A young wolf seeks the bravery to be himself in this “rich take on the wild that quickens the pulse and fills the heart” (Kirkus Reviews), from the author of National Book Award Finalist Mean Margaret and The Wainscott Weasel. Wolves. Predators of the wild. Stalkers of the forests. Born into rankings and expected to live up to their roles. Blue Boy, the alpha male of his pack, is the largest wolf many have ever seen, and his dream is to have a firstborn son who will take after him in every way. But Lamar is not turning out the way his father hoped. Lamar likes to watch butterflies. He worries if his younger siblings fall behind in the hunt. He has little interest in peacocking in front of other clans. Blue Boy grows increasingly dismayed at Lamar's lack of wolf instincts, and then Lamar does the intolerable: he becomes attracted to a coyote. While the other infractions can be begrudgingly tolerated, this one cannot, and the unity of the pack is in jeopardy. Lamar wants to make his family happy, but is doing what is expected of him worth losing the only true friend he's ever had? Full of bite and beauty that will make you think of White Fang, then Ferdinand, this story cuts to the heart of what's most important: being true to yourself, and being true to others.

New York Times bestseller: A "powerful and epic story" . . . the best account of infantry combat I have ever read" (Col. David Hackworth, author of About Face). In November 1965, some 450 men of the First Battalion, Seventh Cavalry, under the command of Lt. Col. Harold Moore, were dropped into a small clearing in the Ia Drang Valley. They were immediately surrounded by 2,000 North Vietnamese soldiers. Three days later, only two and a half miles away, a sister battalion was brutally slaughtered. Together, these actions at the landing zones X-Ray and Albany constituted one of the most savage and significant battles of the Vietnam War. They were the first major engagements between the US Army and the People's Army of Vietnam. How these Americans persevered--sacrificing themselves for their comrades and never giving up--creates a vivid portrait of war at its most devastating and inspiring. Lt. Gen. Moore and Joseph L. Galloway--the only journalist on the ground throughout the fighting--interviewed hundreds of men who fought in the battle, including the North Vietnamese commanders. Their poignant account rises above the ordeal it chronicles to depict men facing the ultimate challenge, dealing with it in ways they would have once found unimaginable. It reveals to us, as rarely before, man's most heroic and horrendous endeavor.
