A talented artist and doctor recalls his exile in the primitive Italian village of Galiano during the Abyssinian War of 1935

As a Doctor of Theology and of healing souls, spiritual adviser, and book author, God, has given me his revelation of spiritual healing and wisdom, to share in my powerful book, to many people of different races and nationalities, how to cope with and deal with rejection, betrayal, and trust issues, from people who may have wronged an individual on purpose or in error, in the church world or in life. My book will offer guidance and understanding to each reader of

In 1997, Charles Frazier’s debut novel Cold Mountain made publishing history when it sailed to the top of The New York Times best-seller list for sixty-one weeks, won numerous literary awards, including the National Book Award, and went on to sell over three million copies. Now, the beloved American epic returns, reissued by Grove Press to coincide with the publication of Frazier’s eagerly-anticipated second novel, Thirteen Moons. Sorely wounded and fatally disillusioned in the fighting at Petersburg, a Confederate soldier named Inman decides to walk back to his home in the Blue Ridge mountains to Ada, the woman he loves. His trek across the disintegrating South brings him into intimate and sometimes lethal converse with slaves and marauders, bounty hunters and witches, both helpful and malign. At the same time, the intrepid Ada is trying to revive her father’s derelict farm and learning to survive in a world where the old certainties have been swept away. As it interweaves their stories, Cold Mountain asserts itself as an authentic odyssey, hugely powerful, majestically lovely, and keenly moving. Based on an innovative blend of Kabbalah and magic, a step-by-step program toward spiritual attainment guides readers through each level of the the Golden Dawn system of ritual magic and its corresponding sphere in the Kabbalah Tree of Life. Original. 10,000 first printing.

*Winner of the 2018 Christian Book Award® (Bible Study Category) Known for her wisdom, warmth, and knowledge of Scripture, Nancy DeMoss Wolgemuth has encouraged millions through her books, radio programs, and conferences. Now she’s back with a legacy work on Titus 2 and its powerful vision for women: Woman to woman. Older to younger. Day to day. Life to life. This is God’s beautiful plan. The Titus 2 model of older women living out the gospel alongside younger women is vital for us all to thrive. It is mutually strengthening, glorifies God, and makes His truth believable to our world. Imagine older women investing themselves in the lives of younger women, blessing whole families and churches. Imagine young wives, moms, and singles gaining wisdom and encouragement from women who’ve been there and have found God’s ways to be true and good. Imagine all women—from older women to young girls—living out His transforming gospel together, growing the entire body of Christ to be more beautiful. This is Christian community as God designed it. Read this book and take your relationships to new depths, that your life might find its fullest meaning as you adorn the gospel of Christ.*

*A young man named Chilian Leverett finds himself the guardian of a little girl named Cynthia, whose father -- an old chum of Chilian’s -- is on the verge of succumbing to a terminal illness. Cynthia soon endears herself to everyone in the household and spends some time getting to know her new town, Salem, Massachusetts.*

*One of the most beloved novels of all time, Colleen McCullough’s magnificent saga of dreams, struggles, dark passions, and forbidden love in the Australian outback has enthralled readers the world over. The Thorn Birds is a chronicle of three generations of Clearys—an indomitable clan of ranchers carving lives from a beautiful, hard land while contending with the bitterness, frailty, and secrets that penetrate their family. It is a poignant love story, a powerful epic of struggle and sacrifice, a celebration of individuality and spirit. Most of all, it is the story of the Clearys’ only daughter, Meggie, and the haunted priest, Father Ralph de Bricassart—and the intense joining of two hearts and souls over a lifetime, a relationship that dangerously oversteps sacred boundaries of ethics and dogma.*

*An eye-opening biography of one of the most influential psychiatrists of the modern age, drawing from his lectures, conversations, and own writings. In the spring of 1957, when he was eighty-one years old, Carl Gustav Jung undertook the telling of his life story. Memories, Dreams, Reflections is that book, composed of conversations with his colleague and friend Aniela Jaffé, as well as chapters written in his own hand, and other materials. Jung continued to work on the final stages of the manuscript until shortly before his death on June 6, 1961, making this a uniquely comprehensive reflection on a remarkable life. Fully corrected, this edition also includes Jung’s VII Sermones ad Mortuos.*

From the Booker Prize winning author of Amsterdam, a brilliant new novel. On the hottest day of the summer of 1935, thirteen-year-old Briony Tallis sees her sister Cecilia strip off her clothes and plunge into the fountain in the garden of their country house. Watching her is Robbie Turner, son of the Tallis’s cleaning lady, whose education has been subsidized by Cecilia’s and Briony’s father, and who, like Cecilia, has recently come down from Cambridge. By day’s end, their lives will be changed – irrevocably. Robbie and Cecilia will have crossed a boundary they had not imagined at its start. And Briony will have witnessed mysteries, seen an unspeakable word, and committed a crime for which she will spend the rest of her life trying to atone...

Brilliant and utterly enthralling in its depiction of love and war and class and childhood and England, An Atonement is a profound – and profoundly moving – exploration of shame and forgiveness, of atonement and of the possibility of absolution.

This colorful glove helps children understand and remember the gospel.

A destiny that leads the English to the Dutch is strange enough; but one that leads from Epsom into Pennsylvania, and thence into the hills that shut in Altamont over the proud coral cry of the cock, and the soft stone smile of an angel, is touched by that dark miracle of chance which makes new magic in a dusty world.

'Breathtaking.' Sunday Times 'Exquisite.' The Times 'Beautiful.' Independent 'Powerful.' New York Times An international bestseller and a modern classic, this suspenseful epic of one family’s tragic undoing and their remarkable reconstruction has been read, adored and shared by millions around the world. This story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it – from garden seeds to Scripture – is calamitously transformed on African soil. What readers are saying 'This remains one of the most fascinating books I have ever read.' 'I felt every emotion under the sky with this book.' 'Riveting.' A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential ques: why entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and sci-fi, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do.

On Beauty and Being Just

What did Paul mean when he referred in His epistle to the Ephesians to the unsearchable riches of Christ? And what did he had in mind when he used the term "riches"? In the end, whatever these unsearchable riches might mean, who benefits from them and how can a Christian have them? If you would take up this book and start reading it, you would be surprised seeing that the author started his wonderful analysis on this topic by speaking of... humbleness! He picks up humbleness as the starting point in his exposition on Ephesians 3:8 because that was the apostle's attitude of heart when he started to write on the subject of the riches of Christ! Then he shows how this is the peculiar character of the souls upon whom Christ bestows His spiritual riches. Brooks then opens the Fountain "of the greatest riches, the best riches, the choicest riches" - namely the Person and work of Jesus Christ. "In Him we find overflowing the riches of justification, the riches of sanctification, the riches of consolation, and the riches of glorification..." This book has been originally published in 1655. Current edition has been proofread, typeset for eBook readers, and slightly updated for modern readers. About the author: Thomas Brooks (1608-1680) was an English nonconformist Puritan preacher and author. He wrote extensively and with a keen eye on devotional Christian life. Brooks died after over 40 years of Gospel ministry, in 1680.

Stefan Zweig (1881–1942) was a poet, novelist, and dramatist, but it was his biographies that expressed his full genius, recreating for his international audience the Elizabethan age, the French Revolution, the great days of voyages and discoveries. In this autobiography he holds the mirror up to his own age, telling the story of a generation that "was loaded down with a burden of fate as was hardly any other in the course of history." Zweig attracted to himself the best minds and loftiest souls of his era: Freud, Yeats, Borgese, Pirandello, Gorky, Ravel, Joyce, Toscanini, Jane Addams, Anatole France, and Romain Rolland are but a few of the friends he writes about.

When youth work becomes crisis managers.Anyone who stays in youth ministry for a while will encounter significant crises. Family break-ups, substance abuse, sexual assault, eating disorders, cutting, suicide, gun violence.But without proper and immediate care, crises like these can cause years of emotional pain and spiritual scarring in students.Rich Van Pelt and Jim Hancock want to help you prevent that from happening.Through their experience and expertise, you'll learn how to:-Respond quickly and effectively to crisis-Balance legal, ethical, and spiritual outcomes-Forge preventive partnerships with parents, schools, and students-Bring healing when damage is doneWhen crises happen-and they will, ready or not-there are practical steps you can take. Van Pelt and Hancock provide field-tested counsel and specific, biblical advice for each stage of crisis. Keep this book on hand as your go-to resource when you need it most.Because when it comes to crisis, it's not a matter of if, but when.

Over the years I have talked to thousands of people who have asked me how to find their way to God. Some have sat in church pews all their lives but never come to personally know God. Others have sought for ultimate meaning in all sorts of ways but never found the peace of mind for which they were searching. Some simply realize that there is something vital missing in their lives. The Bible teaches that this sense of lostness is rooted in the fact that we live in a fallen world.We are all handicapped by a sin nature: "All have sinned and fall short of the glory of God" (Romans 3:23). And despite our best efforts, we are unable to remove the haunting weight of guilt that separates us from our Creator. God sent his Son to solve the dilemma caused by our sin. "God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life" (John 3:16). Jesus Christ made the way to God for us by his death on the cross. He purchased our salvation by the shedding of his blood. His death and resurrection made a new and everlasting covenant between God and humanity. Jesus told his disciples, "I am the way, and the truth, and the life. No one comes to the Father except through me" (John 14:6). He did not merely point the way to God. He himself claimed to be the only way to the Father and the source of eternal truth and life. The way to God is through personal faith in Jesus Christ. Intellectual acceptance of Christ is not enough. You must come to him determined to turn from what displeases him, with a total trust in Christ's saving power for you. Christ promises those who turn to him: "Whoever hears my word and believes him who sent me has eternal life. He does not come into judgment, but has passed from death to life" (John 5:24). Today you can come to him by surrendering your life and heart to Christ. The Bible says: "To all who did receive him [Jesus Christ], who believed in his name, he gave the right to become children of God" (John 1:12). Right where you are you can pray something like this: Lord, I know that I have sinned and need your forgiveness. I believe that Jesus Christ died for me and rose from the dead. I invite you into my life to be my Lord and Savior. If you sincerely put your faith in Christ, God promises not only to forgive you, but also to adopt you into his family. It's the greatest gift you will ever receive!

Make the Gospel story come alive! Give readers the big picture of God’s story with this innovative, interactive booklet that’s perfect for outreach. The 32-page book takes more than 30 carefully chosen stories from The Big Picture Interactive Bible Storybook and combines them to tell the Gospel story simply and clearly. The “Christ Connection” feature reveals how Jesus is a part of each Bible story, and the “God’s Plan for Me” feature leads the reader to the plan of salvation which is included in the end of the book. What better way to experience the most exciting story ever told?

THE WORDLESS BOOK reveals the greatest love story of all history, and the greatest gift that anyone can receive. The colored pages illustrate the wonderful reconciliatory love of God for His human creations. The progression of colors represents the spiritual transformation that occurs when we, by faith, trust and receive the Lord Jesus as our Personal Savior. This trust assures our eternal Salvation. This book illustrates the Gospel, the Good News from Jesus that requires our response. Jesus died for you and me. He rose from the dead, and defeated Satan, Sin, Death, and Hell. A positive response to Jesus is the experience that changes a persons eternal future from Hell to Heaven. This is Christianity. The Black Pages represent the sinful nature of every person. Sin is not allowed in Heaven. God had a plan. [Reference Romans 3:10: 3:23; 6:23] The Red Pages represent the Blood of Jesus. Jesus paid the penalty for our sins so that we could be forgiven. [Reference Romans 5:8; John 3:16] The White Pages represent forgiven sin for all who trust Jesus. Jesus is the only Savior, the only Absolution. [Reference Psalm 51:10; John 1:12; 2 Corinthians 5:17] The Gold Pages represent Gods Heavenly Kingdom, the eternal home for all who are saved. [Reference John 14:13; Revelation 21:18, 21] The Green Pages represent maturing your faith and relationship with Jesus through Prayer, Bible study, and Worship with other Christians. [Reference Romans 12:2; 2 Timothy 2:15; 3:16; 2 Peter 3:18]

In this highly original and much-anticipated ethnography, Anna Tsing challenges not only anthropologists and feminists but all those who study culture to reconsider some of their dearest assumptions. By choosing to locate her study among Meratus Dayaks, a marginal and marginalized group in the deep rainforest of South Kalimantan, Indonesia, Tsing deliberately sets into motion the familiar and stubborn urban fantasies of self and other. Unusual encounters with her remarkably creative and unconventional Meratus friends and teachers, however, provide the opportunity to rethink notions of tradition, community, culture, power, and gender--and the doing of anthropology. Tsing's masterful weaving of ethnography and theory, as well as her humor and lucidity, allow for an extraordinary reading experience for students, scholars, and anyone interested in the complexities of culture. Engaging Meratus in wider conversations involving Indonesian bureaucrats, family planners, experts in international development, Javanese soldiers, American and French feminists, Asian-Americans, right-to-life advocates, and Western intellectuals, Tsing looks not for consensus and coherence in Meratus culture but rather allows individual Meratus men and women to return our gaze. Bearing the fruit from the lively contemporary conversations between anthropology and cultural studies, In the Realm of the Diamond Queen will prove to be a model for thinking and writing about gender, power, and the politics of identity.

Have we become beauty-blind? For two decades or more in the humanities, various political arguments have been put forward against beauty: that it distracts us from more important issues; that it is the handmaiden of privilege; and that it masks political interests. In On Beauty and Being Just Elaine Scarry not only defends beauty from the political arguments against it but also argues that beauty does indeed press us toward a greater concern for justice. Taking inspiration from writers and thinkers as diverse as Homer, Plato, Marcel Proust, Simone Weil, and Iris Murdoch as well as her own experiences, Scarry offers up an elegant, passionate manifesto for the revival of beauty in our intellectual work as well as our homes, museums, and classrooms. Scarry argues that our responses to beauty are perceptual events of profound significance for the individual and for society. Presenting us with a rare and exceptional opportunity to witness fairness, beauty assists us in our attention to justice. The beautiful object renders fairness, an abstract concept, concrete by making it directly available to our sensory perceptions. With its direct appeal to the senses, beauty stops us, transfixes us, fills us with a "surfeit of aliveness." In so doing, it takes the individual away from the center of his or her self-preoccupation and thus prompts a distribution of attention outward toward others and, ultimately, she contends, toward ethical fairness. Scarry, author of the landmark The Body in Pain and one of our bravest and most creative thinkers, offers us here philosophical critique written with clarity and conviction as well as a passionate plea that we change the way we think about beauty.

The Principles of Psychology

Domestic violence is defined by the National Coalition Against Domestic Violence as the willful intimidation, physical assault, battery, sexual assault, or other abusive behavior that is used to overpower and control another person. Domestic violence takes on many forms, and is a leading cause of injury to women in the United States.

both visible and hidden. And according to studies, it affects one person every twenty seconds. Domestic violence is not a new problem in America but is one that has sadly existed for decades. And while the majority of victims are female, domestic violence knows no income bracket, demographic, age, race, or religion; domestic violence occurs in every facet of society. Despite the many groups working to help victims of domestic abuse, the problems persist. Domestic violence is more commonly seen in situations where someone (the abuser) believes that behaviors such as physical, verbal, emotional, religious, sexual, or economical abuse is acceptable and justifiable. Adding to the perceived justification of abuse is the victims inability to see the denigrating acts as abuse. Then when they do identify the problem, they feel trapped by their circumstances be it due to fear, lack of funds, poor physical condition, or various psychological issues and are unable to leave the situation. More disturbing than the obvious problems of domestic abuse is that there have been connections made between domestic violence specifically sexual abuse in children and satanic influences/forces. This type of abuse is referred to as satanic ritual abuse (SRA). The abuses suffered due to satanic influences are often more severe forms of physical and sexual abuse, especially in the form of child pornography, prostitution, and being used for snuff films. These abuse victims are often so brainwashed that they don't dare speak out. And while there are those who would like to ignore the connections between abuse and satanic forces, the fact remains that abuse is not something promoted in scripture! The believer is told to care for the helpless and to lift up the fallen, not knock them down and beat them up. In homes where children are abused, they often grow up to become adults who struggle with relationships, authority figures, and problem-solving. Worse, abused children often become adult abusers, thus perpetuating the problem. Studies have also found that children who see their mother abused are more likely to develop PTSD (post-traumatic stress disorder). Also interesting is that there is now a correlation between childhood domestic violence and adult health conditions like arthritis, ischemic heart disease (IHD), chronic obstructive pulmonary disease (COPD), liver disease, irritable bowel syndrome, chronic pain, pelvic pain, ulcers, and migraines. Psychological challenges include depression, severe anxiety panic attacks, and a feeling of worthlessness. As you read Ivys story, you will discover that she could easily be the poster child for domestic violence. She spent fifteen years living in a situation where mental, physical, emotional, and sexual abuse were part of her daily life. She then entered a marriage that ultimately, albeit differently, was more of the same. But Ivys story does not end as it began. She heard about a Savior who loved her unconditionally. And while initially Ivy did not understand her Saviors love, in time, she learned the meaning of real love and acceptance. As you read her story, you will see how she looked and worked to eventually overcome the challenges brought on by domestic abuse. If you have been abused or know someone who is or has been in an abusive situation, then Ivys story can help. It will provide hope and help as you see that while domestic abuse is horrific, there is one who can overcome the hold abuse has on a persons life. Dont let abuse keep you or a loved one from enjoying life. Take the step now to begin the first day of the rest of your life.

When physician Benjamin Smith wakes up eighty-three years in the future--in the year 2071--after a cryonic sleep, he finds that although humankind has mastered cloning and eternal youth, emotional and ethical predicaments are still prevalent. The darling, dancing Flora is back, and this time she's found two new friends: a pair of peacocks! But amidst the fanning feathers and mirrored movements, Flora realizes that the push and pull between three friends can be a delicate dance. Will this trio find a way to get back in step? In the third book featuring Flora and her feathered friends, Molly Idle's gorgeous art combines with clever flaps to reveal that no matter the challenges, true friends will always find a way to dance, leap, and soar—together.

It was the summer Coltrane died, the summer of love and riots, and the summer when a chance encounter in Brooklyn led two young people on a path of art, devotion, and initiation. Patti Smith would evolve as a poet and performer, and Robert Mapplethorpe would direct his highly provocative style toward photography. Bound in innocence and enthusiasm, they traversed the city from Coney Island to Forty-second Street, and eventually to the celebrated round table of Max's Kansas City, where the Andy Warhol contingent held court. In 1969, the pair set up camp at the Hotel Chelsea and soon entered a community of the famous and infamous—the influential artists of the day and the colorful fringe. It was a time of heightened awareness, when the worlds of poetry, rock and roll, art, and sexual politics were colliding and exploding. In this milieu, two kids made a pact to take care of each other. Scrappy, romantic, committed to create, and fueled by their mutual dreams and drives, they would prod and provide for one another during the hungry years. Just Kids begins as a love story and ends as an elegy. It serves as a salute to New York City during the late sixties and seventies and to its rich and poor, its hustlers and hellions. A true fable, it is a portrait of two young artists' ascent, a prelude to fame.

The World of Yesterday

A stunning and provocative new novel by the internationally celebrated author of *The Blind Assassin*, winner of the Booker Prize. Margaret Atwood's new novel is so utterly compelling, so prescient, so relevant, so terrifyingly-all-too-likely-to-be-true, that readers may find their view of the world forever changed after reading it. This is Margaret Atwood at the absolute peak of her powers. For readers of *Oryx and Crake*, nothing will ever look the same again. The narrator of Atwood's riveting novel calls himself Snowman. When the story opens, he is sleeping in a tree, wearing an old bedsheet, mourning the loss of his beloved Oryx and his best friend Crake, and slowly starving to death. He searches for supplies in a wasteland where insects proliferate and pigoons and wolvogs ravage the pleeblands, where ordinary people once lived, and the Compounds that sheltered the extraordinary. As he tries to piece together what has taken place, the narrative shifts to decades earlier. How did everything fall apart so quickly? Why is he left with nothing but his haunting memories? Alone except for the green-eyed Children of Crake, who think of him as a kind of monster, he explores the answers to these questions in the double journey he takes - into his own past, and back to Crake's high-tech bubble-dome, where the Paradise Project unfolded and the world came to grief. With breathtaking command of her shocking material, and with her customary sharp wit and dark humour, Atwood projects us into an outlandish yet wholly believable realm populated by characters who will continue to inhabit our dreams long after the last chapter.
