Discover the Ways of the Spirits And Master the Art of Command and Influence Profound spiritual insights and powers await beyond the material world. In *The Witch's Book of Spirits*, Devin Hunter invites you to perform rituals and magic with spirit guides, familiars, angels, the deceased, faeries, and demons. Develop and enhance your relationships to your allies in spirit through soul flight, mediumship, and conjuration. Explore the inner workings of the Witch's Tree as well as the planes and peoples who dwell in its many layers. Expand the scope of your magic with the 33 Spirits, a system transmitted to the author by a special priesthood of spirits, his familiar, Malach, and the goddess Hecate. Working with spirits is the cornerstone of the witch's art. This book shows you how to stay in control as you increase your witch power and deepen your connection to forces seen and unseen. Praise: “Devin covers in depth an elusive side of witchcraft that few have explored in great practical detail...Devin presents the material in a very grounded, no-nonsense approach paired with an inherent sense of responsibility. His understanding of mediumship, conjuring, flying, and working with the spirit world displays the truth that he not only talks the talk, but also walks the walk.”—Laura Tempest Zakroff, author of *Sigil Witchery* “*The Witch's Book of Spirits* is the most complete book on working with the dead ever written for Witches, but it's more than a manual for communicating with souls of the departed. It's also a guide to the worlds which generally lay just outside of our grasp and a thorough look at the beings that live there. I'd also like to add that it's just a damn fine book about witchcraft, filled with advice and some much-needed common sense.”—Jason Mankey, author of *The Witch's Book of Shadows* “Teaching an art requires a delicate brew of guidance, cautions, and encouragement; Devin Hunter's book hits the right recipe. *The Witch's Book of Spirits* is a book that captures the author's personal vision and process while providing systems and frameworks that can serve the reader in developing their own way with the spirits.”—Ivo Dominguez, Jr., author of *Practical Astrology for Witches and Pagans* “In this book Devin gives not just the rituals necessary to conjure and communicate with spirits, but the tools for building life with them. He uses a method of teaching that alternates between supplying theory and principals that can be applied by almost anyone, with very specific rituals that he has received from the spirits himself. The result is a text that you will return to over and over again whether you are working his rites or developing your own.”—Jason Miller, author of *The Sorcerer's Secrets*

When Phyllis Currott, a high-powered Manhattan lawyer began exploring Witchcraft, she discovered a spiritual movement that defied all stereotypes. Encountering neither satanic rites nor eccentric spinsters, she came to embrace the reconstruction of Europe's indigenous spirituality; the religion of the Goddess. *Book of Shadows* chronicles Phyllis' introduction and initiation into Wicca, her ascension to the position of Wiccan High Priestess, and her efforts to reconcile her newfound spirituality with her struggles as a woman rising through the ranks of the corporate world. Along the way, she relates the history of Witchcraft and shares many traditional Wiccan practices. Engagingly written and rich with detailed rituals, spells, and techniques, this inspirational book traces a modern woman's spiritual journey into a realm of extraordinary experience and enlightenment.

Phyllis Currott's first book, *Book of Shadows*, was an inspirational, spiritual memoir that chronicled her journey from Ivy League-educated, New York City attorney to Wiccan High Priestess. In *Witch Crafting*, Phyllis digs deep into the practices and principles of Witchcraft to provide a comprehensive guidebook that anyone "novices and seasoned practitioners alike" can use to incorporate the beauty and power of Wicca into their own daily lives. Get To Understand and Practice Wiccan magic faster than ever with the Help of this Guide which will take you from beginner to expert Wicca is a nature-based religion that has its roots in ancient Pagan beliefs. The central focus of Wicca is Nature with all its elements, particularly the Moon, honouring of whose phases helps us stay grounded and in touch with our own cycles of life. The concept of Mother Earth is particularly important for Wiccans and celebrating Sabbats, the 8 seasonal festivals, is a way of paying homage to the cycles of nature. At these times, Wiccans align themselves with the core life-giving energy of Nature. There are many ways to practice Wicca. You can do it as part of a coven, or as a solitary witch. You can join groups which focus on

particular rituals or you can choose a tradition whose core beliefs resonate most with your own. However, regardless of the type of Wicca they practice, all Wiccans love and respect Nature and some form very personal relationships with animals (animal spirits), plants (spirit guides), or specific locations (the spirit of place) from which they draw energy, inspiration and guidance. Here Are Some of the Chapters and Things You Will Learn In this Book: - History of Wicca. The five sacred elements. Witches and Witchcraft. Deities. Wheel of the Year.
