

Zenith 2016 Did Something Begin In The Year 2012

This book conveys the excitement, diversity and richness of London at a time when the city was arguably at the height of its power, uniqueness and attraction. Balancing the social, the topographical and the visible aspects of the great city, author Andrew Saint uses buildings, architecture, literature and art as a way into understanding social and historical phenomena. While many volumes on Victorian London focus on poverty (an issue which is included in this book), the author here provides a broader picture of life in the city. It is enlivened with a rich line-up of colourful characters, including Baron Albert Grant; Henry Mayers Hyndman and his connections with Karl Marx, William Morris and George Bernard Shaw; John Burns; Octavia Hill; Aubrey Beardsley and the artistic bohemians; Alfred Harmsworth and the Garrett sisters, and includes insightful quotes on London by esteemed authors such as Trollope, Henry James and Rudyard Kipling. Topics covered include: the creation of new neighbourhoods and roads; how the Victorians dealt with their housing crisis; why certain architectural styles were preferred; and the fashion for focusing on certain types of building.

In every generation, when dangers gather, there is a group of men and women courageous enough to confront evil and inform the populace. Sometimes unpleasant truths need to be presented; most of us would rather stand back and kick a toe in the dirt. You know, let someone else do it. Someone else is courageous enough to tell us the truth. Tom Horn & Friends research, publish, and speak about some of the most important topics of our time. Pandemonium's Engine is the vehicle through which Tom and an elite team of commentators are informing a still-sleeping public about radical changes coming to our culture...very soon. In particular, the technological advances that have brought us to the doorstep of life-altering realities are such that the man-on-the-street is struggling to make sense of our world. The book you are about to read is a landmark offering, making such issues as "transhumanism" compelling reading. A shadowy world of intrigue, power-grabs, and seismic changes in daily life is the stuff of sci-fi movies. Yet the authors contributing to Pandemonium's Engine show us in disturbing detail that these mind-blowing technologies are quite real. For example, Cris D. Putnam writes in "Christian Transhumanism:

Pandemonium's Latest Ploy": "Transhumanism is a transnational technocratic trend that promises to break through human biological limitations by radically redesigning humanity." Sound like a campy Star Trek episode, or a movie plot from Stanley Kubrick? As a matter of fact, they are, but rooted in present reality. Change agents in our world are working feverishly to harness the powers of human ingenuity, to wreak havoc on our way of life. Chuck Missler writes in "Pandora's Box for the 21st Century? The Sorcerer's Apprentice" that the seductiveness of medical advances mask a diabolical agenda. For example, he mentions that the drive to, among other things, develop receptors that could impinge the constriction of blood vessels and thus the scourge of hypertension is a source of optimism. As are drugs that inhibit damage from brain trauma, or genetic research that could cure diabetes. But Chuck knows that some researchers would trample over ethical boundaries and move past such positive research into frontiers humans were not meant to go. Frederick Meekins' chapter, "Examples of Transhumanism in Popular Culture" identifies how we have been brought along to accept technologies. We've been conditioned, by popular television series like Star Trek, and films like Spiderman, to subtly be prepared for radical, sweeping tampering with the human mind and body. John McTernan writes about "embodied intelligence" robots, biocomputers, and other space-age technologies many of us have made the mistake of believing lie in the realm of fiction. Providing perspective is Noah Hutchings, who traces advances in technology from the time of another Noah, to the present time. All these authors, and several more, provide a searing report on just how ambitious the builders of the New Babel really are. Pandemonium's Engine will stun you. That's good. You need to wake up. History shows that those who make reasonable preparations are much better equipped to deal with colossal changes than those who prefer to fully trust their handlers. I well remember the days when my uncle was on the ground floor of computer technology, tinkering with those machines the size of refrigerators. I remember reading George Orwell's 1984 and laughing that such a far-in-the-future could actually arrive. We are well past 1984, figuratively and literally. Pandemonium's Engine will show you just how far past. Read and prepare.

Robot Envy is an online community with thousands of fans and hundreds of artists coming together to celebrate the world's best robot art. It began back in 2012 with a successful kickstarter campaign featuring a specialty sketchbook/package design project created by davpunk. Since then, the Robot Envy network has flourished, promoting a new artist every week for the past 3 years. This "robolution" inspired a second sketchbook titled, "Robot Envy: Reconstruction," which featured brand new sketches and designs from davpunk. Founder Dave Pasciuto (davpunk) said, "We have curated the best robot inspired artwork on the planet. It's time to promote the creators and bring their work to life. This is why we launched Robot Envy: Zenith." Robot Envy: Zenith features a collection of the finest robot artwork in existence. One giant robot book with over 60 incredible robot artists; illustrators and sculptors from around the world. We feature some of the most inspiring artists today--like Jake Parker, Steve Talkowski, Dacosta, Brian Despain, Boris Bakliza, Emerson Tung, Bambino Monkey and Eric Joyner--just to name a very few! The book itself is an impressive 8.5 x 11 (portrait orientation), hardcover, 256 page, full-color art book. The interior pages beautifully display all of the amazing artwork in vivid detail. Hands down, this is coolest art book you can possibly own. So join the Robolution and activate Robot Envy: Zenith today!

"Like a woman, this book gets better with age. Greer's punchy prose and all-too-true observations motivate you to go out and do something to liberate yourself-and other women." — Leora Tanenbaum, author of Slut! Growing Up Female with a Bad Reputation A ground-breaking, worldwide bestselling study of women's oppression that is at once an important social commentary, a passionately argued masterpiece of polemic, and a feminist classic. The publication of Germaine Greer's The Female Eunuch in 1970 was a landmark event, raising eyebrows and ire while creating a shock wave of recognition in women around the world with its steadfast assertion that sexual liberation is the key to women's liberation. Today, Greer's searing examination of the oppression of women in contemporary society is both an important historical record of where we've been and a shockingly relevant treatise on what still remains to be achieved.

It's been assumed for centuries that a prerequisite for the coming of Antichrist would be a "revived" world order--an umbrella under which national boundaries dissolve and ethnic groups, ideologies, religions, and economics from around the world orchestrate a single and dominant sovereignty. At the head of the utopian administration, a single personality will surface. He will appear to be a man of distinguished character, but will ultimately become "a king of fierce countenance" (Daniel 8:23). With imperious decree, he will facilitate a One-World Government, universal religion, and global socialism. Those who refuse his New World Order will inevitably be imprisoned or destroyed until at last he exalts himself "above all that is called God, or that is worshiped, so that he, as God, sitteth in the temple of God, showing himself that he is God" (2 Thessalonians 2:4). Bible prophecy depicts this coming tyrant as the deadliest in human history. He will try to carry out a satanic "Final Solution" to inflict genocide far beyond that done through Adolf Hitler's plan by the same name. And this soon-to-come era is closer than many can imagine, yet most don't comprehend the events that lie just ahead.

SABOTEURS is the most critical and groundbreaking work to date by prolific investigative author Thomas Horn. From his earliest opus on secret societies and the occult to this new work, Horn returns to Washington, DC to expose a harrowing plot by Deep State Alister Crowley and Masonic devotees that hold an almost unbelievable secret they do not want you to know. Being manipulated through a Washington-based Shadow Government in quest of that Final World Order prophesied in the books of Daniel, Revelation, and on the Great Seal of the United States goes beyond the superficial chaos currently playing out in the public square and in media against the Trump administration to unveil a far more sinister resistance made up of sorcery, secret societies, and world power brokers who plot the insidious rise of a messianic strongman figure they call The Grey Champion. This investigation addresses: The supernatural truth behind the Derangement Syndrome; How the federal bureaucracy is a tool of Deep State Occultists; Shocking revelations about Satanism in the US Capitol from WikiLeaks; What's in the Shadow from the White House; Obama, Alinsky, and a dedication to Lucifer; Steve Bannon, the Fourth Turning, and The Grey Champion; The Necronomicon and why ZENITH 2016 may have just begun; Rabbis in Israel believe Donald Trump is paving way for Messiah; Hidden truth about Pope Francis and Dr. Horn's next major prediction; House of Cards, the Bohemian Grove, and the occult; Hilarion, witchcraft, the Babalon Working, and Spirit Cooking 2020; And much more! Dr. Thomas R. Horn is a long-time television and radio personality, publisher, and best-selling author, as well as the Chief Executive Officer of SkyWatch TV and Defender Publishing.

Before and after the presidency of Donald Trump, the United States was--and now is again--on an intentional trajectory to fulfill what famous Freemason Manly P. Hall described as the New World Order for America. Hall's book includes future national and global subservience to the god of Freemasonry, a deity most Americans would not imagine when reciting the pledge of allegiance to the United States. Unknown to most Americans and certainly many Christians is the fact that the Great Seal of the United States is a prophecy hidden in plain sight by the Founding Fathers for more than 200 years, foretelling the return of this terrifying, demonic god who seizes control of Earth in the New Order of the Ages. This supernatural entity was known and feared in ancient times by the Egyptians and even farther back as Nimrod, whom Masons consider to be the father of their institution.

Authors Cris Putnam and Thomas Horn follow up their 2012 publication Petrus Romanus: the final Pope is here with new findings such as: the Vatican's plan for the arrival of an alien Pope; a Vatican library on the reality of the alien presence, Project L.U.C.I.F.E.R and the hidden quest for the "Fallen Star," and more--Adapted from P. [4] of cover.

Recently SkyWatchTV.com held a "NO FENCES--TELL YOUR STORY" writing contest that invited people from around the world to share their personal accounts of inspiration, triumph, and struggle. The stories submitted were from those who: * Never thought they had anything significant to share about their lives, and the journey they took to realize otherwise * Refused to let go of their dreams * Prevailed over challenging issues (health, family, accidents, death, and other difficulties) * Have outlived a family member whose precious story of service, strength, valor, and sacrifice was never told...until now. After hundreds of writers submitted their stories, ten SkyWatch TV judges worked together to narrow it down to the ten finalists, each of whom received a cash award and their story now published in this anthology. You will be inspired to find the reflection of God's grace working in your life today as you read Learning to Lean!

In a tale by the author of Tomorrow Now, top cyber-security theorist Derek Vanderveer finds his life permanently disrupted by the events of September 11, after which he accepts a security agency to determine who is attacking a top-secret U.S. satellite. Reprint.

What 12 Global Experts Believe You Will See Before 2025!

ECOWAS Law

In the White House with George H. W. Bush

The British Empire used intelligence tests, laboratory studies, and psychoanalysis to measure and manage the minds of subjects in distant cultures. Challenging assumptions about the role of scientific knowledge in the exercise of power, Erik Linstrum shows that psychology did more to reveal the limits of imperial authority than to strengthen it.

Following the release of their first three international bestsellers--Petrus Romanus, Exo-Vaticana, and On the Path of the Immortals--Thomas Horn and Cris Putnam were swamped with interview requests from radio, television, and print media outlets around the world. When they accurately predicted the resignation of Pope Benedict XVI one full year in advance, even naming the precise time he would step down, global shockwaves raised compelling questions regarding why the Vatican has an advanced telescope set atop Mt. Graham in Arizona where the Jesuits admit they are monitoring "something" approaching Earth. After the authors' second report was published in Exo-Vaticana, the pope's top astronomer took to the airwaves in an attempt to explain the role he and other church astronomers are playing in regard to the LUCIFER device, as well as their developing doctrines concerning extraterrestrial life and the impact it may soon have on Earth's religions.

(Christianity in particular). Then, in the third book by Horn and Putnam, the authors set out with cameras and field investigators to unearth their most astonishing discovery yet: Mt. Graham is a "portal"--the Native Americans who fought the Vatican and NASA told them--a gateway to another dimension. And, as the Vatican knows and the authors uncovered, it is not the only one. Even then, they had no idea what secrets the Vatican was shielding until now...FOR THEIR LAST ENTRY INTO THE 4-YEAR INVESTIGATION REVEALS:Tom Horn's greatest prediction yet (this will shake the foundations of the world!)The WMD that ISIS will use, and how it will lead to an ApocalypsePetrus Romanus, Albert Pike, the Islamic State, and the coming ArmageddonPope Francis becomes the Destroyer (or shall there be another?)...The Last Crusade Agenda, hidden in plain sightThe prophecy of the "Last Roman Emperor" in the Vatican vaultsThe prophecy of the Cumaean Sibyl on the Muslim's MahdiGiants, a hidden Vatican doorway, and the coming Battle for the Cosmic MountainWhy many Christians, Muslims, and Jews will accept the "Last Emperor" as MessiahPreparations by the Occult Elite and their Visions of the Final Roman Emperor

This supernatural thriller tells the incredible story of a young Marine and his sister who discover information connecting the U.S. Government with UFO's.

The most important book on antitrust ever written. It shows how antitrust suits adversely affect the consumer by encouraging a costly form of protection for inefficient and uncompetitive small businesses.

In the year 1620, the Mayflower set sail from Plymouth, England carrying more than a hundred hopeful, determined, and God-fearing individuals into an unknown future. Setting their minds on the promises of God and their faith in Him, they ventured into the unfamiliar as they placed their lives and those of their children in His hands.Little did they know that despite many hardships they would build the most powerful, inventive, industrial, and free nation that had ever existed to this point in history.For many, the nation was founded on God. The fabric that held the country together was woven with the blood, sweat, tears, fortitude, and faith of a generation who set their resolve and trust in the God of the Bible--and never looked back.America the Beautiful. The Strong. The United. The Innovative. The Independent.America, the "One Nation Under God."So, what happened? As a godless and seemingly aimless America faces decline unparalleled to any deterioration that previous generations could have ever foreseen, many now look around in astonishment and wonder what changed.Can America return to its glory days? If so, how?Join Thomas Horn, Christina Peck, Robert Maginnis, Donna Howell, Sheila Zilinsky, Josh Peck, Cris Putnam, Sharon Gilbert, Allie Anderson, Joe Ardis, and Derek Gilbert as this question is explored and discussed in When Once We Were a Nation.

The Milieu

Book 2

A City at Its Zenith

In June 1983 Margaret Thatcher won the biggest increase in a government's parliamentary majority in British electoral history. Over the next four years, as Charles Moore relates in this central volume of his uniquely authoritative biography, Britain's first woman prime minister changed the course of her country's history and that of the world, often by sheer force of will. The book reveals as never before how Mrs. Thatcher transformed relations with Europe, privatized the commanding heights of British industry and continued the reinvigoration of the British economy. It describes her role on the world stage with dramatic immediacy, identifying Mikhail Gorbachev as "a man to do business with" before he became leader of the Soviet Union, and then persistently pushing him and Ronald Reagan, her great ideological soul mate, to order world affairs according to her vision. For the only time since Churchill, she ensured that Britain had a central place in dealings between the superpowers. But even at her zenith she was beset by difficulties. Reagan would deceive her during the U.S. invasion of Grenada. She lost the minister to whom she was personally closest to scandal and faced calls for her resignation. She found herself isolated within her own government. She was at odds with the Queen over the Commonwealth and South Africa. She bullied senior colleagues and she set in motion the poll tax. Both these last would later return to wound her, fatally. Charles Moore has had unprecedented access to all of Mrs. Thatcher's private and government papers. The participants in the events described have been so frank in interviews that we feel we are eavesdropping on their conversations as they pass. We look over Mrs. Thatcher's shoulder as she vigorously annotates documents and as she articulates her views in detail, and we understand for the first time how closely she relied on a handful of trusted advisers to carry out her will. We see her as a public performer, an often anxious mother, a workaholic and the first woman in Western democratic history who truly came to dominate her country in her time. In the early hours of October 12, 1984, during the Conservative party conference in Brighton, the IRA attempted to assassinate her. She carried on within hours to give her leader's speech at the conference. One of her many left-wing critics, watching her that day, said, "I don't approve of her as Prime Minister, but by God she's a great tank commander." This titanic figure, with all her capabilities and her flaws, storms from these pages as from no other book.

*For more than 800 years scholars have pointed to the dark augury having to do with "the last Pope." The prophecy, taken from St. Malachy's "Prophecy of the Popes," is among a list of verses predicting each of the Roman Catholic popes from Pope Celestine II to the final pope, "Peter the Roman," whose reign would end in the destruction of Rome. First published in 1595, the prophecies were attributed to St. Malachy by a Benedictine historian named Arnold de Wyon, who recorded them in his book, *Lignum Vitæ*. Tradition holds that Malachy had been called to Rome by Pope Innocent II, and while there, he*

experienced the vision of the future popes, including the last one, which he wrote down in a series of cryptic phrases. According to the prophecy, the next pope (following Benedict XVI) is to be the final pontiff, Petrus Romanus or Peter the Roman. The idea by some Catholics that the next pope on St. Malachy's list heralds the beginning of "great apostasy" followed by "great tribulation" sets the stage for the imminent unfolding of apocalyptic events, something many non-Catholics would agree with. This would give rise to a false prophet, who according to the book of Revelation leads the world's religious communities into embracing a political leader known as Antichrist. In recent history, several Catholic priests—some deceased now—have been surprisingly outspoken on what they have seen as this inevitable danger rising from within the ranks of Catholicism as a result of secret satanic "Illuminati-Masonic" influences. These priests claim secret knowledge of an multinational power elite and occult hierarchy operating behind supranatural and global political machinations. Among this secret society are sinister false Catholic infiltrators who understand that, as the Roman Catholic Church represents one-sixth of the world's population and over half of all Christians, it is indispensable for controlling future global elements in matters of church and state and the fulfillment of a diabolical plan they call "Alta Vendetta," which is set to assume control of the papacy and to help the False Prophet deceive the world's faithful (including Catholics) into worshipping Antichrist. As stated by Dr. Michael Lake on the front cover, Catholic and evangelical scholars have dreaded this moment for centuries. Unfortunately, as readers will learn, time for avoiding Peter the Roman just ran out.

Jed must confront the revelation of his true identity: he is the alchemist Fulcanelli who discovered the elixir of life and used it to become young again. He must take the elixir one more time in order to live for ever. If he doesn't take it he will die. But Jed only has nine months left to take the elixir. And he has absolutely no idea how to make it. The challenge is clear. Jed, Kassia and co. must hunt down the secret recipe. Their quest takes them to Prague and then on to Paris - but hot on their heels are NOAH, the secret organisation that will do anything to get their hands on the secret to eternal life. Jed has everything to live for. But who can he trust? The second in an action-packed series full of adventure, this book has an illustrated narrative running through it, helping readers to solve the mystery alongside the characters in the story.

What even the best researchers of the Illuminati and veiled fraternities such as the Freemasons were never able to fully decipher is spelled out herein for the first time. The power at work behind global affairs and why current planetary powers are hurriedly aligning for a New Order from Chaos is exposed. Perhaps most incredibly, one learns how ancient prophets actually foresaw and forewarned of this time.

*Utopia or Dystopia? Shangri-La or purgatory? Paradise or perdition? What future truly awaits mankind on the other side of widespread human enhancement? With breakthrough advances in transhumanistic science and technology at an all-time high, it appears that people of all ages, backgrounds, and world cultures are lining up to embrace the alteration and augmentation of the human race. Remaining as the mere Homo sapiens that God designed is no longer satisfactory as we race toward the human-animal chimeric and human-machine hybrid era—a point of no return. For many, these transhuman concepts paint bright and glorious tomorrows filled with higher efficiency, ease, and convenience for our world. For others, the notion of irreversibly changing what it is to be human and the potential spiritual and biological repercussions that holds for the earth's dominant species is, understandably, terrifying. In *The Milieu: Welcome to the Transhuman Resistance*, you will learn: *The purpose and importance of the resistance group known as the Milieu *Why it's important for the Church to be involved in the discussion about transhumanism *The glaring, spiritual symbolism of the transhuman worldview, and how the Promethean Faith (a.k.a., Religion of Man) is far more a religion than its disciples openly acknowledge *What is driving the 'Christian Transhuman' movement *What methods are currently being used to gradually indoctrinate Church and society with utopian transhuman concepts *Why going from "flawed man" to "enhanced beast" doesn't solve humanity's dilemmas and only serves to reveal deeply-rooted philosophical challenges *The link between artificial intelligence and the image of the Beast from Revelation *Why a pro-transhuman "Milieu" group is forming at the Vatican right now, and what plans they have in mind for humanity's future *How nanotechnology existing at this moment will soon allow for human-robot offspring—and why that might be the very technology that ushers in the Antichrist. *PLUS!--Two chapters from Thomas and Nita Horn's *Forbidden Gates* discussing the coming Hell Scenario and the spiritual warfare ramifications of merging man with beast or machine.*

The largest and richest English-language volume of poetry from "the greatest twentieth-century writer you have never heard of" (Los Angeles Times) Edited, Translated, and with an

Introduction by Richard Zenith, the author of the magisterial biography Pessoa A Penguin Classic Writing obsessively in French, English, and Portuguese, poet Fernando Pessoa (1888–1935) left a prodigious body of work, much of it credited to three “heteronyms”-Alberto Caeiro, Ricardo Reis, and Alvaro de Campos?-alter egos with startlingly different styles, points of view, and biographies. Offering a unique sampling of his most famous voices, this collection features Pessoa’s major, best-known works and several stunning poems that have come to light only in this century, including his long, highly autobiographical swan song. Featuring a rich body of work that has never before been translated into English, this is the finest introduction available to the stunning breadth of Pessoa’s genius.

Open discussion of the ancient gods of Mesopotamia, Egypt and Greece and their influence in today’s New Age movement.

This book analyses the emerging jurisprudence of the Economic Community of West African States (ECOWAS), and seamlessly knits together all the disparate texts, policies and judicial decisions into a single, coherent resource. The work is deliberately crafted to address the lack of a comprehensive resource on the subject, and guide lawyers, policy-makers, Community citizens, researchers, students and civil society organisations through the labyrinth of the Community’s laws and policies. From a socio-legal perspective, it unearths political, socio-economic and legal structures that impinge on the integration cause on the one hand, and dilute the efficacy of the Community legal regime on the other hand. Also, it exposes contemporary terrorism and conflict in West Africa and the legal interventions that the Community has adopted to respond to these challenges. In sequence, it traces and expounds the legal development of the Community norms with respect to sources of law, human rights, supra-nationalism and laws of the member states, reference procedure, action for damages, freedom of movement, discrimination and competition policy. The book particularly evaluates the extent of the human rights jurisdiction of the Community Court of Justice, as well as jurisdictional limitations to the protection of Community rights either at national or Community level. Also, it sheds light on the jurisdictional chasm existing between Community law and member states’ national laws, and offers proven constitutional, legislative and judicial solutions to plug the gap. It explains vividly the common market, free movement of goods and the impact of Economic Partnership Agreement (EPA) on the entire ECOWAS free trade policy. In all these analyses, evaluation and examination of norms and policies, the work draws on the European Union’s rich case law on similar points to explain recondite issues of law which may arise or have arisen from the application of any of the ECOWAS texts.

Winner of the 1974 National Book Award “A screaming comes across the sky. . .” A few months after the Germans’ secret V-2 rocket bombs begin falling on London, British Intelligence discovers that a map of the city pinpointing the sexual conquests of one Lieutenant Tyrone Slothrop, U.S. Army, corresponds identically to a map showing the V-2 impact sites. The implications of this discovery will launch Slothrop on an amazing journey across war-torn Europe, fleeing an international cabal of military-industrial superpowers, in search of the mysterious Rocket 00000, through a wildly comic extravaganza that has been hailed in The New Republic as “the most profound and accomplished American novel since the end of World War II.”

Return to the high-stakes, riveting world of The Androma Saga in this dazzling finale from #1 New York Times bestselling authors Sasha Alsborg and Lindsay Cummings. With her crew captured and her ship a smoldering ruin, notorious mercenary Androma Racella is no longer the powerful Bloody Baroness, but a fugitive on the run. And with most of the galaxy now trapped under the mind control of the bloodthirsty Queen Nor, not even the farthest reaches of Mirabel can offer safety for the queen’s most-hated adversary. But Andi will risk anything, even her precious freedom, to save her crew. So when she finds herself stranded with bounty hunter Dextro Arez on the unforgiving ice planet of Solera, Andi seeks out the mysterious Arachnid, the one person who seems to be fighting back against the vicious queen...and uncovers the true, devastating reason for Nor’s takeover. Back on Andi’s home planet of Arcadius, Nor’s actions have made Mirabel vulnerable to invasion from an outside force. Now allying with her mortal enemy may be the only way for the Bloody Baroness to save the galaxy—even if that alliance demands the most wrenching sacrifice of all.

“The dawn of techo-dimensional spiritual warfare.”

Fans have long wondered what happened to Ahsoka after she left the Jedi Order near the end of the Clone Wars, and before she re-appeared as the mysterious Rebel operative Fulcrum in Rebels. Finally, her story will begin to be told. Following her experiences with the Jedi and the devastation of Order 66, Ahsoka is unsure she can be part of a larger whole ever again. But her desire to fight the evils of the Empire and protect those who need it will lead her right to Bail Organa, and the Rebel Alliance....

The road to success is rarely linear and never easy. Despite countless setbacks, Jim Ovia, founder of Zenith Bank, was able to achieve the unthinkable. Africa Rise and Shine is the story of Ovia’s business and banking success and how he was able to create

one of Africa's largest banks. Spanning decades of both world and Nigerian history, Africa Rise and Shine dives deep into the events that led to Ovia's triumph. Drawing upon his educational experiences and relentless determination, Ovia was able to overcome every hurdle that stood in the way of his bank becoming the national icon that it is today. Africa Rise and Shine outlines the tough, yet necessary business decisions that were essential to Zenith's prolonged success and is filled with valuable takeaways for every businessperson. Learn from one of the best in banking what it takes to truly be successful.

A Policy at War With Itself

2025 and the Final Age of Man

On the Path of the Immortals

Jesus said that redemption—eternal salvation—is available to everyone. No one is beyond His reach; no one falls outside the boundaries of His willingness to forgive. Anyone who calls on Him will be saved, He says. But, does that really include names like Jeffrey Dahmer, Ted Bundy, Susan Atkins, Charles “Tex” Watson, Sean Sellers, David Berkowitz, and Karla Faye Tucker? Redeemed Unredeemable: When America's Most Notorious Criminals Came Face to Face with God features a close look into the lives of infamous members of the Manson Family disciples such as Susan Atkins and Charles “Tex” Watson, as well as serial killer Ted Bundy, “Milwaukee Monster” Jeffrey Dahmer, “Son of Sam” David Berkowitz, “Pickaxe Killer” Karla Faye Tucker, and parent-killer Sean Sellers. READ FOR THE FIRST TIME IN REDEEMED UNREDEEMABLE...

*Exhaustive, fresh research into the court documents and news reports of the most famous criminal investigations and trials *Exclusive interviews with many who were involved in these cases, including relatives of the victims and perpetrators, prison staff members and ministers, and, when possible, even the criminals, themselves *Surprising information about those convicted, including a comprehensive look at their family history, their childhoods, and possible motivations for their horrific deeds *Fresh, “big-picture” insight into the culture and times that served as the backdrop for these offenders' lives *Rare glimpses into these convicted felons' private lives after sentencing and incarceration *Compelling exploration of some of the spiritual issues that might have influenced, shaped, and ultimately transformed these men and women While in no way attempting to excuse or justify any of the devastating crimes these men and women have committed, the author's investigation brings to light not just seven case studies of hardened criminals, but seven accounts of loss. Seven stories of searching. Seven chronicles of change. And, ultimately, seven testimonies about redemption. Read for yourself the untold stories of America's most notorious killers, and the unspeakably difficult journeys that brought them to their knees.

Does the Bible predict an asteroid...or something else? This book will challenge your interpretation of end-times theology and help you sharpen your understanding in light of current times. Does Revelation 8:10-11 describe an asteroid? Is the Wormwood star from Revelation 8 already headed toward Earth? Are NASA and high-level government officials aware of an asteroid that is on a collision course with our planet? Is that why President Trump sanctioned a colossal increase to planetary defense? Do the prophecies from ancient cultures and religions across the globe all point to a catastrophic planetary event that has scientists and politicians taking extreme preventative measures under the public radar? Earth is not currently prepared for the scope of impact that may be just around the corner, and people in high places know it... But what will the biblical Wormwood actually be? Traditional scholarly interpretation claims it will be an asteroid. Others postulate that the eschatological poisoning of one-third of all Earth's waters and the devastation of our planet's ecology might not be as detectable as we may believe: it could hit suddenly and without warning, like an angel of God appearing in the sky with fire and light, bringing judgment in an instant. Follow Thomas Horn as he blazes a trail through these questions and many others, posing answers that very few in the church today are willing to provide. FEATURES AND BENEFITS: Examines asteroid threats to Earth, including Apophis (named after the Egyptian god of chaos), which is a topic of serious discussion among experts in planetary defense Includes interviews with government impact specialists, scientists, Bible scholars, and prophecy experts

Over the last few decades, celebrated theorists and philosophers have increasingly contemplated the future of humanity through a predictive lens—the meaning and purpose of our existence in light of the Bible's end-times narrative. Is it possible that ancient prophets actually foresaw how the world would come to an end and how final salvation—including judgment of the nations—would precisely transpire? In this wide-ranging and authoritative work, recognized experts from around the globe examine extraordinary developments currently playing out in

geopolitics, science and technology, discovery, and even the supernatural, under the microscope of Scripture. The magnitude of individual choices and opportunities that lie just ahead, these experts say, will soon impact all of our lives in unprecedented ways. NOW, FOR THE FIRST TIME, IN I PREDICT YOU WILL...*Discern the facts behind whether the Ark of the Covenant has been found *Learn about the Final Roman Emperor and the Vatican's Last Crusade *Finally understand the truth behind the Islamic Mahdi and the secrets of Apollyon *Witness efforts now underway that could lead to the Third Jewish Temple *Discover a hidden agenda that may force mankind into an epic World War *Determine how to prepare for a coming global monetary collapse *Read why some believe we are about to witness angels everywhere *Study the phenomenal prediction involving the next Great Awakening *Examine the case for a coming Global World Government *Grasp the arrival of amazing technology that will transform literally everything

Duluth may be the city of "untold delights" as lampooned in a Kentucky congressman's speech in 1871. Or it may be portrayed by a joke in Woody Allen's film Manhattan. Or then again, it may be the "Zenith City of the unsalted seas" celebrated by Dr. Thomas Preston Foster, founder of the city's first newspaper. But whatever else it may be, this city of granite hills, foghorns, and gritty history, the last stop on the shipping lanes of the Great Lakes, is undeniably a city with character—and characters. Duluth native Michael Fedo captures these characters through the happy-go-melancholy lens nurtured by the people and landscape of his youth. In Zenith City Fedo brings it back home. Framed by his reflections on Duluth's colorful—and occasionally very dark—history and its famous visitors, such as Sinclair Lewis, Joe DiMaggio, and Bob Dylan, his memories make the city as real as the boy next door but with a better story. Here, among the graceful, poignant, and often hilarious remembered moments—pranks played on a severe teacher, the family's unlikely mob connections, a rare childhood affliction—are the coordinates of Duluth's larger landscape: the diners and supper clubs, the baseball teams, radio days, and the smelt-fishing rites of spring. Woven through these tales of Duluth are Fedo's curious, instructive, and ultimately deeply moving stories about becoming a writer, from the guidance of an English teacher to the fourteen-year-old reporter's interview with Louis Armstrong to his absorption in the events that would culminate in his provocative and influential book *The Lynchings in Duluth*. These are the sorts of essays—personal, cultural, and historical, at once regional and far-reaching—that together create a picture of people in a place as rich in history and anecdote as Duluth and of the forces that forever bind them together.

In this compelling continuation of Julie Bertagna's timely trilogy, the search for a future remains a terrifying fight for survival. Sixteen-year-old Mara and her ship of refugees are tracking the North Star in search of land in the mountains of Greenland to call home. A Gypsea boy named Tuck, orphaned when Mara's ship plows through his floating city, becomes inextricably linked to their fate. Meanwhile, back in the drowned ruins at the feet of the towering sky city, Fox begins his battle with the cruel, corrupt rulers of the New World. Forced to make their own new beginnings in a savage world, three teens must struggle to make sense of the past, overcome the harsh dangers of the present, and build a future worth living.

From Newbery Medalist Avi comes the thrilling and suspenseful story of an ordinary American family who falls under suspicion during the 1950s Red Scare. It's 1951, and twelve-year-old Pete Collison is a regular kid who loves detective stories and radio crime dramas. When an FBI agent shows up at Pete's doorstep, accusing Pete's father of being a Communist, Pete is caught in a real-life mystery. Could there really be Commies in his family? PRAISE FOR CATCH YOU LATER, TRAITOR: "Suspenseful . . . Authentic period details--such as popular radio programs and the ongoing rivalry between the Dodgers and the Giants--add a colorful backdrop to Pete's quest as he navigates the murky gray area between truth and fiction. An excellent introduction to the frenzy of the McCarthy era." —Publishers Weekly, starred review "Avi, a master of historical fiction, vividly recreates not only the neighborhoods and pop culture of period Brooklyn, but the runaway paranoia that dominated daily life in the early years of the Cold War. With each clue Pete uncovers, the tension picks up, engaging readers in solving the dual mystery of his father's past and identifying his accuser whose name is kept a well-concealed surprise until the last moment . . . As a mystery, historical fiction, and love letter to 1950s Brooklyn, this novel succeeds on every level." —School Library Journal, starred review "Avi's tale of one Brooklyn family living in a time of intolerance effectively explores the natures of suspicion, loyalty, and freedom, following a young protagonist who comes to learn the importance of freedom of speech and 'staying true to your own thoughts.'" —The Horn Book Magazine "An involving, twisty mystery,

grounded by the palpable emotional threat of Pete ' s father being taken away. An accomplished historical mystery by one of kid lit ' s most reliable craftspeople. ” —Booklist
“ Thought-provoking . . . Avi builds Pete ' s story, told in the first person, with page-turning tension and memorable characters that will leave readers with a strong sense of the insidious power wielded by the FBI and McCarthyites. ” —Kirkus Reviews A Spring 2015 Kids ' Indie Next List Pick A Junior Library Guild Selection

Zenith: In the White House with George H. W. Bush is the third in Ambassador Untermeyer ' s series of books based on his personal journals compiled during his tenure in the service of George H. W. Bush, first as vice president, then as president. The present work begins with Bush ' s election in November 1988 and concludes with Untermeyer ' s service as director of the Voice of America, from 1991 until Bush ' s defeat by Clinton in 1992. Filled with the author ' s personal observations and commentary on White House events, personalities, and issues, Zenith is written largely from Untermeyer ' s perspective as President Bush ' s director of personnel, a position that placed him squarely at the center of the politically charged process of making recommendations on some 3,500 federal appointments.

In 1968, Dr. S. Franklin Logsdon risked his reputation by daring to declare that the Babylon of Revelation 18, a great nation represented by a principal city, was none other than our beloved United States. While Rev. Hutchings did not accept with great zeal the premise that our country was the Babylon of Revelation 18, he thought the study was worthy of consideration, considering that the decade of the 1960s was the beginning of the indoctrination of a godless America. This book presents an appraisal and hopefully an objective conclusion that considers all the facts and evidence as relating to the United States as the Babylon of Revelation 18.

As the world races toward its momentous end-times encounter between good and evil (known in the Bible as Armageddon), a deepening antagonism is developing worldwide against conservative Christians. According to a 2014 Pew Research Center report this hostility now includes the United States, which elevated from the lowest category of government restrictions on Christian expressions as of mid-2009 to an advanced category in only the last three years. This trend may point to one of the most overlooked aspects of Bible prophecy--a war that ultimately pits born-again believers against religious Christians. The inspired texts themselves say a time is coming when "whosoever killeth you [true Christians] will think that he doeth God service." In Matthew 24:9, Jesus further warned: "Then shall they deliver you up to be afflicted, and shall kill you," and in the book of Revelation it describes this era as when Antichrist will have power "to make war with the saints, and to overcome them..." (Rev. 13:7; Dan. 7:21). All this unfolds as a False Prophet emerges--a final global superchurch leader that causes "as many as would not worship the image of the beast should be killed" (Rev. 13:15).

Who could have known how much influence the writings of a mysterious group of prophets and scribes hundreds of years before Christ would have on our understanding of end times prophecy? As it turns out, much of what we've been taught about Israel in the First Century is incomplete. There were, in fact, Jewish believers who knew exactly what to expect in the coming Messiah: that He would be God in the flesh and would die for our sins. If they accurately predicted the first arrival of Jesus, what did they say about His soon return? In this groundbreaking book, you will learn: How an ancient Jewish calendar actually predicts the year 2025 AD as prophetically significant? How the enigmatic group, known as the Essenes, formed and what influence they had over the New Testament? Lost prophecies only recently discovered in the Dead Sea Scrolls about our time today? What messages the Essenes left behind for believers living in this present age? How the prophecies of Daniel and Revelation fit within the ancient Essene timetable? What hidden feasts and festivals the Essenes observed and what they point to in the future? What were the circumstances of the disappearance of the Essenes and how it connects to every Christian from the past two thousand years? Once you learn about the Essenes and the Dead Sea Scrolls they left behind, you will understand the entirety of the Bible in a brand new light. Finally, the prophetic texts of Scripture can be understood as originally intended. Discover what God is revealing in these final years of our current age and what is ahead in the next age, soon to come!

The Lost Symbol Found and the Final Mystery of the Great Seal Revealed

Following the release of their international best-seller, Exo-Vaticana, Thomas Horn and Cris Putnam were inundated with requests from around the world to be interviewed on radio, television, and in print media. What they discovered sent shockwaves through Christianity concerning the Vatican's advanced telescope, which sits on top of Mt. Graham in Arizona (USA) where the Jesuits admit they are monitoring "something" approaching the earth. After the author's initial report was published in Exo-Vaticana, the pope's top astronomer took to the airwaves and on the Vatican Observatory website to try and explain the role that he and other church astronomers are playing with regards to emerging "ET Friendly" theology, their association with the LUCIFER device at Mt. Graham, and their developing doctrines concerning extraterrestrial life and the impact it may have on planet Earth's religions; Christianity in particular. Now, armed with fresh information from the native peoples

(that failed before a federal appeals court to stop the construction of the Vatican's observatory on one of their four holiest mountains), the authors set out with cameras and field investigators to unearth their most astonishing discovery yet. The mountain is said to be a portal, a gateway to another dimension. And, as the Vatican knows and the authors uncovered, it is not the only one. NOW, FOR THE FIRST TIME, ON THE PATH OF THE IMMORTALS REVEALS... • Unveiled! What Mt. Graham really is, and why NASA and the Vatican are there • Disclosed! What the Bible says about gateways and the beings that wait behind them • Discovered! Scientific evidence of, and signals from, life beneath the surface of the earth • Found! The ancient stargates and their association with vortex manifestations • Revealed! The role of CERN's Large Hadron Collider and its search for a portal • Uncovered! Gobekli tepe, Baalbek, and the secrets of the coming immortals • Deciphered! The worldwide grid that ties "them" all together • Exposed! The occult's countdown calendar for the return of their "gods" • Unearthed! Giants, cryptids, and their mysterious connection with "gates" In *On the Path of the Immortals*, internationally acclaimed, investigative authors Thomas Horn and Cris Putnam continue the greatest investigation of our time by exposing the facts kept hidden from the public by elitists and intellectuals who are planning mankind's assimilation under a coming "savior," one whom the prophet Daniel foresaw as "an alien god." Did Something Begin in the Year 2012 that Will Reach Its Apex in 2016?
