tips, Tricks, and Games You Wish You Knew

This book was written for - and by - horny males who are just too chicken to figure this stuff out for themselves. Commercial sex isn't exactly hard to find no matter where you live, so the main reason why guys who are otherwise interested in this sort of thing haven't managed to indulge in a fully satisfying way is that something - fear - is holding them back. So even if you're a total wuss, we'll show you how easy it is to buy sexual gratification with complete confidence. And if you've dabbled in some kinds of low risk sex-for-pay, such as Internet porn, we'll show you how to safely indulge in more adventurous amusements, such as strip clubs, brothels and escort services - legal ones, that is. If you just want to find some great online porn, have a naked stripper gyrating in your lap or getting laid by an erotic professional without putting your life, health, wallet or reputation at risk, we'll show you how. Here's a review of Paying for Sex by Doxy, who operates the popular web site Phone Slut Diary. "Next things second -- Phone Slut Diary had been featured in another independent publication and I promised to mention it here. Paying For Sex is a fabulous little "gentleman's guide to web porn, strip clubs, prostitutes & escorts without humiliation, job loss, bankruptcy, infection, bloodshed or incarceration." Because it does not address phone sex, but refers readers to my site (bless), authors Kerr Fuffie & Roscoe Spanks (it cannot possibly be their real names, can it?) decided to put in a few blurbs about me and some other net sites. Although I'm not a guy looking to hire an escort (and don't expect to be) I found many of the details and hints fascinating. The chapters on throwing brothel parties were absorbing. If you're a gentleman (or not so gentle man) that spends money on websites, strippers, or other such diversions this is a really handy little manual to getting the biggest bang for your buck without getting ripped off or in trouble. They explain etiquette, precautions, approximate pricing, common (and not so common) practices. Want to find out how to encourage a stripper to give you a little better than the regular treatment? It's in there. So, I'm going to be adding it to my Store shopping section because it's just awesome. And I'm quoted in very cute passages. And, you know, I'm an egomaniacal slut. No, really. Okay, well sometimes."
