**A shift in consciousness has occurred on the planet during the past twenty-five years, marking a new moment in the evolution of humanity's consciousness concerning our relationship to Earth and to the cosmos. We now accept that human beings are interacting with a living planet, and we understand that this living planet has an energetic relationship to the galaxy. We have also come to understand that the entire biological and energy system of this beautiful planet we live on is totally dependent on how humans treat the planet, the environment, and other life forms on Earth. Biorelativity describes the ability of human beings to telepathically communicate with the spirit of the Earth. The goal of such communication is to influence the outcome of natural Earth events such as storms, volcanoes, and earthquakes. Your thoughts create your feelings, emotions, behavior and what you attract and magnetize into your life. Many people think that we see with our eyes. The truth is we see through our consciousness, minds and belief system! There are in truth only two philosophies and feelings and emotions in life. The philosophy and feeling of fear, and the philosophy and feeling of Love. The key to realizing God is to only think and feel from your Love based/Spiritual/Christ/Buddha mind. This is why the Bible states, "Let this mind be in you that was in Christ Jesus!" It is by mastering our mind that all negative feeling and emotions can be released and one can learn to live in self mastery, centeredness, unconditional love, joy, peace, forgiveness, nonjudgmentalness and equanimity at all times!**

The accounts given by extraterrestrials in this volume are about events that occurred in our solar system many millions of years ago. In that ancient time the solar system consisted of four planets and four "radiar systems" that orbited the central sun. The four planets of the solar system are known today as Venus, Earth, Mars and a now-totally shattered world that was called Maldec. The term "radiar" applies to the astronomical bodies we presently call Jupiter, Saturn, Uranus and Neptune. The original satellites of these radiars are generally called moons by Earth astronomers, but the extraterrestrials prefer to call them planetoids. This book reflects the personal views of a number of different types of extraterrestrials regarding the state of the local solar system and the state of the Earth.

culture. Many have talked about the ascension process, but very few really understand what it means. Who is really out there? Where are we going? What are our choices? What has to be done to prepare for this event? Is everyone ascending to the same place? What happened to the fourth dimension? How can we understand the fifth dimension? What are fifth-dimensional beings like? This book explains all of these questions in a way that we can easily understand. It explains what our relationships are to known extraterrestrial groups and what they are doing to help the Earth and her people in this crucial galactic moment in time. It helps us to understand how we can raise our vibration now and begin the process of integrating higher-dimensional energies into our third-dimensional world. This book is a sequel to the first two. It contributes an added dimension to my earlier information. Sedona seems to reflect the best qualities, or perhaps I should say "combined" qualities, the essences and elements, of the Great Pyramids, Glastonbury, Stonehenge, Ayers Rock, Mount Shasta, the South American Pyramids, Peru, Tibet, Nepal, India, Lourdes, and many other power places around the world. How can I make such a claim? For the reason that I interact on a regular basis with individuals from virtually every corner of the Earth who have spent time in those sacred and mysterious places. Through these travelers, I have learned that there is simply no other place like Sedona. Book IX of the multivolume series, The Easy-To-Read Encyclopedia of the Spiritual Path - Here at last is an indispensable book that has been urgently needed in these uncertain times. The book lays out, in an orderly and clear fashion, the guidelines for leadership in the world and in ones' own life. All the areas of our society and personal life that need discipline and leadership are pointed out. A firm foundation and guidance from a psychological and spiritual perspective are offered for change. The ascended masters are called upon for their wisdom and sometimes opinions on the matters ranging from the political arena to science and religion. This book serves as a reference manual for moral and spiritual living and also offers a vision of a world where strong love and the highest aspirations of humanity triumph.

THE END OF WHAT WAS . . . The most significant events in Earth's history are happening NOW! This is the final book in the Shining the Light series that exposes the malevolent, controlling and manipulating actions of the Sinister Secret Government as they attempt to keep humans from accessing our soul and spiritual functions and ascending into the fourth dimension and beyond. In future books, mentors of humanity will continue to expose the SSG's nefarious dealings, but they will give us step-by-step instructions in the ancient and lost arts of benevolent magic " spiritual wizardry " enabling us as creators in training to blend our hearts, minds and souls to become creators of our own destiny and thwart the SSG's goals.

This volume represents the wisdom of the ascended masters condensed into concise keys that serve as a spiritual guide. There are 420 golden keys that present the multitude of methods, techniques, affirmations, prayers, and insights Dr. Stone has gleaned from his own background in psychology and life conditions and his thorough research of all the ancient and contemporary classics that speak of the path to God realization. The teachings of Sai Baba and other ascended masters are at the core of these keys, and the author has also drawn up on various spiritual scriptures such as the Bhagavad-Gita and the Bible. Especially valuable are practical methods to support the ascension process, such as journal writing and spiritual logs, as well as meditations and prayers.

The fourth installment of the series tells of the incredible vehicle traveling with the Hale-Bopp Comet--four times the size of Earth and filled with lightbeings. The book also covers the Montauk project, the HAARP project, and the uncreation of Hitler.

Arcturus is the name given to the star system some thirty-seven light-years from our own. It includes at least a half dozen planetary bodies and is many times larger and much older than our own star and its system. Arcturian involvement with our system began over three million years ago when a space colony--a galactic space station--was established on Velatropa 24.4, otherwise known as Mars. With its 40,000-year warm cycles, Mars provided the perfect experimental way station. If anything went wrong, at least those on the Arcturus system would not be affected--or so it was thought. Some of those in command of the Martian project had not considered carefully enough the inexorable efficacy of karma, the law of cause and effect. By the time strange events began to transpire on Mars, little did anyone on Mars or Arcturus reckon the strange consequences of forgetting about each other's mutual existence. Thus unfolds the tale of the Arcturian experimental way station, V.24.4, otherwise kno

We are all as unique as individual snowflakes, intricately designed so that no two are alike, yet when observed as a whole, we form the blended essence of lightworkers, merging into vaster and fuller aspects of God, the one great whole. Each of us holds a very specialized piece of the divine puzzle of God, or the whole. The more attuned we become to God, the more we are called to find and fulfill that specialized piece of the puzzle belonging to ourselves alone. When we find this puzzle piece and embrace it, we are then able to fulfill our divine mission on this Earth.

What all of mankind have learned in the past about creation is the way that existence isn't -- a paradox! Awaken and realize that all of mankind will create their "body for Ascension," whether they accomplish this now or later, and that this is not the exclusive domain of Christ or Buddha or many others who have ascended -- this is your birthright. You are not relegated to worshipping those who have already done this very basic initiation called Ascension. Christ and Buddha would be the first to acknowledge that they are just beginners on their eternal journey. When mankind lifts the veils of their unworthiness and recognize that they are the Sons of God, that there is divine equality and no one is greater than another, then you will have begun our journey in the way that it was intended. In your near future your Planetary Hierarchy will release the world from theology, ecclesiasticism and the wrathful Jehovah and return humanity to its rightful journey into spiritualizing matter, not worshipping it! The Mahatma is for those who are motivated to search for the answers that can respond to their mental and spiritual bodies. In the past, mankind's choices of beliefs and religions have supported only the emotional body and the darker, material side of life. And truly, if one is going to remain on Earth, very drastic shifts of consciousness will be required to have mankind remain in Earth's new fourth-dimensional reality. No matter how contrary to your current beliefs, this book contains methods for creating your spiritual Lightbody for Ascension, and it also explains your eternal journey in a way that was never before available to mankind.

This book traces the author's journey of ascension through the seven levels of initiation, through the process of anchoring and activating his fifty chakras, expanding to a 99-percent light quotient, then on to anchoring and fully activating all twelve bodies, which include the five higher bodies. Exactly how this is done is shared, and in-depth information is given on the workings of the inner-plane ashram under the guidance of Djwhal Khul, Lord Maitreya and Lord Melchizedek. You are invited to journey with him as he unfolds the process of his initiations, beginning at the sixth, moving through the equivalent of the tenth initiation and into the beginning of the eleventh. Written as a personal log, this book shares, in an open and candid manner, dreams, meditations, conversations with the masters, spiritual background, thoughts and reflections and actual ascension experiences.
