Rosalind Chan is a world-renowned cake decorator who has traveled the globe to bring these 14 cakes inspired by the countries and flowers of the places she's visited. Japan, Thailand, China, Indonesia, the Phillipines, Russia, Australia, the U.S. and Canada all feature here, each with a beautiful cake and a story to tell. This is a book well-designed for intermediate and advanced cake bakers, but with enough how-to photos, and tips on tools and basics that beginners can follow along with ease. The cakes featured teach some of the most sought-after skills in cake making, from the perfect fondant and simple piping to how to mold a silicone head or make edible cake glue to hold your most exotic creations together. How-to photos, templates and beautiful full-page images of the final product make this book as pleasing to leaf through as it is to bake from. Plus, it contains all your favorite cake and confectionery recipes, including, Red Velvet, Devils Food Cake, macarons and marzipan. If you are ready to build your own wedding cake, or advance your skills, or simply learn how to make edible flowers, you will find your know-how in Creative Cakes from East to West.

This unique and beautiful book was planned for those who love cake decorating and the opportunities it offers for creative self-expression. It explores decorating's long and honored past, then shows how this craft, mastered and perfected, can become an art form. The Wilton Way Volume 2, starts with an exploration of imaginative American techniques that open new horizons to decorators. The special love American decorators have for flowers is the subject of two chapters. The first is devoted to the fifty flowers of the fifty states—many never before achieved in icing. The second is given to the rose—best loved flower of every decorator in the world. 23 varieties and how to pipe them are shown. Wild roses, tea roses, "old" roses, even reproductions of roses that grew in Marie Antoinette's garden. Each is displayed on a beautiful cake.

Learning to make and decorate cakes that are as beautiful as they are delicious can be a challenge, but with the expert guidance of renowned confectionery artist Autumn Carpenter in First Time Cake Decorating, your goal is within reach. Like having your very own cake decorating instructor at your side, First Time Cake Decorating guides you expertly through the process, from baking and prepping your first cake through a range of decorating techniques, from essential piping techniques for creating borders, writing, and flowers to working with gum paste and fondant to make stunning daisies, roses, lilies, and more. There's a first time for everything. Enjoy the journey and achieve success with First Time Cake Decorating!

With a foreword by Ree Drummond, this beautiful book has 100 easier, faster, lightened-up Southern recipes, from the blogger behind the popular Add a Pinch website. A generation ago, home cooks may have had all day to prepare dinner, but most folks now want convenient, fast recipes that don't rely on canned soups or other processed products. Here, fresh ingredients take center stage in slow cooker meals, casseroles and one-dish suppers, salads, soups, and desserts that have deep, satisfying flavors but are a cinch to make. Smart swaps like Greek yogurt for mayo in pimento cheese and cauliflower "rice" put a modern spin on these dishes. With 75 color photographs and lots of sidebars, this is the new Southern cooking handbook.

The comprehensive guide to amazing cake decoration—now fully updated Professional Cake Decorating is a must-have resource for professional and aspiring cake artists, baking and pastry students, and cake decorating hobbyists, drawing on years of experience from master cake designer and IACP Award nominee Toba Garrett. This Second Edition has been completely revamped with gorgeous new photography and a fresh new design. The New Skills have been re-organized into a user-friendly, step-by-step format, and line art and photos throughout the book provide a visual reference for each new technique. The book begins with an introductory chapter on all the fundamentals of the cake designer's art, from covering a cake board to assembling and icing a layered cake to stacking cake tiers with pillars or columns. Subsequent chapters cover decorating techniques including Basic, Intermediate, and Advanced Piping Skills, The Art of Writing and Painting, Royal Icing Design Skills, Hand Modeling Skills, Pastillage Construction, Gumpaste Flowers, and much more. A chapter on Miniature Cakes and Decorated Cookies includes techniques for making petit fours and other small treats, while the Cake and Confectionery Gallery provides inspiration for decorators with nearly 20 full-page photos of breathtaking cakes and information on the techniques needed to complete each one. Garrett also includes recipes for cakes, fillings, icings, cookies, and more, as well as an appendix of templates to help decorators replicate the designs shown in the book.
