

Yetzias Mitzraim Childrens Haggadah Story

The revolutionary Haggadah is written in gender-inclusive contemporary language and has sold over 900,000 copies since its introduction. A compilation of selected Torah insights, thought-provoking ideas, homilies and explanations on Shavuot. The question and answer format of the Vedibarta Bam series makes it ideal for both students and teachers. This ground-breaking book opens a closet and allows hundreds of people of this generation to emerge, with their nightmares, phobias, and flashbacks suggestive of an incarnation in the Holocaust. Through that open door, author Sara Rigler introduces the reader to people from all over the world whose stories defy rational explanation-unless they are indeed reincarnated souls from the Holocaust. Because the purpose of reincarnation is to rectify past mistakes and failings, Part Two narrates the journeys of souls who in their current lifetime replaced fear with courage, hatred with love, and guilt with self-forgiveness. Fascinating and convincing, this page-turner will quicken your awareness of your own soul and how your inexplicable fears, attractions, and repulsions may be comprehensible through the notion of past-life experiences. "Sara Rigler has written a powerful and gripping narrative.... The stories make for fascinating reading." -Rabbi Yitzchak A. Breitowitz, Kehillat Ohr Somayach "An eye-opening journey." --Alicia Yacoby, Founder, Our6Million "Sara Rigler's extensive research and collection of past-life Holocaust memories confirms the reality of this phenomenon, and offers hope for healing the trauma that carried over for many of us. For those who have not had their own memories, the case studies offer compelling evidence for the continuation of a personal consciousness after death." --Carol Bowman, author of Children's Past Lives "This book is not only credible, it is important." -Rebbetzin Tziporah (Heller) Gottlieb, author and lecturer "Sara Rigler has done exceptional work in meticulously compiling, recording, and describing personal stories of Jews and non-Jews from many countries. By doing so she has rendered an invaluable service ... to humanity." --Sabine Lucas, Ph.D., Jungian analyst

The Passover Book

Shuva

You shall tell it to your children... Every year at the Passover Seder we tell the story of the Exodus from Egypt. But do we really tell the story? The standard haggadah tells us about telling the story of the Israelites' leaving slavery in Egypt. But in reality we only talk about telling the story. And we talk about who should tell the story, and to whom. But there's very little of the actual story told. This haggadah tells the actual story from the torah. It includes all the essential elements of a seder, such as the four questions, the plagues, kadesh, rahatz, karpas, etc. but instead of all the text about what various rabbis said, this has the biblical text, in both Hebrew and a modern English translation. Children are better able to sit through a seder with this haggadah than with other haggadot, because they're involved in the story.

The seder service on Pesach is the oldest surviving ritual in the Western world, dating back some 3,300 years.Through the Haggadah more than a hundred generations of Jews have handed on their story to their children.Few texts have received more attention than the Haggadah. There are thousands of commentaries, and more are published each year. Anyone who contemplates adding to this number must ask not Why is this night different? But Why is this edition different? My answer is that I wrote this commentary because, amongst all the many I have read, I could not find one that explained in their full richness and scope the fundamental themes of the Pesach story: the Jewish concept of a free society, the role of memory in shaping Jewish identity, and the unique connection that exists in Judaism between spirituality and society, giving rise to what I have called elsewhere the politics of hope. Nor could I find a Haggada that told me in detail about the role of Pesach in shaping Jewish identity through the millennia, or its influence on Western thought as a whole.

"Rabbi Joseph B. Soloveitchik, known as "The Rav," exemplified the value of studying in anticipation of Jewish holidays (chagim) through his lectures and study sessions. Every year, several weeks before Pesach, the Rav learned the laws of Pesach and the Haggadah text with his students at Yeshiva University and with the general public at Congregation Moriah in Manhattan." "This Passover Haggadah compiles the Rav's commentary from those shiurim into an accessible resource for the Pesach Seder. Not only does the Rav illuminate the halachic basis of many of the mitzvot of the Seder, but he also expounds on the traditional text with universal and relevant interpretations."--BOOK JACKET.

This volume interweaves concepts and methods from psychology and other social sciences with Jewish ideas and practices in order to address contemporary social issues. This volume brings together pioneering research from scholars in such fields as psychology, education, and religious studies. The authors integrate insights from Jewish texts and practices with the methods and concepts of the social sciences to create interventions that promote the well-being of children, adults, families, communities, and society. Divided into three sections - Education, Psychological Well-Being, Society and Beyond- this book shows how this integrationist approach can deepen our understanding and generate new insights around pressing social challenges to impact positive change in the lives of people and communities.

Rabbi Stern, the master of modern Jewish liturgy, offers the Passover seder that runs itself in this revision of his best-selling classic, Gates of Freedom. The text is clearly marked so that families with young children can shorten the service, while those who want to deepen their seder experience can enhance it with both traditional and contemporary readings. A dazzling array of commentaries, anecdotes, poems, and songs enrich the Gates of Freedom service, and the compelling computer-generated graphics add the exciting dimension of visual interpretation. Rabbi Eugene Borowitz's inspiring Introduction sets the stage for the evening drama. All the Passover traditions are explained with clarity and insight. Seder participants will find renewed delight in the Passover celebration, as they experience the familiar rituals and text, and discover new meaning, relevance, and inspiration.

A classic tale gets a Jewish twist, when Little Red Hen asks her friends for help making Passover matzah. Before she knows it, Little Red Hen tells herself, it will be time for Passover. So she decides to plant some grain. But when she asks her friends to help, they're too busy for her. "Sorry, bub," says the horse. "Think again," barks the dog. Oy gevalt! "Friends, shmends," she says. "I'll just do it myself." But when the wheat is grown and harvested, when the flour is milled and the matzah baked and the Seder table set-- all by Red on her own--who should come to her door but her not-so-helpful friends? Though she's tempted to turn them away, Little Red is a mensch-- and a mensch forgives. Like her Haggadah says: Let all who are hungry come and eat. But who will do all these dishes? Filled with Yiddish phrases and a healthy dose of humor, this Passover tale of hard work, friendship, and forgiveness is not to be missed. Bright cartoon illustrations add humor and detail to the story. Backmatter includes a glossary of Yiddish phrases, an author's note about the holiday, and a recipe for making your own Passover matzah.

This essential introduction to Judaism's notions of spirit as they relate to God is designed to inform both Jews and Christians who are studying what it means when we say that God is spirit. Exploring the Hebrew Bible, Midrash, and other rabbinic writings, Rabbi Timoner uncovers surprising insights about how God as spirit influences Jewish ideas of creation, revelation, and redemption. Written with an accessible and engaging voice, full of stories and relevant teachings, Breath of Life speaks to lay readers and scholars alike, as it pursues a new perspective on Judaism's sacred texts. This book promises Christian readers meaningful insights on their own notions of God as Holy Spirit while giving Jewish readers a new look at their own tradition. "In easy but deceptively profound language, Rachel Timoner deftly savors the essential unknowability of God, the ubiquity of Torah and the mystery of redemption. She's given us an immensely literate and serious, contemporary Jewish theology. Breath of Life is a spiritual tour de force." --Rabbi Lawrence Kushner, Scholar in residence at Congregation Emanu-El of San Francisco, and author of many books including Kabbalah: A Love Story "Any reader keen to cultivate a robust spirituality should read this little book. Jews and Christians may discover here something to talk about--scriptures we share and a quality of God we have in common." --John R. (Jack) Levison, author of Filled with the Spirit; Professor of New Testament, Seattle Pacific University
