Wilderness Empire A Narrative By Allan W Eckert

In this engrossing narrative of the great military conflagration of the mid-eighteenth century, Fred Anderson transports us into the maelstrom of international rivalries. With the Seven Years' War, Great Britain decisively eliminated French power north of the Caribbean – and in the process destroyed an American diplomatic system in which Native Americans had long played a central, balancing role – permanently

Access Free Wilderness Empire A Narrative By Allan W Eckert

changing the political and cultural landscape of North America. Anderson skillfully reveals the clash of inherited perceptions the war created when it gave thousands of American colonists their first experience of real Englishmen and introduced them to the British cultural and class system. We see colonists who assumed that they were partners in the empire encountering British officers who regarded them as subordinates and who treated them accordingly. This laid the groundwork in shared experience for a common view of the world, of the empire, and of the men

Access Free Wilderness Empire A Narrative By Allan W Eckert

who had once been their masters. Thus, Anderson shows, the war taught George Washington and other provincials profound emotional lessons, as well as giving them practical instruction in how to be soldiers. Depicting the subsequent British efforts to reform the empire and American resistance – the riots of the Stamp Act crisis and the nearly simultaneous pan-Indian insurrection called Pontiac's Rebellion – as postwar developments rather than as an anticipation of the national independence that no one knew lay ahead (or even desired), Anderson

Access Free Wilderness Empire A Narrative By Allan W Eckert

re-creates the perspectives through which contemporaries saw events unfold while they tried to preserve imperial relationships. Interweaving stories of kings and imperial officers with those of Indians, traders, and the diverse colonial peoples, Anderson brings alive a chapter of our history that was shaped as much by individual choices and actions as by social, economic, and political forces.

NEW YORK TIMES BESTSELLER •
An indispensable guide to surviving everything from an extended wilderness exploration to a day-long boat trip, with hard-earned

Access Free Wilderness Empire A Narrative By Allan W Eckert

advice from the host of the show MeatEater as seen on Netflix For anyone planning to spend time outside, The MeatEater Guide to Wilderness Skills and Survival is the perfect antidote to the sensationalism of the modern survival genre. Informed by the real-life experiences of renowned outdoorsman Steven Rinella, its pages are packed with tried-and-true tips, techniques, and gear recommendations. Among other skills, readers will learn about old-school navigation and essential satellite tools, how to build a basic first-aid kit and apply tourniquets, and how to

Access Free Wilderness Empire A Narrative By Allan W Eckert

effectively purify water using everything from ancient methods to cutting-edge technologies. This essential guide delivers hard-won insights and know-how garnered from Rinella's own experiences and mistakes and from his trusted crew of expert hunters, anglers, emergency-room doctors, climbers, paddlers, and wilderness guides—with the goal of making any reader feel comfortable and competent while out in the wild.

The unforgettable true story of Christopher Knight, who found refuge from the pressures of modern society by living alone in the Maine

woods for twenty-seven years.

An award-winning author chronicles the settling of the Ohio River Valley, home to the defiant Shawnee Indians, who vow to defend their land against the seemingly unstoppable. They came on foot and by horseback, in wagons and on rafts, singly and by the score, restless, adventurous, enterprising, relentless, seeking a foothold on the future. European immigrants and American colonists, settlers and speculators, soldiers and missionaries, fugitives from justice and from despair—pioneers all, in the

Access Free Wilderness Empire A Narrative By Allan W Eckert

great and inexorable westward expansion defined at its heart by the majestic flow of the Ohio River. This is their story, a chronicle of monumental dimension, of resounding drama and impact set during a pivotal era in our history: the birth and growth of a nation. Drawing on a wealth of research, both scholarly and anecdotal—including letters, diaries, and journals of the era—Allan W. Eckert has delivered a landmark of historical authenticity, unprecedented in scope and detail.

The Pioneers

The Life of Tecumseh

Blue Jacket

A landmark work from the author of *Orientalism* that explores the long-overlooked connections between the Western imperial endeavor and the culture that both reflected and reinforced it. In the nineteenth and early twentieth centuries, as the Western powers built empires that stretched from Australia to the West Indies, Western artists created masterpieces ranging from

Access Free Wilderness Empire A Narrative By Allan W Eckert

Mansfield Park to Heart of Darkness and Aida. Yet most cultural critics continue to see these phenomena as separate. Edward Said looks at these works alongside those of such writers as W. B. Yeats, Chinua Achebe, and Salman Rushdie to show how subject peoples produced their own vigorous cultures of opposition and resistance. Vast in scope and stunning in its erudition, *Culture and Imperialism* reopens the dialogue between literature and the life of its time.

Six-year-old Ben is very

Access Free Wilderness Empire A Narrative By Allan W Eckert

small for his age, and gets along better with animals than people. One June day in 1870, Ben wanders away from his home on Hawk's Hill and disappears into the waving prairie grass. This is the story of how a shy, lonely boy survives for months in the wilds and forges a bond with a female badger. ALA Notable Book. Newbery Honor Book. Tells the story of America's westward expansion beyond the Mississippi River from 1834 to 1848.

AMERICAN EDITION!

Access Free Wilderness Empire A Narrative By Allan W Eckert

"Beguiling, audacious... rises to its own challenges in engaging intellectually as well as wholeheartedly with its questions about gender, genre and the concept of wilderness. The novel displays wide reading, clever writing and amusing dialogue." —The Guardian

This is a new kind of nature writing — one that crosses fiction with science writing and puts gender politics at the center of the landscape. Erin, a 19-year-old girl from middle England, is travelling to Alaska on a journey that takes her through Iceland,

Access Free Wilderness Empire A Narrative By Allan W Eckert

Greenland, and across Canada. She is making a documentary about how men are allowed to express this kind of individualism and personal freedom more than women are, based on masculinist ideas of survivalism and the shunning of society: the "Mountain Man." She plans to culminate her journey with an experiment: living in a cabin in the Alaskan wilderness, a la Thoreau, to explore it from a feminist perspective. The book is a fictional time capsule curated by Erin, comprising

Access Free Wilderness Empire A Narrative By Allan W Eckert

of personal narrative, fact, anecdote, images and maps, on subjects as diverse as The Golden Records, Voyager 1, the moon landings, the appropriation of Native land and culture, Rachel Carson, The Order of The Dolphin, The Doomsday Clock, Ted Kaczynski, Valentina Tereshkova, Jack London, Thoreau, Darwin, Nuclear war, The Letters of Last Resort and the pill, amongst many other topics. "Refreshingly outward-looking in a literary culture that turns ever inward to the self, although it still has

Access Free Wilderness Empire
A Narrative By Allan W Eckert

profound moments of introspection. Uplifting, with a thirsty curiosity, the writing is playful and exuberant. Riffing on feminist ideas but unlimited in scope, Andrews focuses our attention on our beautiful, doomed planet, and the astonishing things we have yet to discover."

The Epic History of American Economic Power The Opening of the Great American West

Written from a strikingly fresh perspective, this new account of the Boston Tea Party and the origins of the American Revolution shows how a lethal blend of politics, personalities, and economics led to a war that few people welcomed but nobody could prevent. In this powerful but fair-minded narrative, British author Nick Bunker tells the story of the last three years of mutual embitterment that preceded the outbreak of America ' s war for independence in 1775. It was a tragedy of errors, in which both sides shared responsibility for a

Access Free Wilderness Empire A Narrative By Allan W Eckert

conflict that cost the lives of at least twenty thousand Britons and a still larger number of Americans. The British and the colonists failed to see how swiftly they were drifting toward violence until the process had gone beyond the point of no return. At the heart of the book lies the Boston Tea Party, an event that arose from fundamental flaws in the way the British managed their affairs. By the early 1770s, Great Britain had become a nation addicted to financial speculation, led by a political elite beset by internal rivalry and increasingly baffled by a changing world. When the East India Company came close to collapse, it patched together a rescue plan whose

Access Free Wilderness Empire A Narrative By Allan W Eckert

disastrous side effect was the destruction of the tea. With lawyers in London calling the Tea Party treason, and with hawks in Parliament crying out for revenge, the British opted for punitive reprisals without foreseeing the resistance they would arouse. For their part, Americans underestimated Britain ' s determination not to give way. By the late summer of 1774, when the rebels in New England began to arm themselves, the descent into war had become irreversible. Drawing on careful study of primary sources from Britain and the United States, *An Empire on the Edge* sheds new light on the Tea Party ' s origins and on the roles of such

Access Free Wilderness Empire A Narrative By Allan W Eckert

familiar characters as Benjamin Franklin, John Hancock, and Thomas Hutchinson. The book shows how the king ' s chief minister, Lord North, found himself driven down the road to bloodshed. At his side was Lord Dartmouth, the colonial secretary, an evangelical Christian renowned for his benevolence. In a story filled with painful ironies, perhaps the saddest was this: that Dartmouth, a man who loved peace, had to write the dispatch that sent the British army out to fight.

The Pulitzer Prize-winning author of FDR uses scenes and dialogues from letters, journals, and diaries to recreate the odysseys, adventures, human dramas, and inhuman

Access Free Wilderness Empire A Narrative By Allan W Eckert

suffering that shaped American history. 75,000 first printing.

A biography of the Shawnee leader describes his vision to unite North American tribes into one powerful Indian nation capable of forcing back the encroaching white settlers and his attempts to do so. Reprint.

A surprising and sweeping history that reveals the fur trade to be the driving force behind conquest, colonization, and revolution in early America Combining the epic saga of Hampton Sides's Blood and Thunder with the natural history of Mark Kurlansky's Cod, popular historian Alan Axelrod reveals the astonishingly vital role a small animal—the beaver—played in the creation of our nation. The author

Access Free Wilderness Empire A Narrative By Allan W Eckert

masterfully relays a story often neglected by conventional histories: how lust for fur trade riches moved monarchs and men to launch expeditions of discovery, finance massive corporate enterprises, and wage war. Deftly weaving cultural and military narratives, the author chronicles how Spanish, Dutch, French, English, and Native American tribes created and betrayed alliances based on trapping and trade disputes, producing a surprisingly complex series of loyalties that endured throughout the Revolution and beyond.

The Lost City of Z

John Jacob Astor and Thomas
Jefferson's Lost Pacific Empire: A
Story of Wealth, Ambition, and
Survival

The Conquerors

A region of such wealth and beauty as Upper California could not long be hidden from the eyes of restless Americans pressing steadily westward. In 1841 a party of men, women, and children set out from Missouri led by John Bidwell, the prince of California pioneers. Their trip to California across the plains and mountains, as revealed in the journal of their leaders, is a tribute to human courage, endurance, and faith. We knew only, Bidwell wrote, that California lay to the west. The Bidwell pioneers were followed by many other parties, including the Donner-Reed party. Caught in the Sierra Nevada mountains by the icy grip of an

Access Free Wilderness Empire A Narrative By Allan W Eckert

early winter, the Donner party built crude shelters and struggled to survive. Soup made of boiled leather and powdered bones became a luxury. Of the 79 persons who started, 34 died before an expedition out of California rescued the survivors. Allan Eckert's new book, Dark Journey, provides an accurate and comprehensive, yet dramatic, picture of the Donner-Reed Wagon Train's grim, harrowing odyssey from Illinois westward to California, beginning in the spring of 1846 and finally mercifully ending in the spring of the following year. It is the result of extended and intensive research through a multitude of original documents and contemporary accounts of this poignant chapter in American history. Dark Journey is fact, not fiction, The incidents described in this work actually occurred; the dates are historically accurate; the characters, regardless of how major or minor, actually lived the roles in

Access Free Wilderness Empire A Narrative By Allan W Eckert

which they are herein portrayed. In this volume, certain techniques normally associated with the novel form have been utilized to help provide continuity and narrative flow but never at the expense of historical accuracy. Where dialogue is used, it is actual quoted conversation from historical sources. Otherwise it is reconstructed from historically recorded interchanges between individuals but not written then as dialogue. In other instances, historical fact has been utilized in the form of conversation to maintain dramatic narrative pace but unfailingly in keeping with the character and fundamental perspective of the individual speaking the words.

They had defeated the French and now the English possessed the vast North American Empire. Soldiers, traders, settlers--all began the trek across the wilderness to claim the land and its riches. Against this relentless

Access Free Wilderness Empire A Narrative By Allan W Eckert

tide Indian warriors rose up in bitter fury exploded in the bloody battle for the conquest of the Northwest territory.

“An interactive and empowering book” to help African American men and women create a new vision of better health and navigate the health care system (BET.com). According to the federal Office of Minority Health, African Americans “are affected by serious diseases and health conditions at far greater rates than other Americans.” In fact, African Americans suffer an estimated 85,000 excess deaths every year from diseases we know how to prevent: heart disease, stroke, cancer, high blood pressure, and diabetes. In this important and accessible book, Dr. Michelle Gourdine provides African Americans with the knowledge and guidance they need to take charge of their wellbeing. Reclaiming Our Health begins with an overview of the primary health concerns facing African

Access Free Wilderness Empire A Narrative By Allan W Eckert

Americans and explains who is at greatest risk of illness. Expanding on her career and life experiences as an African American physician, Dr. Gourdine presents key insights into the ways African American culture shapes health choices—how beliefs, traditions, and values can influence eating choices, exercise habits, and even the decision to seek medical attention. She translates extensive research into practical information and presents readers with concrete steps for achieving a healthier lifestyle, as well as strategies for navigating the health-care system. This interactive guide with illustrations is a vital resource for every African American on how to live a healthier and more empowered life, and an indispensable handbook for health-care providers, policy makers, and others working to close the health gap among people of color. Says Gourdine, “I wrote this book to empower our community to solve

Access Free Wilderness Empire A Narrative By Allan W Eckert

our own health problems and save our own lives.”

The frontiersmen were a remarkable breed of men. They were often rough and illiterate, sometimes brutal and vicious, often seeking an escape in the wilderness of mid-America from crimes committed back east. In the beautiful but deadly country which would one day come to be known as West Virginia, Kentucky, Michigan, Ohio, Indiana, and Illinois, more often than not they left their bones to bleach beside forest paths or on the banks of the Ohio River, victims of Indians who claimed the vast virgin territory and strove to turn back the growing tide of whites. These frontiersmen are the subjects of Allan W. Eckert's dramatic history. Against the background of such names as George Rogers Clark, Daniel Boone, Arthur St. Clair, Anthony Wayne, Simon Girty and William Henry Harrison, Eckert has recreated the life of one of

Access Free Wilderness Empire A Narrative By Allan W Eckert

America's most outstanding heroes, Simon Kenton. Kenton's role in opening the Northwest Territory to settlement more than rivaled that of his friend Daniel Boone. By his eighteenth birthday, Kenton had already won frontier renown as woodsman, fighter and scout. His incredible physical strength and endurance, his great dignity and innate kindness made him the ideal prototype of the frontier hero. Yet there is another story to The Frontiersmen. It is equally the story of one of history's greatest leaders, whose misfortune was to be born to a doomed cause and a dying race. Tecumseh, the brilliant Shawnee chief, welded together by the sheer force of his intellect and charisma an incredible Indian confederacy that came desperately close to breaking the thrust of the white man's westward expansion. Like Kenton, Tecumseh was the paragon of his people's virtues, and the story of his life, in Allan Eckert's hands, reveals most

Access Free Wilderness Empire A Narrative By Allan W Eckert

profoundly the grandeur and the tragedy of the American Indian.No less importantly, The Frontiersmen is the story of wilderness America itself, its penetration and settlement, and it is Eckert's particular grace to be able to evoke life and meaning from the raw facts of this story. In The Frontiersmen not only do we care about our long-forgotten fathers, we live again with them.

geopolitics." —Los Angeles
Times As Henry Hudson sailed
up the broad river that would one
day bear his name, he grew
concerned that his Dutch patrons
would be disappointed in his
failure to find the fabled route to
the Orient. What became
immediately apparent, however,
from the Indians clad in deer
skins and "good furs" was that
Hudson had discovered
something just as tantalizing.

Access Free Wilderness Empire A Narrative By Allan W Eckert

The news of Hudson's 1609 voyage to America ignited a fierce competition to lay claim to this uncharted continent, teeming with untapped natural resources. The result was the creation of an American fur trade, which fostered economic rivalries and fueled wars among the European powers, and later between the United States and Great Britain, as North America became a battleground for colonization and imperial aspirations. In *Fur, Fortune, and Empire*, best-selling author Eric Jay Dolin chronicles the rise and fall of the fur trade of old, when the rallying cry was "get the furs while they last."

Access Free Wilderness Empire A Narrative By Allan W Eckert

Beavers, sea otters, and buffalos were slaughtered, used for their precious pelts that were tailored into extravagant hats, coats, and sleigh blankets. To read *Fur, Fortune, and Empire* then is to understand how North America was explored, exploited, and settled, while its native Indians were alternately enriched and exploited by the trade. As Dolin demonstrates, fur, both an economic elixir and an agent of destruction, became inextricably linked to many key events in American history, including the French and Indian War, the American Revolution, and the War of 1812, as well as to the

Access Free Wilderness Empire A Narrative By Allan W Eckert

relentless pull of Manifest
Destiny and the opening of the
West. This work provides an
international cast beyond the
scope of any Hollywood epic,
including Thomas Morton, the
rabble-rouser who infuriated the
Pilgrims by trading guns with the
Indians; British explorer Captain
James Cook, whose discovery in
the Pacific Northwest helped
launch America's China trade;
Thomas Jefferson who dreamed
of expanding the fur trade
beyond the Mississippi;
America's first multimillionaire
John Jacob Astor, who built a
fortune on a foundation of fur;
and intrepid mountain men such

Access Free Wilderness Empire A Narrative By Allan W Eckert

as Kit Carson and Jedediah Smith, who sliced their way through an awe inspiring and unforgiving landscape, leaving behind a mythic legacy still resonates today. Concluding with the virtual extinction of the buffalo in the late 1800s, *Fur, Fortune, and Empire* is an epic history that brings to vivid life three hundred years of the American experience, conclusively demonstrating that the fur trade played a seminal role in creating the nation we are today.

In the tradition of *The Lost City of Z* and *Skeletons in the Zahara*, *Astoria* is the thrilling, true-

Access Free Wilderness Empire A Narrative By Allan W Eckert

adventure tale of the 1810 Astor Expedition, an epic, now forgotten, three-year journey to forge an American empire on the Pacific Coast. Peter Stark offers a harrowing saga in which a band of explorers battled nature, starvation, and madness to establish the first American settlement in the Pacific Northwest and opened up what would become the Oregon trail, permanently altering the nation's landscape and its global standing. Six years after Lewis and Clark's began their journey to the Pacific Northwest, two of the Eastern establishment's leading figures, John Jacob

Access Free Wilderness Empire A Narrative By Allan W Eckert

Astor and Thomas Jefferson, turned their sights to founding a colony akin to Jamestown on the West Coast and transforming the nation into a Pacific trading power. Author and correspondent for Outside magazine Peter Stark recreates this pivotal moment in American history for the first time for modern readers, drawing on original source material to tell the amazing true story of the Astor Expedition. Unfolding over the course of three years, from 1810 to 1813, Astoria is a tale of high adventure and incredible hardship in the wilderness and at sea. Of the more than one

Access Free Wilderness Empire A Narrative By Allan W Eckert

hundred-forty members of the two advance parties that reached the West Coast—one crossing the Rockies, the other rounding Cape Horn—nearly half perished by violence. Others went mad. Within one year, the expedition successfully established Fort Astoria, a trading post on the Columbia River. Though the colony would be short-lived, it opened provincial American eyes to the potential of the Western coast and its founders helped blaze the Oregon Trail.

A modern classic by Nobel Laureate J.M. Coetzee. His latest novel, *The Schooldays of Jesus*, is now available from

Access Free Wilderness Empire A Narrative By Allan W Eckert

Viking. Late Essays: 2006-2016 will be available January 2018. For decades the Magistrate has been a loyal servant of the Empire, running the affairs of a tiny frontier settlement and ignoring the impending war with the barbarians. When interrogation experts arrive, however, he witnesses the Empire's cruel and unjust treatment of prisoners of war. Jolted into sympathy for their victims, he commits a quixotic act of rebellion that brands him an enemy of the state. J. M. Coetzee's prize-winning novel is a startling allegory of the war between oppressor and oppressed.

Access Free Wilderness Empire A Narrative By Allan W Eckert

The Magistrate is not simply a man living through a crisis of conscience in an obscure place in remote times; his situation is that of all men living in unbearable complicity with regimes that ignore justice and decency. Mark Rylance (Wolf Hall, Bridge of Spies), Ciro Guerra and producer Michael Fitzgerald are teaming up to bring J.M. Coetzee's *Waiting for the Barbarians* to the big screen. Named one of the ten best books of the year by the Chicago Tribune A Publishers Weekly best book of 2019 | A 2019 NPR Staff Pick A pathbreaking history of the United States' overseas

Access Free Wilderness Empire A Narrative By Allan W Eckert

possessions and the true meaning of its empire We are familiar with maps that outline all fifty states. And we are also familiar with the idea that the United States is an “empire,” exercising power around the world. But what about the actual territories—the islands, atolls, and archipelagos—this country has governed and inhabited? In *How to Hide an Empire*, Daniel Immerwahr tells the fascinating story of the United States outside the United States. In crackling, fast-paced prose, he reveals forgotten episodes that cast American history in a new light. We travel to the Guano Islands,

Access Free Wilderness Empire A Narrative By Allan W Eckert

where prospectors collected one of the nineteenth century's most valuable commodities, and the Philippines, site of the most destructive event on U.S. soil. In Puerto Rico, Immerwahr shows how U.S. doctors conducted grisly experiments they would never have conducted on the mainland and charts the emergence of independence fighters who would shoot up the U.S. Congress. In the years after World War II, Immerwahr notes, the United States moved away from colonialism. Instead, it put innovations in electronics, transportation, and culture to use, devising a new sort of

Access Free Wilderness Empire A Narrative By Allan W Eckert

influence that did not require the control of colonies. Rich with absorbing vignettes, full of surprises, and driven by an original conception of what empire and globalization mean today, *How to Hide an Empire* is a major and compulsively readable work of history.

Originally published: Boston: Little, Brown, c1983. (The winning of America series)

Having reported on some of the world's most violent, least understood regions in his bestsellers *Balkan Ghosts* and *The Ends of the Earth*, Robert Kaplan now returns to his native land, the United States of America. Traveling, like Tocqueville and John Gunther before him, through a political and cultural landscape in transition, Kaplan reveals a nation shedding a familiar identity as it assumes a radically new one. *An Empire Wilderness* opens in Fort Leavenworth, Kansas, where the first white settlers moved into Indian

Access Free Wilderness Empire A Narrative By Allan W Eckert

country and where Manifest Destiny was born. In a world whose future conflicts can barely be imagined, it is also the place where the army trains its men to fight the next war. "A nostalgic view of the United States is deliberately cultivated here," Kaplan writes, "as if to bind the uncertain future to a reliable past." From Fort Leavenworth, Kaplan travels west to the great cities of the heartland--to St. Louis, once a glorious shipping center expected to outshine imperial Rome and now touted, with its desolate inner city and miles of suburban gated communities, as "the most average American city." Kaplan continues west to Omaha; down through California; north from Mexico, across Arizona, New Mexico, and Texas; up to Montana and Canada, and back through Oregon. He visits Mexican border settlements and dust-blown county sheriffs' offices, Indian reservations and

Access Free Wilderness Empire A Narrative By Allan W Eckert

nuclear bomb plants, cattle ranches in the Oklahoma Panhandle, glacier-mantled forests in the Pacific Northwest, swanky postsuburban sprawls and grim bus terminals, and comes, at last, to the great battlefield at Vicksburg, Mississippi, where an earlier generation of Americans gave their lives for their vision of an American future. But what, if anything, he asks, will today's Americans fight and die for? At Vicksburg Kaplan contemplates the new America through which he has just traveled--an America of sharply polarized communities that draws its population from pools of talent far beyond its borders; an America where the distance between winners and losers grows exponentially as corporations assume government functions and the wealthy find themselves more closely linked to their business associates in India and China than to their poorer neighbors a few miles

Access Free Wilderness Empire A Narrative By Allan W Eckert

away; an America where old loyalties and allegiances are vanishing and new ones are only beginning to emerge. The new America he found is in the pages of this book. Kaplan gives a precise and chilling vision of how the most successful nation the world has ever known is entering the final, and highly uncertain, phase of its history.

of Astoria Two decades before he led America to independence, George Washington was a flailing young soldier serving the British Empire in the vast wilderness of the Ohio Valley. Naïve and self-absorbed, the twenty-two-year-old officer accidentally ignited the French and Indian War—a conflict that opened colonists to the possibility of an American Revolution. With powerful narrative drive and vivid writing, Young Washington recounts the wilderness trials, controversial battles, and emotional entanglements that transformed Washington from a temperamental striver into a mature leader. Enduring

Access Free Wilderness Empire A Narrative By Allan W Eckert

terrifying summer storms and subzero winters imparted resilience and self-reliance, helping prepare him for what he would one day face at Valley Forge. Leading the Virginia troops into battle taught him to set aside his own relentless ambitions and stand in solidarity with those who looked to him for leadership. Negotiating military strategy with British and colonial allies honed his diplomatic skills. And thwarted in his obsessive, youthful love for one woman, he grew to cultivate deeper, enduring relationships. By weaving together Washington's harrowing wilderness adventures and a broader historical context, Young Washington offers new

insights into the dramatic years that shaped the man who shaped a nation.

In these several pieces I have worked to trace out possible interfaces between specific scripture references and matters at the forefront of our common social life. It is my hunch that, almost without fail, such an interface creates a very different angle of vision for any element of our common social life, because it situates such a topic in the context of the biblical narrative that is occupied by the holy agency of God. Such an alternative angle of vision helps to defamiliarize us from our usual discernment according to the

Access Free Wilderness Empire A Narrative By Allan W Eckert

master narrative of democratic capitalism that is most widely shared across the spectrum of conservatives and progressives. Because our common angle of vision shared by progressives and conservatives has a very low ceiling of human ultimacy, we (all of us!) easily come to think that our particular reading of social reality is absolute and beyond question, even if dominated by a tacit ideology. It is my bet that an interface with biblical testimony can and will deabsolutize our excessive certitude and permit us to look again at the social "facts" that are in front of us. I do not think and do not suggest that such interfaces with scripture are

Access Free Wilderness Empire A Narrative By Allan W Eckert

inevitable; they are rather suggestive, impressionistic, and fleeting, the kind of linkage that is available in the matrix of faith that is not fixed on certitude.

The first in Sara Donati's bestselling Wilderness series, this epic novel of love and adventure interweaves the fate of the Mohawk Nation with the destiny of two outsiders from different worlds. When Elizabeth Middleton leaves England to join her father and brother in a remote mountain village on the edge of the New York wilderness, she does so with a strong will and an unwavering purpose: to establish a school. It is December 1792 when she arrives in a cold climate unlike any she

has ever experienced and meets a man unlike any she has ever encountered - a white man dressed like a Native American, tall and lean and unsettling in his honesty. He is Nathaniel Bonner, also known to the Mohawk people as 'Between-Two-Lives'.

Determined to provide schooling for all the village children - white, black and Native American - Elizabeth is soon at odds with the slave owners, as well as her own father, who insists she marry local doctor Richard Todd. Such an alliance could save her father from financial ruin, but would call into question the ownership of Hidden Wolf, the mountain where Nathaniel, his father, and a small

group of Native Americans live and hunt . . . 'One of those rare stories that lets you breathe the air of another time, and leave your footprints on the snow of a wild, strange place' Diana Gabaldon

Throughout time, from ancient Rome to modern Britain, the great empires built and maintained their domination through force of arms and political power. But not the United States. America has dominated the world in a new, peaceful, and pervasive way -- through the continued creation of staggering wealth. In this authoritative, engrossing history, John Steele Gordon captures as never before the true source of our nation's global influence:

explorer Percy Fawcett ventured into the Amazon jungle, in search of a fabled civilization. He never returned. Over the years countless perished trying to find evidence of his party and the place he called "The Lost City of Z." In this masterpiece of narrative nonfiction, journalist David Grann interweaves the spellbinding stories of Fawcett's quest for "Z" and his own journey into the deadly jungle, as he unravels the greatest exploration mystery of the twentieth century.

In *A Wilderness so Immense*, historian Jon Kukla recounts the fascinating tale of the personal

maneuverings, political posturing, and international intrigue that culminated in the greatest land deal in history. Spanning nearly two decades, Kukla ' s book brings to life a pageant of characters from Thomas Jefferson, James Monroe, and John Jay, to Napoleon and Carlos III of Spain and other colorful figures. Employing letters, memoirs, contemporary documents, and a host of other sources, Kukla creates a complete and compelling account of the Louisiana Purchase. From the hinterlands in Kentucky to the courts of Spain, France, and England to the halls of

Congress, he re-creates the forces and personalities that turned a struggle for navigation rights on the Mississippi into an event that doubled the size of the country and altered the destiny of the United States forever.

"As part of the Treaty of Paris, in which Great Britain recognized the new United States of America, Britain ceded the land that comprised the immense Northwest Territory, a wilderness empire northwest of the Ohio River containing the future states of Ohio, Indiana, Illinois, Michigan, and Wisconsin. A Massachusetts minister named Manasseh

Cutler was instrumental in opening this vast territory to veterans of the Revolutionary War and their families for settlement. Included in the Northwest Ordinance were three remarkable conditions: freedom of religion, free universal education, and most importantly, the prohibition of slavery. In 1788 the first band of pioneers set out from New England for the Northwest Territory under the leadership of Revolutionary War veteran General Rufus Putnam. They settled in what is now Marietta on the banks of the Ohio River. McCullough tells the story through five major characters:

Cutler and Putnam; Cutler's son Ephraim; and two other men, one a carpenter turned architect, and the other a physician who became a prominent figure in American science. They and their families created a town in a primeval wilderness, while coping with such frontier realities as trees of a size never imagined, floods, fires, wolves, bears, even an earthquake, all the while negotiating a contentious and sometimes hostile relationship with the native people. Like so many of McCullough's subjects, they let no obstacle deter or defeat them. Drawn in great part from a rare and all-but-

Access Free Wilderness Empire A Narrative By Allan W Eckert

York Times At the dawn of the twentieth century, when human flight was still considered an impossibility, Germany's Count Ferdinand von Zeppelin vied with the Wright Brothers to build the world's first successful flying machine. As the Wrights labored to invent the airplane, Zeppelin fathered the remarkable airship, sparking a bitter rivalry between the two types of aircraft and their innovators that would last for decades, in the quest to control one of humanity's most inspiring achievements. And it was the airship—not the airplane—that led the way. In the glittery 1920s, the count's brilliant protégé, Hugo

Eckener, achieved undreamed-of feats of daring and skill, including the extraordinary Round-the-World voyage of the Graf Zeppelin. At a time when America's airplanes—rickety deathtraps held together by glue, screws, and luck—could barely make it from New York to Washington, D.C., Eckener's airships serenely traversed oceans without a single crash, fatality, or injury. What Charles Lindbergh almost died doing—crossing the Atlantic in 1927—Eckener had effortlessly accomplished three years before the Spirit of St. Louis even took off. Even as the Nazis sought to

exploit Zeppelins for their own nefarious purposes, Eckener built his masterwork, the behemoth Hindenburg—a marvel of design and engineering. Determined to forge an airline empire under the new flagship, Eckener met his match in Juan Trippe, the ruthlessly ambitious king of Pan American Airways, who believed his fleet of next-generation planes would vanquish Eckener's coming airship armada. It was a fight only one man—and one technology—could win. Countering each other's moves on the global chessboard, each seeking to wrest the advantage from his rival, the struggle for
