This book aims to cover all the GCSE Physics material needed to meet the specifications of the examining boards Edexcel, AQA, WJEC and OCR (both 21st Century Science and Gateway) both for single and double awards. The content also covers the additional topics necessary for the Physics GCSE single award. It is the third book in the series following 'Biology at a Glance' and 'Chemistry at a Glance' and it encourages learners to use a mind mapping approach to revision. Just like the other books in the series, each page contains clear annotated illustrations that will help the reader to assimilate the facts quickly and commit them to memory. The book covers force and energy, energy and its transfer (including waves, electrical and thermal energy), electromagnetism and radioactivity. It goes on to describe a wide range of the practical applications of physics and concludes with material on our place in the universe. To comply with the latest GCSE specifications, 'How Science Works' permeates all aspects of the book which also provides questions on all the topics covered, to reinforce skills and understanding.

The next novel of psychological suspense and obsession from the authors of the blockbuster bestseller The Wife Between Us Seeking women ages 18-32 to participate in a study on ethics and morality. Generous compensation. Anonymity guaranteed. When Jessica Farris signs up for a psychology study conducted by the mysterious Dr. Shields, she thinks all she'll have to do is answer a few questions, collect her money, and leave. Question #1: Could you tell a lie without feeling guilt? But as the questions grow more and more intense and invasive and the sessions become outings where Jess is told what to wear and how to act, she begins to feel as though Dr. Shields may know what she's thinking...and what she's hiding. Question #2: Have you ever deeply hurt someone you care about? As Jess's paranoia grows, it becomes clear that she can no longer trust what in her life is real, and what is one of Dr. Shields' manipulative experiments. Caught in a web of deceit and jealousy, Jess quickly learns that some obsessions can be deadly. Question #3: Should a punishment always fit the crime? From the authors of the blockbuster bestseller The Wife Between Us comes an electrifying new novel about doubt, passion, and just how much you can trust someone. Praise for The Wife Between Us: "A jealously smart cat-and-mouse thriller" -New York Times Book Review "[A] seamless thriller that will keep readers on their toes to the very end...Readers will enjoy the dizzying back-and-forth as they attempt to figure out just who to root for and as the suspense ratchets up to one hell of a conclusion." -Booklist
