In the #1 New York Times bestseller, *The World Needs Who You Were Made to Be*, Joanna Gaines celebrates how creativity and acceptance can come together to make for a bright and beautiful adventure. The book, illustrated by Julianna Swaney, follows a group of children as they each build their very own hot-air balloons. As the kids work together, leaning into their own skills and processes, we discover that the same is true for life—it's more beautiful and vibrant when our differences are celebrated. Together with Joanna, you and your kids will take a journey of growth and imagination as you learn in full color to: Celebrate every child's one-of-a-kind strengths and differences Embrace teamwork Share our talents and abilities to make everything more beautiful Lend a helping hand and do our best to show kindness and take care of one another *The World Needs Who You Were Made to Be* is a vibrant picture book perfect for: Ages 4-8 Grandparents, parents, teachers, and librarians Classroom story times and discussions about diversity and being a good human being Households that enjoy watching Chip and Joanna on Magnolia Network and HGTV's *Fixer Upper* With plenty of pink, a bounty of blue, orange and green and yellow too, this vibrant hot-air balloon adventure celebrates every child and teaches kids that we are in this together. "You're one of a kind, and it's so clear to see: The world needs who you were made to be."

It's only natural that Kevin would join his parent's family law firm. Kevin preferred to spend time reading or at his parent's office. If Kevin gets a specialized degree, his potential income could double and guarantees his parent's firm expanding. When love hits Kevin for the first time, his world is shaken. Will he find that making the right choice could jeopardize his career path and let his family down? Meanwhile, a pretty young high school student struggles with her grades as her best friend gets boy-crazy. At their bleakest moments, the help that they desperately need comes from the people they didn't expect. Their resolution, determination, and loyalty are tested over the next couple of years, as their paths require them to overcome painstaking hurdles. Follow these students as they learn the hard-knocks of life and lessons that mold them into the adults that they become.

Introduces the author's step-by-step plan for identifying core desires and acting upon them to create successful, satisfying, and more fulfilling lives.

In this warm, funny, and wise new book, NPR's award-winning and beloved Scott Simon tells the story of how he and his wife found true love with two tiny strangers from the other side of the world. It's a book of unforgettable moments: when Scott and Caroline get their first thumb-size pictures of their daughters, when the small girls are placed in their arms, and all the laughs and tumbles along the road as they become a real family. Woven into the tale of Scott, Caroline, and the two little girls who changed their lives are the stories of other adoptive families. Some are famous and some are not, but each family's saga captures facets of the miracle of adoption. *Baby, We Were Meant for Each Other* is a love story that doesn't gloss over the rough spots. There are anxieties and tears along with hugs and smiles and the unparalleled joy of this blessed and special way of making a family. Here is a book that families who have adopted—or are considering adoption—will want to read for inspiration. But everyone can enjoy this story because, as Scott Simon writes, adoption can also help us understand what really makes families, and how and why we fall in love.

What is our purpose in life? Is there an even grander story at work behind our salvation in Christ? Drawing on the reflections of early church writers and theologians, *Who We Were Meant to Be* invites the reader to consider the whole tapestry of God's plan from start to finish, culminating in a vision of all creation being restored and renewed as the temple of God's glory. Guided by the wisdom and insights of the patristic age, this book urges us to take up the mantle of our appointed role as royal priests, not only as a status to be enjoyed, but as a vocation to shape our entire lives. We have an open invitation to recapture the grand theological vision of Christianity's early centuries, and to step once again into the transfiguring light of who we were meant to be.

Demonstrates how to enjoy greater career success and personal fulfillment by finding one's life calling, with recommendations beyond the entrepreneurial sphere to outline an actionable method for rendering one's passions profitable. --Publisher's description.

This book is designed not only for coaches but is applicable to any level of leadership.

Do you feel unsettled, unsure, confused, lost, or frustrated? Are you struggling with your identity or your purpose in life? Are you unhappy but don't know why? *Living the Life You Were Meant to Live* will help you transform your existence into a purpose-filled, Christ-centered life devoted to God. The principles taken from the *LifePlanning Process* will help you direct your efforts toward greater purpose and fulfillment; discover your foremost traits and talents; and balance the five domains of life: Personal, Family, Church/Faith Kingdom, Vocation, and Community.

Break the rules, not the fast with world-renowned biohacker and Bulletproof Coffee founder Dave Asprey, author of The Bulletproof Diet, Head Strong, and other New York Times bestsellers. For more than a decade, Bulletproof founder Dave Asprey has shared his unique point of view and expertise to help fans become the best versions of themselves. From living longer to getting smarter, maximizing performance to practicing mindfulness, Dave's followers look to him for his take on the most effective techniques to become healthier and more powerful than most doctors think is possible.

Asprey has been fasting for years, long before it gained widespread popularity, and if you're a fan of Bulletproof coffee and The Bulletproof Diet, you have been enjoying some of the benefits of Intermittent Fasting too. In *Fast This Way*, Dave asks readers to forget everything they think they know about the ancient practice and takes them on a journey through cutting-edge science to examine the ways novice fasters and Intermittent Fasting loyalists can up-end their relationship with food and upgrade their fasting game beyond calorie restriction. What IF eating the right foods at the right time can actually enhance your fast? What IF how you work out and sleep could trick your body into thinking you are fasting? What IF it were easy to skip a meal, or two, or three? What IF fasting is different for women, can be personalized to your genes, and can impact your mental health? What IF all fasts could be created equal? *Fast This Way* is a compelling read through the latest thinking on fasting and gives readers the manual and toolkit to make the most of their fasts and their personal biology.

*The best leaders keep learning new ways to grow. Every good leader shares a common trait: they want to keep getting better. But eventually, most encounter a setback—the limits of their own self-development. To overcome this, they must address their personal leadership DNA—the individual wiring that makes them naturally gravitate toward certain solutions and shy away from others. As a master leadership coach, Rob McKinnon knows that the most powerful and lasting growth starts from within. A leader must address how he or she thinks, feels, and acts, while also identifying their core beliefs. Until these dimensions are recognized and developed, leaders will continue to do things the same way they always have, and get the same results. *Lead Like You Were Meant To* helps overcome three critical roadblocks: leading too much on autopilot, leading with less than 100% of what the leader possesses, and failing to see the common link between their greatest strengths and greatest weaknesses. Witty tweets, quick-fix seminars, and "do it my way because it worked for me" books don't cut it for the personal, lasting growth that leaders want. Instead, high impact change begins with the customized inside-out self-leadership skills that McKinnon presents. Filled with real-life stories, powerful frameworks, and practical tools, this book offers comprehensive leadership development that endures.*

*A New York Times Bestseller An Indie Bestseller Perfect for fans of Marie Lu and E. Lockhart, *The Ones We're Meant to Find* is a gripping and heartfelt YA sci-fi with mind-blowing twists. Set in a climate-ravaged future, Joan He's beautifully written novel follows the story of two sisters, separated by an ocean, desperately trying to find each other. Cee has been trapped on an abandoned island for three years without any recollection of how she arrived, or memories from her life prior. All she knows is that somewhere out there, beyond the horizon, she has a sister named Kay, and it's up to Cee to cross the ocean and find her. In a world apart, 16-year-old STEM prodigy Kasey Mizuhara lives in an eco-city built for people who protected the planet—and now need protecting from it. With natural disasters on the rise due to climate change, eco-cities provide clean air, water, and shelter. Their residents, in exchange, must spend at least a third of their time in stasis pods, conducting business virtually whenever possible to reduce their environmental footprint. While Kasey, an introvert and loner, doesn't mind the lifestyle, her sister Celia hated it. Popular and lovable, Celia much preferred the outside world. But no one could have predicted that Celia would take a boat out to sea, never to return. Now it's been three months since Celia's disappearance, and Kasey has given up hope. Logic says that her sister must be dead. But nevertheless, she decides to retrace Celia's last steps. Where they'll lead her, she does not know. Her sister was full of secrets. But Kasey has a secret of her own.*

*Have you ever met someone with the perfect job? To the outside observer, it seems like they've won the career lottery—that by some stroke of luck or circumstance they've found the one thing they love so much that it doesn't even feel like work—and they're getting paid well to do it. In reality, their good fortune has nothing to do with chance. There's a method for finding your perfect job, and Chris Guillebeau, the bestselling author of *The \$100 Startup*, has created a practical guide for how to do it—whether within a traditional company or business, or by striking out on your own. Finding the work you were "born to do" isn't just about discovering your passion. Doing what brings you joy is great, but if you aren't earning a living, it's a hobby, not a career. And those who jump out of bed excited to go to work every morning don't just have jobs that turn their passions into paychecks. They have jobs where they also can lose themselves for hours in the flow of meaningful work. This intersection of joy, money, and flow is what Guillebeau will help you find in this book. Through inspiring stories of those who have*

successfully landed their dream career, as well as actionable tools, exercises, and thought experiments, he'll guide you through today's vast menu of career options to discover the work perfectly suited to your unique interests, skills, and experiences. You'll learn how to: • Hack the job of your dreams within a traditional organization by making it work for you • Find not only your ideal work but also your ideal working conditions • Create plans that will allow you to take smarter career risks and "beat the house" every time • Start a profitable "side hustle" and earn extra cash on top of your primary stream of income • Escape the prison of working for someone else and build a mini-empire as an entrepreneur • Become a rock star at any creative endeavor by creating a loyal base of fans and followers Whichever path you choose, this book will show you how to find that one job or career that feels so right, it's like you were born to do it.

Forever. You want The Big Life—that delicious cocktail of passion, career, work, ambition, respect, money, and a monumental relationship. And you want it on your own terms. Forget climbing some corporate ladder, you want a career with twists and turns and adventure. For you, success only matters if it's meaningful. Ann Shoket knows the evolving values of young women more than anyone. She's the voice behind the popular Badass Babes community, a sisterhood of young, hungry, ambitious women who are helping each other through the most complex issues around becoming who you're meant to be. As the trailblazing editor-in-chief of Seventeen for the better part of a decade, Shoket led provocative conversations that helped young women navigate the tricky terrain of adolescence and become smart, confident, self-assured young women. Now that they are adding muscle to the framework of their lives, she's continuing the conversation with The Big Life. The Big Life is packed with actionable guidance combined with personal advice from high-profile millennial women who have already achieved tremendous success, plus intimate conversations with a cast of compelling characters and Shoket's own stories on her quest for The Big Life. You'll learn to tackle all of the issues on heavy rotation in your mind such as: • How to craft a career that's also a passion. • How to get respect from a boss who thinks you're a lazy, entitled, and self-obsessed millennial • Why you need a "squad" of people who support you as you build your Big Life • How a side hustle will make you smarter, hotter, and more in control of your destiny. • Why work/life balance is a sham and your need to embrace the mess. • How to find a partner whose eyes light up when you talk about your ambition. Written in Shoket's friendly and authoritative style, The Big Life will help you recognize your power, tap into your ambition, and create your own version of The Big Life.

On his thirtieth birthday, Jeff Goins quit his job and began his pursuit of becoming a full-time writer. While certainly that was a milestone day, it was still less significant than the ones that lead to that memorable moment. The journey he took leading up to that daring decision involved twists, turns, and surprises he never expected. In the end, he found his life's purpose, his calling; and in *The Art of Work*, he wants to share his journey with you and help you, too, discover your life's work, along with the invaluable treasure that comes with doing so. As writer, keynote speaker, and award-winning blogger Jeff Goins explains, our search for discovering the task we were born to do begins with passion but does not end there. Only when our interests connect with the needs of the world do we begin living for a larger purpose. Those who experience this intersection experience something exceptional and enviable. Though it is rare, as Jeff discovered along the journey he shares in this one-of-a-kind book, such a life is attainable by anyone brave enough to try. Through personal experience, compelling case studies, and current research on the mysteries of motivation and talent, Jeff shows readers how to find the vocation they were meant for and what to expect during the long, arduous journey to discovering and pursuing it.

After discovering an abandoned newborn on a Brooklyn subway platform, a single magazine editor surprises herself when she jumps at the chance to become the child's foster mother.

Do you want to know the real secret to a satisfying and successful marriage? Getting and staying happily married is probably one of the hardest things most of us will ever attempt. In fact, marriage is so challenging that you have to marry well to start with to even have a chance of success. Even worse, the advice you've heard all your life is either wrong or at best incomplete. Heartbroken after his second divorce, Dr. Carroll was determined to solve the puzzle of how to have a successful marriage. Drawing on his professional expertise as a psychiatrist and a wealth of field research, he emerged with a powerful yet simple system for finding your perfect match. Using neuroscience, genetics, behavioral science, psychology, and his work with shamans and other spiritual healers, he will teach you how to marry science with spirituality to attract the perfect man for you - the man you were meant for - and how to get him to the altar in as little as a year. You'll learn: why the usual advice doesn't work why amazing chemistry is a bad sign what type of man is perfectly suited for you how to energetically attract him how to know he's really the one and of course, how to get him to the altar! If you're tired of the singles scene and frustrated by failed attempts at love, *Don't Settle* is the step-by-step, complete solution you've been looking for.

Do you feel confident you're a leader with influence? You may be surprised to discover you're not as influential as you think you are. Your team is only as strong as your influence, and many leaders today are mistaken about what it means to be influential. An outdated influence paradigm, along with technological devices and distractions, is making it increasingly challenging for leaders to reach those they need to influence in order to be successful. In fact, many leaders are unwillingly and unknowingly sabotaging themselves and their influence. In her thought-provoking *Influence Redefined*, Stacey Hanke introduces her powerful Influence Model, a step-by-step method for improving communication and producing the ideal type of influence—one that moves people to action long after an interaction is over. She dispels the most common influence myths and instructs leaders on how to stop sabotaging themselves in order to leave a positive, lasting impression. Using a results-based definition of influence for individuals and organizations, Hanke successfully shows leaders how they can develop influence as a skill through self-awareness, consistency, a positive reputation, adaptability, and impact. With insights from dozens of executives and business leaders, as well as practical how-tos and action steps, *Influence Redefined* will help leaders multiply and expand their influence every day, Monday to Monday®. Through Stacey Hanke, Inc., the author has provided keynotes, mentoring and training on communicating with influence to thousands of leaders across industries. She is the author of *Yes You Can!* and has appeared in the *New York Times* and *SmartMoney*. Hanke was recognized as one of the National Speakers Association's 'Top 6 Under 40.'

You Were Meant for Me

Finding one's purpose in life and fulfilling it is a desire we all share. Yet many of us are living the lives and dreams imposed upon us by our family, friends and society. Once we understand the fears, frustrations and loyalties that sabotage our dreams and best efforts at personal growth, we can free ourselves from doubt and defeat and find out what we really want to do with our lives. Who You Were Meant to Be explains how to use our inner guidance to find our most personal and energizing life purpose. Writing in a friendly, active style, psychologist Lindsay Gibson shows us how to get free of the misguided guilt and loyalty that confuse loving others with sacrificing oneself. We can undo self-defeating ideas and claim our right to happiness and autonomy in our life choices. Thanks to the author's clinical background, this book goes deep enough to address feelings of helplessness, hopelessness, and the common fears that can bring self-actualization to a standstill. Dr. Gibson offers a unique blend of inspiration and pragmatic advice to people who have been reluctant to put themselves first in their own lives. Who You Were Meant to Be provides a practical road map out of old habits and shows how to forge a new path on which each of us can discover or recover our true purposes in life and become the people we want to be.

Are you happy with your life? Are you where you want to be? What holds you back -- your family, your work, yourself? This inspiring book touches a universal chord: the desire to find one's purpose and fulfill it. Among the topics covered: how you can change your life, why growth can be so hard and what you can do when the going gets tough. Most importantly, Dr. Gibson provides a practical road map out of old habits to help forge a new path to become the person you want to be.

It's never too late to be a better father Jim Daly, president and CEO of Focus on the Family, is an expert in fatherhood—in part because his own "fathers" failed him so badly. His biological dad was an

alcoholic. His stepfather deserted him. His foster father accused Jim of trying to kill him. All were out of Jim's life by the time he turned 13. Isn't it odd—and reminiscent of the hand of God—that the director of the leading organization on family turned out to be a guy whose own background as a kid and son were pretty messed up? Or could it be that successful parenting is discovered not in the perfect, peaceful household but in the midst of battles and messy situations, where God must constantly be called to the scene? That is the mystery unraveled in this book. Using his own expertise, humor, and inexhaustible wealth of stories, Jim will show you that God can make you a good dad, a great dad, in spite of the way you've grown up and in spite of the mistakes you've made. Maybe even because of them. It's not about becoming a perfect father. It's about trying to become a better father, each and every day. It's about building relationships with your children through love, grace, patience, and fun—and helping them grow into the men and women they're meant to be.

"A memoir in text, image, and song. In this unique hybrid work, author/musician Dao Strom navigates the spaces between shores, mother and father, two cultures. The daughter of writers, she fled Vietnam with her mother at the end of the war. It was not until years later that she learned her father was still alive and had spent a decade in Communist "reeducation" camps as persecution for his work as a writer in the pre-1975 era of Saigon. This rift--caught between the forward-looking mother who severed ties with the past, and the only tenuous presence of a father who could not turn away from the past--is the initiating ethos behind this memoir, which renders itself also as an experiment in literary multimedia, combining text, image, and song to express the nuances and buried emotions of aftermath" --

From the New York Times bestselling author of *In Five Years* comes an intensely romantic modern recounting of the greatest love story ever told—narrated by the girl Romeo was supposed to love. Rosaline knows that she and Rob are destined to be together. Rose has been waiting for years for Rob to kiss her—and when he finally does, it's perfect. But then Juliet moves back to town. Juliet, who used to be Rose's best friend. Juliet, who now inexplicably hates her. Juliet, who is gorgeous, vindictive, and a little bit crazy...and who has set her sights on Rob. He doesn't stand a chance. Rose is devastated over losing Rob to Juliet. And when rumors start swirling about Juliet's instability, her neediness, and her threats of suicide, Rose starts to fear not only for Rob's heart, but also for his life. Because Shakespeare may have gotten the story wrong, but we all still know how it ends.

Have you ever wondered if God has greater things in store for you? The Bible is clear that though Peter saw himself as only a fisherman, the Lord saw him as a fisher of men, a leader among men, the rock upon which His Church would be built. Divinity gave Him the insight to extend the invitations that would help Peter discover the life he was meant to live. This full-color gift book is profound in its simplicity as the authors take the reader through the invitations the Lord extended to Peter. Journey with Peter and the Savior as you begin to understand the potential the Lord sees in you.

Counselor and therapist Dr. Beth Blevins Cujé's original approach to self-help takes a giant-step beyond most self-help books. *Become the Person You Were Meant to Be* answers the question, "Why am I this way?" but goes on to answer the question, "How do I change?" Providing a framework for self-monitoring, simple tools for change, and four keys steps to guide change, Cujé's Choice-Cube Method equips readers finally to answer both questions. According to Cujé, normal feelings of defensiveness and self-protection can be dangerous when individuals become stuck in those postures. She points out that readers can use her method to check bodily stress, negative emotions, painful and distorted thoughts, and misdirected desires. Then once aware of those reactions, they can learn to take responsibility for them and use her Choice-Cube tools and four key steps to make necessary changes. Developed out of years of experience as a therapist, university adjunct faculty member, and workshop presenter, this down-to-earth application of current brain research, trauma research, and attachment theory can help readers consistently resolve problems in the present, rework past problems, and program their future. The author believes this method can benefit therapists as well as secular readers and believers. "Real-life examples lend credibility and authenticity to the program...Individuals seeking to better themselves might find that the author's insightfulness and the Choice-Cube Method work well for them." - ForeWord
