

Wisconsin Motor Vehicle Salesperson Practice Test

Stewart Macaulay teaches contracts at the University of Wisconsin Law School and is interested in the part the legal system plays in implementing, regulating, and hindering economic relationships, and how it does these things. This book is a descriptive analysis of organizational change that has resulted from automobile dealers' attempts to find a legal remedy for what they consider unfair practices of the manufacturers. It advances our understanding of the limitations and the positive functions of formal rules in the regulation of human conduct, and shows how informal procedures can develop as a result of pressure for changes in the formal rules.

Financial Statistics of States

Law and the Balance of Power

Business Torts: A Fifty State Guide, 2022 Edition provides the most recent statutory and case law developments on business torts laws for each of the fifty states and the District of Columbia. Practitioner-oriented, and written by leading state experts, each chapter summarizes the variants and developments particular to a specific state jurisdiction. You will find detailed coverage of each state's standards regarding: misappropriation of trade secrets; tortious interference with contracts; fraud and misrepresentation; trade libel and commercial disparagement; breach of fiduciary duty; officers and directors liability; conversion; unfair competition, fraudulent transfer; economic loss; and statutes of limitation. The 2022 Edition incorporates recent changes in the law of the various states, including: The South Carolina Supreme Court held that plaintiffs are no longer required to plead special damages for civil conspiracy claims. The Maine Legislature passed a new law restricting an Employer's use of non-compete agreements and subjecting violations of this new law to a \$5,000 fine. The Iowa Supreme Court refused to recognize that a pastor owes a fiduciary duty to a plaintiff, as the Court would have to refer to church doctrines and practices in making that assessment, which the Court held was beyond their authority. The 6th Circuit Court of Appeals held that the Uniform Voidable Transactions Act, as adopted in part by Michigan, allows a creditor to void a fraudulent disposal of property belonging to a person who is liable on a claim. State Laws Included: Alabama, Alaska, Arizona, Arkansas, California, Colorado, Connecticut, Delaware, Florida, Georgia, Hawaii, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Utah, Vermont, Virginia, Washington, West Virginia, Wisconsin, Wyoming.
