It's time for me to reclaim my memories...and my throne. My twin brother, Faer, wants to see me either dead or married to the sea prince and dragged into the deep. He doesn't care which, as long I lose my claim on our throne. But I can't abandon our people to his cruelty. At least I have three of the best knights in the four Fae kingdoms on my side: Azrael, the charming prince who hates to love me. Duncan, the grouchy warrior who loves to hate me. And Tiron, my true friend-who has his own secrets that just might drown us. Despite the dark, tangled threads that bind these princes to me-threads that I don't even remember-can we save the Four Kingdoms? I gambled and lost them-and a kingdom-once before. This time, I have to win. Because if I break their hearts again, or if they break mine, the four of us will all disappear under the waves forever. Fallen Queen is Book 2 in the Lost Fae series, which begins with Wandering Queen. When you're a Fae princess, you never have to choose.

***Paranormal MC Reverse Harem Romance** _____ Bronte Milton always seemed to pick the wrong guy. Her last boyfriend took everything she had and disappeared with his rock band, leaving her behind to pick up the pieces. Since then she'd scraped by in the hopes of finally moving someplace warm. Florida sounded amazing to her and when she's finally on her way south, a dead animal in the road detours her to more than just an alternate route. Ivo Kaiser was born in Germany in a time when life wasn't easy and since joining the Blood Angels MC, he'd promised himself to live life to its fullest. However, meeting his mate on the side of an Alaskan road had never factored into his plans as the VP of the Blood Angels. Even so, he wasn't about to turn his back on this new adventure. As the secretary of the Blood Angels MC, Phin Bysse lived his life by the rules. Keeping his nose deep in the business of the club, many of his*

brothers thought of him as a stick in the mud. As a biker, he may have to use his muscle, but it didn't mean he couldn't use his manners; so, he didn't give two fucks what anyone thought... until a heavenly scent had him wanting to remove his shining armor. Tiber Mantua was a wolf without a pack. When you were an Alpha without a mate, you never seemed to fit in. He'd traveled for years in search of the woman or man who would soothe his wild side until the day he'd landed in Azrael, Alaska and met Ivo. Something about the vampire had him wanting to stay in one place. However, Ivo didn't seem to feel the same, so Tiber accepted friendship... for now. When the four drastically different souls crash together, will they be able to let go of perceptions and learn to look deeper?

My name is Karma...and yes, it's my job too. Since I was eighteen, I have used my powers to deliver karma to those in need like my other family does. Only they are much better at it. I deliver much needed karma to both good and bad humans, but mainly the bad as it's more fun. The only rule of the job? Don't talk to the other gods, especially not the powerful ones, and definitely don't accidentally kill one of them... Whoops. Now the twin gods of justice are after me, and not even my family can save me now. If I'm caught, it will be a one-way ticket pass to the gods' correctional prison. It's a place where more than mere gods are locked up and no one ever escapes. Even gods can't escape their fate...but they sure can try to run.

And I vowed to use the only skill I had, my ability to kill, to gain my freedom. But I failed. Imprisoned for my mistake, I spent every day thinking about the three men responsible for my downfall. And what I wanted more, revenge or the life that was stolen from me. Finally free, I join the Guild of Assassins, only to come face-to-face in the training yard with the men I cared for... the ones who had me locked away. The wolf shifter who was my best friend. The man who always made my heart race. And the dark prince of the vampires himself. I wanted to kill all three of them. But joining the guild meant working together. About this book: I need to admit something right now. The Silver Swan is f*cked. It might be the most insane story I've ever written with equally insane characters. Who knew? You know, when I started this book, it was supposed to be YA. I wanted to write a book that my sisters could read. A book that won't have people look at my mum like "damn... what sort of messed up shit happened to your kid?." The angst, the assholiness, the games, the f**kery, the WHAT THE F**KING F**K ARE YOU DOING !!!... I cannot even.... anyway, this is a warning (and the only one I'll give you). It's crazy. I don't compare my work to my others, but this book is f**ked. It will most likely stomp all the f**k over people's hard limits (and not give a

sh*t while it's doing it) and will make you second guess all the morals you thought you had. This most definitely is not looking like a love story right now... more like a..... I don't even.... anyway, I apologise now. You asked for it..

My parents forgot something when they ran... me. After scamming most of our town out of their life savings, my folks disappeared in the middle of the night. Forced to take me in, my estranged aunt and uncle shipped me off to Raven River Academy the first chance they got. In my town, the line between the haves and the have-nots is actually a twelve-foot gate that keep the unwanted where they belong. Nothing could unite the two factions until I set foot on campus. For the first time in our history, they all agree on one thing: I must pay for my father's sins. But why should I care? The joke is on them because I have nothing left inside. No part of me that isn't already broken. I invite them to do their worst. Until The Angels enter the game. The most dangerous gang in town has a score to settle with my family, and Cassius, Clay, Hiro, and Royal are here to collect. Raven River soon becomes a battleground of lies, deceit, and violence, and I stand at the heart of it. The gorgeous otherworldly Angels will remind me that there is one thing left that I care about... and they'll destroy it in heavenly fire. The Angels is a reverse harem high school bully romance. Elias Nilsen has wandered the world as a vampire for quite some time and built up a name for himself. A name that made him the perfect candidate for being the president of the Blood Angels MC - a motorcycle club comprised of vampires, wolf shifters, hybrids, and humans in a secluded Alaskan town. He works hard for his MC and his MC brothers work even harder for him. Being the president leaves Elias wanting for nothing. His life is perfect. He wouldn't change a thing. Or would he? As a vampire with healing abilities, his empathy could have driven him mad if he hadn't found the Blood Angels who gave him a place to call home. Pavel Smirnov was born in an aristocratic vampire settlement, the child of a vampire father and human mother, he was deemed barely more valuable than a mule used to carry supplies. He was forced into service... forced to fight or die. What would he give up for the MC who saved him? Three hard men who live on the life-force - blood - of others are pushed to the brink when a tiny human woman crashes into their lives. The Archangel Michael has been despondent lately. He's become passively suicidal, not willing to end it, but making slip-ups on the job that could kill him. He comes close and is kicked out heaven. Pissed at his failed attempt, he takes off and finds Jahi, a demonic prostitute, on a roof in downtown Los Angeles. He can't bring himself to kill her, so he takes her captive, and sparks fly. What happens if an angel falls in love with a demon? Jahi has finally clawed her way out of hell and is ready to start a new life on earth, but it wasn't quite like she had imagined, and that was before she was captured by an Archangel. All she wants is to be free to make her own choices, live the life she chooses. Is she willing to give that up for Michael? The demons have found a new drug that makes them stronger. Can Michael and Gabriel stop them in time to prevent a power shift in Los Angeles? Caution: This book contains scenes that are intended for adults only. I screwed up. Every demon hunter knows the rules. The most important of which is to never leave a personal object in a demon realm. But somehow, I did. That means the demons who found my ring own me. They can use me. They can command me. I'm at their mercy. But what if everything I've ever known about demons is wrong? And what if I'll need three sinfully sexy demons at my side, or else fall to an enemy I never imagined? SECRET MONSTERS is a steamy paranormal reverse harem romance. It has sexy demons, a tough demon hunter, and a mysterious enemy. But be warned, this book might make you wish for possessive demons of your own. (This book was previously released as Renegade Hunter.)

The world knows me as the Demon's Daughter. He's a famous serial killer. And I may have been his accomplice. But no one knows for sure except for me. The dangerous, cruel men of the Sphinx secret society intend to uncover my secrets...and break me. Stellan, my childhood crush who lost his sister to the Demon. Cain, the boy with the face of an angel to who manipulation comes as easy as breathing; Remington, the playboy soccer star full of secrets. Pax, the dark psycho who hides behind his fists. I hoped for a second chance at Darkwood University, only to have my dream ripped away the first time I kissed one of the handsome bastards. They know who I am. And they're determined to make me pay. They should have thought twice about who they were playing with. Because I am the demon's daughter. And just because they have the power, the connections, the faces and bodies of gods... do they really think they'll win? I wanted a new life, not a war. But if they insist, we'll see who ends up playing. A dark bully, enemies to lovers romance.

Corrupting angels should be fun. But damn it. It's more soul-crushing and infuriating work than I expected. Especially when Lucifer, AKA Lucian, is a lying sack of demon guts and would much prefer to rule Hell alone. Yeah...no. That doesn't work for me. If he gets his way and I fail, I'll lose my soul. I'll lose my chance at helping the Seven Sinners of Hell's Kingdom to rise with me taking the throne of Purgatory. And unfortunately, Lucian's not my only problem. One of the angels that was supposed to jump and create a new level of Hell as its ruler has already fallen from grace. He's mortal and bound to a bottom feeder demon. How the hell am I supposed to complete my mission for my soul when the universe is out to get me? I guess I'll find out. Four more thrones that must be claimed and my current collection of devils need me to fill them to secure our eternities. I can't let them down. Plus, I'm

The #1 New York Times bestselling author of the Crossfire series invites you to explore the seductive underworld where lycans, vampires and angels vie for supremacy in the second novel in the Renegade Angels series. Elijah has never encountered a woman whose warrior spirit and fierce sexual appetite rivals his own, while Vash is faced with the one man strong enough to be her equal. But as war looms, each must decide where their loyalty lies—with their own kind or with the enemy lover they can no longer live without.

They're the things that go bump in the night--a vampire, a fallen angel, and a demon. Enemies I must trust with my life if I'm to solve the dark trail of mysteries before more lives are lost. But just as hard as solving the murders is denying my attraction to them all. And as things heat up in more ways than one, I know I'll never be the same again... That is, if I survive the evil I'm sworn to kill... and the ones I've let into my heart. Night Kissed is the first book in the Chosen Vampire Slayer series. First Impressions

Destined Darkness

They sought to silence me. They wanted me as their tool. Fortunately, they underestimated me. I knew too much, so they took my memories away. But even without them, I'm a force to be reckoned with. Because our enemies might call themselves angels, but the devil knows better. Well, maybe not the devil himself, but my demons sure as hell do. With my three supernatural men at my side, we'll do whatever it takes to make this world right again. Even if it means overthrowing the angels, and heaven itself, to restore the balance of all the realms. Only, we're not the ones who need to rule. The chosen immortals are. And they've been hidden

away, so if we can't find them in time, this war will be lost. The clock is ticking, and the search is on... IMMORTAL TRUTHS is the second book in a steamy paranormal reverse harem romance. It has three sexy demons, druids, gargoyles, mages, and bad angels. So if you're looking for a new and unexpected twist on heaven and hell, grab your copy of Immortal Truths. (This book was previously released titled "Rebel Lies.")

Fans of Leigh Bardugo and Holly Black will devour this gorgeously imagined fantasy about a dark forest besieged by monsters—and the wild queen who has sworn to drive them out. A fierce young queen, neither human nor lynx, who fights to protect a forest humans have long abandoned. An exhausted young soldier, last of his name, who searches for the brother who disappeared beneath those trees without a trace. A Golden Dragon, fearsome and vengeful, whose wingbeats haunt their nightmares and their steps. When these three paths cross at the fringes of a war between monsters and men, shapeshifter queen and reluctant hero strike a deal that may finally turn the tide against the rising hordes of darkness. Ren will help Lukasz find his brother...if Lukasz promises to slay the Dragon. But promises are all too easily broken. This Eastern European fantasy debut, inspired by the Polish fairy tale "The Glass Mountain," will take you on a twisting journey full of creeping tension, simmering romance, and haunting folklore—perfect for readers who loved An Enchantment of Ravens and The Hazel Wood.

I've lost more in the fight against evil than I ever imagined possible. But I'm not done yet. No matter the price that needs to be paid, I'll finish what we started. Only, what if one secret could destroy everything? We've saved so many immortals, but there's still more to be done. Our enemies might call themselves angels, but there's a darkness inside of them that my demons could never have. And they'll cross lines that were never meant to be crossed. A battle is coming. And unless I can uncover the truth in time, we're doomed. LOVER'S WRATH is the second book in a steamy paranormal reverse harem romance.
