The top-selling U.K. series for middle-grade readers now crosses the pond! Meet Tom Gates. When his teachers don't have their beady eyes on him, he likes to draw pictures and write about stuff, like last summer's worst camping vacation ever (five merits!), or how much he hates sitting next to nosy Marcus Meldrew, the most annoying boy at school. All Tom really

wants is to score tickets to see the best band ever, Dude3, when they come to town, and to impress Amy Porter, who is very nice and smart (but is currently ignoring him). Tom's teachers think he is easily distracted and "lacks focus," but that's a bit harsh — can he help it if his grumpy big sister, Delia, made him late for school (again), or that last night's homework had to be sacrificed to stave off a vicious dog attack? Master of excuses, creative storyteller, and middle-school comedian extraordinaire, Tom Gates is guaranteed to get kids turning the pages — and keep them laughing.

Tom has a fractured ankle . . . can he come up with fun stuff to do until the cast comes off? Tom Gates has fractured his ankle and is totally FED UP. That is until he starts to think up fun stuff to do while he's waiting for the cast to come off: making up a secret language with Norman; having his friends over to try out his crutches; sitting by the window spying on his street; and most of all, trying to get his hands on a caramel doughnut from the new bakery in town.

Billy's no kid - he's eighty today. He's enjoying watching the boys in the park knock a football around and this afternoon he'll be cheering on his team, Chelsea, as he has done all his life. But in 1939 too, the Second World War began and Billy's life was never to be the same again. Through the story of 'Billy the Kid', Michael Morpurgo reaches across the generations and with Michael Foreman's nostalgically vivid illustrations, creates a life with a past that will be moving and inspiring for young and old alike

Full of Tom's honest, silly, laugh-out-loud funny scribbles and stories -- and a doodle-filled glossary to help Canadian kids make sense of British terms (what IS a caramel wafer, anyway?) -- this follow-up to the Roald Dahl Funny Prize winner *The Brilliant World of Tom Gates* is guaranteed to have readers in stitches!

There are giants among us, passing largely unnoticed, intent on carrying out a secret plan to enslave all humanity. They may not look like giants today, but their bloodlines extend all the way back to the Nephilim--the offspring of angels who mated with human women--described in Genesis 6 when giants roamed the land. Gary Wayne, author of *The Genesis 6 Conspiracy: How Secret Societies and the Descendants of Giants Plan to Enslave Humankind*, details the role of modern-day Nephilim in Satan's plan to install the Antichrist at the End of Days. When God cast the angel Lucifer and his followers out of heaven, Lucifer set into motion a scheme to ensure the Nephilim survived. Why? Because from the bloodlines of these Nephilim the Antichrist will come. To keep his plan alive, Satan has enlisted the loyalty of secret societies such as the Freemasons, the Templars, and the Rosicrucians to conspire in teaching a theology and a history of the world that is contrary to the biblical one. This *Genesis 6 Conspiracy* marches toward the Great Tribulation, when the loyalty of the Terminal Generation--this generation--will be tested. The Bible, along with many other ancient sources, clearly records the existence of giants. Wayne provides copious citations from many society insiders, along with extensive Bible references, other religious references, and historical material to bolster his contention. What he uncovers will astonish you--and it will challenge you to prepare for the fulfilling of God's promises.

Tom Gates: Mega Make and Do and Stories Too!

The #1 New York Times bestselling authors of The Heart of Everything That Is return with “a thorough, nuanced, and enthralling account” (The Wall Street Journal) about one of the most inspiring—and underappreciated—chapters in American history: the Continental Army’s six-month transformation in Valley Forge. In December 1777, some 12,000 members of America’s Continental Army stagger into a small Pennsylvania encampment near British-

occupied Philadelphia. Their commander in chief, George Washington, is at the lowest ebb of his military career. Yet, somehow, Washington, with a dedicated coterie of advisers, sets out to breathe new life into his military force. Against all odds, they manage to turn a bobtail army of citizen soldiers into a professional fighting force that will change the world forever. Valley Forge is the story of how that metamorphosis occurred.

Bestselling authors Bob Drury and Tom Clavin show us how this miracle was accomplished despite thousands of American soldiers succumbing to disease, starvation, and the elements. At the center of it all is George Washington as he fends off pernicious political conspiracies. The Valley Forge winter is his—and the revolution's—last chance at redemption. And after six months in the camp, Washington fulfills his destiny, leading the Continental Army to a stunning victory in the Battle of Monmouth Court House. Valley Forge is the riveting true story of a nascent United States toppling an empire. Using new and rarely seen contemporaneous documents—and drawing on a cast of iconic characters and remarkable moments that capture the innovation and energy that led to the birth of our nation—Drury and Clavin

provide a “gripping, panoramic account” (Publishers Weekly, starred review) of the definitive account of this seminal and previously undervalued moment in the battle for American independence.
