

## Women And Crime A Text Reader Sage Text Reader

Exactly what role does gender play in crime, and in the criminal justice system? Addressing this two-part question from the perspective of the offender, the victim, the community, and the overall justice system, Andrew Wilczak provides an accessible introduction to the full range of issues involved. Notably, this comprehensive text: features an inclusive focus on both men and women, encompasses theory, as well as realities on the ground, draws on popular culture, challenges students to ask difficult questions, ties concepts to students' own lives, incorporates an intersectional approach. -- Publisher's website.

The second edition of *Women and Crime* is a carefully revised version of what has become the standard text on this subject. It provides a comprehensive review of findings about female criminality, women and criminal justice, and the treatment of female offenders. It also offers a clear analysis of theoretical perspectives, of images of deviant

women and women's experiences of social control. A new section reviews developments during the past decade and outlines the shifts in social research and crime concerns. The bibliography has been thoroughly revised and updated. Why are there pronounced gender differences in rates of criminal victimization? Does gender influence the response of the criminal justice system and other parts of the community to offenders and to crime victims? What part does gender play in the etiology of illegal activities committed by both males and females? *Understanding Gender, Crime, and Justice* takes a contemporary look at such questions and considers areas that are often neglected in other books on gender, crime, and justice. In the last three decades, there has been an explosion of theory and related research relevant to gender, crime, and justice. Author Merry Morash, a well-known feminist scholar in the field of criminal justice, acquaints readers with key breakthroughs in criminological conceptualization and theories to explain the interplay between gender and both crime and justice.

Women, Crime and Criminal Justice

Gender, Crime and Criminal Justice

**Women, Gender, and Crime: Core Concepts** provides you with a complete and concise view into the intersection of gender and the criminal justice system. Author Stacy L.

Mallicoat explores core topics on women as victims, offenders, and criminal justice professionals as they interact with various areas of the criminal justice system. She

investigates relevant subjects that are not found in many traditional texts, including women who work as victim advocates and international issues of crime and justice

relating to gender. **Key Features:** This text discusses women and victimization prior to covering women as offenders, because victimization is often a precursor to offending.

**Case Studies** present compelling examples that connect concepts to real-life

occurrences to reinforce learning and cover key issues, such as, sexual victimization in the military, stalking on college campuses, financial challenges for incarcerated women,

pregnancy and policing, and self-care for victim advocates. Coverage of critical topics introduce you to important issues such as gender representation in criminal justice academia, multiple marginalities and LGBT populations, cyberstalking, labor trafficking, and challenges faced by women as criminal justice practitioners. Statistics, graphs, and tables demonstrate the most recent trends in the field to give students an accurate picture of the criminal justice system today.

First published in 1981. In the last few decades, interest in the study of crimes by women has increased. This interest has coincided with the accelerated momentum of the feminist movement and has led to claims that a rising female crime rate is somehow linked with the changing status of women. But are women committing more crimes? And if so, can this be attributed to the impact of the women's movement? In this book, nine essays survey aspects of the relationship between women and the criminal justice system. The contributors include historians, criminologists, lawyers, ex-prisoners and political scientists. *Women and Crime* will be of interest to students of criminology.

*Women, Crime and Justice in Context* presents contemporary feminist approaches to key issues in criminal justice. It draws together key researchers from Australia and New Zealand to offer a context-specific textbook that covers all of the major debates in the discipline in an accessible way. This book examines both the foundational texts and cutting-edge contributions to the topic and acknowledges the unique challenges and debates in the local Australian and New Zealand context. Written as an entry-level text,

it introduces undergraduate students to key theories and debates on the topics of offending, victimization and the criminal justice system. It explores key topics in feminist criminology with chapters exploring sex work, prison abolitionism, community punishment, media representations of crime and victims, and the impacts of digital technology on gendered violence. Centring on an intersectional approach, the book includes chapters that focus on disability, queer criminology, indigenous perspectives, migration and service-user perspectives. The book concludes by exploring future directions in feminist approaches to crime and justice. This book will be essential reading for undergraduates studying feminist criminology, gender and crime, queer criminology, socio-legal studies, intersectionality, sociology and criminal justice. Presents a guide to female criminology, covering criminal offenders, policing, court cases, victims and victimology, and key figures in the criminal justice process.

Stories from a South African Childhood

*Gender, Crime and Victimisation is a thoughtful and thought-provoking book, exploring gender patterns in both offending and victimisation. It offers a thorough examination of how these*

*patterns in society are variously established and represented, researched, explained and responded to by policy makers and criminal justice agencies. Bringing together key theory, research and policy developments, the book combines perspectives on the study of criminology with those of victimology and gender studies - drawing particularly on the influence of feminism. It analyses processes of criminalisation and social control, and their structural biases. It explores fears, anxieties and worries about crime, as well as particular vulnerabilities to crime. The book employs a range of learning devices to support the student reader, including:*

- o Chapter overviews*
- o Case studies and examples*
- o Study questions*
- o Further reading at the end of each chapter*
- o A comprehensive glossary*

*Comprehensive and robust, Gender, Crime and Victimisation provides a stimulating and topical overview that will appeal to undergraduates,*

*"This book presents an up-to-date analysis of women as victims of crime, as individuals under justice system supervision, and as professionals in the field. The text features an empowerment approach that is unified by underlying themes of the intersection of gender, race, and class, and evidence-based research. Personal narratives supplement research and statistics to help students connect the text material with real-life situations. This new edition is informed by consideration of major ongoing social movements such as #MeToo, Black Lives Matter, and the fight to reduce mass incarceration. The text stresses contemporary topics such as recognition of lesbian, bisexual, and transgender issues in juvenile and adult facilities; the introduction of trauma-informed care in detention centers and prisons; the criminalization of Black girls and women; the effects of an increasingly militarized police culture; and the contributions of Ruth Bader Ginsburg and other influential women. With its emphasis on critical*

*thinking, this text is ideal for undergraduate courses concerning women in the justice system"--*  
*A wonderfully wicked new anthology from the editor of The Penguin Book of Gaslight Crime It is the Victorian era and society is both entranced by and fearful of that suspicious character known as the New Woman. She rides those new-fangled bicycles and doesn't like to be told what to do. And, in crime fiction, such female detectives as Loveday Brooke, Dorcas Dene, and Lady Molly of Scotland Yard are out there shadowing suspects, crawling through secret passages, fingerprinting corpses, and sometimes committing a lesser crime in order to solve a murder. In The Penguin Book of Victorian Women in Crime, Michael Sims has brought together all of the era's great crime-fighting females- plus a few choice crooks, including Four Square Jane and the Sorceress of the Strand.*

*Edited by Meda Chesney-Lind and Lisa Pasko, Girls, Women and Crime: Selected Readings, Second Edition is a compilation of journal articles on the female offender written by leading researchers in the field of criminology and women's studies. The individual sections in the book survey four major areas: theories of female criminality, literature on female juvenile delinquents, women as offenders and women in prison. The readings in Girls, Women, and Crime focus on two central questions: How does gender matter in crime and the justice system? What characterizes women's and girls' pathway to crime? In answering these key questions, the contributors reveal the complex worlds females in the criminal justice system must often negotiate-worlds that are frequently riddled with violence, victimization, discrimination, and economic marginalization.*

**#1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his**

**mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.**

**Crime Control and Women reveals the current limitations of criminal justice policies that are oblivious to the impact they exert on citizens who vary by gender, race and/or social class. Feminist in perspective, the contributors to this volume share a common vision of hope that social change will result from social control and punishment that is just and human, with commitments to prevention, education, and treatment.**

**Criminological research has historically been based on the study of men, boys and crime. As a result, the criminal justice system's development of policies, programs, and treatment regimes was based on the male offender. It was not until the 1970s that some criminologists began to draw attention to the neglect of gender in the study of crime, but today, the study of gender and crime is burgeoning within criminology and includes a vast literature. The Routledge International Handbook of Crime and Gender Studies is a collection of original, cutting-edge, multidisciplinary essays which provide a thorough overview of the history and development of research on gender and crime, covering topics based around: theoretical and methodological approaches gender and victimization gender and offending gendered work in the criminal justice system future directions in gender and crime research. Alongside these essays are boxes which**

**highlight particularly innovative ideas or controversial topics – such as cybercrime, restorative justice, campus crime, and media depictions. A second set of boxes features leading gender and crime researchers who reflect on what sparked their interest in the subject. This engaging and thoughtful collection will be invaluable for students and scholars of criminology, sociology, psychology, public health, social work, cultural studies, media studies, economics and political science.**

**This book traces the lived experiences of women lawbreakers in the state of Pennsylvania from 1820 to 1860 through the records of more than six thousand criminal court cases. By following these women from the perpetration of their crimes through the state’s efforts to punish and reform them, Erica Rhodes Hayden places them at the center of their own stories. Women constituted a small percentage of those tried in courtrooms and sentenced to prison terms during the nineteenth century, yet their experiences offer valuable insight into the era’s criminal justice system. Hayden illuminates how criminal punishment and reform intersected with larger social issues of the time, including questions of race, class, and gender, and reveals how women prisoners actively influenced their situation despite class disparities. Hayden’s focus on recovering the**

**individual experiences of women in the criminal justice system across the state of Pennsylvania marks a significant shift from studies that focus on the structure and leadership of penal institutions and reform organizations in urban centers. Troublesome Women advances our understanding of female crime and punishment in the antebellum period and challenges preconceived notions of nineteenth-century womanhood. Scholars of women's history and the history of crime and punishment, as well as those interested in Pennsylvania history, will benefit greatly from Hayden's thorough and fascinating research.**

*This book critically examines the complex interactions between media and crime. Written with an engaging and authoritative voice, it guides you through all the key issues, ranging from news reporting of*

*crime, media constructions of children and women, moral panics, and media and the police to 'reality' crime shows, surveillance and social control. This third edition: Explores innovations in technology and forms of reporting, including citizen journalism. Examines the impact of new media including mobile, Internet and digital technologies, and social networking sites. Features chapters dedicated to the issues around cybercrime and crime film, along with new content on terrorism and the media. Shows you how to research media and crime. Includes discussion questions, further reading and a glossary. Now features a companion website, complete with links to journal articles, relevant websites and blogs. This is essential reading for your studies in criminology, media studies, cultural studies and sociology. The Key Approaches to Criminology series celebrates the removal of traditional barriers between disciplines and, specifically, reflects criminology's interdisciplinary nature and focus. It brings together some of the leading scholars working at the intersections of criminology and related subjects. Each book in the series helps readers to make intellectual connections between criminology and other discourses, and to understand the importance of studying crime and criminal justice within the context of broader debates. The series is intended to have appeal across the entire range of undergraduate and postgraduate studies and beyond,*

*comprising books which offer introductions to the fields as well as advancing ideas and knowledge in their subject areas.*

*What role does coercion play in women's involvement in crime? This is the first book to explore coercion as a pathway into crime for co-offending women. Using newspaper articles and case and court files, it analyses four cases of women co-accused of a crime with their partner who suggested that coercive techniques had influenced their involvement in the offending. Based on a feminist perspective, it highlights the importance of gender role expectations and gendered discourses in how the trials were conducted, and the ways in which the media framed the trials (and the women). Considering the legal and social construction of coercion, this fascinating book concludes by exploring the implications for public understanding of coercion and female offending more broadly.*

*Feminist Theory, Crime, and Social Justice offers an insightful look at the primarily masculine-driven perspective on crime and justice through the lens of feminist theory. The book presents the argument that an increased understanding of the female crime typology, life course, and gender-specific programming will improve social justice for offenders. Discussions on the direct implications of the way society views crime and justice contribute to policy recommendations for helping to improve these views, specifically as they relate to*

*Women and Crime: A Text/Reader, part of the text/reader series in criminology and criminal justice, incorporates contemporary and classic readings (some including policy implications) accompanied by student-friendly authored text. This unique format provides a theoretical framework and context for students. The comprehensive coverage of the book includes the history and theories of female offending, offenders and their crimes, processing and sentencing of female offenders, women in prison, women and victimization, women and work in the criminal justice system, juveniles and crime, and international crime. Race and diversity will be an underlying theme throughout the text.*

*Core Concepts*

*A Global Enquiry*

*The Social Realities of Justice in America*

*Gender, Crime and Victimization*

*Women and Crime*

*Selected Readings*

**This book provides a lucid and highly acclaimed introduction to gender issues in crime and criminal justice, central to any understanding of crime and criminal justice policy and practice. This second edition has been updated to take full account of recent developments,**

particularly in the areas of policing, crime prevention, restorative justice and legislation relating to sexual offences and the nature and impact of crime on women ? in particular the Sexual Offences Act 2003. Gender, Crime and Criminal Justice is divided into three main sections. The first considers different ways of theorising about gender and the relative impact of this on thinking about crime and criminal victimisation; the second considers some of the evidence in relation to people's gendered experiences of crime and criminal victimisation; the third considers how those working within the criminal justice system, and the policies that are put in place, work to sustain or change those experiences of crime and criminal victimisation in relation to gender.

This text provides a much-needed, comprehensive critical introduction to debates about the relationship between gender and crime. Bringing together both feminist and masculinist perspectives, the book is a 'one stop shop' for gaining knowledge and understanding of the field of gender and crime as a whole. In addition to offering an overview of key themes and issues, Silvestri and Crowther-Dowey breathe new life into existing and well-rehearsed debates by considering the usefulness of drawing on a human rights discourse for making sense of gender, crime and criminal justice. In re-thinking the experiences of women and men as offenders, victims and criminal justice professionals

within a human rights framework, the authors encourage a fresh approach to traditional debates about gender and crime. The book integrates empirical, theoretical and policy-related materials in order to encourage a thorough understanding of the field. Complex ideas and debates are grounded with reference to real life examples. The learning process is supported through the use of chapter overviews, key terms, study questions and suggestions for further reading. Gender and Crime is essential reading for students and academics in criminology, sociology, social policy and gender studies. The Key Approaches to Criminology series celebrates the removal of traditional barriers between disciplines and, specifically, reflects criminology's interdisciplinary nature and focus. It brings together some of the leading scholars working at the intersections of criminology and related subjects. Each book in the series helps readers to make intellectual connections between criminology and other discourses, and to understand the importance of studying crime and criminal justice within the context of broader debates. The series is intended to have appeal across the entire range of undergraduate and postgraduate studies and beyond, comprising books which offer introductions to the fields as well as advancing ideas and knowledge in their subject areas.

This interdisciplinary volume explores various dimensions of female

offending and the underlying gender assumptions inherent in this phenomenon. The readings are original research written for this book, incorporating various methodologies including case studies, in-depth interviews, and analyses of large state and national data sets. Grounded in feminist theory, the collection is divided into three sections. The first focuses on theoretical perspectives on women and crime from a feminist approach. The importance of investigating the intersection of race, class, gender, ability status, and sexual orientation is addressed in a number of the readings, as well as an examination of the ways society has failed these women. The second section focuses on varieties of female offending. These include an in-depth exploration of women who kill their children, as well as an examination of how women involved in the methamphetamine trade view themselves. Other readings include women who move from legal sex work into prostitution and women who become suicide bombers. The final section of the book is focused on how the system responds to women who offend. Chapters include such intriguing topics as wrongful convictions, how women experience incarceration (including health treatment), second chance grandparenting, and a qualitative study focused on recidivism and reintegration. This student-friendly text provides a comprehensive and unique view into the world of women interacting with the criminal justice system.

## Online Library Women And Crime A Text Reader Sage Text Reader

Authors Stacy L. Mallicoat and Connie explore key topics on women as victims, offenders, and criminal justice workers as they interact with various areas in criminal justice. They investigate relevant subjects that are not found in many traditional texts, including women who work as victim advocates, and international issues of crime and justice for women. They highlight important discussions such as rape in the military or the Girls Scouts Beyond Bars program, and offer case studies on well-known offenders such as Mary Kay Letourneau and Andrea Yates. The text also provides a unique vignette on the story of Karla and Diana, two childhood friends whose lives take a dramatic turn throughout different aspects of the criminal justice system. This vignette, a composite of many subjects and case studies from the authors' research and field experiences, highlights many of the major concepts for each chapter.

Compelled to Crime

Gender, Race, and Class

The Female Offender

Gender And Crime In Modern Europe

First published in 1996. Routledge is an imprint of Taylor & Francis, an informa company.

**Women, Gender, and Crime: A Text/Reader, Third Edition** presents issues of gender, crime, and criminal justice in context through edited research articles enhanced by brief authored sections. Each article is carefully edited to demonstrate the application of the concepts presented in the text. Author Stacy Mallicoat brings all the content together by highlighting underlying themes of race and diversity, helping students gain a better understanding of women as victims, offenders, and criminal justice professionals. **New to the Third Edition:** More than 50% new journal articles introduce you to important topics such as transformative feminist criminology, human trafficking, gender specific programs for juveniles, the impact of social ties on long term recidivism, social relationships and group dynamics for female inmates, and more. Fourteen new or updated case studies present compelling examples that connect concepts to real-life occurrences by covering key issues, such as, sexual victimization at military academies, stalking on college campuses, pregnancy and policing, and self-care for victim advocates. Expanded coverage of critical topics make you aware of important issues such as multiple marginalities and LGBT populations, cyberstalking, labor trafficking, women and pretrial release, and challenges faced by female police officers. Updated statistics, graphs, and tables demonstrate the most recent trends in criminology.

The **Gender of Crime** introduces readers to how gender shapes our understanding of every aspect of crime—from defining what crime is to governing how crime is punished. The second edition of this award-winning book maintains the accessible,

**reader-friendly narrative of the first edition with key updates and new material throughout, including increased focus on the intersections of race, class, gender, and sexuality in crime and punishment; more attention to LGBTQ issues; additional coverage of gender and crime on college campuses; and more. This dynamic and provocative book illustrates how gender is central to the definition, prosecution, and sentencing of crimes, that it shapes how victimization is experienced and understood, and how it structures the institutions of the criminal justice system and the experiences of workers within that system. The Gender of Crime demonstrates that crime, victimization, and crime control are never generic—they are instead produced and experienced by gendered (and raced, and classed, and sexualized) actors within contexts of social inequality. This book highlights key concepts and encourages readers to think through a range of compelling real-life examples, from school violence to corporate crime. The second edition of The Gender of Crime is essential reading for students of gender and sexuality, sociology, criminology, and criminal justice.**

**The Female Offender challenges the long-standing tradition of male dominated criminology theory and research, which has taken little or no account of gender differences.**

**State Crime, Women and Gender**

**The Invisible Woman**

**Born a Crime**

**Class, Race, Gender, and Crime**

**Theories, Offending, and the Criminal Justice System**  
**Women, Crime and Justice in Context**

Women, Crime and Criminal Justice is the winner of the Division of International Criminology's Distinguished Book Award 2014 and the Academy of Criminal Justice Sciences International Section's 2015 Outstanding Book Award and the first fully internationalised book to focus on women as offenders, victims and justice professionals. It provides background, as well as specialized information that allows readers to comprehend the global forces that shape women and crime; analyze different types of violence against women (in peacetime and in armed conflict); and grasp the challenges faced by women in justice professions such as the police, the judiciary and international peacekeeping. Provocative, highly topical, engaging and written by an expert in the field, this book examines the role of women in crime and criminal justice internationally. Topics covered include: the role of globalization and development in patterns of female offending and victimization, how a human rights framework can help explain women's crime, victimization and the criminal justice response, global women's activism, international perspectives on violence against women, including femicide, violence in conflict and post conflict settings, sex work and sex trafficking, women's access to justice, as well as the increased role of women in international criminal justice settings. This book will be essential reading for those involved in the study of development, human rights, governance, security sector reform,

international relations and public health, as debates about these subjects are intrinsically linked to the issues surrounding women, crime and justice. It will also be useful for students taking courses on gender, crime and criminal justice, violence against women, international criminal justice and gender studies.

Now with SAGE Publishing! *The Invisible Woman: Gender, Crime, and Justice* offers a thorough exploration of the theories and issues regarding the experiences of women and girls with the criminal justice system as victims, offenders, and criminal justice professionals. Working to counter the "invisibility" of women in criminal justice, this definitive text utilizes a feminist perspective that incorporates current research, theory, and the intersections of sexism with racism, classism, and other types of oppression. Focusing on empowerment of marginalized populations, author Joanne Belknap's gendered approach to the criminal justice system examines how to improve the visibility of women and to promote their role in society. **FREE DIGITAL TOOLS INCLUDED WITH THIS TEXT** SAGE Edge gives instructors the edge they need to succeed with an array of teaching tools in one easy-to-navigate website. This book draws on law, literature, philosophy and social history to explore fundamental changes in ideas of selfhood, gender and social order in 18th and 19th Century England. Lacey argues that these changes underpinned a radical shift in mechanisms of responsibility-attribution, with decisive implications for the criminalisation of women.

*prostitution, property crime and embezzlement at the work place. In addition, issues such as neglect, sexual abuse and the "invention" of the juvenile offender are analyzed. A "necessary and brilliant" (NPR) exploration of our cultural fascination with true crime told through four "enthraling" (The New York Times Book Review) narratives of obsession. In Savage Appetites, Rachel Monroe links four criminal roles—Detective, Victim, Defender, and Killer—to four true stories about women driven by obsession. From a frustrated and brilliant heiress crafting crime-scene dollhouses to a young woman who became part of a Manson victim's family, from a landscape architect in love with a convicted murderer to a Columbine fangirl who planned her own mass shooting, these women are alternately mesmerizing, horrifying, and sympathetic. A revealing study of women's complicated relationship with true crime and the fear and desire it can inspire, together these stories provide a window into why many women are drawn to crime narratives—even as they also recoil from them. Monroe uses these four cases to trace the history of American crime through the growth of forensic science, the evolving role of victims, the Satanic Panic, the rise of online detectives, and the long shadow of the Columbine shooting. Combining personal narrative, reportage, and a sociological examination of violence and media in the 20th and 21st centuries, Savage Appetites is a "corrective to the genre it interrogates" (The New Statesman), scrupulously exploring empathy, justice, and the persistent appeal of crime.*

In *Gender, Crime, and Justice*, each chapter opens with a compelling case study that illustrates key concepts, followed by a narrative chapter that builds on the case study to introduce essential elements. This book is distinctive in its inclusion of LGBTQ experiences in crime, victimization, processing, and punishment.

A decade after its first publication, *Class, Race, Gender, and Crime* remains the only authored book to systematically address the impact of class, race, and gender on criminological theory and all phases of the criminal justice process. The new edition has been thoroughly revised, for easier use in courses, and updated throughout, including new examples ranging from Bernie Madoff and the recent financial crisis to the increasing impact of globalization.

*Women, Crime, and Justice: Balancing the Scales* presents a comprehensive analysis of the role of women in the criminal

justice system, providing important new insight to their position as offenders, victims, and practitioners. Draws on global feminist perspectives on female offending and victimization from around the world Covers topics including criminal law, case processing, domestic violence, gay/lesbian and transgendered prisoners, cyberbullying, offender re-entry, and sex trafficking Explores issues professional women face in the criminal justice workplace, such as police culture, judicial decision-making, working in corrections facilities, and more Includes international case examples throughout, using numerous topical examples and personal narratives to stimulate students' critical thinking and active engagement

The United Nations has called violence against women "the most pervasive, yet least recognized human rights abuse in the world" and there is a long-established history of the systematic victimization of women by the state during times of peace and conflict. This book contributes to the established literature on women, gender and crime and the

growing research on state crime and extends the discussion of violence against women to include the role and extent of crime and violence perpetrated by the state. *State Crime, Women and Gender* examines state-perpetrated violence against women in all its various forms. Drawing on case studies from around the world, patterns of state-perpetrated violence are examined as it relates to women's victimization, their role as perpetrators, resisters of state violence, as well as their engagement as professionals in the international criminal justice system. From the direct involvement of Condoleezza Rice in the United States-led war on terror, to the women of Egypt's Arab Spring Uprising, to Afghani poetry as a means to resist state-sanctioned patriarchal control, case examples are used to highlight the pervasive and enduring problem of state-perpetrated violence against women. The exploration of topics that have not previously been addressed in the criminological literature, such as women as perpetrators of state violence and their role as willing consumers who reinforce and replicate the existing

state-sanctioned patriarchal status quo, makes *State Crime, Women and Gender* a must-read for students and scholars engaged in the study of state crime, victimology and feminist criminology.
