Words are magic. They operate on many levels through both sound and symbol. Egyptian priests understood that language and thought could create realities if the exact words are uttered at the right time, properly intoned, and filled with intention. They called their magical language of hieroglyphic symbols medjuner, meaning "the Word of God." These symbols were said to have been created by Isis and Thoth and were presided over by

the goddess Seshet, keeper of the Akashic records.

Through their chant lines and repetitions, sound vibrations, and hypnotically recurring images, hieroglyphs, such as those found inside the pyramids, were intended to activate a trancelike state that allowed the individual to ascend into the heavens and thus, riding on this incantatory language, converse with the ancestors and the Creator. In this detailed guide, author Normandi Ellis explores how to use hieroglyphs as words of

praying - this may sound too good to be true. Author Damon Brand says, 'I felt the same way when I first explored these ideas, because I have spent a lot of time working with more complex magick. When I tried the Words of Power, the results I received convinced me that this magick works.' Damon Brand works with a group of occultists known as The Gallery of Magick and they have spent several decades testing the best combinations to create the most safe and effective Words of Power. Words of Power work because they connect you to spirit forces with direct access to divine power. The book gives you the ability to avoid violent situations,

arduous journey. It is a journey that needs a step-by-step, clearly defined strategy to arrive at the final destination. To accomplish this goal, Gary A. McAbee has laid out a series of success principles, carefully placed in a logical order, which can lead to greater success. These principles have been used consistently by many of the highest achievers in our society. If they can use these concepts to reach success, then they can also be used by everyone to achieve victory. The book *Defining Success: One Word at a Time* starts with defining and visualizing the end result: victory. From there, concepts like faith, passion, knowledge, and patience

but rather by the size of your thinking. This intrigues a lot of people, and if you observe how people behave, you will have a clear understanding of what success really means. Time and time again, history and experience have proved that the degree of our general satisfaction and happiness is dependent on how we think. There is magic in thinking big! Positive thinking helps accomplish so much in our life, but unfortunately not everyone thinks that way. We are all products

of our thinking that goes within and around us.

There is an environment around us that exerts all sorts of forces on your thinking; some will push you up the ladder while others will pull you down. We have been told many times that opportunities to lead are no longer there; hence we should be content with who we are without having positive aspirations on leadership. The petty environment surrounding us also has its own narrative concerning our lives. It constantly tells us that

whatever is destined will eventually happen and we have no control over it. Leaving your fate in the hands of chance can potentially ruin your life and make you miserable. Therefore, before you start giving up your dreams of a finer home or giving a better life for your children, stand firm and resist resigning to fate. Do not lie down and wait to die. Success is worth every effort you expend, and every step you make pays a dividend. Even in an environment where competition is intense,

you still can succeed as long as your thinking is in the positive quadrant of your mind frame. The basic concepts and principles that underlie the power of thinking big are drawn from the highest-pedigree sources and the finest thinking minds such as Emerson who said "Great men are those who see that thoughts rule the world." Milton who wrote in his book Paradise Lost, "The mind is its own place and in itself can make a heaven of hell or a hell of heaven." Shakespeare made an interesting
